T.J.: Good riddance, Divatox.

Lincoln: Your days of trying to destroy the Earth are over.

Nico: That's for sure. Awesome job, gang, we're finally rid of Divatox for good.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Raven Ghostrick: (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Audrey Blade, and face your death!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Audrey Blade, the leader, murderous religious zealot, fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Raven Ghostrick: Audrey Blade, I should've known that you'd finally show up! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Audrey Blade: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Audrey, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Raven Ghostrick: Indeed, and it's high-time we bring this delusional vampire down for good and finally bring an end to The Ghostrick Destroyers.

Suddenly, Raven Ghostrick's red eyes turned neon red and she was surrounded by a black and purple energy aura with stars, darkness, light, shadows, dark and black magic, creatures of the night, and angels, she unholstered her massive Ghostrick Monsters' Eternal Ghostrick Darkness Archangel Greatsword of Eternal Darkness Ghostrick Angel Justice from her back, and as she approached Audrey Blade, she left black and arctic blue energy, stars, darkness, light, shadows, creatures of the night, dark and black magic and angels with every step.

Raven Ghostrick: I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Audrey Blade, and now, this is the end for you, you shall pay the price of your misdeeds with your own blood. Today, The Ghostrick Destroyers dies here and now!

Suddenly, Raven Ghostrick was surrounded by a massive vortex of black and purple energy with stars, light, darkness, dark and black magic, and shadows surrounding the vortex, there are creatures of the night, angels, and the Ghostrick Monsters flying around the vortex, and in the vortex is a marine blue phoenix with blood red eyes glaring at Audrey Blade: the red eyes of eternal death. Then, as the vortex faded, Raven Ghostrick emerged, but she was changed forever.

Suddenly, Raven Ghostrick's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she'd transformed into her most powerful and and most incredible transformation ever!

Raven Ghostrick has transformed into SUPER ANGEL-GHOSTRICK MONSTERS-GHOSTRICK GODDESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA GHOSTRICK GODDESS DARKNESS LIGHT GHOSTRICK MONSTER GODDESS ANGEL OF DIVINE GHOSTRICK GODDESS DARKNESS LIGHT GHOSTRICK MONSTER GODDESS ANGEL JUSTICE AND DIVINE GHOSTRICK GODDESS DARKNESS LIGHT GHOSTRICK MONSTER GODDESS ANGEL LOVE!

We were really amazed by Raven Ghostrick's Super Angel-Ghostrick Monsters-Ghostrick Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Audrey Blade saw it, she fell into an even more darker and more insane rage and ran at Raven Ghostrick with a knife to stab her in the heart to kill her, but Raven Ghostrick fired a powerful barrage of black and purple energy blasts, stars, darkness, light, dark and black magic, creatures of the night, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed her off.

Nico: (GASPS) Oh, no way, oh man, Raven Ghostrick's transformed!

Lincoln: And into her Super Angel-Ghostrick Monsters-Ghostrick Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, this has indeed been a long time coming. After everything that Audrey Blade had tried to do to them, now the circle of violence that she and the rest of The Ghostrick Destroyers have caused those seven years ago has come full circle.

Raven Ghostrick: (Divine Echoing Godly Voice of The Eternal Darkness Light Ghostrick Goddess Angel and Divine Eternal Darkness Light Ghostrick Goddess Angel Love) And it's about to end here and now with her death. Let's rip her to shreds, Linky.

Lincoln, Raven Ghostrick, Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter

Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lyra Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki went after Audrey Blade, and they fired extremely powerful blasts of rainbow energy, black and purple energy, black and colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Audrey Blade and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Raven Ghostrick, Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lyra Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Audrey Blade even madder than ever.

Audrey Blade: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Audrey Blade's vampiric nature came out, and now, she was out for blood and destruction. Audrey Blade ran at Lincoln, Raven Ghostrick, Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lyra Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Audrey Blade's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Audrey Blade of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Audrey Blade was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Lincoln, Raven Ghostrick, Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lyra Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki did as they holstered their weapons and powered down, and Raven Ghostrick's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Raven Ghostrick: Yes! We did it! We're finally rid of The Ghostrick Destroyers for good. Thank you for helping me destroy that monster, Audrey Blade, once and for all, Linky, along with all of you.

Lincoln: (Smiles Warmly) You too, Raven.

Ursula Truaigheaingeal: (Scottish Accent) We are finally glad to be rid of that monster, Audrey Blade, once and for all.

Suddenly, Raven Ghostrick wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Raven Ghostrick's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Ghostrick Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and darkness and elemental forces behind them and we cheered wildly. Then, Lincoln and Raven Ghostrick absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fight of Ghostrick Darkness VS. Delusional Vampire Leader, Lincoln, Raven, you two and the rest of the Ghostrick Gene-Slammers really showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used your Vampiric Life Drain on her, awesome!

Lincoln: Now, for the ultimate final farewell to The Ghostrick Destroyers.

We headed back to The Michigan Supernatural Defense Force's castle and we headed for The Room of Tortured Souls, then, Lincoln sent the soul of Audrey Blade in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Audrey Blade's life energy was being sucked out of her again.

Raven Ghostrick: Now, for the final farewell.

Suddenly, the two curses Lincoln put on Audrey Blade and The Ghostrick Destroyers activated, and then, Audrey Blade and The Ghostrick Destroyers screamed in agonizing pain and we saw all of their life energy being sucked out of them permanently and every last bit of it flowed into Lincoln and The Michigan Supernatural Defense Force as they sat on their vampire thrones and they gained a massive power boost, and as soon as it was done, we saw the souls of The Ghostrick Destroyers now drained forever, and then, The Judgement Kanji appeared on the heads of The Ghostrick Destroyers and they screamed as they faded away as they were erased forever.

Lincoln: Good riddance, you bloodthirsty leeches!

Then, Lincoln and the Michigan Supernatural Defense Force got up from their vampire thrones.

?: Aw, looks like I missed the final farewell.

Suddenly, we saw a beautiful and super sexy girl with long purple hair and pink hairband, dark purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a sleeveless purple crop top, necklace with pearls and purple gem for the pendant, purple skirt, white bridal gloves, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with elemental forces, darkness, skulls, psychic energy, and angels on the coattails and on the back are the Arcana Force Monsters and in her hand is The Forsaken Sword of Thanatos.

Lincoln: (GASPS) Alexis Arcana, Gene-Slammer of The Arcana

Force Monsters.

The Arcana Force Gene-Slammers: (GASPS) The Arcana Goddess of Thanatos?! She's here!

Alexis Arcana: That's right. And it's so good to see you again, Lincoln, along with you and the other Arcana Force Gene-Slammers, Melanie.

Melanie McPherson: (Scottish Accent) Aye, you too, Alexis.

Felicia Terrington: Oh man, we were hoping to meet in the future, but it looks like Alexis pulled a fast one and wanted to meet us here in The Michigan Supernatural Defense Force's Castle.

Lincoln went up to Alexis Arcana and he hugged her, and Alexis Arcana is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alexis Arcana: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Alexis Arcana, Gene-Slammer of The Arcana Force Duel Monsters, she's my Guardian Angel from Michigan and she's also an extremely and very powerful psychic, Mindreader, Clairvoyant, and Mindwalker. She has the power to see into the future and she has incredibly powerful psychic powers as well as the powers of Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, and Lightning.

Nico: WHOA! Oh man, that's so awesome!

Lincoln: And just like the other Arcana Force Gene-Slammers, Alexis also has the power to predict and stop any sign of trouble before it could even begin, and when she was Gene-Slammed into The Arcana Force Monsters, she had gained all of their powers along with rainbow angel wings, and during one of her travels, she'd gained The Forsaken Sword of Thanatos, a very terrifying sword that has the powers of Thanatos and she became a powerful force for good. She became the leader of The Arcana Force Gene-Slammers, and she's also known by the very moniker as The

Arcana Goddess of Thanatos and that moniker is so powerful many of Michigan's gangs ran in fear of her.

Me: I remember her all too well, and man, her psychic visions and her wielding The Forsaken Sword of Thanatos really struck fear into Michigan's gangs, many of them pissed themselves.

Lincoln: They sure did, and she hates Sartorius with a blazing passion. She found out about Sartorius' crimes from the other Arcana Force Gene-Slammers along with Claire Callaghan and Adrienne Candelaria, and she'd sworn one day that she'd make him pay for his crimes, but she'd known of his powers with The Light of Destruction and that he's a fortuneteller along with having control over The Arcana Force Monsters, but she was glad that Sartorius was destroyed long ago along with The Light of Destruction.

Alexis Arcana: Yes, it's true, but I've also got bad news.

Me: What is it.

Alexis Arcana: I had a vision and it also foretold that Sartorius will return to get revenge on us.

We gasped.

Alexis Arcana: But, there's nothing to worry about, everyone, he won't be accompanied by The Light of Destruction.

Nico: PHEW! That's a relief! But, still, now we know Sartorius is planning his return, but we'll be ready for him, along with Mileena.

Alexis Arcana: I can't believe Audrey Blade would do something that low! Bringing Mileena back from the dead and forging an alliance with Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, Kronika, and Bi-Han, as if that bloodsucking leech couldn't sink any lower.

Lincoln: We'll be ready for them soon, Alexis, and we'll make them all pay for their crimes.

Alexis Arcana: I know, and I know that the next Noble Knight Gene-Slammer that we'll be meeting on your rescue tomorrow is a Gene-

Slammer of Noble Knight Custennin.

We were amazed.

Nico: (WHISTLES) She really is just like the other Arcana Force Gene-Slammers.

Melanie Artorgius: She sure is, and there's only one person who'd be Gene-Slammed into Noble Knight Custennin, Carolina Constantine, and you guys will love meeting her, Carolina Constantine is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Carolina Constantine is also a direct descendant of Constantine III of Britain.

We gasped.

Me: Constantine III of Britain, the 6th-century king of Dumnonia in sub-Roman Britain, who was remembered in later British tradition as a legendary King of Britain.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Carolina Constantine hates that mutant, Flip, with a very blazing passion. One day, Carolina Constantine and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Carolina Constantine and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Carolina Constantine fired chains of light magic which bound that moron and tied him up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known he would do something like this.

Lincoln: I know, but I wasn't surprised, that fat mutant tried to kill me many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge on us, Carolina Constantine and I casted a spell to prevent that mutant from coming back to hurt us.

Me: Yeah, messing with the descendant of Constantine III of Britain and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That mutant really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan earned him the vengeance of my family infinite-fold.

Electrocutioner: It's not everyday a Power Ranger villain goes to jail.

Hydro Man: But compared to the others, she's getting off easy.

Pyro: At least Divatox is finally defeated for good.

Me: Thank goodness.

Grumblemon: You said it.

Hsi Wu: And this time, no Zords have been destroyed.

Me: That is for sure.

Nico: Yeah she was not much of a challenge. But still great job today everyone!

Rainbow Dash: This was so awesome! (To the viewers) Divatox may be in prison but she is not going to last there.

Me: I'll give her a year.

Qin: I'll give her 11 minutes.

We laughed.

We went back home and enjoyed the rest of the day and went to sleep.

THE END

Me: Boy been a while since we were in Nowhere, Kansas.

Fu: No kidding there.

Qin: Yeah.

Lola: It has been a while.

Camie: This is amazing.

Nico: It sure is.

Bai Tza: Boy it feels like forever ago since we were here.

Nico: I know.

Owl: I say now. This is amazing that we're here too.

Black Widow: It sure is.

Nico: Black Widow, I want to thank you, Shade, and your teams for coming

Black Widow: No problem Nico. It's going to be awesome helping you.

Me: It's always fun having you help us Natasha.

Xenia: Yep.

Owl: It sure is.

Nico: Owl, are you like the grandfather of Pooh and the others?

Owl: In a way I most certainly am.

Me: Owls are considered to be the wisest of birds in the animal kingdom which I think is very spiritually amazing.

Lola: I agree there.

Owl: Indeed there and that is a very well known fact.

Varie: Yeah it sure is.

Nico: I bet you're also glad you were barely seen in Blood and Honey

Owl: I most certainly am glad too.

Me: I think you survived because you flew away.

Owl: That might very well be a possibility.

Nico: Yeah.

Me: Boy yesterday was awesome and cool.

Varie: Yeah we showed Divatox what for.

Nico: She's not dead in prison yet. I don't want her to die right away.

Me: That's good. But it was still awesome to face her.

Qin: Yeah it sure was. I wonder who we're going to face after Matau's big day mission.

Xenia: I was wondering that myself.

Me: Same here.

Nico: I hope it's King Mondo again.

Me: That will be awesome! We can send him to the Black Gates.

Lola: Absolutely.

Lana: No one tries to turn Earth into a machine world.

Laney: Yeah no kidding.

Me: But this will be awesome though.

Nico: You think his general Venjix is related to the one we know and hate?

Me: It's possible. But highly unlikely. They are 2 different monsters.

Nico: Yeah Venjix of RPM is a rogue artificial intelligence and Venjix of Zeo is a robot general.

Qin: Yeah. Just because they share the same name doesn't mean they are related.

Camie: Yeah that is true.

Nico: It's good we're here and Fluttershy is not going to like this. That Cruel Veterinarian has escaped from prison and is trying to continue what he started in the past.

We gasped!

Lana: Not him again!

Bai Tza: That jerk! Doesn't he know when to quit!?

Laney: Obviously not.

Nico: That Vet is here somewhere.

Fluttershy: That great BIG MEANY! I will not let him do this to poor animals!

Qin: Me neither!

* * *

Lincoln: This is going to be awesome, not only are we going to get another shot at beating the stuffing out of The Cruel Veterinarian, but I sensed it. Fluttershy, just like Twilight, Applejack, Rarity, and Pinkie Pie, you're going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Fluttershy: That's true, I felt it for myself, Lincoln.

Nico: And so did we. You'll show that monster what happens when he dares to hurt animals for his own sick twisted pleasure.

Me: Just like what happened years ago in Nowhere.

Lincoln: Earth, Laney, Lana, Bai Tza, and I still remember that day all too well. Now, to sense for that sicko. (Senses for The Cruel Veterinarian) Aha, caught you! He's 200 clicks north of our location, but heads up, gang, he's got armed thugs courtesy of that mutant, Flip.

Anna Anyanova: (GROWLS) Flip's going to get an even worse beatdown than when Twilight gave him one when we get through with him!

Lincoln: Don't worry, Anna, you will. I'd better get rid of Flip's thugs.

Lincoln concentrated on Flip's armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, strength, and souls, and he sent them to The Black Gates. Then, we set our sights on The Cruel Veterinarian.

May: Think we should call Courage?

Nico: No. Last thing he needs is to see this fucker.

Me: I agree there.

Nico: Yeah. Lets get him!

We went at the Vet.

Cruel Veterinarian: You will all be sent into Space and become Space Dogs! (LAUGHING CRUELLY)

?: NOT HAPPENING ANYTIME SOON!

Suddenly, the spirits of every breed of dog appeared out of nowhere as they flew around the place and they fire blasts of elements and energy at The Cruel Veterinarian and he was hit badly. Then, the spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when he saw us, he was absolutely pissed off big time and he went crazy.

Cruel Veterinarian: You! You ruined my experiment!

Nico: Even after all this time, you haven't changed at all!

Lincoln: His mind has forever deteriorated, Nico, because of his insanity and cruelty to all dogs, but it won't matter, we're sending him right back to jail where he belongs. But, first.

Lincoln fired a blast of rainbow energy and fire at The Cruel Veterinarian and it sent him flying into a wall, he got back up, but this angered him even more.

Fluttershy: Nice shot, Linky.

Lincoln: Thanks.

Cruel Veterinarian: YOU RUINED A GREAT EXPERIMENT!

Me: Your "Experiment" is one that is full of lunacy!

Nico: What you're doing is animal cruelty!

Qin: And if there is one thing we never tolerate it's Cruelty to Animals!

Camie: YEAH!

Cruel Veterinarian: I don't care! SPACE DOGS ARE THE WAVE OF THE FUTURE! (LAUGHING LIKE A DERANGED LUNATIC!)

Eli: This guy is nuts!

Me: He is completely fucking insane!

Nico: Space dogs isn't even a real term!

Me: That's right! It's just shows how stupid and idiotic you are!

Eli: Yeah!

Fluttershy: And I won't stand for it!

Suddenly, something within Fluttershy's mind snapped as memories of The Cruel Veterinarian's crimes against all dogs and for what he did in traumatizing Courage rushed through her head and her green eyes turned neon light green, and she was surrounded by a yellow and pink energy aura with stars, magic, butterflies, leaves, plants, animals, and Alicorns, she unholstered her massive Fluttershy's Nature Plant Jungle Kindness Alicorn Greatsword of Nature Justice and Animal Kindness from her back, and as she approached The Cruel Veterinarian, she left yellow and pink energy, stars, butterflies, magic, plants, leaves, animals, and Alicorns with every step.

Fluttershy: I have had enough of you, Cruel Veterinarian, you've sent so many dogs over the years into space and for what, for your hope they become Space Dogs, and don't you dare say it was for science, you were and always will be a cruel, sick, twisted individual who has no respect for animals at all. (SUDDENLY GETTING EXTREMELY ANGRY AT THE CRUEL VETERINARIAN) But, what you did is the one thing that really crossed it, you sent Courage's parents into space and left him abandoned and alone forever as a pup until Muriel found him and gave him a home, and the added fact that you have absolutely no remorse at all… , (CANTERLOT ROYAL VOICE) YOU HAVE COMMITTED A TRULY GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED THE ANIMAL KINGDOM FOR FAR TOO LONG, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! THE CRIMES THAT YOU'VE COMMITTED AGAINST EARTH CAN NEVER BE FORGIVEN, AND FOR THAT, YOU SHALL PAY THE ULTIMATE PRICE WITH YOUR LIFE!

We gasped at the sudden extent of Fluttershy's sudden fury: The Cruel Veterinarian was now in really extremely big trouble!

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! NOW, THE PSYCHO'S IN HUGE TROUBLE NOW!

Lincoln: You mess with animals when Fluttershy's around, and there's going to be tons of big trouble heading for that said person.

Lincoln, Twilight Sparkle, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Starlight Glimmer, Sunset Shimmer, Trixie Lulamoon, Vinyl Scratch, Wallflower, The Canterlot 5, and the rest of Twilight Sparkle's Friends: HIT THE DIRT! SHE'S GOING TO BLOW!

We immediately ducked and covered as Fluttershy screamed with such extreme and violent rage and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and leaves and grass and she was surrounded by a massive vortex of yellow and pink energy with stars, magic, leaves, animals, and plants surrounding the vortex, there are butterflies flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at The Cruel Veterinarian: the red eyes of death.

Suddenly, The Unity Crystals on my Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Fluttershy's Nature Plant Jungle Kindness Alicorn Greatsword of Nature Justice and Animal Kindness, and then, her massive greatsword glowed, and then surrounding the massive vortex of yellow and pink energy with stars, magic, leaves, animals, and plants surrounding the vortex, there are butterflies flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at The Cruel Veterinarian: the red eyes of death was A MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HER AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO FLUTTERSHY! THEN, AS SOON AS THE VORTEX FADED, FLUTTERSHY EMERGED FOREVER CHANGED!

(ROAR BY KATY PERRY PLAYS)

We were really amazed by Fluttershy's Super Angel-Kindness Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when The Cruel Veterinarian saw it, he went absolutely insane and tried to rush at her to kill her, but Fluttershy fired a massive barrage of yellow and pink energy, animals, plants, magic, leaves, and Alicorns at The Cruel Veterinarian, and it hit him and sent him flying into another wall, and he also got burned badly by the power of Kindness, he got up, but he was really furious now and he roared with anger.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Fluttershy and Lincoln went after The Cruel Veterinarian, and they fired extremely powerful blasts of rainbow energy, yellow and pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Cruel Veterinarian and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Fluttershy attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving The Cruel Veterinarian mad.

Cruel Veterinarian: I HATE EVERY LAST ONE OF YOU!

Our energy auras flared up as we'd gotten stronger thanks to his extremely massive hatred.

Nico: YEAH, FUCK YOU TOO, SCREWLOOSE!

Me: YEAH!

Nico: I wonder if her Stare is affected.

Then…

(WARBLING NOISE)

Fluttershy used her stare on the "Good Doctor" and he screamed in absolute fear and horror and it was like looking into the face of Toepick enhanced 100,000-fold! HE WAS SCREAMING IN FRIGHT AND FEAR AND HE TURNED COMPLETELY WHITE AS A GHOST!

Fluttershy: YOU SHOULD BE ASHAMED OF YOURSELF! DOING SUCH TERRIBLE THINGS TO ANIMALS AND SENDING THEM INTO SPACE TO BECOME SPACE DOGS AND BREED IN SPACE AND YOU EVEN SENT POOR COURAGE'S PARENTS INTO SPACE AND MADE HIM SO SCARED AND HORRIFIED OF EVERYTHING! YOU SENT ALL THOSE DOGS INTO SPACE FOR YOUR OWN SELFISH PURPOSES! YOU'RE NOT A VETERINARIAN OR A DOCTOR! YOU'RE JUST A GREAT! BIG! FAT! MEANY!

WE GASPED AND ME AND MAY JUMPED INTO NICO'S ARMS IN FRIGHT!

Nico: OOF! YOU'RE GIVING ME A HERNIA GUYS!

(Rainbow Energy Aura flares up) But, your hatred has made you blind and weak, you may have thought no one would ever get in your way, but you underestimated your opponents, and in the end, that's why you will fail once again!

Lincoln and Fluttershy ran at The Cruel Veterinarian, and they proceeded to give him quite the nasty and brutal beatdown on him!

WHAM! BAM! SLAM! KRACK! BONK!

Me: (WINCES) OOH! OH MAN! THAT'S GOT TO HURT!

Nico: DAMN! NOW, THAT'S JUST BRUTAL!

Fluttershy: Nice one, Linky. Now, let's end this monster for good.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) On it, my Alicorn Princess of Kindness.

Lincoln and Fluttershy made two yellow and pink energy balls with leaves, plants, animals, butterflies, magic, and Alicorns surrounding them, and The Cruel Veterinarian, not liking this, was frozen with fear.

Lincoln and Fluttershy: LIFE SKYLANDERS KINDNESS HARMONY MEGABLAST!

Lincoln and Fluttershy fired the balls of yellow and pink energy with surrounding leaves, plants, animals, butterflies, magic, and Alicorns, and they hit The Cruel Veterinarian and they exploded with such incredible power, and he was knocked down and out.

And he was tied up in Neutronium Chains lined with rainbow energy and a rainbow energy straitjacket and he was sent right back to The Saturn Insane Asylum's Arkham Asylum Wing this time placed in a doorless cell and chained to the wall.

Nico: Serves you right!

Me: YEAH!

We all cheered wildly for what Fluttershy and Lincoln did as they holstered their massive greatswords and powered down, and Fluttershy's new body, clothes, weapons, jewelry, Third Eye, longer pink tail, and massive yellow angel wings are permanent.

Suddenly, Fluttershy felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Fluttershy?

Fluttershy: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln both showed that monster absolutely no mercy whatsoever!

Nico: And that combo you guys used on that monster definitely knocked him out and sent him back to prison for good.

Fluttershy: That monster had it coming.

Me: You got that right.

Suddenly, Fluttershy turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Fluttershy's face, they kissed passionately as Fluttershy moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with a beautiful forest with animals appearing behind them and we cheered wildly. Lincoln and Fluttershy then absorbed the elemental forces and they came back to us as the display vanished.

Nico: Nice job, you two!

Fluttershy: Thanks Nico.

Qin: Boy that was awesome!

Me: It sure was! He had it coming.

Xenia: No kidding.

Wallflower Blush: That was so awesome seeing him whimper in fear like that.

Varie: Yeah he deserved it.

Nico: He'll never hurt another animal again.

Me: Nope. But if he does it will be the black gates.

Lola: Yeah!

Fluttershy: I agree there.

Lana: Elmyra Duff should get that awesome version of the stare on her too.

Nico: That would be awesome to see.

Juran: Who cares about her?

Lana: No one. Just saying. I think it would be awesome to see Fluttershy give her that enhanced version of the Stare on her.

Me: Yeah. That would be awesome to see too.

Nico: It sure would.

Lola: I agree there.

Nico: I hope she wasn't hurting any animals here.

Me: Me too.

Lana: I know how Elmyra is and loves all animals too much.

Carol: I know. And she was made the Menace of the Animal Kingdom.

Nico: Now, onto other business.

Eli: Yep. I found the Anothers while we were going at it. We have Another Adam MacIntyre, Gentle Criminal and La Brava, Esidisi, General Yunnan, Julie Hinikawa, Arlong, Slenderman, Dyb Devlin, TTG BRIAN, Ariadne (Agents of Mayhem), Owl and Shade.

Lincoln: Irina Infernoble!

Irina Infernoble: Awesome to see you again Lincoln and you grew into an awesome young man.

Lincoln: Thanks. Same to you. Irina is one of my guardian angels and she is for the Infernoble Monsters and she is an awesome swordswoman and she has amazing fire powers. Also she defended me from the worst of Lynn's fury. And she hates her with a vengeance.

Me: Uh oh. What did she do that time?

Irina Infernoble: Tried to kill Lincoln by stabbing him over 500 times.

We gasped!

Me: That is beyond overkill!

Lincoln: Yeah. Lynn was almost disowned from the family and sent to the nuthouse for 5 months.

Me: GEEZ!

Nico: No shit!

Me: By the way is the Another Shade friendly or hostile?

Irina Infernoble: Friendly and it's someone you know J.D.

Me: Wow.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and was separated from the Anothers.

Diddy: It's on like Donkey Kong!

We fired waves of coconuts, peanuts, grapes, feathers, pineapples and more and blasted them down and I caught the Wonder Ride Books.

Me: Take that!

Qin: YEAH!

Me: (IMITATING DONKEY KONG HOWL)

Nico: YEAH!

Lola: Now for Another Shade.

Nico: Any minute now.

Me: We don't have to wait long!

Nico: Whoa!

Lola: Dark.

Qin: Yep.

Another Shade: (In a girls voice) This will be awesome.

Me: That voice!

She reverted back and it was a girl with black hair, blue eyes, black clothes and had black angel wings and had the symbol for the Destiny HERO monsters in the middle of her forehead and on her right arm and had a sword of darkness in her hand.

Me: (GASP) Luna Destiny!

Kaito: (gets out Shinkenger gear) Did Swartz promise you anything

Zocks: (gets out Goseiger gear) Because we can grant it instead

Kaito got a Samurai Ranger sword and Zocks got a Megaforce Sword.

Luna Destiny: Just to have me and my HERO Gene-slammers help you guys out.

Me: That's gonna be easy for us. We just got to know where to look. Luna is part of a team of gene-slammers called The HERO Sisters. They are the gene-slammers of the HERO Duel Monsters: Elemental, Destiny, Evil, Masked, Vision, Laval, Gusto, Gishki, Constellar, Gemknight, Steelswarm, Ice Barrier, Lunalight and more.

Nico: Awesome!

Qin: That is cool.

Me: It sure is. Sorry we have to fight like this.

Luna Destiny: No worries.

She turned into Another Shade.

Sougo: (gets out Samurai Ridewatch) We can definitely help find them

Geiz: (gets out Megaforce Ridewatch) It'll have to be one day at a time though.

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArmor

Another Shade: Got all the time in the world.

Nico: Time for some darkness! (Activates Shade and Owl's ridewatches)

He fired waves of darkness and smashed her down.

May: And magic. (ACTIVATES CARNOM AND EVIL GENIE WOMAN'S RIDEWATCH)

She fired waves of magic and smashed them down.

Maria: Time for some fury power! (ACTIVATES FAT BANDIT AND TYPEFACE'S RIDEWATCHES)

Common Cold: Thanks.

Then a Sirfetch'd came!

Me: Whoa a Sirfetch'd!

Qin: Wow!

Sirfetch'd: (In a girls voice) (British Accent) This is gonna be a most fun and meaty battle.

Nico: Dame Leona of Sirloin!

Me: The Steak Master of the Knights of the Meats Table!? WHOA!

She reverted back and was a girl with red hair and had red clothes and had a Bacon Magisword in her hands and had red angel wings.

Dame Leona of Sirloin: That's right J.D. And it's good to see you again Nico. I shall bring this foe down.

She fired waves of meat and blasted her down and I caught the Ridewatch and purified it and brought her over.

Nico: YEAH!

Qin: That is awesome.

Owl: May I ask your favorite memory of Nico?

Dame Leona: Certainly. It's where we ambushed the evil kingdom of Vegetala.

Me: That evil vegetable kingdom on the island of Vegetables in the Azores?

Dame Leona: The very same and we showed them that meat is great.

Nicole: Now you're talking! I am a true lover of meat and it's awesome.

Dame Leona: Jolly Good there!

Nico and Leona hugged.

Nico: I've missed you Leona.

Dame Leona: Same to you Nico.

We went back home.

We're going to help the good werewolves in protecting Timothy against the evil werewolves led by Varek, who subsequently is revealed to be Caleb, Rachel's husband and Timothy's father, long thought to be dead, but is not, and it's revealed that his transformation was due to him feeding on humans, and he's now the leader of the evil werewolves who are addicted to blood and the curse's terrible power and they seek to kill Timothy because his blood is the key to ending the curse. The good werewolves want the curse to end while Varek's pack does not: they're addicted to blood and the curse's terrible power, so come tonight at midnight, we're ending the curse once and for all, but Caleb will be cured from the curse, while the rest of his blood-addicted pack will be killed by us.

Lincoln: Whoa, we're here in the 2006 movie Skinwalkers, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also in for one bloody battle. We're going to help the good werewolves in protecting Timothy against the evil werewolves led by Varek, who subsequently is revealed to be Caleb, Rachel's husband and Timothy's father, long thought to be dead, but is not, and it's revealed that his transformation was due to him feeding on humans, and he's now the leader of the evil werewolves who are addicted to blood and the curse's terrible power and they seek to kill Timothy because his blood is the key to ending the curse.

Eli: Why's that?

Me: The good werewolves want the curse to end while Varek's pack does not: they are addicted to blood and the curse's terrible power, so come tonight at midnight on the last red moon, we're ending the curse once and for all, but Caleb will be cured from the curse, while the rest of his blood-addicted pack will be killed by us.

Nico: Yeah. But, first, we should head to town to meet up with Timothy and his family and get them out of here.

Samus: Before Caleb and his pack show up.

Lincoln: Right.

We head into town and we met up with Timothy and his family, and we then explained everything to Timothy of his family's dark history and why we're here: to help end the curse, and we already knew of who Varek really is: Rachel's long dead husband, Caleb.

Uncle Jonas: I'm surprised all of you knew about this.

Lincoln: We're no strangers to the supernatural. Now, we need to get going before Caleb's blood-addicted pack shows up.

We heard the sound of motorcycle engines, and we knew what it meant. Then, Lincoln teleported all of us away from there and we kept on moving to make it all the way to nightfall, but not before he'd fired two silver nitrate bullets that killed Grenier and his hawk.

Katherine: If we keep this up, we should be able to make it until midnight on the third night.

Timothy Talbot: Yeah.

Lincoln sensed Timothy's unease.

Lincoln: Timothy, what's wrong, are you okay?

Timothy Talbot: This whole thing that you told us, we already heard it from Uncle Jonas. I know that my blood is the key to ending the curse, for them, I'm their salvation, but for my Dad's pack, I'm their destruction.

Nico: But, make no mistake, Timothy, your family truly loves you, that's the one thing that matters, and we will free your Dad from the curse, but not his blood-addicted pack.

Me: He's right, they don't deserve to live a single second further.

We made it through the first two days, but in the process of the very first two nights of the red moon, Varek and his blood-addicted pack killed a few people in their path to feed their addiction to blood. On the final night of the red moon, we made it to a safe place: an old oil drilling mill, and then, we got everyone secured and we also armed ourselves with guns with silver nitrate bullets.

Rachel Talbot: Silver nitrate?

Lincoln: It's lethal on both evil werewolves and Lycans, and it'll work perfectly on your husband's blood-addicted pack. Now, you and Timothy need to stay here, you and the others will be safe from Caleb and his pack.

Suddenly, we saw a beautiful and super sexy girl with long black hair and yellow hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a white coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Custennin, in her right hand is The Sword of Hope, and with her are the four girls.

Black-Haired Girl: I hope I'm not too late, I managed to get the girls away from Varek and his pack, but not before I blinded him with a blast of light I fired at him and scarred that bitch, Sonnya.

Lincoln: No, you're not, Carolina Constantine. You're just in time.

Suddenly, we heard the doors open, and we saw Sonnya, Zo, and Varek/Caleb come in and turned into their werewolf forms. Uncle Jonas in his werewolf form saw them, and he proceeded to ambush Varek and his pack. First, he lured Zo into a booby-trap and we shot him with a silver nitrate bullet which'd immediately killed him and we dropped him down from a height. This angered Varek and Sonnya as they roared in anger.

Then, we proceeded after Sonnya, Varek's pack mate, who tried to attack Rachel, but Timothy shot her and Rachel finished her off by shooting her. Finally, we turned our attention to Varek.

Sylvester: Make no mistake, tonight, the curse ends here and now.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune

Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: And you'll be set free from the monster you've turned into, Caleb. Come on, gang, let's end this nightmare once and for all.

Timothy Talbot: Lincoln, catch!

Timothy tossed Lincoln a gun that had bullets with a drop of his blood in them, he aimed at Varek's arm, and as the clock chimed at midnight, he took the shot and fired and it hit Varek's shoulder and he roared in pain. Then, Varek is struck by Rachel and he's knocked to the ground. Suddenly, we all saw him transform back into a human and to his former self, Caleb, along with Uncle Jonas and all of Timothy's relatives, and Lincoln banished the spirits of Grenier, Zo, and Sonnya to The Black Gates for what they've done. We cheered as we holstered our weapons and powered down.

Uncle Jonas: We… we've done it. The curse is finally over at long last.

Timothy Talbot: Not quite yet.

Caleb: There are still many others who are also afflicted by the curse, and all because of me and the rest of the pack. Damn.

Lincoln: There is a way to end it for good.

Lincoln took out one of the bullets that had Timothy's blood filled into it, and he placed it in the center of a magic circle he drew into the ground. Then, he chanted an incantation, and then, the bullet glows with a silver and blood red light, and it proceeded to turn into multiple silver and blood red beams of light and they hit those afflicted by the curse of the Skinwalkers: for those who want it to end, it had freed them of their torment, but for those addicted to the curse's power, it led to their destruction as they died.

Nico: Whoa, what was that?

Lincoln: It's another spell that I found in the grimoire Lucy got me. I knew it was going to be quite a task curing all those who were afflicted with the curse of The Skinwalkers, but I found another spell in the grimoire and in it there was a spell that can cure those afflicted with the curse of the Skinwalkers, but to do so, I needed a sample of Timothy's blood for this, and like Timothy said, for those who want it to end, it freed them of their torment, but for those addicted to the curse's power and the taste for blood, it led to their destruction.

We then proceeded to move Timothy and his family to Gotham Royal York after everything that had happened, but they would adjust to it over time.

Me: Still, it's brought an end to the curse of the Skinwalkers for

good.

Lincoln: It sure has. (To Carolina Constantine) And it's so good to see you again, Carolina Constantine.

Carolina Constantine: You too, Linky, it's been a long time.

Lincoln went up to Carolina Constantine and he hugged her, and Carolina Constantine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carolina Constantine: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really

grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Carolina Constantine, Gene-Slammer of Noble Knight Custennin, she's my Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Carolina Constantine is also a direct descendant of Constantine III of Britain, the 6th-century king of Dumnonia in sub-Roman Britain, who was remembered in later British tradition as a legendary King of Britain.

Me: I knew it.

Melanie Artorgius :Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Carolina Constantine hates that mutant, Flip, with a very blazing passion.

Nico: Oh great, what did that mutant do that time?

Melanie Artorgius: One day, Carolina Constantine and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Carolina Constantine and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Carolina Constantine fired chains of light magic which bound that moron and tied him up. Lincoln called his family to tell them of what Flip tried to do, and needless to say, everyone wanted his head on a pike! But Lincoln wasn't surprised, that fat mutant tried to kill him many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge, Carolina Constantine and Lincoln casted a spell to prevent that mutant from coming back for revenge because messing with the descendant of Constantine III of Britain and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: Stupid mutant, he just makes things even worse for himself.

Nico: What a moron.

Lincoln: He really didn't know when to quit, and just kept coming back for more. He was such a total glutton for punishment, it wasn't even funny, all of Royal Woods were really getting tired of him and his scams and they prayed that one day, he would be outed and made into a total outcast and pariah.

Me: And that day came when you and I spilled the truth about his business, and they became really disgusted and that caused his downfall.

Lincoln: And we can also thank the additional help of my Guardian Angels gathering tons of evidence on his numerous crimes and that made him the most hated person in the entire Michigan area and the world. And now that you're here, Carolina.

Lincoln went up to and hugged Carolina Constantine in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he

fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Carolina Constantine: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Carolina Constantine's neck with white gems on the gold lightning bolts and white crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Carolina Constantine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carolina Constantine.

Carolina Constantine had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Suzuri Akemine, Rushia Kamishiro, Noa Kagetsuin, and Moegi Tsubaki from Naderebo!.

Lincoln: Oh wow, it's Suzuri Akemine, Rushia Kamishiro, Noa Kagetsuin, and Moegi Tsubaki from Naderebo!.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Suzuri Akemine: Yes, we're okay thanks to you.

Then, when Suzuri Akemine and the other three girls saw who it was that saved them from Varek and his blood-addicted pack of evil werewolves, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of

Suzuri Akemine: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Suzuri Akemine: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Suzuri Akemine, Rushia Kamishiro, Noa Kagetsuin, and Moegi Tsubaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were Varek who was Rachel's long dead husband, Caleb, and his blood-addicted pack of evil werewolves.

But, when Lincoln showed what happened with us first killing Grenier and his hawk and we survived the pursuit for the first two nights of the red moon, and then, the final night came and we fought against Zo and Sonnya whom we killed, and then, Lincoln shot Varek in the arm with a bullet filled with Timothy's blood and it turned him back to human form and he reverted back to who he was: Caleb, and Lincoln using a spell to put an end to the curse for good, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Carolina Constantine have a lot of catching up to do now that she's back in town.

Maria: Whoa, you guys had to survive for three nights against those evil werewolves who are really addicted to blood, jeez!

Lincoln: Yeah, and they were really dangerous, but we brought an end to that for good, and J.D. and I didn't need to transform into our Nocturnal Werewolf forms to kick their butts.

Nico: Yeah, and while we killed Grenier, Zo, and Sonnya, Lincoln shot Varek with a bullet filled with Timothy's blood and he reverted back to normal and returned to who he once was: Rachel's husband, Caleb.

Me: And Lincoln used another spell he found in the grimoire Lucy got him that described how to put an end to the curse of the Skinwalkers, and like Timothy said, for some, he's their salvation, but for others, he's their destruction.

---

After putting an end to the curse of The Skinwalkers, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carolina Constantine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Carolina Constantine: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with

Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Carolina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Carolina Constantine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Carolina Constantine: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Carolina, what memories did you have with Lincoln?

Carolina Constantine: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of an unwashed pig in the air, and we saw who it was coming after us: it was Flip, and he had a massive army of thugs with her and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Flip, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Flip once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr.

and Mrs. Loud all pounced on Flip, and they brutally beat his three-cheeked ass into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Flip after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set Flip off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that mutant always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

We got a shower, and then, Lincoln, Ruby, Yue, Anna Williams, and Nina Williams are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ruby, Yue, Anna Williams, and Nina Williams are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ruby, Yue, Anna Williams, and Nina Williams had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Ruby: Wow, so this is Seaside Hill, this is really awesome!

Lincoln: It sure is, Ruby, and it's perfect for our first date. Shall we?

Lincoln, Ruby, Yue, Anna Williams, and Nina Williams dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Ruby, Yue, Anna Williams, and Nina Williams got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Ruby, Yue, Anna Williams, and Nina Williams and they hugged them in their abnormally massive and powerful muscular arms, and Ruby, Yue, Anna Williams, and Nina Williams placed their hands on the massive pecs of Lincoln and his clone, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ruby, Yue, Anna Williams, and Nina Williams with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Ruby, Yue, Anna Williams, and Nina

Williams are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Ruby, Yue, Anna Williams, and Nina Williams, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Marisa Coulter, and she's causing trouble. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, okay, I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than Marisa Coulter, and she's causing trouble.

We gasped.

Me: Oh man, this isn't good.

Nico: Apparently not, but we got to stop her.

Lincoln: We got to head down to help Lyra Belacqua take Marisa down for good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than our old enemy, Brandon Breyer A.K.A. Brightburn and the last of the brutal Thalionian race and he's come back from the dead to get revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and it's someone we hoped never to see again: the figure that we saw and the dark powerful energy we sensed belongs to our old enemy, Brandon Breyer A.K.A. Brightburn and the last of the brutal Thalionian race and he's come back from the dead to get revenge on us.

We gasped.

Nico: Not that murderous Thalionian again, I made sure he would never ever come back!

Me: He still harbors a really nasty hatred towards you for what happened when you fought him and from your first encounter long ago.

Helen James: That's it, he's so getting The Black Gates for this!

Nico: Wait, Helen, I have a better idea, instead of giving him The Black Gates, he's going straight to Juvie after he's been stripped of all his powers, but when he turns eighteen, he'll be heading for a special wing in The Sun Prison and his new cell will be made of the same metal as his ship. But, who'll face him?

Melanie Connors: I will along with Linky.

Nico: Are you sure about this, Melanie? Brandon Breyer is a homicidal monster who wants nothing more than to kill any who get in his way.

Melanie Connors: I'm positive, you already had your fun thrashing that monster, now it's our turn.

Lincoln: Melanie's right, Nico, you already had your fun thrashing that bastard into the ground, now it's our turn to thrash him into the dirt.

Nico: I like that determination. Alright, gang, let's go, we're going to help Lyra Belacqua take down Marisa Coulter.

Lincoln: Marisa Coulter won't get away with her plans, we'll stop her here and now, and once we get done with Marisa Coulter, you're next, Brandon Breyer.

Melanie Connors: You better be ready to pay for your murderous actions, you homicidal Thalionian, because you deserve no such mercy from any of us for your violent rampage, and you're lucky you're not getting The Black Gates, just getting every last bone in your body broken beyond repair.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to help Lyra Belacqua take down Marisa Coulter, and once we were done with Marisa Coulter, Lincoln and Melanie Connors are going to take down Brandon Breyer A.K.A. Brightburn and make that murderous Thalionian pay for his murderous crimes.

In the simulator it was time for another awesome adventure in Super Mario Galaxy.

Nico: You guys are gonna like this next one!

Me: What is it?

Nico: We're going to take on Bowser in his Star Reactor.

Me: Cool! Count me in!

Nico: I knew you would want to go with J.D.

Me: It will be awesome!

Nico: Anyone else want to go?

May: Me.

Maria: And me.

Nico: All right then. Lets go.

We went into the simulator.

Nicole: Here we go.

Nicole activated the Simulator and we were at Bowser's Star Reactor!

Me: We're here.

Nico: Yep.

Maria: Bowser is going to face the wrath of fire, ice and water.

Me: Yep.

Nico: I always did think that Dry Bones were Skull Koopas

Me: That is crazy but interesting and awesome. I always thought that skeleton Bowser was the same way.

Nico: Yeah. Lets fly and kick some shell butt.

We were off.

Maria: And isn't that called Dry Bowser?

Me: Yes it is. I thought the same thing.

We arrived at the castle tower and then out came BOWSER!

Me: Bowser!

Nico: Well if it isn't Bowser!

Bowser: BWAHAHAHAHAHA! Team Loud Phoenix Storm!

Me: I've been waiting for this for a long time.

Bowser: You're just in time! TIME FOR ME TO SMASH YOU INTO SPACE DUST!

Me: Not if we smash you into space dust first!

Nico: Yeah!

Me: You don't know how long I've been wanting to say that to you!

Bowser: How long exactly?

Me: Ever since I started playing the Mario Games back when I was

3. Over 18 years

Nico: We were actually discussing about Dry Bowser.

Bowser: I can tell.

Me: And here is something courtesy of your FURY BOWSER FORM!

I then fired a massive blast stream of fire and it hit Bowser and burned him bad!

Me: Sucks to be burned by your own fire doesn't it.

Bowser: If you think I'm tough right now, you should probably think about fighting said Fury form of mine.

Me: I bet he will be an even fun challenge.

Nico: You g0t that right.

May: Yeah.

Bowser fired blasts of fire and May fired waves of ice and the blasts collided and May's blast froze his flames.

Nico: (gets out Shade and Ebon's Ridewatches) Tell me, are you afraid of the dark?

Nico activated them and fired waves of darkness and blasted him down.

Me: If you aren't then you should be.

Maria: Like big time!

Maria fired a wave of water and drenched him.

Me: Yeah! And you thought Sonic was the only one with super speed? Watch me!

ZOOM!

I ran fast with Rainbow Dash's speed and spun around him and made Bowser dizzy! REALLY DIZZY!

Bowser got so dizzy that he had swirls in his eyes and he fell over on his back and Maria and May jumped and smash stomped on his belly! OUCH!

Bowser got up and did the Bowser Bomb.

We jumped away and Nico fired a blast of fire and it hit him on his butt and he yelped in pain and May fired a blast of ice and formed it into a spear and she threw it and stabbed him in his butt!

Nico: Getting stabbed in the ass always hurts.

Me: Big time! Next to being burned.

?: That is for sure!

A Cursola appeared!

May: Cool a Cursola!

Me: Awesome!

Cursola: (In a girls voice) Especially for this!

She formed spears of coral and smashed him up into the air!

Me: ROUGH SEA SPUME!

I fired a massive blast of water and it hit Bowser and exploded with the force of a Megatsunami!

SUPER SPLASH!

Nico: YEAH! And Zinnia Zooxanthellae! Wow!

Me: Wait the famous Zinnia Zooxanthellae, the Marine Biologist that studies coral!? Wow!

Cursola: That's right.

Nico: Awesome!

Maria: Nice to meet you!

Cursola: Same here.

Nico: Lets finish this.

Nico formed a powerful fireball and threw it right down Bowser's throat and he swallowed it.

Maria: Uhh.

Nico: Wait for it…

Then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

It exploded inside his stomach!

Bowser groaned in pain as smoke billowed out of him!

Me: (Smacks) (Italian Accent) THAT'S A SPICY MEAT-A-BALL!

We laughed!

Nico: (LAUGHS) That was funny!

Bowser: NASTY HEARTBURN!

Bowser breathed some of his own fire at Nico but he absorbed it and it made him more powerful.

Bowser: WHAT!?

Bowser breathed a massive continuous stream of fire and we absorbed it all and got stronger and stronger and stronger from the flames.

Nico: That's right keep fueling us.

He was really breathing enough fire to supercharge the sun.

When he stopped we fired waves of water and cooled him down!

Bowser: Oh, come on!

Me: Okay then!

I grabbed him by his tail.

Me: I saw this one on TV.

I then smashed him back and forth and then spun him around and smashed him into a wall and then smashed his face in with a paddle!

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

Nico: OH YEAH!

He was then defeated!

Nico: Had enough?

Bowser: This is only the beginning you fools. You think you can stop me?

Me: Oh we don't think. We know.

Then he vanished.

Then out came the Grand Star!

Me: There's the Grand Star!

Nico: Let's get it!

Me: You got it!

Me and Nico went and got it!

YOU GOT A GRAND STAR!

Me: YEAH!

Zinnia reverted back and she was a girl with pink hair and black clothes and had purple eyes and purple angel wings.

Zinnia Zooxanthellae: That was awesome!

Maria: Yeah it was!

May: OH YEAH!

We all high five.

May: What's your favorite memory of Nico?

Zinnia Zooxanthellae: When me and Nico found an awesome treasure chest in a sunken ship in the Great Barrier Reef and it was cool.

Me: That is amazing.

Nico: It sure is.

Nico and Zinnia hugged.

Nico: I missed you.

Zinnia Zooxanthellae: Me too Nico. Me too.

We left the simulator.

---

Later we were watching TV and then we smelled something good.

Heimlich: (German Accent) Mmm! I smell something good.

Me: Me too. Smells like chocolate and cookies.

Nico: (Sniffs) Lets go see.

We went to the kitchen and saw the Mascots making Ice Cream!

Brittney: Are you guys making ice cream?

Poromon; Yep we sure are.

Poliwag: We're making all kinds of good flavors.

Me: Nice!

Nico: Like what?

Manaphy: Mint Chip and Cookies and Cream and Blue Raspberry.

We drooled!

Nico: Oh boy!

Later the mascots had us at the table and they were having us try their creations.

Me: (Eating) Mmm! DELICIOUS!

Offroad: These are tasty!

Nico: They sure are!

Hitch and Pipp ate theirs fast.

Pipp Petals: That was amazing and delicious!

Hitch Trailblazer: It sure was!

Then suddenly it happened!

Hitch Trailblazer: Oh no! NO AGAIN!

Pipp Petals: NOT NOW!

Hitch and Pipp: BRAIN FREEZE!

Earthworm Jim: BRAIN FREEZE! AAAAAAAAAAAAAAAAAAAAAAHHHHHHHH!

Poromon: Don't eat too fast!

Me: Welcome to my world.

We laughed!

?: That was funny.

A Perrserker came.

Me: Cool a Perrserker!

Nico: Awesome!

Perrserker: (in a girls voice) (Norwegian Accent) But that ice cream looks good.

Nico: Jaime Erickson!? Wow!

She reverted back and was a girl with blond hair and had blue eyes and had black and blue clothes and had a flag map of Norway on her skirt and the flag of Norway on her arm.

Jaime Erickson: Good to see you again Nico.

Nico: Same to you.

Sideswipe: What's your favorite memory of Nico?

Jaime Erickson: When me and Nico found an awesome Viking Treasure in Northern Norway and it was a really awesome treasure. It was a diamond and jeweled treasure.

Lola: Nice!

Qin: Cool!

Me: Yeah.

They hugged.

Nico: I missed you.

Jaime Erickson: Same here.

Rage Mage (to the Mascots): You guys should be proud of yourselves.

Poromon: We sure are.

Bombshell (Skylanders): (British Accent) It was jolly good ice cream.

Manaphy: Thanks. It sure was.

Nico: I agree there.

Then the previous group came.

Electrocutioner: Can me, Shendu, Selene, Amora, Spymaster, Larxene, Hydro Man, Pyro, Grumblemon, and Hsi Wu go with you guys?

Nico: Yes you all can come with us.

Qin: We don't know what our mission is going to be but it will be good.

Lola: Yep.

Xenia: We're looking forward to it.

Gluko: Nico, which Gene Slammers do you think you'll meet next?

Nico: Mr. Rime and Runerigus next.

Qin: Cool!

Me: Awesome!

Lola: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Marisa Coulter, and she's causing trouble. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, okay, I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than Marisa Coulter, and she's causing

trouble.

We gasped.

Me: Oh man, this isn't good.

Nico: Apparently not, but we got to stop her.

Lincoln: We got to head down to help Lyra Belacqua take Marisa down for good.

Nico: So were heading over to the world of The Golden Compass next. This will be fun. First we'll watch the movie and then we'll head out.

Lola: I'll get the popcorn.

Nico: Okay.

Lola went and did so.

Selene: So, what's the movie about?

Me: You'll love it Selene. It's based on a book and it's about this girl that goes across the multiverse to save a bunch of children kidnapped by the Magisterium.

Selene: Neat!

We got to watching the movie.

---

On an alternate retrofuturistic Earth ruled by the Magisterium, every person's soul exists outside the body as an animal companion, a dæmon.

Lyra Belacqua is an orphan raised at Jordan College in Oxford with her dæmon Pantalaimon or "Pan". Her uncle Lord Asriel returns from seeking the elusive Dust, a cosmic particle the Magisterium forbids to be mentioned. Lyra saves him from wine spiked by a Magisterium agent, and Asriel presents his discovery that Dust at the North Pole links to infinite worlds. He is granted another expedition though his theory, if proven, could undermine the Magisterium's control.

Mrs. Coulter, a wealthy "friend" of the college, invites Lyra to stay with her in London. The Master of the college entrusts Lyra with her uncle's alethiometer, a compass-like artefact that reveals the truth, warning her to keep it secret. Kidnappers called "Gobblers" have been abducting children, including Lyra's friend Roger and Billy Costa, a young Gyptian. Lyra discovers Mrs. Coulter is head of the General Oblation Board, realising they are the Gobblers, and she and Pan escape when Mrs. Coulter's dæmon attempts to steal the alethiometer.

Lyra is saved from Gobblers by Ma Costa, Billy's mother, and taken to the Gyptian king John Faa, who is sailing north to search for the children. Gyptian elder Farder Coram recognizes the alethiometer, which Lyra discovers she can decipher. In league with the Magisterium, Mrs. Coulter sends mechanical spy-flies after Lyra, but one is caught by Farder Coram. Asriel reaches Svalbard, the kingdom of the Ice Bears, but is captured by Samoyed tribesmen hired by Mrs. Coulter.

The witch queen Serafina Pekkala tells Lyra the children are at Bolvangar, and Lyra befriends Texan aeronaut Lee Scoresby, who suggests she hire him and his friend Iorek Byrnison, an armoured bear he has come to rescue. Once a prince of the bears, Iorek was defeated and exiled, and the townspeople have tricked him out of his armour. Lyra uses the alethiometer to help Iorek recover his armour, and he and Scoresby join the Gyptian trek northward.

Lyra, astride Iorek, follows the alethiometer and finds Billy, whom the Gobblers have experimented on using "intercision", a procedure that surgically separates him from his dæmon. The Gyptians are attacked by Samoyeds who capture Lyra, with Iorek and Lee in pursuit in Lee's airship. Lyra is taken to the bear king Ragnar Sturlusson, and tricks him into fighting Iorek himself. Ragnar, who poisoned Iorek's father, has the upper hand until Iorek feigns weakness and kills him, reclaiming the throne.

Iorek carries Lyra to Bolvangar, but she is forced to cross a narrow ice bridge alone before it collapses. Reaching the experimental station, Lyra reunites with Roger, and overhears Mrs. Coulter say that Asriel will soon be arrested for heresy. Caught by the scientists, Lyra and Pan are thrown into the intercision chamber but rescued by Mrs. Coulter. Explaining that the Magisterium believe intercision protects children from Dust's corrupting influence, Mrs. Coulter admits she is Lyra's mother, and Lyra realises Asriel is her father. Mrs. Coulter asks for the alethiometer, but Lyra gives her the can containing the spy-fly, which tranquilizes Mrs. Coulter unconscious.

Destroying the intercision machine, Lyra leads the children outside. They are confronted by Tatar mercenaries, who are defeated by Iorek, Scoresby, the Gyptians, and flying witches led by Serafina. With the children safe, Lyra, Roger, Iorek, Lee, and Serafina fly north to search for Asriel. Confirming Serafina's prophecy of a coming war with Lyra at its centre, Lyra is determined to fight the Magisterium, who plot to control all other worlds in the universe.

* * *

When the movie was done we were amazed and cheered wildly.

Me: That was awesome!

Nico: Yeah it was!

Me: Mrs. Coulter is our target and the Church is the secondary target. We'll deal with them after we face Mrs. Coulter.

Camie: Who is the Church?

Me: They are an evil organization that rule over that world with an iron fist.

I went over who they were.

* * *

The Church known primarily as The Magisterium, is the primary antagonistic faction and the most powerful organization in the novel trilogy by Philip Pullman, His Dark Materials, represented in-universe by The Magisterium. It is a clerical and theological organization present within Lyra Belacqua's world, the 12-year old protagonist of the series.

Drawing parallels to the real-life structure of Catholicism, The Church has existed since the death of Jesus, who in Lyra's world, was not conceived by God, but by Gabriel the angel. Under Pope John Calvin, the seat of The Church was relocated to Geneva, Switzerland. Upon his death, The Magisterium was erected after the papacy was abolished.

The Church enforces rule throughout Lyra's world, concealing the existence of other universes and Dust, a conscious material believed to be responsible for free thought and Original Sin. The Church seeks eliminate Dust and control adults by restricting freedom through knowledge, believing Adam defied God when he abandoned his state of innocence at Eve's behest in pursuit of knowledge.

Inspiring fear and envy throughout Lyra's world, The Church's aim is to make the world a better place in their own extremist view. They are reflective of aspects of real-world religions that use fear and harmful means to keep people in line or force people to submit. In their pursuit to do so, they sacrifice hundreds of people to achieve their goals via murder, torture, and concealment.

The Magisterium is made up of various councils, including The College of Bishops, The Consistorial Court of Discipline, The Society of Work of the Holy Spirit, and was associated with The General Oblation Board.

In Northern Lights (1995), The General Oblation Board (GOB) is introduced to further The Church's agenda. It was reestablished under Marisa Coulter, revealed to be 12-year old Lyra Belacqua's mother, to prevent the accumulation of Dust on children in an effort to retain them in a state of innocence and ignorance. The agents of the GOB, known to Lyra and other children as "gobblers," kidnap children before they complete puberty and take them to a location in the far north to undergo a series of grisly experiments known as "intercision" designed to cut children away from their dæmons before it has permanently settled into a form (a dæmon is physical manifestation of a person's "inner self" taking the form of an animal).

The Church becomes interested in Lyra during Northern Lights. Lyra is kept safe as she is raised by the scholars at Jordan College under her uncle Lord Asriel's guidance, who Lyra learns is her father. Knowing Lyra is destined to play a large role in the final battle, the scholars at Jordan College attempt to keep her away from the situation until they reluctantly release her into Mrs. Coulter's custody at Mrs. Coulter's insistence. They give Lyra the last alethiometer (a truth-telling device) before her departure, telling her to keep it hidden away from Mrs. Coulter and The Magisterium due to The Church's desire to destroy it. It is revealed Mrs. Coulter wants to take Lyra in order to save Lyra from The Church. Although Mrs. Coulter is a devoted agent of the Magisterium who avidly experiments on other children and tortures/kills to further the Church's goals, she becomes alarmed upon hearing of the Magisterium's interest in children. Despite her loyalty to the Church, Mrs. Coulter works to protect her child, Lyra, from the Church's experiments and machinations.

The Church, threatened by Lyra's potential role in the events to come and intent on destroying the last alethiometer she has in her possession, become increasingly more intent on destroying Lyra due to a prophecy the witch queen, Serafina Pekkala, reveals that predicts the coming of a second Eve. This child is identified as Lyra:

Lord Asriel works against the Church in order to further his own interests and pursuits in the knowledge of Dust, seeking and gaining access to other universes when he sacrifices Lyra's close friend, Roger Parslow, after she rescues him from the GOB.

The Church continues to pursue Lyra in The Subtle Knife (1997), following her through to the reader's world where she meets Will Parry. Before the beginning of the novel, the Church sends two agents to Will's world, where they begin to harass his mother, Eileen, demanding to know the whereabouts of her presumably late husband. They suspect he found a doorway created by the Subtle Knife and want to possess the Knife in order to kill its bearer and prevent Lord Asriel from accomplishing his goals. The men continue to harass Eileen and, as a result, Eileen develops dementia and paranoia, but she tries to protect the young Will from them until he realizes the danger is real. Will tries to protect his mother from the unseen enemy. The Church officials appear at Will's house several times and have the power to scare him into submission, but upon seeing Will's anger, they back down. Nonetheless, the Chruch officials know Will won't go to the police because of his fear of his mother being taken away and so they come break into Eileen and Will's house while Will is at school.

Once, the men break in just after Will sends his mother to a neighbor's house for safety. He returns home and the men come inside during the early hours of the morning, alarming Will. He comes out to tackle them but his pet cat trips one of them and Will punches a man, who falls downstairs. The man breaks his neck and dies. The other man witnesses the murder, and is about to apprehend Will, but Will escapes. He eventually makes it to the world of Cittagazze when he escapes through an inter-dimensional window in Oxford where he meets Lyra.

Mrs. Coulter learns Lyra is second Eve when she tortures and kills Lena Feldt for this information. She seemingly appears to still loyal to the Church and supposedly intends to sacrifice her daughter to prevent its downfall. After Mrs. Coulter's army of specters destroy the army of witches, Lyra's friend, Will Parry, discovers Lyra missing.

In The Amber Spyglass (2000), it is revealed that Mrs. Coulter defected from The Church and took Lyra to hide her away in an effort to save Lyra by preventing The Church from finding and killing her. Under Father Hugh McPhail, The Church sends an assassin, Father Luis Gomez, after Lyra to shoot and kill her but fails when she escapes the attempt. McPhail interrogates a scholar at Jordan to discover the source of an explosive force that happens during intercision. Intending to use the force arising from separating Mrs. Coulter from her dæmon to create a DNA bomb to assassinate Lyra, McPhail fails to do so. He sacrifices himself and his dæmon in a final attempt to kill Lyra when he detonates the DNA bomb arising from his own intercision, failing again to kill her.

The Church enters their last war, engaging in a battle against Lord Asriel and Mrs. Coulter. They both die saving their daughter Lyra by defeating Regent Metatron when all three fall through the abyss between universes. The Church is defeated. Leaderless, confused and disgraced, it soon disbands after the authority, god himself is dead.

---

When I was done everyone was shocked!

Qin: That is nuts!

Alicia Berricks: They are like the Church of Unitology.

Me: Yeah pretty much.

secs agoNico: And who is Marisa Coulter?

Me: One dangerous woman.

I went over her history too.

---

Marisa Coulter is a recurring antagonist in Philip Pullman's trilogy, His Dark Material. Known as Mrs. Coulter throughout the series, she is an icy and sophisticated villainess and makes her first appearance in the first novel Northern Lights. Her character undergoes several transformations before her reformation in the third book The Amber Spyglass. She is also Lyra Belacqua's arch-enemy.

In the 2007 film adaptation, she was portrayed by Nicole Kidman, who also played Suzanne Stone in To Die For, Evelyn Stoker in Stoker and Millicent Clyde in Paddington.

In the 2019 TV Series His Dark Materials, she was portrayed by Ruth Wilson, who also played Alice Morgan in Luther.

A long-time associate of The Church and a high ranking official in the Magisterium, Mrs. Coulter was head of the General Oblation Board, an association that performed harmful experiments on children in The Church's interest of eliminating Dust. In the series, Dust is a conscious material believed to be related to free thought and Original Sin. Though physically beautiful with a charming and persuasive demeanor, Mrs. Coulter's character is portrayed as cold, cruel, vicious and powerful, and is written to enjoy the torture and killing of her victims. Despite her charm and charisma, Mrs. Coulter is feared by colleagues, opponents, and subjects of her experiments due to her appetite for cruelty.

For years, Mrs. Coulter pursued The Church's agenda vigorously with the driven need to advance herself in Magisterium's ranks and successfully achieves her aims. Despite this, Mrs. Coulter's soft spot is her daughter, 12-year old Lyra Belacqua, the series' protagonist from whom she is on opposite sides. Mrs. Coulter enjoys performing cruel experiments on other children but she devotes herself to protecting her own child, Lyra, from these same experiments.

Lyra is Mrs. Coulter's daughter, a child conceived by Mrs. Coulter and Lord Asriel, Mrs. Coulter's then-lover, in an affair. For a short time after Lyra's birth, Mrs. Coulter hides her daughter away from her husband, Mr. Coulter, and places her with a Gyptian nurse, afraid Mr. Coulter would be angry over her illegitimate daughter. After Mr. Coulter discovers the existence of his wife's daughter, he goes after Lyra in a murderous rage but is killed by Lyra's father Lord Asriel, who saves Lyra. Shamed by Lyra's illegitimacy and only interested in advancing her own career with the Magisterium, Mrs. Coulter gives up a young Lyra to her father, who places Lyra with the scholars at Jordan College and poses as her "uncle". Nonetheless, Mrs. Coulter experiences the maternal urge to save Lyra from The Church and works to protect Lyra throughout the series, despite her power-driven desires, loyalty to The Church, and explicit enjoyment over the suffering of other children. Consequently, Mrs. Coulter experiences a conflict of identity between being Lyra's mother and as a loyal associate of The Church with a powerful career in the Magisterium.

Mrs. Coulter is devoted to The Church and zealously works for the Magisterium as a leading scientist. Throughout Northern Lights and The Subtle Knife, Mrs Coulter is a powerful and high-ranking representative of the Magisterium. She develops projects and heads initiatives, which often include cruelty. These projects are designed to rid the world of Dust (free thought) and advance herself in the Magisterium. However, when Mrs. Coulter learns The Church is interested in experimenting on children, she remembers her own child Lyra and finds Lyra to try and ensure Lyra's safety. Nonetheless, Mrs. Coulter still avidly enjoys developing and performing grisly experiments on other children and works to rid the world of Dust and free thought in any way possible. At the end of The Subtle Knife, Mrs. Coulter begins her reformation, which continues throughout The Amber Spyglass. After killing and maiming a witch for information on a prophecy, Mrs. Coulter learns Lyra is the second Eve who will bring about The Church's downfall. Faced with the choice between her daughter and her ideals, Mrs. Coulter seemingly intends to destroy Lyra to prevent the dissolution of The Church but she defects from The Church and works to save her daughter, hiding Lyra to prevent The Church from killing her. Near the conclusion of The Amber Spyglass, Mrs. Coulter unites with Lord Asriel to defeat Regent Metatron and save Lyra. Mrs. Coulter and Lord Asriel die in the process when they sacrifice themselves to kill Metatron when all three fall through the abyss between universes.

When I was done everyone was shocked.

Qin: GEEZ!

Nico: Yeah! What a monster!

Eli: This is gonna be awesome though.

Dominique: Let's get going!

Nico: I agree.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than our old enemy, Brandon Breyer A.K.A. Brightburn and the last of the brutal Thalionian race and he's come back from the dead to get revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and it's someone we hoped never to see again: the figure that we saw and the dark powerful energy we sensed belongs to our old enemy, Brandon Breyer A.K.A. Brightburn and the last of the brutal Thalionian race and he's come back from the dead to get revenge on us.

We gasped.

Nico: Not that murderous Thalionian again, I made sure he would never ever come back!

Me: He still harbors a really nasty hatred towards you for what happened when you fought him and from your first encounter long ago.

Helen James: That's it, he's so getting The Black Gates for this!

Nico: Wait, Helen, I have a better idea, instead of giving him The Black Gates, he's going straight to Juvie after he's been stripped of all his powers, but when he turns eighteen, he'll be heading for a special wing in The Sun Prison and his new cell will be made of the same metal as his ship. But, who'll face him?

Melanie Connors: I will along with Linky.

Nico: Are you sure about this, Melanie? Brandon Breyer is a homicidal monster who wants nothing more than to kill any who get in his way.

Melanie Connors: I'm positive, you already had your fun thrashing that monster, now it's our turn.

Lincoln: Melanie's right, Nico, you already had your fun thrashing that bastard into the ground, now it's our turn to thrash him into the dirt.

Nico: I like that determination. Alright, gang, let's go, we're going to help Lyra Belacqua take down Marisa Coulter.

Lincoln: Marisa Coulter won't get away with her plans, we'll stop her here and now, and once we get done with Marisa Coulter, you're next, Brandon Breyer.

Melanie Connors: You better be ready to pay for your murderous actions, you homicidal Thalionian, because you deserve no such mercy from any of us for your violent rampage, and you're lucky you're not getting The Black Gates, just getting every last bone in your body broken beyond repair.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to help Lyra Belacqua take down Marisa Coulter, and once we were done with Marisa Coulter, Lincoln and Melanie Connors are going to take down Brandon Breyer A.K.A. Brightburn and make that murderous Thalionian pay for his murderous crimes.

We went to the ship and we were off to the Earth ravaged by The Church to help Lyra Belacqua.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7953.2: The U.S.S. Valorous Phoenix is en route to the world of the movie The Golden Compass, A Ravaged world version of Earth that was plagued and tyrannized by The Church located in the Sombrero Galaxy. Our mission is to help Lyra Belacqua and her friends and take down the Church and Marisa Coulter once and for all.

Me: Boy this is gonna be awesome.

Spymaster: Any arctic foxes there?

Nico: We're going to find out.

Eli: I can't believe that monster you hate so much Brightburn is back.

Me: Yeah after all the terrible atrocities he did in Brightburn I thought we had seen the last of him.

Qin: I know.

Nico: The pain he caused to so many innocent people there is beyond horrible.

Me: Yeah.

Nurzak: One thing at a time.

Sabator: Brightburn can wait until after the main target is down.

Nico: I know that. Just thinking about all that.

Me: No worries.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a world that looked so much like Earth.

Pyro: We're here!

Nico: Looks very much like home.

Qin: It sure does.

We saw that it was different from our world though.

Nico: Lets engage the cloaking and fly in and find Lyra and the Children.

We went down to the planet and engage the cloaking and we flew over the planet and saw that it was a really retrofuturistic world and more.

Me: Wow! Look at this place.

Octane: Anyone here?

Nico: Lets turn to the one person who knows.

Eli: Right.

Eli concentrated.

Eli: Found her! She and a bunch of children and Iorek Byrnison are hiding in a deep cave in the Alps here.

Nico: Lets go.

We went to find them.

Me: They must be forming a huge attack.

Nico: We'll find out. Hsi Wu locate them from the air. We'll follow you.

Hsi Wu: Right.

He flew and we were above him.

Hsi Wu: (flying in the sky) I see them!

Me: Where!?

Hsi Wu: In that cave at the base of Mount Eiger.

Me: On screen! Zoom in and magnify.

The screen did so and we saw the cave and standing in the entrance was Lyra Belacqua and she had a bunch of children and Iorek Byrnison with her.

Me: That's them.

Nico: Lets bring them aboard.

Sakura Haruno: Roger that.

Me: Lets head to the transporters.

We did so.

We brought them aboard.

Lyra Belacqua: (British Accent) Where are we.

We came in.

Needlenose: You guys okay?

Me: We mean you no harm.

Lyra Belacqua: Team Loud Phoenix Storm!? Wow it's an honor.

Me: We brought you aboard our ship and to help you destroy the Magisterium.

Grumblemon: Got any special skills?

Lyra Belacqua: I have the ability to understand and read the alethiometer without any training and I understand what it is for.

Me: Wow. May we see the Alethiometer?

Lyra Belacqua: Sure.

She showed it to us and it was an amazing golden compass and the symbols on it represent something.

Me: Wow. This is very amazing.

Lyra Belacqua: It sure is.

Wildrider: What do each of the symbols represent?

Lyra Belacqua: They show the path to the future for that person.

She told us what they meant.

Me: Wow. This is very complicated and cryptic. But this is amazing that this has that kind of power.

Hydro Man: It needs to be kept safe.

Me: I agree there. This is a powerful and amazing device.

I gave it back to Lyra.

Me: Make sure that compass doesn't fall into the wrong hands.

Lyra Belacqua: I will.

Me: Good. We came to help you guys destroy the Magisterium.

Lyra Belacqua: Good. I'm glad you all did.

Lola: They tormented this planet for far too long.

Xenia: They sure have.

Exhaust: Where are they right now?

Lyra Belacqua: In Geneva.

Me: Geneva, Switzerland. We're just right over it because our ship is so big.

Nico: Yeah.

Eli: This is gonna be a big mission for all of us.

Camie: It sure will.

Qin: Yeah.

Larxene: They're gonna get it!

Me: That's right! They want to rule over this world? Not if the most powerful force in the entire universe has anything to say about it.

Nico: That is for sure.

Camie: This is gonna be good.

Lobo: I call dibs on fragging most of em!

Me: Deal.

Nico: Lets get em guys.

Eli: But how are we going to destroy them?

Me: Hmm. I got it! Katniss remember how we destroyed the Capital District on your world?

Katniss: I sure do. That was really well planned out.

Amora: We'll go with that then.

Me: Okay lets get to work on our plan.

We did so.

Bowser: Nico, nice job against that version of me.

Lyra gave me a map of the city of Geneva and it was a very well detailed and very sophisticated map.

Me: Okay. Here's the plan. Naruto, Lori, you will be the leaders of the Dragon, Angel and Bird Air Assault Squad. You will take the squad and attack and destroy the laser defense turrets and the guards along the Geneva City Perimeter.

Naruto: Roger that bro.

Me: Okay. Laney, you, Sakura and Lynn will lead an attack squad underground and attack the guards and the city from underneath. We need to take out as many guards as possible without harming the civilians.

Laney: You got it J.D.

Lynn: You can count on us.

Sakura: Roger that.

Me: Carol, you will call forth King Ghidorah and you Vince and your children will attack with the power of the Kaiju and help out the Air Attack Force.

Carol: Right!

Me: Great. Varie, you, Lilly, Cleo and the girls will lead an underwater attack force that will ambush the guards and the forces underwater. We need to use the element of surprise on all of them.

Varie: Roger that honey.

Me: Okay. With the guards down on all three levels, Me, Nico, Luan, Eddy, Edzilla, Chloe and Katniss will go into the main building while everyone provides more cover fire. Lana, Lola, you evacuate the civilians and get everyone to safety while everyone attacks.

Lana: Roger that.

Me: Okay. This is gonna be a very dangerous and very brutal battle. But our plan is to kill Mrs. Coulter and end her and the Magisterium's reign of terrors. They have plagued this planet for far too long. Any questions?

No one asked.

Me: Okay. We attack when I give the signal.

Nico: Right.

Me: Okay. Understand the plan?

We nodded.

Me: Good.

Nico: All right lets arm ourselves.

We went and did so.

Bowser: Nico, nice job against that version of me.

Nico: Thanks Bowser. That was fun. But that was only round 1.

Bowser: I can tell. But when you guys face my Fury self, he is going to be brutally tough and powerful.

Nico: Thanks for the heads up.

We were ready.

Nico: Okay we're ready.

Maria: Entrance time!

Nico: Lets do it!

We hid on a mountain.

I was looking through my binoculars. I saw all the guards on the towers.

Me: Excellent.

I pulled out a signal flare gun.

Me: Okay. Lets tear these fuckheads apart!

I fired the flare and a red light was fired into the sky and it exploded and the Air Attack Force was on its way. Most of us were on Dragons and Birds and were carried by angels.

Me: Air Team, Fire at will!

Naruto: Right! Fire at will!

The Dragons fired powerful blasts of fire from their mouths and everyone fired powerful blasts of their powers, energy blasts and elemental energy blasts and they rained down on the entire city of Geneva and massive fiery explosions broke out. They destroyed all the guard towers and annihilated all the guards all along the areas of the city and set everything on fire. Lori fired powerful energy blasts and powerful blasts of wind that blew all the guards away around the palace and incinerated them. Riley and Syd summoned up massive trees and they uplifted the towers and sent guards high into the air at incredible speed.

Kin: FIRE!

Kin Tsuchi and her Dragon fired powerful energy blasts at the guards and vaporized them in an instant in a powerful explosion.

KRAAABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMM!

Me: That was really clever.

Katniss: It sure was.

Lyra Belacqua: YEAH!

Stewie: Very impressive.

Me: Yep. (Through the radio) Carol, Vince, Neptune Crusaders, you're up!

Vince: Roger that Partner.

Carol: Lets get them!

Carol raised her hand up and a massive fiery explosion erupted out of the ground and turned into a massive fireball. The fireball took form and turned into King Ghidorah!

Carol and Vince flew onto King Ghidorah's middle head.

Vince: Lets get them!

Me: Fire at will!

King Ghidorah fired it's Gravity Lightning and Carol and Vince fired Space Godzilla's Corona Beams and the blasts hit the buildings. The buildings exploded into massive piles of flaming debris and they were blasting more guards and buildings apart. Carla fired a powerful blast of Burning Godzilla's Spiral Atomic Ray and blew most of the buildings into burning rubble and fiery explosions. Evelyn and Pearl fired Mecha Godzilla's rainbow laser vision, finger missiles and chest blasters and the whole city was being blasted apart and turning into a major war zone! Lola and Lana were evacuating all the civilians and getting them to the safety of the mountains. Massive fiery explosions were decimating the entire city.

Me: Underground team, move in!

Lynn: (On the radio) Roger that!

Me: Underwater Assault Team, attack!

Varie: (On the Radio) Roger that!

The Underwater and Underground teams moved in. Massive earthquakes rattled the ground and massive geysers of lava exploded out of the ground and rained down on the guards and rocks, boulders and red hot meteors rained down and they all hit and smashed the guards and massive fiery explosions rang out. Massive explosions erupted out of the water and killed a bunch of guards and destroyed a bunch of ships and subs in the water.

Maria fired a massive blast of water and Edzilla was riding on a massive megatsunami.

Maria and Edzilla: MEGATSUNAMI EDZILLA SMASMSTORM!

The wave carried Edzilla into the city and he slammed into them and pulverized a bunch of guards with merciless fury.

Me: This is it guys. We're going in! CHAAAAAAAARGE!

We went at the city and roared in a thunderous roar of yelling and Nico fired a powerful blast of energy at the gates and blasted them open. More guards came out and we had our swords and weapons ready and blasted and slashed them apart into a million pieces. Blood and guts were flying all over the place and splattering everywhere. The city was turning into a massive bloodbath. We got to the courtyard of the main capital building and we saw a huge army blockade ready for us.

We Blasted through it and then went into the building.

Mrs. Coulter was enraged! THE CITY WAS IN RUINS! The civilians were evacuated thank goodness. But then the spirits of the animals and people of the world came and they swirled around her and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and then a phoenix cry was heard and we came in!

Me: Mrs. Marisa Coulter, your reign of terror ends now!

Shendu: Any last words?

Mrs. Coulter: You'll never take me alive!

Me: As you wish!

I fired waves of energy and blasted her all over the place.

More guards came and we blasted them all over the place!

Shendu threw fire And burned them into oblivion!

Nico: YEAH!

Qin: Take that!

Erica Haddock went at the guards and kicked and punched and smashed the guards all over and even snapped their necks!

Her head then turned into a T Rex head and she chomped their heads off and ripped them in half.

Qin: YEAH GO ERICA!

Xenia: Take this!

She fired arrows and skewered them through their chests.

Camie: YEAH!

Camie used her quirk and formed a hypnotic aurora and then Himiko fired a blast of energy and fire and blasted them.

Xenia: YEAH!

Horsea squirted ink right into a guards eyes and burned then.

Me: Take this!

I fired a wave of fire and bincinerated the guards.

Lyra Belacqua: You will never win Coulter!

POW!

She punched her in her face and knocked her down.

Me: Whoa! Powerful punch there.

Lyra Belacqua: Thanks.

Manaphy jumped up and blasted the Guards with an energy blast.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted the guards into dust.

They blasted them.

Poliwag ran at them and blasted them with a Bubblebeam!

Me: Yeah! Take that!

We blasted the guards all over until Coulter was left!

Me: You're next.

Nico: You're gonna get punched a lot.

Lyra Belacqua: That's right!

Mrs. Coulter: Bring it on you bastards!

Me: Lets dance!

Lobo punched her!

SMASH!

Ben turned into Rath!

Ben: RATH!

He was really pissed!

Rath: LEMME TELL YA SOMETHIN MARISA COULTER! YOU AND THE MAGISTERIUM ARE NOT GOING TO TAKE OVER THIS WORLD! NOT WHILE RATH IS ON THE JOB!

Coulter: BRING IT ON KITTY!

She JUST LIT A TINDERBOX!

Rath went at her and smashed and pulverized her all over!

Nico: Go, Rath!

Bender: YEAH! Take that!

Coulter: You are an ugly robot!

Bender: Bite my shiny metal ass!

Me: YEAH! Better yet, BITE MY BIG FAT FUCKING ASS MEAT BITCH!

Bender punched her.

BLAM!

She lost 5 of her teeth! OUCH!

Me: Nice one Bender!

Then Mumbo Jumbo, Skulker, Patty and Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, Machinedramon, Toad, and Salami Swami came.

Nico: Mumbo Jumbo, Skulker, Patty and Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, Machinedramon, Toad, and Salami Swami.

Mumbo Jumbo: Man, you guys were busy here!

May: We sure were.

Skulker: But those guys deserved it.

Patty: Now, all that's left is their boss.

Golden Glider: (to Nico) We heard you went after the Cruel Vet.

Nico: We sure did.

Grizzly: I hope you hurt him bad!

Me: Oh we did! But FLUTTERSHY HURT HIM The worst!

Lincoln: She sure did!

Me: Her stare was 100,000 times worse than Toepick's nightmare face!

Grizzly: GEEZ!

Nico: Yep.

Then we heard a thump and we saw a treasure chest.

Me: A Treasure chest!? Where did that come from?

Nico: No idea. But I wonder what's in it?

Me: Wait it could be a trap.

Nico went up to it and opened it and then…

Mimic Minosaur: BOO!

Nico: (SCREAMS)

CRASH!

It was Mimic Minosaur from episode 9 of Ryusoulger!

---

The Mimic Minosaur (ミミックマイナソー Mimikku Mainasō) is a Mimic-based Minosaur monster from the Warfare Tribe Druidon created from the emotions of a chest box from an antique store that contains Wonder Land, based on its negative emotions of being unopened.

The Mimic Minosaur appears as a chest and traps everyone including the Ryusoulgers into it's Wonderland. It also created the replica of the Cerberus Minosaur and the Kraken Minosaur to guard the Wonderland. However, they manages to defeat those 2 Minosaurs and free themselves and the citizens from its Wonderland. Once out, Melto tried to destroy the Minosaur but it wasn't able to make a scratch.

Then, Bamba arrived and reveals that the host is the a chest box from an antique store that contains Wonderland and he was able to destroy the box, which also causes the Minosaur to be destroyed as well.

---

Mimic Minosaur: I sure scared you didn't I?

Nico: YEAH!

Me: WHOA!

Eli: WOW! Mimic Minosaur! I remember this one! You trapped the Ryusoulgers in your wonderland and made replicas of Cerberus and Kraken Minosaurs.

Mimic Minosaur: That's right. Good memory Eli!

Eli: Thanks.

Me: Wow! That was clever! So you're an unadapted monster for Dino Fury.

Mimic Minosaur: Yeah.

Nico: That sucks.

Mimic Monsaur: Too bad I wasn't adapted in America.

William: I know! Your fight would've been unique.

Me: Yeah that would have been so cool!

Alice Liddell: (British Accent) I would fit right into your Wonderland.

Mimic Minosaur: You sure would.

We got the battles underway.

---

Nico: Yep. So, Carolina, what memories did you have with Lincoln?

Carolina Constantine: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of an unwashed pig in the air, and we saw who it was coming after us: it was Flip, and he had a massive army of thugs with her and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Flip, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Flip once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Flip, and they brutally beat his three-cheeked ass into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Flip after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set Flip off and he bellowed with even more anger as the car drove off to take him back to prison.

A figure came out, and it was none other than our old enemy, Brandon Breyer A.K.A. Brightburn, the murderous Thalionian.

Nico: I should've known you'd show up one way or another, Brandon, you just don't even know when to stay dead, do you?

Brandon Breyer: I will kill you if it's the last thing I ever do!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Nico's already had his turn smashing you into the ground, Brandon Breyer, now it's our turn, and this time, we'll make sure you never come back to hurt Nico or anyone else ever again!

Lincoln and Marlene Connors went after Brandon Breyer A.K.A. Brightburn who continued firing blasts of laser beams from his eyes but they dodged them all, and they fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Brandon Breyer and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Marlene Connors also attack him with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving Brightburn even madder than ever.

Brightburn: I'LL KILL YOU ALL!

Brightburn fired a massive laser optic blast at Lincoln and Marlene Connors and also hoped to kill Nico as well with it, but Lincoln's Elemental Shield of Harmony formed on his left Bracer and he not only blocked it, but he also deflected it right back at Brightburn and it hit him in the eyes and it blinded him badly. Then, Lincoln ran at Brightburn and drove his massive greatsword into his stomach and he began sucking out all of Brightburn's superhuman strength, superhuman speed,

flight, nigh-invulnerability, heat vision, superhuman intelligence, and electronic interference, and he made them his own. Then, he removed his massive greatsword from Brightburn's stomach and he'd punched the murderous Thalionian hard in the face and knocked him out. Then, he tied him up with a rainbow energy straitjacket and Neutronium Chains lined with rainbow energy.

Brightburn: This will never hold me!

Brightburn tried to get out of it, but he couldn't and he felt that he was now extremely weakened to a degree.

Brightburn: W-what did you do to me?

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I sucked out all of your powers along with your superhuman strength and made them my own, now you're no longer a threat, you're now Brandon Breyer. But, we're not going to kill you because in our eyes, you don't deserve to die again.

Nico: That's right. I may have started this whole grudge match against you, but it's only fair that I have a say in your fate. Brandon Breyer, you are hereby sentenced to Juvie, and when you reach eighteen, for the crimes you've committed against the people of Brightburn, Kansas, you will then be transferred to a specially made wing in The Sun Prison for World-Conquering Tyrants, and this wing will be made especially for you because of the fact that you're the most dangerous person in the galaxy and the last of your murderous race.

Me: And your newly-built and heat-proof prison cell will be made of the same material as your ship, and that newly-built prison cell of yours will permanently keep you stripped of all your powers forever, and you'll stay there until the day you die.

We sent Brandon Breyer into a police car which took him straight to Juvie. We cheered for what Marlene Connors and Lincoln did to Brightburn as they holstered their weapons and powered down, and Marlene Connors' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive rainbow angel wings are permanent.

Marlene Connors: And now, we are finally rid of Brandon Breyer A.K.A. Brightburn once and for all, and good riddance. Thanks for helping me take down Brightburn, Linky.

Lincoln: (Smiles Warmly) You're welcome, Marlene.

Suddenly, Marlene Connors wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Marlene Connors's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Elemental HEROS Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Marlene Connors absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fearsome fight against a murderous Thalionian, Lincoln, Marlene, you guys did one awesome job taking down Brandon Breyer, now I can finally say that my grudge match against him is finally over.

Lincoln: Now, he'll be spending time in Juvie, and then, once he turns eighteen, he'll be sent to that new wing in The Sun Prison for World-Conquering Tyrants where he'll be eventually be sentenced to Eternity Without The Possibility of Parole for his murder spree in Brightburn, Kansas.

Me: A monster like him deserves much worse.

Nico: I know, but like I said, I may have started this grudge match, but I at least want a say in his fate. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Noble Knight Iyvanne.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Noble Knight Iyvanne, Yelena Ywain, and you guys are going to love meeting her, Yelena Ywain is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Yelena Ywain is also a direct descendant of Ywain of Camelot.

We gasped.

Me: Ywain, one of the members of The Knights of The Round Table and the son of King Urien of Gorre and either the enchantress Modron or the sorceress Morgan le Fay.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her an emerald green coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Yelena Ywain hates that mutant, Flip, with a very blazing passion. One day, Yelena Ywain and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Yelena Ywain and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Yelena Ywain fired chains of light magic which bound that moron and tied him up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known he would do something like this.

Lincoln: I know, but I wasn't surprised, that fat mutant tried to kill me many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge, Yelena Ywain and I casted a spell to prevent that mutant from coming back.

Me: Yeah, messing with the descendant of Ywain of The Knights of The Round Table and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That mutant really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan earned him the vengeance of my family infinite-fold.

Suddenly, Alexis Arcana was struck by a vision.

Lincoln: Alexis, I know that look from anywhere: is Sartorius…?

Alexis Arcana: Yes, he's come back, and we'll be facing him in a few days.

Me: And we'll be ready for him.

Zzzax: The Magisterium is destroyed now.

Machinedramon: They won't hurt anyone else.

Toad: No, they won't!

Nico: That's for sure and Lyra you did really great today.

Lyra Belacqua: Thanks. It was fun.

Nico: It sure was.

Salami Swami: Let's celebrate with my salami and the mascots' ice cream!

Professor XXXL: My snow cones can go with them!

Me: Perfect!

Nico: Yep. Great job today everyone. This was so fun.

Eli: Yeah.

Twilight Sparkle: It sure was.

Eli: Yep. (To the viewers) Boy this was a fun adventure for us. Hope you all liked it.

Me: I know I did.

We later went back home and enjoyed the rest of the day and went to sleep after a great meal.

We returned home after our mission to take down Marisa Coulter, but we also know what's going to happen tomorrow: Sartorius is back later in a few days and he still wants revenge on us, but we'll be ready for him and we'll make sure he never rises again. As for Brandon Breyer, he was sent to Juvie, and by the time he turns eighteen, he'll then be transferred to a specially created wing in The Sun Prison for World-Conquering Tyrants, and this wing will be made especially for him because of the fact that he's the most dangerous person in the galaxy and the last of his murderous race, and his newly-built and heat-proof prison cell will be made of the same material as his ship, and that newly-built prison cell of his will permanently keep him stripped of all his powers forever, and he'll stay there until the day he dies once he's been sentenced to Eternity without the Possibility of Parole for the crimes he has committed against the people of Brightburn, Kansas and for the crimes of his race.

Organization.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Portugal, and we're going to take down a troublemaking pest named Aiden Anderson, he's a well-known troublemaker and an asshole who thinks he can get away with lying to people and he always causes trouble wherever he goes, but we're going to take down that moron and send him to prison for good. We're also in for an awesome surprise: we're going to meet Alana Monroe, Helen Bailey, and Melanie Taylor, these three girls are Lincoln's Guardian Angels from Michigan and they are his most protective and fiercest of his Guardian Angels, they're known as The Trouble Busters, a group who're dedicated and committed to making selfish Karens, self-entitled pricks, heartless greedy queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world. Their parents, Alana Monroe's dad, Alan Monroe, Helen Bailey's mom, Helena Bailey, and Melanie Taylor's mom, Midoriko Taylor, were the original Trouble Busters, and they were legendary for making tons of selfish Karens, self-entitled pricks, heartless queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world. Alana, Helen, and Melanie inherited their parents' fiery determination to make those types of people pay for their transgressions and they show no mercy what so ever, and they've always saved Lincoln from the trouble caused by his many enemies, along with Lori, Lynn, Lola, Lisa, and Luan, and whenever they hear the words, "Time for The Trouble Busters!", it only meant one thing to Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies: retaliation for Lincoln and big time trouble on their asses. They always found a ton of ways to make Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies pay for their crimes and even humiliating them in public, and they always win, and Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies wind up getting in huge trouble either with their parents and siblings for Lori, Lynn, Lola, Lisa, Luan, and Chandler's cases, or in the cases of Flip, Scoots, Hawk, Hank, Pablo, Anderson, Becky Blickensderfer, Scoots, Chandler's goons, and Lewis Travolta, getting in huge trouble with the police and the public. Though they hate Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a passion, they also hate their parents' enemies from the past with a brutal passion because of all the stories their parents told them about their old enemies, but should that day come, the succeeding generation of Trouble Busters will make the old enemies of the preceding generation of Trouble Busters pay for their crimes by throwing them in prison for life along with the new generation of troublemakers.

And we're also going to meet the next Noble Knight Gene-Slammer, her name is Yelena Ywain, Gene-Slammer of Noble Knight Iyvanne, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Lincoln made her an emerald green coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Yelena Ywain hates that mutant, Flip, with a very blazing passion. One day, Yelena Ywain and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Yelena Ywain fired chains of light magic which bound that moron and tied him up. Lincoln called his family and as soon as he and the other Noble Knights told them what happened, and needless to say, everyone wanted his head on a pike! But, Lincoln wasn't surprised, that fat mutant tried to kill him many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge, Yelena Ywain and Lincoln casted a spell to prevent that mutant from coming back.

Me: So Quincy "The Fox" Gunnerson was spotted in New York.

Nico: Fitting and perfect.

Xenia: Yeah.

Qin: This will be awesome.

Lola: It sure will.

Rainbow Dash: I'm really looking forward to this one too.

Varie: Same here.

Nico: Robin, I want to thank you, Common Cold, and your teams for coming.

Robin: It's my pleasure Nico.

Common Cold: (SNEEZES) It sure will be fun.

Nico: Bless you. It sure will be.

Common Cold: Thank you.

Nico: Dark Magician Girl, how often do you train your apprentices?

Dark Magician Girl: I train them really hard every day.

Chocolate Magician Girl: It's really fun learning under her.

Dark Magician Girl: And the best part is that Syrus is helping me too.

Qin: That's great!

Apple Magician Girl: It sure is. Syrus has become an awesome brother to all of us.

Lemon Magician Girl: We love him too.

Nico: You should be happy for him

Kiwi Magician Girl: We sure are.

Lola: That's awesome.

Xenia:: It sure is.

Camie: Yeah.

Laney: Boy yesterday's mission was so fun.

Camie: That was really epic!

Nico: The Golden Compass is an awesome movie.

Me: It sure was.

Lola: It was awesome and based on a book too.

Laney: One of my favorites too. Also Lyra is a very brave and amazing girl with a heart of gold.

Lana: I'll say! That is awesome.

Camie: Yep.

Maria: We helped her out greatly

Nico: We sure did and we saved the entire universe from a terrible fate.

Lola: Yeah no kidding.

Varie: That was intense.

Lily: And the Golden Compass is amazing too.

Nico: t sure is awesome.

May: I'll say and Lyra is really gifted to have the compass all figured out like that.

Maria: The Magisterium won't hurt anyone again.

Me: That's for sure.

Nico: Yep. Not while Team Loud Phoenix Storm is present.

Camie: Yep.

Eli: That's for sure.

Lola: Yep.

Nico: Now, where could he be hiding?

Me: Usually where all gangsters like to hang out with their loot.

Lincoln: This is going to be awesome, not only are we going to beat the stuffing out of notorious mob boss, Quincy "The Fox" Gunnerson, but I sensed it. Rainbow Dash, just like Twilight, Applejack, Rarity, Pinkie Pie, and Fluttershy, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Rainbow Dash: That's true, I felt it for myself, Lincoln.

Nico: And so did we. That mob boss is finally going to be brought to justice after his theft of the Emperor's Diamond Egg of Ivan the Terrible three years ago.

Me: Yeah, he's going to get it big time. As well as do REALLY HARD Time in the Slammer forever.

Lincoln: You got that right. Now, to sense for that wiseguy. (Senses for Quincy "The Fox" Gunnerson) Aha, caught you! He and his gang are in that abandoned building 20 clicks north of our location, but heads up, gang, he's got his thugs with him. Let me take care of that wiseguy's thugs first, then, we get after the boss himself.

Nico: Go for it Lincoln.

Nico: Now, where could he be hiding?

Me: Usually where all gangsters like to hang out with their loot.

Lincoln: This is going to be awesome, not only are we going to beat the stuffing out of notorious mob boss, Quincy "The Fox" Gunnerson, but I sensed it. Rainbow Dash, just like Twilight, Applejack, Rarity, Pinkie Pie, and Fluttershy, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Rainbow Dash: That's true, I felt it for myself, Lincoln.

Nico: And so did we. That mob boss is finally going to be brought to justice after his theft of the Emperor's Diamond Egg of Ivan the Terrible three years ago.

Me: Yeah, he's going to get it big time. As well as do REALLY HARD Time in the Slammer forever.

Lincoln: You got that right. Now, to sense for that wiseguy. (Senses for Quincy "The Fox" Gunnerson) Aha, caught you! He and his gang are in that abandoned building 20 clicks north of our location, but heads up, gang, he's got his thugs with him. Let me take care of that wiseguy's thugs first, then, we get after the boss himself.

Nico: Go fo rit Lincoln.

Lincoln concentrated on Quincy "The Fox" Gunnerson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, strength, and souls, and he sent them to The Black Gates. Then, we set our sights on the gangster boss himself.

All the thugs were dead

Nico: Nice job Lincoln!

Lincoln: Thanks.

We looked at the building and it was a run down shabby apartment complex that is condemned.

Me: Looks like this building was shut down years ago.

Camie: Yeah.

Varie: But this is gonna be just like how the Brave 12 met with the mobsters when we were helping Jack.

Samurai Jack: Those were fun times there.

We went to the top of a building across the street from it and we were watching it the building close.

Nico: Keep a close eye on him.

Me: You don't have to tell me twice.

I looked at the building with my X-Ray vision and saw that he was watching the news and on the TV was sightings of a mysterious girl Gargoyle that had purple bat wings, blond hair and blue eyes and had purple clothes and she busted more members of a gang of thugs.

Me: Wow a Gargoyle Girl brought in more thugs.

Nico: Really?

Me: Yep.

And then on his table in plain sight was the Emperor's Diamond Egg of Ivan the Terrible and it was a centerpiece for it.

Me: The Emperor's Diamond Egg of Ivan the Terrible.

Nico: At last.

Maria saw the Gargoyle girl in the TV too.

Maria: She has the kind of loincloth and strap top that Demona wears.

Me: And Angela too.

Qin: Yeah. But it's cool that there's another gargoyle like that around here.

Nico: Yep.

Nico: Now to get the egg.

Lincoln: Lets do it!

Quincy "The Fox" Gunnerson: Somebody better tell me what the hell's going on here, or someone's going to get their brains blown out of their skull!

?: Not before I blow yours out of your skull, you snake!

Suddenly, the spirits of the gangsters of the 1930s appeared out of nowhere as they flew around the place and they fire blasts of elements and energy at Quincy "The Fox" Gunnerson from their tommy-guns and he was hit badly. Then, the gangster spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when he saw Nico, he was absolutely pissed off big time.

Quincy "The Fox" Gunnerson: YOU!

Nico: Yes me!

Quincy "The Fox" Gunnerson: YOU MONKEY-TAILED BRAT, I THOUGHT I WAS RID OF YOU!

Nico: You can't get rid of me that easily. You may have eluded me years ago, Quincy, but I swore one day that I would catch you and bring you straight to justice for your crimes.

Quincy "The Fox" Gunnerson: I ain't going to The Stony Lonesome, this is where I'm leaving your corpse!

Me: Bring it on!

Quincy "The Fox" Gunnerson got out a machine gun and started firing, but we were protected by a powerful rainbow energy field created by Lincoln, and soon enough, Quincy "The Fox" Gunnerson had run out of bullets. Then, the rainbow energy field fired rainbow energy blasts that hit the gangster and knocked him into a wall and the rainbow energy field disappeared, but the gangster got back up, and boy was he madder than hell now!

Nico: Nice one with the rainbow energy field, Lincoln. Too bad you've run out of bullets, shit for brains, and you know what that means.

Me: You're shit out of luck!

Nico: My turn.

Hot got the machine gun and Nico fired a wave of energy and blasted the machine and burned it out of his hands and then Nico kicked punched and bashed him all over the place.

Rainbow Dash: Now the fun stars!

We were really amazed by Rainbow Dash's Super Angel-Loyalty Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Quincy "The Fox" Gunnerson saw it, he went absolutely insane and tried to rush at her to kill her with a knife he got out, but Rainbow Dash fired a massive barrage of rainbow energy, stars, rainbow lightning, rainbow flames, magic, and Alicorns at Quincy "The Fox" Gunnerson, and it hit him and sent him flying into another wall, and he also got burned badly by the power of Loyalty, he got up, but he was really furious now and he roared with anger.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Rainbow Dash has transformed into her Super Angel-Loyalty Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, the fifth of The Princesses to do so, and now, it's high-time we take this gangster down for good.

Rainbow Dash: (Divine Echoing Godly Voice of The Harmonious Air Skylander Elemental Loyalty Magic Alicorn Princess Angel and Divine Harmonious Rainbow Lightning Loyalty Skylander Elemental Loyalty Magic Alicorn Princess Angel Love) You got that right, now let's put a stop to this gangster for good, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Fluttershy, and so did we as we unholstered our weapons and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You should consider yourself lucky that we're not going to kill you, Gunnerson, because once we send you to prison for good, I think we'll leave that to some of your many enemies waiting for you there.

Nico: To quote two friends of mine, we're taking you down by force!

Me: And we're going to kick your big ugly fucking ass!

Rainbow Dash and Lincoln went after Quincy "The Fox" Gunnerson, and they fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Quincy "The Fox" Gunnerson and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Rainbow Dash attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Quincy "The Fox" Gunnerson mad.

Quincy "The Fox" Gunnerson: I HATE EVERY LAST ONE OF YOU!

Our energy auras flared up as we'd gotten stronger thanks to his extremely massive hatred.

Nico: YEAH, FUCK YOU TOO, ASSHOLE!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

Kindness, Selflessness, Courage, and Trust) Hate us all you want, but in the end, your hatred just makes us even stronger! (Rainbow Energy Aura flares up) But, your hatred has made you blind and weak, you may have thought no one would ever get in your way, but you underestimated your opponents, and in the end, that's why you're going down!

Lincoln and Rainbow Dash ran at Quincy "The Fox" Gunnerson, and they proceeded to give him quite the nasty and brutal beatdown on him!

WHAM! BAM! SLAM! KRACK! BONK!

Me: (WINCES) OOH! OH MAN! THAT'S GOT TO HURT!

Nico: DAMN! NOW, THAT'S JUST BRUTAL!

Maria: Do the Sonic Rainboom!

Rainbow Dash: Gladly!

BOOOOOOOOMMMM!

She ran fast and blasted him with a powerful shockwave of rainbow fire.

Rainbow Dash: Nice one, Linky. Now, let's end this monster for good.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) On it, my Alicorn Princess of Loyalty.

Lincoln and Rainbow Dash made two rainbow energy balls with rainbow super lightning, stars, rainbow fire, magic, winds, and Alicorns surrounding them, and Quincy "The Fox" Gunnerson, not liking this, was frozen with fear.

Lincoln and Rainbow Dash: AIR SKYLANDERS LOYALTY RAINBOW LIGHTNING HARMONY MEGABLAST!

Lincoln and Rainbow Dash fired the balls of rainbow energy balls with rainbow super lightning, stars, rainbow fire, magic, winds, and Alicorns, and they hit Quincy "The Fox" Gunnerson and they exploded with such incredible power, and he was electrocuted and knocked down and out, and he was tied up in Neutronium Chains lined with rainbow energy and a rainbow energy straitjacket.

Quincy "The Fox" Gunnerson: NO! NO!

Nico: It's over, fuckweed, now you're going straight to jail. See you never!

Me: And we're taking this back!

I grabbed the egg.

Quincy "The Fox" Gunnerson: NO! THAT'S MINE!

Me: It was NEVER YOURS!

Nico grabbed Quincy "The Fox" Gunnerson and threw him in a police car that drove off to take him to prison for good. We all cheered wildly for what Rainbow Dash and Lincoln did as they holstered their massive greatswords and powered down, and Rainbow Dash's new body, clothes, weapons, jewelry, Third Eye, longer rainbow tail, and massive blue angel wings are permanent.

Suddenly, Rainbow Dash felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Rainbow Dash?

Rainbow Dash: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln both showed that gangster absolutely no mercy whatsoever!

Nico: And that combo you guys used on him definitely knocked him out and finally restrained him, allowing me to personally throw him inside the police car that took him straight to prison.

Rainbow Dash: He had it coming, he's evaded prison for too long.

Suddenly, Rainbow Dash turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rainbow Dash's face, they kissed passionately as Fluttershy moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with lightning crashing behind them and we cheered wildly. Lincoln and Rainbow Dash then absorbed the elemental forces and they came back to us as the display vanished.

Eli: He probably won't last a day, if what Lincoln said is true and his enemies are there, they're going to kill him.

Nico: You and Lincoln may be right, Eli. Quincy "The Fox" Gunnerson had made tons of enemies over the years, and many of them want his head.

Lincoln: So, there's no doubt they'll have his head.

Me: Yep.

May: We'll tell the guards not to have him die right away

Maria: Good.

Nico: Yeah.

Me: Look on the bright side Nico. At least your prejoining mission before Team Loud Phoenix Storm is done.

Nico: It sure is.

?: I agree too.

Then we saw the Mysterious Gargoyle we saw earlier on TV appear.

Nico: Whoa!

Me: Wow!

Gargoyle: Nico it's great to see you again.

Nico: Dahlia Carter? Whoa!

Qin: Dahlia!? Is that you?

Dahlia Carlter: Yes Qin it's me. I was gene-slammed and turned into a Gargoyle.

Maria: By Sevarious?

Dahlia Carter: Yes.

Me: We killed him.

Dahlia Carter: Yes and one of Lincoln's Guardian Angels found me and freed me from a cage. I was turned into this.

Me: You were turned into a Gargoyle like one of Goliath and Demona's kind.

Dahlia Carter: I know. Because of that I can only go out at night. But for some reason I turn back into human during the day.

Me: By day they usually turn back into stone.

Nico: We can give you the power to transform at will

Dahlia Carter: You can?

Me: We do have that kind of power.

Nico: Yep. But it's going to be a painful process.

Dahlia Carter: I am more than ready for it.

May: And you'll know how it feels for Demona.

Me: Do you hate Demona as much as Goliath did?

Dahlia Carter: After hearing about her dark side, I hate that the most instead.

Nico: I don't blame you.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she was groaning in pain as she was reverting back! Her wings and tail vanished and then her feet returned back to normal as well as her hands and then she got her skin back and she was back to normal.

She got up shaking;

Dahlia Carter: That hurt bad.

Me: But you're back to normal.

Dahlia Carter: Yeah.

She got up and was wobbling.

Varie and Rarity held her.

She noticed her current clothes and blushed

Dahlia Carter: Oh man. My clothes tore when I turned into my Gargoyle form the first time.

Rarity: Don't worry darlings we can fix this.

The fashion brigade moved in and gave her new clothes and she had a black shirt with a moon on it and she had a crescent moon in the middle of her forehead and she had a black shirt and black leggings and had black boots and black gloves with a moon on them.

Dahlia Carter: Wow! This is amazing.

Nico: Awesome outfit.

Dahlia Carter: Thanks. When Dark Demona sees me she is going to be in for a nasty surprise.

Nico: She will be in for a brutal battle.

Sunset Shimmer: I will gladly face Dark Demona.

Qin: That monster will pay dearly for the atrocities she did.

Lola: Yeah.

Dahlia: And there are two others like me.

Me: Really?

Dahlia Carter: Yes there sure are.

Me: I have a feeling we'll meet them soon.

Dahlia: I felt exposed wearing that loincloth and strap top.

Nico: I can tell.

Qin: Yeah.

Me: It's what Goliath and his kind wore for over 1,000 years.

Nico: Long story.

Dahlia: But I'll have to keep wearing those so I don't shred my clothes

Nico: Yeah.

Eli: (Senses something) Oh man! Huge number of Anothers coming.

Me: Who are they?

Eli: We have The Strawberry, Vanilla and Chocolate Technicolor Phantoms, Steam Demons, Star Creature, Cheese Monster, The Ghost of Old Salem, The Willawaw, The Ghost of Dr. Coffin, The

Nico: I hope they're all one person.

Carolyn Grey Hawk: When me and Nico went and defeated a bunch of gangsters in Estes Park.

Me: Wait! You guys were in Estes Park?

Nico: Yep. We stopped the Vicolla Gang and stopped them from stealing all the gold in Estes Park to sell on the Black Market.

Me: Whoa! That was all over the news in Colorado 8 years ago. I didn't know it was you guys.

Carolyn Grey Hawk: Yeah that is cool.

Nico and Carolyn hugged.

Nico: I've missed you.

Carolyn Grey Hawk: Same here.

Me: By the way Carolyn how did you go to the planet Ra'Dos? That was over 157 million Lightyears away from Earth.

Carolyn Grey Hawk: I was teleported there. I was chosen to help them destroy some of their enemies.

Nico: Yep.

Carolyn Grey Hawk: I learned all about the powers there and more.

Qin: Cool!

We went back home.

Plus, we're in for an awesome surprise: we're going to meet Alana Monroe, Helen Bailey, and Melanie Taylor, these three girls are Lincoln's Guardian Angels from Michigan and they are his most protective and fiercest of his Guardian Angels, they're known as The Trouble Busters, a group who're dedicated and committed to making selfish Karens, self-entitled pricks, heartless greedy queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world. Their parents, Alana Monroe's dad, Alan Monroe, Helen Bailey's mom, Helena Bailey, and Melanie Taylor's mom, Midoriko Taylor, were the original Trouble Busters, and they were legendary for making tons of selfish Karens, self-entitled pricks, heartless queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world. Alana, Helen, and Melanie inherited their parents' fiery determination to make those types of people pay for their transgressions and they show no mercy what so ever, and they've always saved Lincoln from the trouble caused by his many enemies, along with Lori, Lynn, Lola, Lisa, and Luan, and whenever they hear the words, "Time for The Trouble Busters!", it only meant one thing to Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies: retaliation for Lincoln and big time trouble on their asses. They always found a ton of ways to make Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies pay for their crimes and even humiliating them in public, and they always win, and Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies wind up getting in huge trouble either with their parents and siblings for Lori, Lynn, Lola, Lisa, Luan, and Chandler's cases, or in the cases of Flip, Scoots, Hawk, Hank, Pablo, Anderson, Becky Blickensderfer, Scoots, Chandler's goons, and Lewis Travolta, getting in huge trouble with the police and the public. Though they hate Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a passion, they also hate their parents' enemies from the past with a brutal passion because of all the stories their parents told them about their old enemies, but should that day come, the succeeding generation of Trouble Busters will make the old enemies of the preceding generation of Trouble Busters pay for their crimes by throwing them in prison for life along with the new generation of troublemakers.

Lincoln: Whoa, we're here in Portugal, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to take down a troublemaking pest named Aiden Anderson, he's a well-known troublemaker and an asshole who thinks he can get away with lying to people and he always causes trouble wherever he goes, but we're going to take down that moron and send him to prison for good.

Selene Emperyous: Oh no, not that troublemaking pest asshole again! I thought we sent that pest running with his tail between his legs.

Selene Arcangela: We did, but that asshole just doesn't know when to quit. But, there's only three people who can deal with an asshole like him.

Lincoln's Guardian Angels: (GASPS) THE TROUBLE BUSTERS!

Nico: Trouble Busters, who are they?

Lincoln: They're an awesome group who are dedicated and committed to making selfish Karens, self-entitled pricks, heartless greedy queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world.

Selene Arcangela took out a photo of a red-haired girl with a red coat, a gold-haired girl with a gold coat, and a green-haired girl with green coat.

Selene Arcangela: And these are The Trouble Busters, Alana Monroe, Helen Bailey, and Melanie Taylor, these three girls are Lincoln's Guardian Angels from Michigan and they are his most protective and fiercest of his Guardian Angels. Their parents, Alana Monroe's dad, Alan Monroe, Helen Bailey's mom, Helena Bailey, and Melanie Taylor's mom, Midoriko Taylor, were the original Trouble Busters, and they were legendary for making tons of selfish Karens, self-entitled pricks, heartless queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world.

Nico: WHOA!

Selene Arcangela: Alana, Helen, and Melanie inherited their parents' fiery determination to make those types of people pay for their transgressions and they show no mercy what so ever, and they've always saved Lincoln from the trouble caused by his many enemies, along with Lori, Lynn, Lola, Lisa, and Luan, and whenever the troublemakers hear the words, "Time for The Trouble Busters!", it only meant one thing to Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies: serious retaliation for Lincoln and big time trouble on their asses.

Lincoln: They always found a ton of ways to make Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies pay for their crimes and even humiliating them in public, and they always win, and Lori, Lynn, Lola, Lisa, and Luan wind up getting in huge trouble either with my parents and Leni, Luna, Laney, Lucy, Lana, and Lily, or in the cases of Flip, Scoots, Hawk, Hank, Pablo, Anderson, Becky Blickensderfer, Scoots, Chandler and his goons, and Lewis Travolta, getting in huge trouble with the police and the public. Marinette: Wow. That's really quite a powerful reputation.

Suddenly, we saw a beautiful and super sexy girl with long dark brown hair and green hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in an emerald green coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and emerald gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Noble Knight Iyvanne, in her right hand is The Sword of Hope, and with her are the six girls.

Dark Brown-Haired Girl: I hope I'm not too late, but I got the girls away from that moron asshole, Aiden.

Lincoln: No, you're not, Yelena Ywain, you're just in time.

?: I'LL FRICKING KILL EVERY LAST ONE OF YOU STUPID JERKS FOR RUINING MY LIFE, YOU PIECES OF CRAP!

We heard a loud angry voice scream out, and we saw who it was: a blue-haired asshole male who has hatred in his eyes, it was that troublemaking pest asshole, Aiden Anderson, and boy was he pissed.

Lincoln: Aiden, I should've known you'd show up again, now we're through being nice.

?: TIME FOR THE TROUBLE BUSTERS!

Suddenly, we saw the three girls appear before us: Alana Monroe, Helen Bailey, and Melanie Taylor, The Trouble Busters and Lincoln's three other Guardian Angels.

Aiden Anderson: NO! NOT NOW!

Then, Lincoln hit him hard in the face and gave him a black eye and knocked out some of his teeth, and he was tied up in a rainbow energy straitjacket and Neutronium Chains lined with rainbow energy. When he woke up and saw the cops picking him up, he knew he failed and he got caught once again by The Trouble Busters.

Aiden Anderson: No, not again! (ENRAGED SCREAMING) GODDAMNIT!

Then, the cops shoved that stupidhead moron into the car and it drove the screaming asshole away to jail. We cheered as we holstered our weapons and powered down.

Alana Monroe: That'll teach you, you stupid ape!

Helen Bailey: If we ever see your stupid face out in public again, we'll do much worse to you.

Melanie Taylor: You've caused enough trouble for the last time, you piece of crap! Never darken our doorstep again!

Lincoln: That'll teach him, and I knew you three would show up as soon as that piece of crap showed his face again.

Alana Monroe: That's right, and it's so good to see you again, Lincoln, and you've really grown into an amazing young man.

Nico: Whoa, so these three are the Trouble Busters!

Lincoln: Yep, exactly whom Selene Arcangela and Selene Emperyous said they are.

Laney: Yep, and when that very phrase is said, Lincoln's enemies including Lori, Lynn, Lola, Lisa, and Luan wind up getting the stuffing kicked out of them and humiliated at every turn.

Lincoln: Yep, and they always live up to their reputation of busting troublemakers and making them all pay for their crimes.

Luna: (Snickers) I can't even forget many of their plans that led to Lori, Lynn, Lola, Lisa, and Luan's true nature being exposed in front of everyone, and the exposure of the true natures of Lincoln's many enemies. Their faces turned white with fear and they ran away like the cowards they were, but in Lynn's case, it led to her getting punched in the face and knocked out when she tried to get revenge on them.

Lincoln: Any of them dared to start trouble and cross The Trouble Busters, there was going to be payback in full. (To Yelena Ywain) And it's also good to see you again, Yelena Ywain.

Yelena Ywain: You too, Linky, it's been a long time.

Lincoln went up to Yelena Ywain and he hugged her, and Yelena Ywain is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Yelena Ywain: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Yelena Ywain, Gene-Slammer of Noble Knight Iyvanne, she's my Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Yelena Ywain is also a direct descendant of Ywain of Camelot, one of the members of The Knights of The Round Table and the son of King Urien of Gorre and either the enchantress Modron or the sorceress Morgan le Fay.

Me: I knew it.

Melanie Artorgius: Lincoln made her an emerald green coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Yelena Ywain hates that mutant, Flip, with a very blazing passion. One day, Yelena Ywain and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Yelena Ywain and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Yelena Ywain fired chains of light magic which bound that moron and tied him up. Lincoln called his family and as soon as he and the other Noble Knights told them what happened, and needless to say, everyone wanted his head on a pike! But, Lincoln wasn't surprised, that fat mutant tried to kill him many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge, Yelena Ywain and Lincoln casted a spell to prevent that mutant from coming back.

Me: Stupid mutant, he just makes things even worse for himself.

Nico: What a moron.

Lincoln: He really didn't know when to quit, and just kept coming back for more. He was such a total glutton for punishment, it wasn't even funny, all of Royal Woods were really getting tired of him and his scams and they prayed that one day, he would be outed and made into a total outcast and pariah.

Me: And that day came when you and I spilled the truth about his business, and they became really disgusted and that caused his downfall.

Lincoln: And we can also thank the additional help of my Guardian Angels gathering tons of evidence on his numerous crimes and that made him the most hated person in the entire Michigan area and the world. And now that you're here, Yelena.

Lincoln went up to and hugged Yelena Ywain in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Yelena Ywain: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Yelena Ywain's neck with emerald gems on the gold lightning bolts and emerald crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Yelena Ywain: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Yelena Ywain.

Yelena Ywain had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the six girls, and when Lincoln saw who they were, they immediately recognized them. The six girls are Ako Fujisawa, Hikaru Kodama, Makoto Karino, Narumi Jinguuji, Remi Shinjou, and Ren Nanase from Night Shift Ward.

Lincoln: Oh wow, it's Ako Fujisawa, Hikaru Kodama, Makoto Karino, Narumi Jinguuji, Remi Shinjou, and Ren Nanase from Night Shift Ward.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ako Fujisawa: Yes, we're okay thanks to you.

Then, when Ako Fujisawa and the other five girls saw who it was that saved them from Aiden Anderson, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ako Fujisawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ako Fujisawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ako Fujisawa, Hikaru Kodama, Makoto Karino, Narumi Jinguuji, Remi Shinjou, and Ren Nanase with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was a troublemaking pest named Aiden Anderson, a well-known troublemaker and an asshole who thinks he can get away with lying to people and he always causes trouble wherever he goes.

But, when Lincoln showed what happened such as The Trouble Busters showing up and then all of us beating that asshole into the ground and Lincoln tying him up in a rainbow energy straitjacket and Neutronium Chains lined with rainbow energy where he was picked up by the cops and was taken to jail as he screamed at us, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Alana Monroe, Helen Bailey, Melanie Taylor, and Yelena Ywain have a lot of catching up to do now that they're back in town.

Maria: Oh man, I knew The Trouble Busters would show up sooner or later!

May: We all knew it one day, and we never knew they were Lincoln's Guardian Angels. One day, we might want to meet their parents, the preceding Trouble Busters.

Lincoln: That's true, after all, I'm going to marry their daughters soon in the future.

Me: So, we'll be ready for those meetings to come back very soon.

Nico: Yeah, so no one make the same cracks like you've been doing with me.

Eli: (Cracks Knuckles)

Drakus: (Cracks Knuckles)

Sebastian Mendez: (Turns his nails into claws)

Everyone flinched.

Nico: I don't even know what'll be worse: facing Eli's discipline, Drakus' beatings, or Sebastian's very violence.

Skywarp: If given, I'd face Sebastian's violence given the fact of who once lurked inside him.

Me: Bad idea, you know his Dark Side was a cold, remorseless murderer, right?

Skywarp: Okay, bad idea, I'd face Eli's discipline and/or Drakus' beatings.

---

After putting an end to Aiden Anderson's bullshit and sending him straight to prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Yelena Ywain, Alana Monroe, Helen Bailey, and Melanie Taylor saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Yelena Ywain: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and

powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Alana Monroe: He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Helen Bailey: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Taylor: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Yelena Ywain: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Yelena, what memories did you have with Lincoln?

Yelena Ywain: Oh man, I was hoping you'd ask that, and this one is also one that we have with the Trouble Busters. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of an unwashed pig in the air, and we saw who it was coming after us: it was Flip, and he had a massive army of thugs with her and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Flip, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Flip once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Flip, and they brutally beat his three-cheeked ass into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Flip after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set Flip off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that mutant always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is. Then, Alana, Melanie, and Helen dug up dirt on Flip, and not only did they expose the fact that he'd gotten help from inmates at the prison to help bust him out of prison many times, but he'd hired them to try and murder Lincoln.

We gasped.

Alana Monroe: Yep, we decided that it was time for The Trouble Busters, we immediately went to the warden and presented him with that evidence, and eventually, the inmates who helped bust Flip out of prison many times were moved to separate maximum security penitentiaries, and Flip wound up in Maximum Security Solitary Confinement. Good riddance.

Nico: I can't believe that! Inuyasha, when Lincoln gets back from his date, go crazy with using the Beads of Subjugation on that mutant's neck!

Inuyasha: Alright then.

We got a shower, and then, Lincoln, Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion had feelings for Lincoln, and he also had feelings for them, especially Cetrion, because he had a talk with Cetrion and somehow, her conversation with Lincoln caused the words that Liu Kang told her to finally take hold and her other self, Dark Cetrion, was separated from her and he sent her to The Black Gates, and as a result, Cetrion severed her ties to Kronika and Shinnok and she swore to make them pay. Plus, he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Cetrion: Ah, so this is Orange Ocean, indeed it truly is beautiful.

Lincoln: It sure is, Cetrion, and it's perfect for our first date. Shall we?

Lincoln, Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion and they hugged them in their abnormally massive and powerful muscular arms, and Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion are in your harem.

Jenna: Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Kazemon, Allure Queen Level 7, Thunder Nyan Nyan, Animated Red Alert, Wera Vann, and Cetrion, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU JACKASS MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

* * *

Later we were watching TV and I was looking up some mysterious events that happened on the news the last few days.

Francis: (to Demona) You happy to meet another fellow Gargoyle?

Demona: I sure am Francis.

Qin: It's awesome that Dahlia is now a Gargoyle gene-slammer.

Nico: It sure is.

Lola: Yeah.

Me: Whoa check this out guys. Over the last 10 days, over 653 ships have vanished all over the world.

Nico: How is that possible?

Me: No idea but this is too weird. These ships don't just vanish for any reason like this without warning.

Nico: I think someone is sinking these ships.

Xenia: Weird.

Me: Hmm.

Slim: Dahlia, what achievements have you done before today?

Dahlia Carter: Brought down more of the Graveyard Darkness.

Me: That's a Terrorist Organization that is trying to kill all the Gargoyles and even anyone that is part of them.

Nico: Like Cemetery Wind.

Lola: Yeah.

Xenia:

Dahlia Carter: Yeah and I killed the last of them earlier.

Me: Good. Good riddance.

I looked up a holographic map of surface of the Atlantic Ocean.

Me: Hmm. Wait look!

We saw a glowing red blip that was heading to a cruise ship.

Nico: What is that?

Me: No idea.

Eli: I'll fire a torpedo at that blip.

Nico: Okay.

Eli fired one and sent it through a portal and then it went at the blip and exploded when it hit it.

Me: BULLSEYE!

Nico: Nice shot.

Me: Yep. The blip is still there but at least that cruise ship got away.

Qin: Yep.

Laney: I sent a transmission to all the ships and warned them about this blip.

Nico: Good.

Dahlia Carter: I even helped stand up for the Gargoyles.

Nico: Nice.

Qin: That's cool.

Eli: It sure is.

Me: The Gargoyles were viewed at like they were monsters for a long time. But not anymore.

Xenia: Yeah.

Me: Thanks to us.

Then Kurumu came in squealing like a giddy fangirl!

Kurumu: OH MY GOSH! OH MY GOSH! OH MY GOSH! OH MY GOSH! OH MY GOSH! OH MY GOSH! OH MY GOSH!

She went over to Lincoln and smothered his face in between her huge breasts!

Drag Strip: What's got you so happy?

Me: Yeah Kurumu you're more giddy than a fangirl in a boyband concert.

Kurumu: I'M PREGNANT GUYS!

Lincoln: Oh that's nice. (SPITTAKE!) WHAT!? (ECSTATIC) YOU'RE PREGNANT!? YIPPEE!

They hugged and kissed all over!

We cheered for them both!

Maria: Congrats!

Me: Yeah Kurumu you earned it! After how you helped Lincoln get that rebellion chip out you earned it.

Nico: Absolutely!

Kurumu: Thanks J.D. and you too guys.

Eli: Boy no kidding!

William: Just don't make us squirt blood everywhere when you guys make love next time.

Lola: While Kita's missions were going on Lincoln and Kurumu had a huge lovemaking session and they caused everyone to have nasty nosebleeds.

Dahlia Carter: (LAUGHS) That is so funny!

Poromon: You would think so!

Nicole: Yeah Succubus magic was really strong even for a silencing barrier for that.

Me: When we came back we found the entire floor inundated in blood from nosebleeds.

Xenia: That was gross but funny.

Manaphy: (LAUGHS) That was still funny and crazy.

Twilight Sparkle: (LAUGHS)

Sunset Shimmer: (LAUGHS) That was a really wild night for Lincoln.

Poliwag: They should lock the doors!

Nicole: They did and it still wasn't enough.

Poliwag: Oh.

Lincoln: Guys stop.

Me: Sorry.

?: Boy what's all the excitement up here?

We saw a Mr. Rime.

Me: Cool a Mr. Rime.

Nico: Nice.

Mr. Rime: (In a girls voice) I heard squealing and laughing down on the surface and came up here.

Nico: Catherine Carter!? Whoa!

She reverted back and was a girl with black hair and blue eyes and she had a sun symbol in the middle of her forehead and she had yellow angel wings and had yellow clothes and had the kanji for sun on her right arm and she had a yellow bladed runesword.

Catherine Carter: Awesome to see you again Nico.

Me: Sorry about all commotion. Kurumu here just told us about her pregnancy.

Nico: Yep.

Hound: What's your favorite memory of Nico?

Catherine Carter: When me and Nico went and destroyed an evil all girls school for Queen Bee Girls and thrashed them into dust.

Nico: That was really funny. We destroyed all their clothes and sent them running around naked and they were COMPLETELY humiliated.

Nicole: (LAUGHS) That is so funny!

Nico: (LAUGHS) Yeah!

Nico and Catherine hugged.

Nico: Missed you.

Catherine Carter: Same here Nico.

Me: We'll have to go to the doctor after our mission Kurumu to see how many babies you'll be having.

Kurumu: Okay.

Xenia: This is gonna be an awesome baby shower tomorrow.

Nico: Yeah and we always have fun on those.

Rainbow Dash: We sure do.

Me: We'll have the baby shower at Yokai Academy. That sound good Kurumu?

Kurumu: I would like that J.D.

Me: Awesome! Yokai Academy baby shower.

Nicole: And don't worry I'll make sure that Ginei doesn't try anything.

Mizore: Good. That's the last thing we want is for that pervert to try anything.

Nicole: Not with the Anti-Pervert Patrol on watch.

Camie: Yep.

Me: Good thing everyone is on Summer Break so that will be perfect for it.

Nico: Yep.

Scourge: (to Dahlia) You gonna get dressed into your Gargoyle outfit?

Dahlia Carter: Might as well.

She went into the bathroom and got into her Gargoyle outfit.

Me: Awesome.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Captain Nemo, the enemy of Josie and The Pussycats, and he's back for revenge on them. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, okay, I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than Captain Nemo, the enemy of Josie and The Pussycats, and he's back for revenge on them.

We gasped, especially Josie and her band who are in Lincoln's harem.

Josie: Not that man again!

Me: If he's at it again, there's only one place waiting for him: prison for the rest of his life.

Nico: But, not before we give him a well-deserved humiliation that he'll never forget.

Me: Big time! Wait! So that's it!

I went over to the computer.

Me: Those mysterious ship disappearances. They were the result of Nemo and his men.

Nico: What does it say about him?

Me: According to this it says that he is the great grandson of Captain Nemo.

Nico: From 20,000 Leagues Under the Sea?

Me: The very same. And he is responsible for sinking ships left and right like a voracious swarm of piranhas.

Xenia: GEEZ! This guy is crazy!

Me: He sure is.

Nico: What's his plan?

Me: He's going to avenge his great grandfather by destroying all the ships in the entire planet until only HE is the master of the oceans.

Laney: THAT'S INSANE!

Me: I know! He already caused billions of dollars if not trillions of dollars in damages by sinking all those ships.

Eli: No way are we going to let him get away with this!

Nico: No kidding!

Me: Nice thinking firing that torpedo bro. It slowed him down but only for a while.

Dahlia Carter came out.

Nico blushed at Dahlia's outfit.

Dahlia Carter: How do I look Nico?

Nico: You look awesome in that.

Qin: You sure do.

Goliath: I must agree on that one Dahlia. You look like a true member of the Manhattan Clan.

Xenia: She sure does.

The previous group came.

Golden Glider: Can me, Mumbo Jumbo, Skulker, Patty and Selma, Professor XXXL, Grizzly, Zzzax, Machinedramon, Toad, and Salami Swami go with you guys?

Nico: You all sure can and we got really big trouble.

Me: Captain Nemo is sinking ships.

Golden Glider: Captain Nemo!? That can't be him. From 20,000

Leagues Under the Sea?

Me: That's him. But this is his great grandson.

Zzzax: Wait I've heard of him! He was a nautical terrorist that is hellbent on destroying all the ships in the world so that he can rule the entire oceans.

Me: Bingo.

Zzzax: Yeah! I heard that 5 years ago he escaped from prison and is trying to finish what he started.

Me: Yep. Over these last 10 days 632 ships have been sunk.

Zzzax: GEEZ!

Giganta: Nico, which Gene Slammers do you think you'll meet next?

Nico: Alcremie, Falinks and Pincurchin.

Lola: COOL! I would love the Alcremie one.

Me: That one is an awesome and tasty one.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than the Black Hot Organization, the muscular clones of the Black Hat Organization, and they've come back for revenge on The Black Hat Organization. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Maya, you're not going to like this one bit: the figures we sensed belongs to the Black Hot

Organization, the muscular clones of the Black Hat Organization, and they've come back for revenge on The Black Hat Organization.

Maya Carina gasped.

Maya Carina: Oh man, not those muscle-headed clones! That's it, I'm getting The Black Hat Organization!

Maya Carina called The Black Hat Organization and she told them the situation and as soon as we saw them arrive, they already have weapons with them.

Black Hat: We're ready to take down those muscle-heads.

Nico: That'll be for later, but you guys really are ready for war. Alright, gang, let's go, we're going to help Josie and the Pussycats take down Captain Nemo.

Lincoln: Captain Nemo won't get away with any of his plans, we'll stop him here and now, and once we get done with Captain Nemo, you're next, Black Hot Organization.

Emilia Connors: You better be ready to pay, Black Hot Organization, because you deserve no such mercy from any of us, and I hope you're ready to get your heads smashed into the dirt.

Me: Lets get into our submarine and head down to the sea.

Nico: You heard the man lets move!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to help Josie and the Pussycats take down their old enemy, Captain Nemo, and once we were done with Captain Nemo, Lincoln and Emilia Connors are going to take down and destroy the Black Hot Organization.

We got into our submarine and we were off into the ocean.

---

SONAR BEEPING

Our submarine was heading towards Captain Nemo's sub.

Me: Admiral Nico were are right on track with Nemo's signal.

Nico: Good work. Jared continue on course and standby battlestations.

Jared: Aye aye sir.

Nico: Not every day we use our submarine for this huh?

Me: No it isn't.

Admiral Connie Liechtenstein: It's perfect for me because I love the sea.

Nico: Figured you would like it Connie.

Skulker: See any dolphins?

Lana: Lots of beautiful fish and dolphins of all kinds.

The Neptune Crusaders and even the mascots of the water were swimming beside us.

Nico: What's our current depth?

Lisa Loud: 9,235.3 feet and moving at 33 knots.

Nico: Copy that.

Me: I have a feeling that when he sends his minions at us it's going to be an awesome musical battle.

Qin: Looking forward to that.

Rainbow Dash: Boy this will be awesome.

Leeli: Wow! Look at the fish.

Me: Lots of awesome fish.

Barbossa: Avast, mateys!

We saw The Sea Dragons of Aerwiar!

Leeli: The Sea Dragons!

Nico: WOW!

Tink Wingfeather: Wow! That is cool!

Me: These must be what you all have seen on Aerwiar.

We heard the Sea Dragons singing.

Tink Wingfeather: Yep.

Me: Strange seeing them here on Earth.

(YURGEN'S TUNE PLAYS)

Leeli: (SINGING DIVINELY AS FIREFLIES SWIRLED AROUND HER)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

We were amazed as we saw Yurgen the Sea Dragon appear and he looked at Leeli with absolute amazement.

Yurgen: (Telepathically) How does this child know this song?

Me: Wow! That's Yurgen. I read all about him in my books.

Sakura Knudson: Awesome.

Yurgen: You have a great voice there.

Me: She sure does.

Leeli: That is so awesome.

Me: It sure was. You got to sing with the Sea Dragons. So cool.

Yurgen: J.D. Knudson. I've heard so much about you. And Girl Jordan you and Leeli have an amazing spiritual connection.

Girl Jordan: Her song is an amazing gift to everyone on Aerwiar and her power is amazing.

Yurgen: It sure is.

Me: Would you like to help us bring down Nemo?

Yurgen: I would be honored.

Nico: Awesome.

Yurgen: And Leeli has an amazing voice too.

Selma: Got that right.

Grizzly: Are we getting close?

Lisa Loud: We have a sonar signal!

We saw Nemo's sub up ahead!

Me: Target sighted!

Nico: All hands red alert!

The alarms klaxon.

Qin: Wow!

We saw a big hole blasted through the sub.

Me: There's the hole where our torpedo hit. It hit the engine.

Nico: They're sitting ducks.

Eli: We got them right where we want them.

Tidal Wave: Tidal Wave going out into sea and transforming.

Tidal Wave went out and transformed.

Nico: Awesome. Lets head on board and show them an awesome musical battle and beat the crap out of them with our songs.

Me: All right then.

Machinedramon: How about I fire a warning shot?

Nico: Go for it.

Machinedramon: (Echoing) Giga Cannon!

He fired energy blasts and they exploded above and below the sub.

Then we got beside the sub and stuck the docking tube in it and we went on board.

Me: We're in.

Xenia: This is gonna be good.

Oceanus Shenron: Nemo can't beat us in my element!

Nico: Darn tootin! Lets go guys. Entrance time.

We went to the bridge. In the bridge Captain Nemo had Josie and the Pussycats and friends tied up and gagged

Captain Nemo: BLAST! We can't move and someone is attacking us!

Then the spirits of the ocean appeared and they swirled around him and his crew and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and a Phoenix Cry was heard and then we came out!

Me: Captain Nemo. So we meet at last.

Captain Nemo: Team Loud Phoenix Storm!

Me: That's right! You're under arrest bub!

Captain Nemo: STOP THEM!

The minions all came at us!

Lincoln freed Josie and the Pussycats.

Josie: Boy are we glad to see you!

Salami Swami: Let the music begin!

Brittney: Gladly! Time for some darkness! (ACTIVATES REX GOODWIN'S RIDEWATCH)

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Brittney: (SINGING DIVINELY AS DARKNESS AND PURPLE FIRE SWIRLS AROUND HER)

Now the day has come

We are forsaken this time

We lived our lives in our paradise

As gods, we shaped the world around

No borderlines, we'd stay behind

Though balance is somethin' fragile

While we thought we were gaining

We'd turn back the tide, it still slips away

Our time has run out, our future has died

There's no more escape

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

We're the last of our kind

The sacrifice was much too high

Our greed just made us all go blind

We tried to hide what we feared inside

Today is the end of tomorrow

As the sea started risin'

The land that we conquered just washed away

Although we all have tried to turn back the tide

It was all in vain

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

Only ruins stay behind

Now the day has come

We are forsaken this time

Now the day has come

We are forsaken

There's no time anymore

Now the day has come

The day has come

The day has come

I never had something that I can't walk away from

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

All the in between is killing me

You know I come unglued from missing you

Sunset eyes, no, I don't have to try

Because you know exactly what to do

But you can hardly swallow,

Your fears and pain.

When you can't help but follow,

It puts you right back where you came.

Live and learn!

From the works of yesterday.

When you fall, everyone stands

Another day, and you've had your fill of sinking

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Iris (Lollirock): (Singing Divinely as light and energy swirled around her)

From the deep I cry

I am needing change in my life

I have let the cold creep in and lock my ability to feel (deeply)

Just now a shaft of light shot through my soul

Opening up the windows and the doors

Reaching to the corners and my flaws

Showing my need

I'm running out of time to live

Running out of love to give

Running out of life within

God help me

I don't care who stares

Never want to be what I have been again

Grace has taken over and drawn me in and I am embracing it

'Cause now I see Your light drawing me close

Overwhelming love I don't deserve

But I'll take the hope You bring, You hold it out to me

Without You

God Help me.

Please Help Me

God Help Me

I'm running out of time to live

Running out of love to give

Running out of life within

Sending big waves

Into motion

But I can make an explosion

And all those things I didn't say

Wrecking balls inside my brain

I will scream them loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Losing friends and I'm chasing sleep

Everybody's worried about me

In too deep

Say I'm in too deep (in too deep)

And it's been two years I miss my home

But there's a fire burning in my bones

Still believe

Yeah, I still believe

And all those things I didn't say

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Laney: (SINGING DIVINELY AS LEAVES AND FLOWERS AND PLANTS SWIRLED AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for, for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

And every breath, breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for, for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is longing for

All for, for the love of you

Laney danced and fired waves of leaves and grass and smashed them down.

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Qin: (SINGING DIVINELY AS FIRE AND ICE SWIRLED AROUND HER)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

She floated and fired waves of fire and ice and blasted them and the guards then bursted into tears!

Lola: YEAH!

Zzzax: Shocking, isn't it?!

Nico: YEAH!

Horri Bull: Don't stop, guys!

Me: I know! This is getting good.

VS Private H.I.V.E., Knighty Knight, Penguin, Universe 666 Dave / Dr. Octavius Brine, Kaitouki, and Chourikiki - Lincoln's Rescue

---

Private HIVE was next.

Private HIVE: (to Emerald) I heard Lincoln's rescue was in Portugal. How was it?

Emerald: It was really fun and we were there to face Aiden Anderson and he was a pest.

Flashwing: Yeah he was a nightmare but he is now back in prison where he belongs.

Dew Gayl: And to add more fun we met the Trouble Busters. You'll like their story.

---

Lincoln: They're an awesome group who are dedicated and committed to making selfish Karens, self-entitled pricks, heartless greedy queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world.

Selene Arcangela took out a photo of a red-haired girl with a red coat, a gold-haired girl with a gold coat, and a green-haired girl with green coat.

Selene Arcangela: And these are The Trouble Busters, Alana Monroe, Helen Bailey, and Melanie Taylor, these three girls are Lincoln's Guardian Angels from Michigan and they are his most protective and fiercest of his Guardian Angels. Their parents, Alana Monroe's dad, Alan Monroe, Helen Bailey's mom, Helena Bailey, and Melanie Taylor's mom, Midoriko Taylor, were the original Trouble Busters, and they were legendary for making tons of selfish Karens, self-entitled pricks, heartless queen bees, entitled elitists, and assholes pay for the trouble they've caused to others all around the world.

Nico: WHOA!

Selene Arcangela: Alana, Helen, and Melanie inherited their parents' fiery determination to make those types of people pay for their transgressions and they show no mercy what so ever, and they've always saved Lincoln from the trouble caused by his many enemies, along with Lori, Lynn, Lola, Lisa, and Luan, and whenever the troublemakers hear the words, "Time for The Trouble Busters!", it only meant one thing to Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies: serious retaliation for Lincoln and big time trouble on their asses.

Lincoln: They always found a ton of ways to make Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies pay for their crimes and even humiliating them in public, and they always win, and Lori, Lynn, Lola, Lisa, and Luan wind up getting in huge trouble either with my parents and Leni, Luna, Laney, Lucy, Lana, and Lily, or in the cases of Flip, Scoots, Hawk, Hank, Pablo, Anderson, Becky Blickensderfer, Scoots, Chandler and his goons, and Lewis Travolta, getting in huge trouble with the police and the public. Though they hate Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies with a passion, they also hate their parents' enemies from the past with a brutal passion because of all the stories their parents told them all about their old enemies, but should the day come, the succeeding generation of Trouble Busters will make all of the old enemies of the preceding generation of Trouble Busters pay for their crimes by throwing them in prison for life along with the new generation of troublemakers.

Marinette: Wow. That's really quite a powerful reputation.

FLASHBACK ENDS

Private HIVE: Wow! That is quite an amazing and great reputation.

Spy Rise: It sure is a good one.

Chuck: Yeah I'll say.

Bomb: We all thought it was cool.

Misty Brightdawn: Yeah what a jerk

---

Nico: Yep. So, Yelena, what memories did you have with Lincoln?

Yelena Ywain: Oh man, I was hoping you'd ask that, and this one is also one that we have with the Trouble Busters. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of an unwashed pig in the air, and we saw who it was coming after us: it was Flip, and he had a massive army of thugs with her and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Flip, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Flip once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Flip, and they brutally beat his three-cheeked ass into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Flip after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set Flip off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that mutant always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is. Then, Alana, Melanie, and Helen dug up dirt on Flip, and not only did they expose the fact that he'd gotten help from inmates at the prison to help bust him out of prison many times, but he'd hired them to try and murder Lincoln.

We gasped.

Alana Monroe: Yep, we decided that it was time for The Trouble Busters, we immediately went to the warden and presented him with that evidence, and eventually, the inmates who helped bust Flip out of prison many times were moved to separate maximum security penitentiaries, and Flip wound up in Maximum Security Solitary Confinement. Good riddance.

Nico: I can't believe that! Inuyasha, when Lincoln gets back from his date, go crazy with using the Beads of Subjugation on that mutant's neck!

Inuyasha: Alright then.

FLASHBACK ENDS

Control Freak: That mutant cheapskate! He sure doesn't know when to quit.

Sunset Shimmer: No he doesn't.

Pipsqueak: (British Accent) Yeah what a jerk.

Sunburn: No kidding.

Control Freak: That guy needs to be taught a massive lesson. Lets do it!

Lincoln fired a rainbow energy blast and it turned into a rainbow energy straitjacket and the blast tied up Captain Nemo. Then, he stretched out his eleven massive and long white wolf tails like a golf club, and we knew what he was about to do.

Lincoln: FORE!

Lincoln swung his eleven massive and long white wolf tails and they hit Captain Nemo and he went flying into the air and he screamed, and then, he went through a portal Lincoln opened up that led to federal prison, and as he fell through the portal, he landed in a prison cell and the portal closed.

Me: HOLE IN ONE!

Nico: That's another villain put in prison for good! Awesome job, Lincoln!

Lincoln: Thanks. Now, there's only one last thing to do and one loose end to tie up: The Black Hot Organization.

Maya Carina: I knew there was no mistaking those voices from anywhere!

Maya Carina fired blasts of stars which hits some figures in the bushes and they were exposed as the Black Hot Organization.

Black Hat: I always knew you clones would show up one way or another! But, this'll end here and now!

Black Hot: We'll smash your faces in!

Emilia Connors: The only one getting their faces smashed in are you and the other musclebound evil excuses for an organization!

Suddenly, Emilia Connors' red eyes turned neon red, and she was surrounded by a black and rainbow energy aura with stars, fire, water, wind, light, darkness, earth, Evil HEROS, and angels, she unholstered her Dark Energon Sword from her back, and as she approached The Black Hot Organization, she left black and rainbow energy, stars, fire, water, wind, light, darkness, earth, Evil HEROS, and angels with every step.

Emilia Connors: I will never ever forgive you for any of your crimes that you clones committed, not to mention what you lot tried to do in destroying Black Hat and his organization so that you all can be on top. That's it, this time, you will all be destroyed here and now, and I will make sure you never come back again!

Suddenly, Emilia Connors was surrounded by a massive vortex of black and rainbow energy with stars, fire, water, wind, light, darkness, and earth surrounding the vortex, there are the Evil HEROS and angels flying around the vortex, and in the vortex is a white phoenix with the Evil HERO emblem on its stomach and red eyes glaring at The Black Hot Organization: the red eyes of eternal death. Then, as the vortex faded, Emilia Connors emerged, but she was forever changed.

Suddenly, Emilia Connors' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she'd transformed into her most powerful and and most incredible transformation ever!

Emilia Connors has transformed into SUPER ANGEL-EVIL HEROS MONSTERS-EVIL HEROS GODDESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA EVIL HEROS GODDESS COSMIC DARKNESS EVIL HEROS MONSTER GODDESS ANGEL OF DIVINE EVIL HEROS GODDESS COSMIC DARKNESS EVIL HEROS MONSTER GODDESS ANGEL JUSTICE AND DIVINE EVIL HEROS GODDESS COSMIC DARKNESS EVIL HEROS MONSTER GODDESS ANGEL LOVE!

We were really amazed by Emilia Connors' Super Angel-Evil HEROS Monsters-Evil HEROS Goddess-Harmony United

Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Black Hot Organization saw it, they ran at her to kill her, but Emilia Connors fired a massive barrage of black and rainbow energy blasts with stars, fire, earth, water, wind, light, darkness, Evil HEROS, devils, and angels at the musclebound organization and they exploded as they hit them, they got back up, but that really pissed them off now.

Nico: (GASPS) Oh, no way, oh man, Emilia Connors' transformed!

Miranda Connors: Whoa!

Marlene Connors: So awesome!

Lincoln: She's transformed into her Super Angel-Evil HEROS Monsters-Evil HEROS Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, she's really changed that much since the last time I saw her, and now, the true power of the darkness is about to be unleashed.

Emilia Connors: (Divine Echoing Godly Voice of The Cosmic Evil HEROS Monsters Goddess Angel and Divine Eternal Cosmic Evil HEROS Monsters Goddess Angel Love) And on those excuses for villains, let's tear them apart, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Emilia Connors.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to live a single second anymore, now we're going to destroy every last one of you, and see to it you never come back.

Lincoln and Emilia Connors went after The Black Hot Organization, and they fired extremely powerful blasts of rainbow energy, black and rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Black Hot Organization and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Emilia Connors also attack them with punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving The Black Hot Organization even madder than ever.

Black Hot: WE'LL KILL YOU ALL!

The Black Hot Organization members ran at them, but Lincoln ran at

Black Hot and his other muscle-bound cronies and he grabbed them by their necks and he sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak. Then, he threw each of them into the air. Finally, Lincoln and Emilia Connors fired powerful blasts of darkness which hit The Black Hot Organization and it destroyed them and sent them to The Black Gates forever.

Maya Carina: That'll teach you, you musclebound excuses for criminals!

We cheered for what Emilia Connors and Lincoln did to The Black Hot Organization as they holstered their weapons and powered down, and Emilia Connors' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Emilia Connors: And now, we are finally rid of The Black Hot Organization once and for all, and good riddance. Thanks for helping me take them down for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emilia.

Suddenly, Emilia Connors wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emilia Connors's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Evil HEROS Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Emilia Connors absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fearsome fight against those musclebound clones who aren't true villains, Lincoln, Emilia, you guys did one awesome job taking down the Black Hot

Organization.

Lincoln: And I did the same thing that I did to Flip's musclebound thugs.

Me: They should've known better than to try and tangle with us.

Nico: Yep, but we're rid of them for good, so good riddance to another crime organization. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Gwenhwyfar, Queen of Noble Arms.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Gwenhwyfar, Queen of Noble Arms, Gwendolyn Guinevere, and you guys are going to love meeting her, Gwendolyn Guinevere is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Gwendolyn Guinevere is also a direct descendant of Guinevere of Camelot.

We gasped.

Me: Guinevere, an early-medieval queen of Great Britain and the wife of King Arthur.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a pink coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Gwendolyn Guinevere hates that mutant, Flip, with a very blazing passion. One day, Gwendolyn Guinevere and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Gwendolyn Guinevere and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Gwendolyn Guinevere fired chains of light magic which bound that moron and tied him up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known he would do something like this.

Lincoln: I know, but I wasn't surprised, that fat mutant tried to kill me many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge, Gwendolyn and I casted a spell to prevent that mutant from coming back.

Me: Yeah, messing with the descendant of Guinevere of The Knights of The Round Table and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That mutant really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan earned him the vengeance of my family infinite-fold.

Vexen: Did you guys have fun today?

Maria: We sure did!

Ryugu Tamatebacco: That's good.

Me: Yep.

Jack O Lantern: And Nemo's back in jail.

Pied Piper: Not the clownfish, mind you!

Pterodactyl Ghost: I knew that.

Me: Yeah.

Nico: But this was awesome and fun.

Qin: It sure was.

Lola: Yeah!

Nico: Yep. Great Job today everyone.

Josie: Thank you all so much for saving us.

Valerie: We sure owe you big time.

Melody: What do we owe them? $5,000,000.00? (LAUGHS)

Me: (LAUGHS) Melody you are funny.

Will Vandom: She sure is. (To the viewers) Boy this was an awesome and great musical adventure.

Xenia: It sure was.

Lola: Yep.

We went back home and went to the doctor and Kurumu was expecting twin girls! They were going to be awesome. And went and enjoyed the rest of the day and went to sleep. Captain Nemo was found guilty of the same crimes he did before. He did destruction of government and public property and NUMEROUS counts of attempted murder and domestic terrorism. He was sentenced to eternity in the Neptune prison with no possibility of parole and ordered to pay $500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 in damages and restitution.

I was dressed in my special occasion clothes and so was Sakura Knudson.

Shizuka Nekonome: Boy this is so much fun guys.

Me: It sure is Ms. Nekonome. We're happy for Kurumu.

Kurumu's mother was with us too and so was Piedmon.

Agiha Kuruno: I'm really happy for Kurumu too.

Me: Me too Agiha.

Qin: Boy this is awesome.

Camie: I'm really excited for this.

Lola: Me too.

Yukari: And the best part is that no bad students are terrorizing the place.

Lola: That's for sure Yukari.

Tsuyu: Yep.

Nico: Layla, I want to thank you, Toiletnator, and your teams for coming

Layla: It's no problem Nico. This is gonna be so fun.

Qin: It sure is.

Lana: We're really excited.

Lucy Mann: I would definitely love coming to Yokai Academy myself because of my status as a plumber.

Me: You sure would Lucy.

Piedmon: Boy this is so fun though.

Me: It sure is Piedmon.

Qin: Yeah.

Yukari: But we're so excited for Kurumu.

Lola: Yeah we sure are.

Takeshi (Lizardman): You are not supposed to…

I had a purple energy ball ready to fire at his face if he stepped out of line.

Me: Don't even think about finishing that sentence.

Lucy Mann: Yeah! Remember your place in the M.O.E.

Takeshi growled and surrendered.

I had the ball vanish.

Me: Smart guys.

Eli: Yep.

Me: Are you happy for Kurumu, Tsukune?

Tsukune: I sure am. I'm happy for her as much as all of my friends here.

Me: We are too.

Pickle Barrel: Yeah we're excited for her.

Moka: All of us are.

Varie: We sure are.

Tamao: Indeed we are sis.

Laney: Yeah.

Camie: That war was terrible.

Lola: It was. But that was when we first met Camille, Joel and Max Tennyson. It was awesome.

Lana: It sure was.

Nico: Did I mention Lucy can shapeshift into other people?

Kaito: Really?

Lucy Mann: I sure can. Watch.

She swirled around and morphed into Max Tennyson, Elena Validus, Kate Lloyd and even me.

Me: WHOA! It's like looking at myself in the mirror.

Me?: PSYCHE!

She laughed and reverted back.

We laughed.

Me: (LAUGHS) That was a good one. But you make a great infiltration specialist.

Lucy Mann: I sure do.

Nico: Yeah.

Qin: Yep.

Me: Yesterday was a really awesome one.

Lola: Yeah it sure was.

Lincoln: We not only saved Josie but we stopped Captain Nemo and his terrible spree of destruction.

Nico: We sure did.

Me: And we had a fun time on that one.

Leeli: We sure did and it was great.

Girl Jordan: It sure was awesome and we sang all kinds of awesome songs against his men.

Nico: That was so much fun.

Leeli: And as a bonus you guys met the Sea Dragons.

Lola: That was so cool.

Girl Jordan: It sure was awesome and Yurgen is an awesome dragon.

Varie: He sure is.

Me: But the best part is we found out that Kurumu is pregnant.

Kurumu: We sure did.

Nico: What are we going to do with those ships that were sunk?

Me: I have the satellites using tractor beams to pull them out of the water so that we can salvage and fix them up.

Nico: Nice thinking there.

Camie: Yep.

Maria: I lost track of how many we sung.

Me: Me too but it was still fun regardless.

Moka: It sure was.

Tsuyu: I loved all the songs we sang.

Sirius: Those were fun.

Nicole: But this is so fun guys. I'm watching Ginei like a hawk.

Eli: Good. Make sure he doesn't try anything or else.

May: I'm just glad Josie's okay.

Lincoln: Same here May.

Qin: We all are glad that she and her friends are okay.

Me: Yep. Me too.

Camie: No kidding. How is Yumi Orophelia doing?

Me: Still really sick. I went to her room to pick up her trash for garbage collection and she already used up 40 boxes of tissues.

Nico: Boy poor girl!

Vypra: Common Cold's cold was bad but hers is worse.

Nico: Yeah no kidding there.

Luan: I agree there.

Me: Yeah.

Shizuka Nekonome: Oh guys I have something you might be interested in.

She gave me a newpaper and it showed a mysterious gargoyle and it busted an insane man trying to prove the existence of everyone in Yokai Academy.

Me: (Reading) "Mysterious Gargoyle girl Busts Insane Nutcase in Yokai Academy. Students and staff are baffled as to how this man made it into the school." Whoa!

Nico: That's interesting.

Me: And very historically and accurately well replicated. For centuries people all over the world believed that Gargoyles were the protectors of churches, castles, mosques and synagogues. And the most famous example is Notre Dame Cathedral in France.

Joan of Arc: That's right. It's awesome that there is one here.

Lola: Yeah.

I looked at who the gargoyle was and she had red hair and had the same clothing as Demona's.

Me: Hmm.

Nico: That's Rose Evans! What's she doing here?

Me: Good question.

?: I remember seeing her.

We saw a girl with black hair and had green eyes and had black clothes and had a feather in her hair.

Me: You saw her too miss uhh?

Aiyana Siksika: Oh sorry I'm Aiyana Siksika.

Me: That's an Algonquian Native American name.

Aiyana Siksika: It sure is. Also I'm new here at Yokai Academy. I am a Wendigo.

Me: The Malevolent Werewolf spirit of Algonquian Folklore!

Brittney: Wow! I've read about that!

Camie: What's a Wendigo?

Me: It's a scary malevolent spirit that's got the body of a werewolf and has a head like that of the skull of an elk.

Aiyana Siksika: That's right.

Camie: What does it look like?

Brittney: Like this.

She showed a picture of one in her books.

Camie: Whoa that is horrifying!

Nico: Yeah!

Me: Awesome to meet you though Aiyana.

Aiyana Siksika: Same to you guys.

Nico: We're having a baby shower

Aiyana: I can see that. Congratulations to Kurumu. I heard all about what happened with that rebellion chip in Lincoln and how Kurumu noticed it.

Kurumu: It's true.

Me: News sure spread like wildfire didn't it.

Aiyana: It sure did.

Nico: Yeah.

I was in deep thought.

Me: (In my head) Mmm. I wonder.

I went over to Ms. Nekonome.

Me: Ms. Nekonome by any chance did Chase Young ever attend here in Yokai Academy?

Shizuka Nekonome: Now that you mention it. Yes! He did!

WE GASPED!

Me: So that's it! He poisoned this entire place with his evil. (GROWLS) Damn that Chase Young!

Nico: So that's how he caused Kuyo and many students to go bad here! They were poisoned with his evil!

Leeli: Wow! Now it's really good that the song I used purified this whole land.

Me: It sure did and now this whole place is cleansed completely of his evil.

Qin: That heartless monster.

Me: Now I'm really glad we gave his dark side the Black Gates.

Qin: Same here. All the atrocities he did over the eons make him worse than the worst monster ever to terrorize the planet.

Lola: Yeah no kidding.

Me: No kidding. I'm glad we killed him.

Nico: Same here.

Sebastian Mendez: I'm glad he is gone too. At least we freed him of his evil and dark side and destroyed those.

Lola: Yeah no kidding.

Nico: How do you feel, Kurumu?

Kurumu: Heavy but doing great.

Lola: Just looking out for you.

Nico: Yeah.

Kurumu: Thanks guys.

Xenia: But it's great we're having the baby shower in Yokai Academy.

Kurumu: It sure is and the best part that we're having this awesome party with my awesome friends.

Me: Aww.

Aiyana: We are glad too.

Nico: Yeah.

Eli: This is so fun. (Senses Something) Uh oh! Guys we have trouble. I sense that we have Twisted Rapunzel here!

We gasped!

Allie Knudson: One of the Twilight Princesses!? Not good.

Camie: What is this one's story.

Helena Nicos Knudson: It's not good.

She told us what happened.

---

When Rapunzel wanted to heal Flynn from his wound, Gothel secrectly pulled out her dagger again to kill him permanently. But Flynn could not bear seeing Rapunzel being a prisoner for the rest of her life so he picked a sharp glass piece and stabbed Rapunzel. Gothel shocked! Rapunzel fell down by Flynn and her golden hair turned to brown. Gothel's youth ended and became a pile of dust. BUt then a heartless Rapunzel awakened with black eyes. She saw Pascal, wrapped her around him and he became a zombie-like thing for her. The same thing happened to Maximus. Everything around her dies, the forest become haunted because of her. Rapunzel buried her dead love and went to hunt the Stabbington Brothers, who were the only ones left who knew of Rapunzel!

---

We gasped!

Me: Oh man!

Nico: Damn that Gothel! She turned this version of Rapunzel into a monster!

Helena Nicos Knudson: Yeah and this one vowed that if she can't have a life then no one will either.

We gasped again!

Me: That is horrible!

Lincoln: This is going to be so awesome, not only are we going to take down Twisted Rapunzel once more, but I sensed it. Starlight, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, and Rainbow Dash, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Starlight Glimmer: That's true, I felt it for myself, Linky. Plus, we're also going to cure her.

Lincoln: Yeah. Mother Gothel was the one responsible for why she's like this.

Nico: Yeah, that witch did this to Rapunzel, so we have to restore her humanity after we defeat her.

Me: Now I'm really glad we gave that monster Gothel the Black Gates forever.

Nico: Same here.

Me: But, it won't be easy, her desire for revenge has made her unreasonable and desiring only to kill any who get in her way.

Lincoln: Yeah. (Senses for Twisted Rapunzel) Aha, caught you! She's 200 clicks north of our location, but heads up, gang, Flip's sent more of his musclebound thugs at us again!

Anna Anyanova: FLIP, I'M GONNA BEAT YOUR JUMBLED-UP MUTANT ORGANS OUT OF YOU!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, strength, and souls, and he sent them to The Black Gates. Then, we set our sights on the twisted princess herself.

Nico: All right lets go.

Lola: Hold on Rapunzel.

We went to find her.

Me: Geez how many musclebound thugs did that mutant cheapskate hire to try and kill us?

Nico: Too many. Flip just keeps adding more and more and more to his punishments.

Qin: Yeah.

Nico: There she is!

We saw TWISTED RAPUNZEL!

Me: Lets go.

We went at her.

Twisted Rapunzel: (GROWLS) I will destroy everything in existence, no one deserves to live ever!

?: That's where you're wrong.

Suddenly, the spirits of the angels of Heaven appeared out of nowhere as they flew around the place and they fire blasts of elements and energy at Twisted Rapunzel and she was hit badly. Then, the angel spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when she saw us, she was enraged.

Twisted Rapunzel: DIE!

Twisted Rapunzel tried to use her brown hair on us, but Starlight Glimmer and Lincoln fired blasts of indigo energy with bones and undead energy which hit her and forced her back.

Starlight Glimmer: Of course, because of what's about to happen, Flynn not bearing to see Rapunzel being a prisoner for the rest of her life, picked a sharp glass piece and he stabbed Rapunzel, and her golden hair turned brown, and because of it, Gothel's youth ended and became a pile of dust. But, a heartless Rapunzel awakened with black eyes. She saw Pascal, wrapped her hair around him and he became a zombie, the same thing happened to Maximus.

Lincoln: Because of it, everything around her begins to die, Gothel, you really are a monster.

Me: A Heartless Spawn of Satan.

Starlight Glimmer: That's right, but we still got to save Twisted Rapunzel and free her from this fate.

Me: Yep.

I went up to her.

Me: My god. Rapunzel I can't believe that Gothel would do this to you!

Lola: I HATE THAT MONSTER! She called me ugly and I burned her all over!

Me: Rapunzel listen. Just hear us out and lets talk about this.

Twisted Rapunzel: There's nothing to talk about! Gothel did this to me!

Me: And she paid for it with her life at the cost of both yours and Eugene. I'm… I'm sorry Rapunzel.

Twisted Rapunzel: If you're sorry about it then you can die like the rest! I want you to kill this planet and take everyone with it!

Me: We will never do that Rapunzel!

Nico: That is madness!

Lola: Yeah Rapunzel! Don't you remember what happened when you went to Corona and you danced with everyone there at the festival? You had an awesome and fun time with everyone for the first time in your life and you saw all kinds of beautiful nature and plants too.

Twilight Sparkle: And the fun you had with all of those that braided your hair and made it beautiful and how you had the happiest time of your life?

Twisted Rapunzel: All those were fun and I missed those.

Me: Then stop this madness Rapunzel. This is not who you are. Gothel did this to you and she made you into this monster filled only with hatred and revenge. You are not this person.

Lola: I agree. (Singing Healing Incantation)

Flower, gleam and glow

Let your powers shine

Make the clock reverse

Bring back what once was mine

Heal what has been hurt

Change the fates' design

Save what has been lost

Bring back what once was mine

What once was mine

Her hair started to glow and it was faint but there was still life in her.

Nico: See Rapunzel? Gothel hadn't erased everything from you completely. She made you into this by killing Eugene. Let us help you.

Twisted Rapunzel: I'M A MONSTER!

Me: Because Gothel made you this way! Let us help you and free you from this very monster that you became!

Twisted Rapunzel was crying.

Twisted Rapunzel: HELP ME!

Suddenly, Starlight Glimmer's light purple eyes turned neon light purple, and she's surrounded by a purple and cyan blue energy aura with stars, nebulae, magic, bones, skulls, and Alicorns, as she unholstered her massive Starlight Glimmer's Undead Empathy Nebula Star Greatsword of Magical Undead Empathy and Starlight Undead Magic Empathy from her back, and as she approached Twisted Rapunzel, she left purple and cyan blue energy, stars, nebulae, magic, bones, skulls, and Alicorns with every step.

Me: That's right!

Nico: I'm surprised you're not demanding us to go back in time and stop Gothel with the Black Gates before she causes this.

Twisted Rapunzel: WHAT'S THE FUCKING POINT?! You won't do it anyway! And even if you did, I know something worse would happen instead. Like Cheese inventing Facebook!

Me: Okay that is a little too crazy.

Zocks: Not sure if that's a bad thing

Nico: Yeah.

Me: Cheese you wouldn't make Facebook would you?

Cheese drooled.

Me: That is a big time nope. Rapunzel believe me as much as we want to destroy all evil that way we can't. Because it would be too easy! The battle with good and evil is and always will be a constant and eternal struggle! Taking the easy way out is being a coward and we can't and ever will do that!

Nico: That's right! No way are we going to take the cowards way.

Starlight Glimmer: That's right. Lets go!

Starlight Glimmer and Lincoln made two purple and cyan blue energy balls with bones, skulls, stars, nebulae, magic, and Alicorns surrounding them.

Starlight Glimmer and Lincoln: UNDEAD EMPATHY HUMANITY RESTORATION!

Starlight Glimmer and Lincoln fire the two purple and cyan blue energy balls with bones, skulls, stars, nebulae, magic, and Alicorns surrounding them and they hit Twisted Rapunzel, and they started to restore Twisted Rapunzel's brown hair to golden sunlight yellow, her skin was restored to its normal color, and the light and life was restored in her eyes: she was restored to normal.

Nico: YEAH!

Qin: That was awesome!

Me: Wait look!

We saw a dark figure appear and it was GOTHEL!

Me: Gothel! So her evil essence was in her. Not for long!

I fired a wave of black energy and it banished her to the Black Gates forever.

Me: That did it!

I went over to Twisted Rapunzel and she saw me and then she hugged me and cried hard into my chest. She was wailing and crying and screaming in extreme sadness.

We all cheered wildly for what Starlight Glimmer and Lincoln did as they holstered their massive greatswords and powered down, and Starlight Glimmer's new body, clothes, weapons, jewelry, Third Eye, longer purple and cyan blue streak tail, and massive purple angel wings are permanent.

Suddenly, Starlight Glimmer felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Starlight Glimmer?

Starlight Glimmer: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln defeated Twisted Rapunzel.

Nico: And that combo you guys used on her literally restored her humanity and restored her to normal, that was so awesome.

Starlight Glimmer: She may have had the powers of death on her side, but we had the powers of the undead on our side, and I found out that I can also restore the dead back to life.

Lincoln: Your powers have evolved by a really wide margin, wait til the Undead Skylanders hear about this.

Suddenly, Starlight Glimmer turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Starlight Glimmer's face, they kissed passionately as Starlight Glimmer moved her hands and placed them on Lincoln's massive pecs, and behind them was a

Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with skeletons rising from their graves around them and we cheered wildly. Lincoln and Starlight Glimmer absorbed the elemental forces and they came back to us as the display vanished.

Nico: If we have any cases of those rising from the dead in search of revenge, we'll need you and Lincoln for this one, Starlight, along with the Undead Skylanders and Undead Skylander Gene-Slammers.

Lincoln: Whoa!

Starlight Glimmer: This should be interesting.

I was comforting her.

Rapunzel: Don't look at me! I'm a fucking monster!

Me: Rapunzel you are NOT a monster!

I had her look at me.

Me: Look at me. You are not and never will be a monster. You are just a lost girl and a princess and you were lied to for so long.

Rapunzel: But I…

Me: Rapunzel listen. Eugene would not want you to feel sorry for yourself like this. You are a kind and loving girl and you love all nature and life.

I formed the Sun Flower in my hand.

Me: Just like the power of the sun in the form of a flower, you can give new life to everyone you love. Because unlike Gothel, you have one thing that you have that she never will.

Rapunzel: And what's that?

Me: A Heart of Golden Love and the Sun.

Rapunzel: Really?

Me: Yeah.

Nico: You're right, Rapunzel. If we went back in time and killed Gothel with the Black Gates before she did all this, something worse WOULD happen. It wouldn't be Cheese inventing Facebook. It would be more like Hitler becoming President.

Cheese: Cheesebook!

We laughed!

Me: (LAUGHS) Cheesebook. That's funny.

Qin: (Laughs) Yeah.

Me: Yeah. But you're right Rapunzel and like what happened during the 20 Days of Darkness, we saw what would have happened. HIM would take over on a grand scale.

Rapunzel: What about Pascal?

Pascal hopped onto Rapunzel.

Me: I got this.

I channelled life energy into him and restored him.

Me: There.

He was full of life again.

Pascal was glad Rapunzel was back and so was Maximus and the forest that Rapunzel destroyed.

Lola: Glad you all are back to normal.

Rapunzel: But Eugene's still dead!

Me: (SNAPS FINGERS)

Then light shined down from the heavens and the divine singing of angels was heard and then out of the light came Eugene.

Me: Not anymore.

Eugene: Rapunzel?

Rapunzel: (GASP) Eugene?

Me: He still has a thing for brunettes.

Eugene: I sure do.

Rapunzel: EUGENE!

They went and hugged him.

Nico: Now, everyone's happy.

Cheese: Cheesebook!

We laughed more.

Me: Funny. Now for business.

Eli: Yep. And we have Battling Another Ludo, Crocodile Monster, Porcupine Monster, Big Chicken, Buff Frog, Spikeballs, Giraffe Monster, Pooperman and Toiletnator.

Nico: Whoa!

Me: All monsters that Star and Marco faced.

Nico: Yep.

Maria: We'll call in Camellia Zorenstein, Fira Camppenstein, Varya Leniyakova, Luna Ingramsson, Kara, Whitney Farrington and Layla.

Me: That's funny. Spikeballs doesn't have an archenemy for him yet.

Nico called in said members.

Kara: Hey, guys!

Carolyn Grey Hawk: I'll help too. I would like Spikeballs as my archenemy.

Kara: Awesome!

Xenia: Cool! Runerigus VS Spike Balls.

Me: Good matchup.

Nico: It sure is.

?: I'll help too.

A figure came and it was ROSE EVANS!

Nico: Rose Evans?

Rose Evans: Nico! Wow awesome to see you again.

Nico: Same here.

Me: Sevarious did this to you I'll bet.

Rose Evans: That monster backstabbed me and turned me into a Gargoyle.

Juran: So, you're a scientist?

Rose Evans: I sure am and he slammed me and turned me into a Gargoyle.

Qin: What a monster.

Me: No kidding.

Goliath: You do have amazing skills as a gargoyle.

Rose Evans: I agree there.

Me: Lets give you the power to change at will.

Rose Evans: I would like that.

Nico: It's gonna hurt

Me: It's going to be excruciatingly painful.

Rose Evans: I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain as she reverted back and she had her wings and tail vanish and her feet and hands revert back.

Rose Evans was back to normal and she got up and was shaking.

Rose Evans: (Groans) That really hurt bad.

Me: Sorry about that but we did say it would hurt.

Rose got up and she saw what she was wearing.

She blushed in embarrassment.

Rose Evans: Oh sorry. I've had these ever since. My old clothes ripped.

Ginei: I think it looks sexy when you are…

KRABLAM!

Nicole punched him square in the face and then…

DING!

Mizore kicked him square in the crotch!

Me: (WINCES) OUCH!

Lola: Nice one!

Nicole: Thanks Mizore.

Mizore: You're welcome.

Rarity: Don't worry darling we can fix this.

The Fashion brigade moved in and gave rose the same clothes that Dahlia Carter got and she looked awesome.

Rose Evans: Awesome! I look great!

Rarity: You most certainly do Rose.

Qin: I'll say.

Nico: Now for the Anothers.

Eli: The Anothers minus Toiletnator are all one person.

Me: I have a feeling this will be interesting.

Maria: I see them!

Me: Yep.

Then out came Another Ludo, Crocodile Monster, Porcupine Monster, Big Chicken, Buff Frog, Spikeballs, Giraffe Monster and Pooperman!

Me: WHOA!

Qin: This is gonna be awesome.

Yumi Yoshimura: I'm ready for this guys!

Me: YEAH!

Fira Camppenstein: This is gonna be awesome.

Another Ludo: (In a girls voice) And it will be a good one!

Me: (GASP) That voice!

They merged and reverted back and it was a girl with black hair and red eyes and she had black angel wings and had black clothes and had the symbol of the Evil HERO Monsters on her forehead and on her arm and she had a fire sword.

Me: (GASP) Eve Evarra!

Nico: WHOA! And if I had to guess she is the gene-slammer of the Evil HERO monsters.

Me: Yep.

Eve Evarra: Awesome to see you again J.D.

Me: Same here Eve. Eve and I went to school together and she has amazing power over all the Evil HERO Monsters.

Evil HERO Nemesis: It's an honor to meet the gene-slammer of us.

Eve Evarra: Same here.

Me: Yep. By way is the Another Toiletnator friendly or hostile?

Eve Evarra: Friendly but you may want to plug your noses because she reeks.

Nico: Noted.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Me: This is gonna be awesome.

Fira Camppenstein: Yep. Lets get them.

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Bingo.

Nico: Now, we wait.

But then we smelled something really HORRIBLE!

Me: (Sniffs) (SEAL BARK) OH GOOD GOD!

Qin: What is that horrible odor!?

Lola: LANA is that you!?

Lana: No but I like this smell!

Nico: Cheese, did you poot again?!

Me: No this smells worse!

Eli: It's from that guy!

We saw ANOTHER TOILETNATOR!

Me: Another Toiletnator!

Camie: Oh boy.

Another Toiletnator: (In a girls voice) I know and I smell bad.

She reverted back and it was a girl with red hair and she had red eyes and had really shabby tattered clothes and she smelled REALLY HORRIBLE like she was out on the streets for years.

Me: (GASP) Shelly Patterson!?

Nico: Wait you mean the long lost rightful heiress to a vast multi-billion dollar fortune that was ousted by her wicked stepmother!?

Me: That's her and she was forced out onto the streets and into a sewer and she stinks really bad.

Shelly broke down crying.

Shelly Patterson: (CRYING) And I HATE THAT WOMAN! SHE KILLED MY FATHER!

We gasped!

Nico: Say what?!

Me: Her evil stepmother killed her father because she wanted all that money all for herself. And she threw her out of the house and into the sewers and left her there to die.

Applejack: WHY THAT LOW DOWN GREEDY SNAKE IN THE GRASS!

Qin: I oughta go over there and kill that greedy golddigger bitch!

Lola: That monster!

Xenia: I'm going to kill that bitch for this!

Sheila: I'll have the police launch an investigation!

Kaito: (gets out Build gear) Did Swartz promise you anything?

Zocks: (Gets out Ex Aid gear) Because we can grant it instead.

Kaito got a Build sword and Zocks got an Ex-Aid sword.

Me: I think it's obvious what it is. To bring your evil stepmother to justice.

Shelley Patterson: That's right.

Me: We'll gladly do that. After we're done here we'll get you some new clothes.

Nico: And a bath.

Shelley Patterson: Thanks guys.

Me: On second thought…

I fired a wave of light and separated her from the Another.

May: Lets get her to the estate and clean her up.

Maria: You got it.

Leni: Me and Teresa will do that.

Teresa: Lets go.

They went and got her and teleported to the estate.

Sougo: (Gets out Build Ridewatch) So, this is another Cinderella situation, huh?

(Right-hand Ridewatch's announcement)! Armor Time! (Electronic rock music) Best Match! Build!

Geiz: (gets out Brave Ridewatch) Correct Sougo if he's wrong.

(Right-hand Ridewatch's announcement)! Armor Time! (Fantasy Gamer Level 2 transformation music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor.

Me: Nope he is right. Now it's time for justice to bring down Shelley's wicked stepmother.

Nico: Time for you to get flushed! (ACTIVATES TOILETNATOR AND POOPERMAN'S RIDEWATCH)

He fired waves of toilet paper and farts and blasted him down.

Eli: And here is this! (ACTIVATES PARASITE QUEEN AND GOLEM'S RIDEWATCHES)

He fired waves of energy and blasted her down.

Me: And here is me. (ACTIVATES HOT WINGS AND EDO ROSHI'S RIDEWATCHES)

I fired waves of fire and burned him all over.

May: And here is me! (ACTIVATES GOBCHOMPLIN AND HABOKI'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: Time for some shit filled opera! (ACTIVATES THE GREAT MIGHTY POO'S RIDEWATCH) (SINGING DIVINELY) I AM THE GREAT MIGHTY POO AND I'M GOING TO THROW MY SHIT AT YOU!

She fired waves of shit and drenched him! YUCK!

Maria: Now this is a shit mouth! (ACTIVATES POTTY MOUTH'S RIDEWATCH) Go flush yourself down a shitfilled pee pee hole you toilet paper covered shithead!

Nico: Nice one!

Lucy Mann: And here is this! (ACTIVATES POOPERMAN'S RIDEWATCH)

She fired forearm hair spines and stabbed Another Toiletnator all over with them.

Me: Take that!

Nico: YEAH!

Me: How did you like that shitfest!

Then Beast Man, Zeru, Victor, Sailback Sharptooth, Universe 666 Syn Shenron and Evil Bunny came.

Nico: Nice team Beast Man!

Beast Man: Thanks Nico.

Me: Yeah and Bunny great job pulverizing the living shit out of Undermaster Akhil long enough for us to wait till Halinor's big day.

Evil Bunny: (Demonic Voice) That was really fun doing all that.

Me: It sure was.

Beast Man: (laughs) That was so funny!

Nico: Yeah!

Me: That was fun.

But then…

SPLAT!

Frosting splatted me right in my face!

Nico: What the!?

Me: (Slurps) Yummy! Strawberry flavor. Okay who is the wiseass!?

Then out came an Alcreme!

Me: Hey an Alcreme.

Nico: Nice!

Qin: Cool!

Alcreme: (In a girls voice) Sorry about that.

Nico: Celenia Strawberria! Wow!

She reverted back and was a girl with pink hair and pink clothes and had blue angel wings.

Celenia Strawberria: Awesome to see you again Nico. I've got this.

She fired waves of energy and blasted Another Toiletnator and I caught the Ridewatch and purified it.

Me: That did it!

Lucy Mann: That was fun!

Celenia Strawberria: It sure was!

Lucy Mann: What's your favorite memory of Nico?

Celenia Strawberria: When me and Nico saw a queen bee girl that was heckling everyone and we made her a really disgusting flavor of ice cream. It was called Rotten Egg Eel Surprise.

Me: YUCK!

Eli: That is disgusting!

Celenia Strawberria: Believe me it was worse tasting than it sounded. Or was that the other way around? She ate it and she literally got so sick and hurled her guts out and flooded the cafeteria. Also she revealed every crime she did and she was expelled and sent to a boarding school in Russia.

Me: Good riddance.

Qin: That was so funny.

Nico: Yeah.

Nico and Celenia hugged.

Nico: I've missed you.

Celenia Strawberria: Same here Nico. Same here.

We later went back home and Teresa and Leni were scrubbing Shelley Patterson all over.

They got her awesome new pink and yellow clothes and gave her a lot of food.

We got word that the town's being haunted by terrifying phantoms and beasts from The Underworld, but we're going to take down those terrifying phantoms and beasts from The Underworld, along with the very mastermind behind this: a black magic-using demonic warlock named Damian Balthazar, and he's someone from Lincoln's past, he terrorized Royal Woods for years by summoning terrifying phantoms and beasts from The Underworld, but he was defeated by Lincoln and his Guardian Angels and they had him banished to The Underworld for good, but he swore revenge on them. Now, seven years later, Damian Balthazar has returned and he wants revenge, but we're going to kill him and send him to The Black Gates forever.

Lincoln: Ah, we're here in Brighton, Michigan, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got huge trouble here.

Molly McGee: Scratch told me the town's being attacked by terrifying phantoms and beasts from The Underworld.

We gasped.

Me: Whoa!

Lincoln: Yep, but we're going to take down the terrifying phantoms and beasts from The Underworld. (Realizes something) Wait a minute, terrifying phantoms and beasts from The Underworld?! Oh no, not that piece of crap again! Selene, everyone, he's back!

Lincoln's Guardian Angels gasped.

Anna Anyanova: Him, as in Damian Balthazar, he's back?! Oh man, not that piece of shit! I thought we got rid of that piece of crap!

Me: WHAT?! Damian's back!?

Nico: You know him?

Girl Jordan: I wish we hadn't. Damian Balthazar is a black magic-using demonic warlock named, and he's someone from Lincoln's past, he terrorized Royal Woods for years by summoning many terrifying phantoms and beasts from The Underworld, but he was defeated by Lincoln and his Guardian Angels and they had him banished to The Underworld for good, but he swore revenge on them.

Lincoln: And now, seven years later, Damian Balthazar has returned and he wants revenge, but we're going to kill him and send him to The Black Gates forever. First, let's take care of his monsters and the malevolent phantoms.

We immediately got to work by capturing the malevolent phantoms and we sent them to The Ghost Zone Prison and we'd destroyed the beasts of The Underworld and sent them back to Hell for good.

Suddenly, we saw a beautiful and super sexy girl with long light brown hair and flower beret, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a pink coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and emerald gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Gwenhwyfar, Queen of Noble Arms, in her right hand is The Sword of Hope, and with her are the four girls.

Light Brown-Haired Girl: I hope I'm not too late, but I got the girls away from that demonic Satanic moron, he was planning on sacrificing them for Satan.

Lincoln: No, you're not, Gwendolyn Guinevere, you're just in time, and nice job getting them away from that asshole.

?: LINCOLN LOUD, GUARDIAN ANGELS, I WILL KILL YOU ALL IN THE NAME OF SATAN!

We then saw our target, a black-haired male with red eyes of hatred and insanity and he was dressed in black Satanic robes, it was Damian Balthazar.

Sylvester: If there's one type of sore loser I can't stand, it's one who has demonic powers, those are the worst.

Then, Lincoln drove his massive greatsword into Damian Balthazar's stomach and he began sucking out all of his umbrakinesis, dark powers, and black magic and made it his own. Then, when Lincoln removed his massive greatsword from Damian Balthazar's stomach, he was suddenly exposed to the sunlight and he burned to ashes and all that was left were his clothing, and then, Lincoln banished his spirit to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's one less Satanic-worshipping asshole we have to worry about and another enemy from my past gone for good. (To Gwendolyn Guinevere) And it's so good to see you again, Gwendolyn Guinevere.

Gwendolyn Guinevere: You too, Linky, it's been a long time.

Lincoln went up to Gwendolyn Guinevere and he hugged her, and Gwendolyn Guinevere is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Gwendolyn Guinevere: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Gwendolyn Guinevere, Gene-Slammer of Gwenhwyfar, Queen of Noble Arms, she's my Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Gwendolyn Guinevere is also a direct descendant of Guinevere of Camelot, early-medieval queen of Great Britain and the wife of King Arthur.

Me: I knew it.

Melanie Artorgius: Yep, and Lincoln made her a pink coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Gwendolyn Guinevere hates that mutant, Flip, with a very blazing passion. One day, Gwendolyn Guinevere and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Flip, and he'd brought with him an army of thugs he hired. Gwendolyn Guinevere and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat smelly hairy moron into a blood-crazed fury, but before he could get after us, Lincoln and Gwendolyn

Guinevere fired chains of light magic which bound that moron and tied him up. Lincoln called his family and his sisters and told them what happened, and needless to say, everyone wanted his head on a pike! But, Lincoln wasn't surprised, that fat mutant tried to kill him many times in the past, but in the end, his plan failed, and Flip got sent back to prison, and to make sure that he didn't try to get revenge, Gwendolyn and Lincoln casted a spell to prevent that mutant from coming back because messing with the descendant of Guinevere of The Knights of The Round Table and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: What a moron.

Lincoln: He really didn't know when to quit, and just kept coming back for more. He was such a total glutton for punishment, it wasn't even funny, all of Royal Woods were really getting tired of him and his scams and they prayed that one day, he would be outed and made into a total outcast and pariah.

Me: And that day came when you and I spilled the truth about his business, and they became really disgusted and that caused his downfall.

Lincoln: And we can also thank the additional help of my Guardian Angels gathering tons of evidence on his numerous crimes and that made him the most hated person in the entire Michigan area and the world. And now that you're here, Gwendolyn.

Lincoln went up to and hugged Gwendolyn Guinevere in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Gwendolyn Guinevere: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Gwendolyn Guinevere's neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Gwendolyn Guinevere: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gwendolyn Guinevere.

Gwendolyn Guinevere had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Naho Hijiri, Kanade Kagemiro, Nono Serizawa, and Aika Kenjouin from Koitama.

Lincoln: Oh wow, it's Naho Hijiri, Kanade Kagemiro, Nono Serizawa, and Aika Kenjouin from Koitama.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Naho Hijiri: Yes, we're okay, thanks to you.

Then, when Naho Hijiri and the other three girls saw who it was that saved them from Damian Balthazar, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Naho Hijiri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Naho Hijiri: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Naho Hijiri, Kanade Kagemiro, Nono Serizawa, and Aika Kenjouin with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was a black magic-using evil demonic warlock named Damian Balthazar, another villain from Lincoln's past, and seven years ago, he terrorized Royal Woods by summoning terrifying phantoms and beasts from The Underworld, but he was defeated by Lincoln and his Guardian Angels and they had him banished to The Underworld for good, but he swore revenge on them, and seven years later, Damian Balthazar had returned for revenge.

But, when Lincoln showed what we did in destroying his army of beasts from The Underworld and sending the terrifying phantoms to The Ghost Zone Prison and us beating down that warlock and Lincoln driving his massive greatsword into his stomach and sucking out his umbrakinesis, dark powers, and black magic and making them his own and him getting destroyed by the sunlight and Lincoln sending him to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Gwendolyn Guinevere have a lot of catching up to do now that she's back in town.

Maria: I can't believe it, so the person responsible for all that supernatural chaos in Brighton.

Molly McGee: Was another enemy from Lincoln's past.

Lincoln: I didn't expect it to be that Satanic-worshipping monster, Damian Balthazar. I thought we were rid of him when we banished him to The Underworld.

Nico: It only made him that pissed off and he really wanted revenge, but you brought an end to that asshole for good.

Me: And saw to it he'd never rise again.

Selene Arcangela: That's right. Damian Balthazar caused us enough trouble for the last time, and now, the consequences of his misdeeds have finally cost him his life.

Lincoln: And we never have to see that piece of crap again.

---

After putting an end to Damian Balthazar and sending him straight to The Black Gates for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gwendolyn Guinevere saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Gwendolyn Guinevere: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gwendolyn, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Gwendolyn Guinevere: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Gwendolyn Guinevere: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Gwendolyn, what memories did you have with Lincoln?

Gwendolyn Guinevere: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of an unwashed pig in the air, and we saw who it was coming after us: it was Flip, and he had a massive army of thugs with her and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Flip, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Flip once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Flip, and they brutally beat his three-cheeked ass into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Flip after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set Flip off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that mutant always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: That fucking mutant, I so want to give him The Black Gates and be done with him! But, it's best that we have him being used as humiliation fodder for eternity.

Nico: Either way, Flip's no longer going to cause trouble with his scams. But, his musclebound thugs along with the musclebound thugs of the other jerks who are still out to kill us, well, we'll leave that to Lincoln.

Selene Emperyous: Yep, leave that to our resident powerhouse angel, he'll grab them and suck out their muscle mass, virility, and strength and leave them as skinny rakes and weaker than a tree branch.

We got a shower, and then, Lincoln, Ruby, Liza (Hoenn), and Ryme are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ruby, Liza (Hoenn), and Ryme are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ruby, Liza (Hoenn), and Ryme had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made her go insane with anger, until Lincoln fired energy blasts at that bitch and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that bitch has sent more muscle-bound thugs to kill them.

Ruby: Ah, so this is Everbay Coast, indeed it truly is beautiful.

Lincoln: It sure is, Ruby, and it's perfect for our first date. Shall we?

Lincoln, Ruby, Liza (Hoenn), and Ryme dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Ruby, Liza (Hoenn), and Ryme got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Icky Vicky coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ruby, Liza (Hoenn), and Ryme and they hugged them in their abnormally massive and powerful muscular arms, and Ruby, Liza (Hoenn), and Ryme placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at

Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ruby, Liza (Hoenn), and Ryme with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Ruby, Liza (Hoenn), and Ryme are in your harem.

Jenna: Icky Vicky had some nerve trying to kill them, that bitch is just making things much worse for herself.

Serena Logan: I always knew that child-despising, destructive, pure evil bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Ruby, Liza (Hoenn), and Ryme, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, the bitch has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you bubble-butt bitch!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU PSYCHOPATHIC FIRE-BREATHING BITCH!

Suddenly, the Beads of Subjugation on Icky Vicky's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

---

We were in the simulator for another awesome Super Mario Galaxy adventure.

Nico: Next is Sling Pod Galaxy!

Nicole: Awesome!

Carol: Me and Sunset Shimmer will go with on this one.

Sunset Shimmer: Sweet! This will be fun.

Nico: Yep.

They went into the simulator and Nicole activated it and they were at SLING POD GALAXY!

Nico: Here we are!

Carol: Whoa this one is tricky.

Sunset Shimmer: It sure is.

Nico: Yep. This is gonna be a very tricky one.

Carol: Oh boy.

Nico: But all in all it will be a relatively simple one. Just get the star at the end.

Carol: Any helpful info here, Nicole?

Nicole: (On the radio) Just got to get to the star at the end but avoid all the obstacles. One hit and you will fall into that black hole.

Nico: Oh boy.

Sunset Shimmer: Oh boy. This is gonna be a tough one.

?: It sure will.

They saw a Pincurchin!

Nico: Cool a Pincurchin.

Pincurchin: (In a girls voice) Awesome to see you again Nico.

Nico: Cathy Tesla!? Wow!

Pincurchin: Yep.

Carol: Don't revert back till after we get the star.

Pincurchin: Okay.

Sunset Shimmer: There are some Goombas up ahead!

Nico: Lets fly and get them.

They flew.

Carol: Take this!

She fired an atomic ray and blasted the Goombas all over.

Sunset Shimmer: And here is this!

She fired waves of fire and incinerated the Goombas into ash.

Nico: (gets out Toiletnator and Common Cold's Ridewatches) This is gonna be gross!

Nico activated them and fired blasts of snot and toilet paper and smashed the Goombas and Pincurchin blasted them with lightning.

Carol: Lets get the star!

Sunset Shimmer: You got it!

They went for the star and they got it!

YOU GOT A STAR!

Nico: YEAH!

Cathy reverted back and she was a girl with blue hair and yellow clothes and had lightning angel wings!

Cathy Tesla: That was awesome!

They high five.

Carol: What's your favorite memory of Nico?

Cathy Tesla: When me and Nico were in school and we saw a bunch of queen bee girls bashing the nerds all over with dodgeballs and I fired a blast of lightning and electrocuted them and the girls had their clothes burned off and then the Nerds who had a pervy side raped the Queen Bee girls.

Nico: That was funny.

Carol: (LAUGHS) Stupid Queen Bee girls.

Cathy Tesla: Yep.

Nico and Cathy hugged.

Nico: I've missed you.

Cathy Tesla: Same here.

They came back.

Later we were watching TV.

Mizore: Nice job!

Nico: Thanks.

Kurumu was really excited and she was eating Broccoli, Brussels Sprouts and Turnip Sundaes with chocolate sauce, caramel and onions. YUCK!

Eli: Boy I've heard of vegetarian sundaes but this is ridiculous.

Qin: Yeah.

We saw nothing happening on TV.

Yukari: Nothing's on.

Me: Yeah. That means all things are quiet.

But then…

KURUMU SCREAMED!

We saw water pour down her leg and THAT MEANT ONLY ONE THING!

G1 Breakdown: Her water broke!

Kurumu: IT'S TIME! YAY!

Me: Here we go! Lets get her to the hospital!

Nico: Right!

Me: Lets go! Lets go! Double Time! Lets Go!

We were off to the hospital.

We later arrived and Kurumu and Lincoln went to the Delivery Room.

May: I hope they're okay.

Me: They will be.

Kurumu was screaming.

Me: Oh boy.

Kurumu: LINCOLN THIS IS ALL YOUR FAULT! IF YOU GET ME PREGNANT AGAIN I WILL RIP OUT YOUR INTESTINES AND SHOVE THEM SO FAR DOWN NICO'S THROAT THAT YOU WILL PEE INSIDE HIM!

WE GASPED!

Me: Uh oh!

Nico gulped in fright.

Nico: Hey!

Lola: Geez!

?: She will not do that on my watch.

Then we saw a Falinks.

Me: Cool a Falinks!

Qin: Awesome.

Falinks: (In a girls voice) If she touches you Nico I will give her a black eye.

Nico: Tanya Irwin? Whoa!

She reverted back and it was a girl with yellow hair and red clothes.

Tanya Irwin: Awesome to see you again Nico.

Nico: Same here.

Maria: That's the labor pains talking

Nico: Yeah.

Tanya Irwin: Oh boy. I hate it when those happen. My little brother was traumatized hearing mom say those things to dad.

Nico: Oh boy.

Eddy: Brutal.

Qin: Yeah.

Mirage: What's your favorite memory of Nico?

Tanya Irwin: When me and Nico beat the living crap out of the Queen Bee Bully girl for everything she did and we ended doing the school a massive favor by getting her sent to prison.

Nico: Yep.

Qin: I remember that. So awesome.

Camie: Take that.

Nico and Tanya hugged.

Nico: I missed you.

Tanya Irwin: Same here Nico.

Nico: Is Kurumu done yet?

Then the doors opened and Lincoln and Kurumu came out.

She was in a wheelchair tired and exhausted and she had 2 baby girls. Both of them had Lincoln's eyes and Kurumu's blue hair.

Me: Oh Kurumu, Lincoln they are so adorable.

Kurumu: Yes they are. These are our twin girls. This one here in my right arm is Cyana and this one here in my left arm is Aquos.

Me: Those are adorable names.

Qin: And they are so cute.

Lincoln: They sure are.

Me: Yeah.

Laney: Congratulations to you two.

Mirage: What's your favorite memory of Nico?

Tanya Irwin: When me and Nico beat the living crap out of the Queen Bee Bully girl for everything she did and we ended doing the school a massive favor by getting her sent to prison.

Nico: Yep.

Qin: I remember that. So awesome.

Camie: Take that.

Nico and Tanya hugged.

Nico: I missed you.

Tanya Irwin: Same here Nico.

Private HIVE: Permission for me, Pete, Kalin, Control Freak, Cargill, Vexen, Ryugu Tamatebacco, Jack O Lantern, Pied Piper, and Pterodactyl Ghost to go with you guys?

Nico: Granted soldier.

Qin: This is gonna be fun and cool.

Lola: Yep.

Tso Lan: Nico, which Gene Slammers do you think you'll meet next?

Nico: Frosmoth and Stonjourner.

Me: Nice.

Lola: Yep.

Lincoln: Hmm, hey, I may have an idea for a mission for us. Why don't we go into the world of Bowser's Fury and take down Fury Bowser.

We gasped.

Nicole: Whoa, going after Fury Bowser, who really proved to be quite a tough challenge for Mario?! That's an awesome idea, Lincoln!

Bowser: And I may get a chance to go at that Fury version of myself.

Me: Now, that I'd pay big bucks to see!

Nico: Why pay big bucks to see it, we're going to participate in this fight against Fury Bowser.

Lincoln: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than our old enemy from one of Lincoln's rescues years ago, Paradox, the enemy of Yugi, Jaden, and Yusei, and he's returned from the dead and he still wants revenge on us for destroying him. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and it's not good. Yugi, Jaden, Yusei, you guys aren't going to like it one bit, especially you, Eleanor: the figure we sensed was none other than our old enemy from one of my rescues years ago, Paradox, and your old enemy, and he's returned from the dead and he still wants revenge on us for destroying him.

We gasped, especially Yugi, Jaden, Yusei, and Eleanor Pegasus.

Eleanor Pegasus: That extremist who tried to kill my father?! I'll kill him!

Yugi: We destroyed Paradox on one of Lincoln's rescues long ago, Eleanor. But, before we started to use The Black Gates, we used our Super Hakai on him and banished him to Oblivion.

Jaden: Looks like he's come back for more.

Miranda Connors: Then, let me and Lincoln face him, and this time, he's getting banished to The Black Gates forever.

Yusei: Wait, Miranda. You and Lincoln aren't doing this alone. Me, Jaden, and Yugi are also joining in on this as well.

Yugi: Yusei is right, it's also our fight too.

Lincoln: I was just about to ask you three to join in as well, and this time, we're ending Paradox once and for all.

Nico: That's the spirit. Alright, gang, let's go into the world of Bowser's Fury and take down Fury Bowser.

Lincoln: This is going to be one epic fight against Fury Bowser, and once we get done taking down Fury Bowser, you're next, Paradox, and this time, we'll make sure you never come back.

Miranda Connors: That's for sure. For what you tried to do in going back in time to kill Maximillian Pegasus to wipe out Duel Monsters forever, you don't deserve any forgiveness from any of us whatsoever! You deserve eternal damnation for your crimes, you fucked-up extremist!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the world of Bowser's Fury to battle Fury Bowser, and once we were done with Fury Bowser, Lincoln and Miranda Connors, along with Yugi, Jaden, and Yusei are going to take down and destroy Paradox, and this time, they'll see to it he never rises from the dead once more.

We were off.

We were flying through the world of Super Mario.

Pete: Where are we going for this?

Nico: To Lake Lapcat in Bowser's Fury. This is gonna be a brutal and awesome adventure.

Lola: Oh yeah!

Nico: This will be fun.

Qin: What can you tell us about this version of Bowser?

Nicole: You will not like it guys.

Nicole told us what happened.

---

In Super Mario 3D World: Bowser's Fury, Bowser Jr. paints Bowser black, causing him to go berserk, becoming the dark and massive Fury Bowser. Bowser Jr. summons Mario to Lake Lapcat to help him stop Bowser's fury and turn him back to normal. Bowser will awaken after some time has passed, unleashing flames and meteors to alter the landscape of Lake Lapcat. Bowser will eventually return to his slumber after some time or if a Cat Shine is collected, activating a lighthouse that drives him away. After collecting a certain number of Cat Shines, a Giga Bell can be awakened to transform Mario into Giga Cat Mario to stand a battle against Fury Bowser, defeating him by ground-pounding his belly.

Once Fury Bowser is defeated, he sinks into the black paint, some of which clear up and reveal a new portion of the map. Upon defeating Fury Bowser three times, the black paint is removed from Fury Bowser. However, he is still massive and furious, and takes all three Giga Bells within a large shield. Mario has to ride on Plessie to reach the shield and damage it. Once it is broken three times, Plessie absorbs the three Giga Bells and grows enormous, slamming on Fury Bowser, causing him to be launched into the air and burst into fireworks. Once he comes back down, Bowser is back to normal but still angry at Mario, although Bowser Jr. holds him

back.

Once all hundred Cat Shines are collected, Fury Bowser's appearance is altered to where his hair, spikes, and chest turn white.

---

When she was done we were shocked!

Qin: WHOA! This version of Bowser is brutal!

Me: And is 100 times more scarier.

Cozy Glow: How did he become that?!

Bowser Jr. It was because of me. I painted him black but I had no idea this is what would have happened to him!

Cargill: Why did you paint him?!

Bowser Jr.: I don't know! I don't know!

Lola: Oh boy.

Audrey Castellanos: But Fury Bowser is definitely someone perfect for me as my archenemy.

Lola: Cool!

Babs Seed: What's Cat World like?

Mario: (Italian Accent) It's-a really amazing.

He told us that it's a place full of everything cats and more.

Nico: Wow!

Lola: Cute!

Me: Yeah

Ryugu Tamatebacco: We're here!

We arrived at Lake Lapcat.

Me: Lake Lapcat.

Qin: Wow!

Camie: Beautiful.

Xenia: It sure is.

Strut: There are some cats.

Nico: I got an idea. (Puts on cat ears) Meow!

Me: Oh boy. Nico shouldn't have done that.

Especially because someone threatened to beat up Nico for that.

Pied Piper: Hi, cat people!

Eli: They are all cats.

Lola: Nice.

Qin: Yep.

Xenia: Anyone got any ideas to defeat Fury Bowser?

Eli: Super Mushroom might work?

RD Lynn: Let's not use it right away though.

Me: Nope. But one of us was going to ask about using it anyway.

Qin: Yeah.

Xenia: I agree.

Pterodactyl Ghost: I'll fly around and see if I can find Fury Bowser

Nicole: That's not needed. He's right there.

We saw a huge spinning spiked black turtle shell very slowly.

Nicole: That big shell is him.

Nico meowed.

RD Carol: He hasn't spotted us yet

Me: No he's laying dormant.

Lily: He's waiting for the right time.

Lola: Oh boy.

Qin: Yep.

Jack O Lantern: We've still got some time to relax before he wakes up.

Nico: Yep.

Lola: Yeah

Megamind: Anyone got a water bottle?

We showed our bottles.

Megamind: Awesom.

Lola: Never leave home without them.

Vexen: How much time do you think we have before Fury Bowser ends up waking up?

Nicole: When he is like this there's no telling what he can do.

Laney: What are the signs he will wake?

Nicole: His shell will spin faster and then it will rain.

As if on cue, it started to rain.

RD Lucy: We're doomed.

Nicole: It begins.

Then he spun around fast and the shell rose up and went into the sky and then in a flash of purple and black light FURY BOWSER AWOKE WITH A REALLY FEROCIOUS ROAR! And the sky really was dark with lightning striking all all over.

Control Freak: I better summon something to counter him!

Mevya: (shivers in fear) We're gonna die!

He summoned King Ghidorah from Godzilla for PS4!

Nico: That's perfect!

Qin: Yeah!

Viceroy: We need to hit him with our entrance!

Nico: Lets go!

We went at him!

FURY BOWSER ROARED FEROCIOUSLY!

Then the spirits of Mario came and swirled around him fast and then they converged and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

A massive fiery and powerful explosion blasted out and blasted him back and then a Phoenix Cry was heard and then we came out.

Me: Okay Fury Bowser! (GROWS TO HIS SIZE) Time for your fire to be extinguished!

Kalin: I have my own giant I can summon!

He summoned EARTHBOUND IMMORTAL CCAPAC APU!

Nico: YEAH!

I fired a powerful blast of energy and he fired a massive stream of intense fire and the blasts collided and then exploded and the explosion blasted him down and then Kalin and Ccapac Apu bashed him on his stomach and smashed him into the water!

Mario: I'll need that super mushroom!

I gave him one and he grew to Fury Bowser's size!

Me: YEAH!

He kicked Fury Bowser in his face and smashed him down and I jumped and smashed him on his stomach!

He roared at us.

Me: We're not scared of you!

I fired waves of energy and blasted him all over the place and blasted him down.

He got up and roared extremely ferociously!

Nico: He's just as strong as Giga Bowser!

Me: But a million times more angry.

He fired waves of fire and I fired waves of energy and the blasts all collided and exploded and then Nico fired an energy ball and then it hit Fury Bowser in his back and exploded!

Lincoln: This will help him!

Lincoln fired a wave of light and separated Bowser from Fury Bowser!

Bowser: (Groans) What happened!? I have the worst ever headache!

Nico: Don't look behind you.

Bowser: Why?

He saw Fury Bowser!

Nico: THAT'S Why!

I then fired a massive blast of energy and blasted Fury Bowser down!

Nico: Take that!

Then Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Stonedozer, Whirlin, Iceage, Magma, and 10,000 Volt Ghost came.

Nico: Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Stonedozer, Whirlin, Iceage, Magma, and 10,000 Volt Ghost.

Vypra: (to Nico) Today's just full of Mario worlds, huh?

Nico: You got that right.

Dai Gui: Reminds me of Calamity Ganon.

Aqueduct: He's just as tough!

Me: Yeah and 100,000 times more angrier.

Qin: Yep.

Evil Seed: We heard you went to Kurumu's baby shower.

Nico: We sure did.

Mirror Master: How was it?

Me: It was really fun and we battled Twisted Rapunzel and Starlight Glimmer saved her from herself.

Camie: Yep.

?: That is awesome!

2 figures came out. 1 was RIDER WORLD from the Kamen Rider Saber + Zenkaiger Senki movie and INVISIBLE WORLD from episode 17 of Zenkaigers!

## Rider World

A World who is unaffiliated with the Kikaitopia Dynasty Tojitendo, he is created by Asmodeus alongside the Sentai Megid in order to fulfill his master's plan of creating a story that consists of pitch black chaos. He would then fight against Zenkai Juran, Kamen Rider Saber, Deka Master, Shinken Green, Kiramai Blue, Ryu Commander, Washi Pink and Kamen Rider Zero-One when they were pulled into a twisted version of Nanso Satomi Hakkenden before he had retreated from the scene once his allies had been defeated by the heroes in question.

However, he would soon reunite with the Sentai Megid when the heroes who were pulled into both stories had reunited with each other before he proceeds to tell them about his master's goals. Alongside his master's army of minions and villains, Rider World would celebrate Asmodeus' seemingly imminent victory.

Touma had managed to convince Shotaro himself to continue his passion of writing out stories that feature the heroes that he wanted to draw which had brought all of the Kamen Riders and Super Sentai teams back to life.

During the final battle between the Kamen Riders and the Super Sentai teams against Asmodeus' forces, Rider World would be destroyed by both Kamen Rider Blades and Kamen Rider 1.

## Invisible World

The Invisible World was spotted by the World Pirates as Zocks shoots him from his hiding place. During the fight, Zocks tried to avoid the attack from the Invisible World, but kept on bumping into invisible. Thankfully, Juran and Gaon showed up as they joined the fight. However the Invisible World used his Mie Knife and fired a transparent beam towards them. Most of them dodge the shot but Juran, Flint, Ricky and Cutanner were turned invisible and the Invisible World escaped.

As this goes on, the Invisible World witness the mayhem down below until Zocks arrived to stop this mayhem as the battle begins. During the fight, Zocks marked the target on the bridge and once he fired, the explosion has sent the Invisible World off the bridge to ground below, but despite the impact he'd survived. Then, the Invisible World summons a troop of Kudakks and fired his transparent beam at the Kudakks making them invisible and making it harder for Zocks to fight.

However, the Zenkaiger's showed up as Magine, has had enough for ruining the Teranomachi Occult Society's ghost hunting trip, is gonna to make him pay for what he done. After they transformed, the Invisible World has pointed out their already four of them due to Juran being invisible.

The battle begins as the Zenkaiger fights off the Invisible World especially for Juran since the Invisible World is unable see him. However, The Zenkaiger are having a hard time fighting the invisible Kudakks. With the help of Magine's magic, she conjured up a hammer and nail and once she'd hit the flat head towards the ground a bunch of pointy ends began to pop out from the ground hurting the invisible Kudakks feet, then they used Sun Vulcan Sentai Gear to summon the Vulcan Ball and eliminates the invisible Kudakks. After the Invisible World has dealt some significant damage from both Magine and Juran, he was then destroyed by the Zenkai Buster Finish, thus reversing the effects of the World Monster.

---

Me: I can still see you with my infrared vision.

Lucy Loud: But that is cool.

Rider World: I wanted to come with because I wanted to have a shot too.

Me: Fair enough.

Lola: Cool.

Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of an unwashed pig in the air, and we saw who it was coming after us: it was Flip, and he had a massive army of thugs with her and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Flip, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Flip once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Flip, and they brutally beat his three-cheeked ass into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Flip after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set Flip off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that mutant always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: That fucking mutant, I so want to give him The Black Gates and be done with him! But, it's best that we have him being used as humiliation fodder for eternity.

Nico: Either way, Flip's no longer going to cause trouble with his scams. But, his musclebound thugs along with the musclebound thugs of the other jerks who are still out to kill us, well, we'll leave that to Lincoln.

Selene Emperyous: Yep, leave that to our resident powerhouse angel, he'll grab them and suck out their muscle mass, virility, and strength and leave them as skinny rakes and weaker than a tree branch.

FLASHBACK ENDS

Evilseed: Flip is nothing but pure evil incarnate! He needs to die for his crimes!

Lincoln: (GROWLS) I always knew there was no mistaking that voice from anywhere, you better get out here right now, Paradox, before I threaten to blast you out!

A figure came out, and it was none other than our old enemy and the old enemy of Yugi, Jaden, and Yusei, Paradox, and he was still out for blood.

Yugi: Paradox, I thought we were rid of you for good.

Jaden: But, knowing you, you were so stubborn, you decided to come back once again to still get your revenge on us.

Yusei: But, this time, we'll see to it you never ever come back!

Yugi summoned Dark Magician and Slifer the Sky Dragon, Jaden summoned his Elemental HERO and Elemental HERO Neos monsters, and Yusei summoned Stardust Dragon, and they stood ready to fight Paradox once more.

Paradox: You foolish Duelists have ruined my plans, my future was destroyed by Duel Monsters, I will never stop until the world of Duel Monsters has been destroyed!

Lincoln: SHUT UP, BULLSHIT ARTIST!

Lincoln blasted him with a rainbow energy blast, and it really hurt him bad as it hit him, and this really pissed him off!

Miranda Connors: Whoa, you really made him pissed now, Linky. But, now it's time to make it much worse for him!

Suddenly, Miranda Connors' blue eyes turned neon blue, and she was surrounded by a rainbow energy aura with stars, fire, water, wind, light, darkness, earth, Elemental HEROS Neos Monsters, and angels, she unholstered her massive greatsword from her back, and as she approached Paradox, she left rainbow energy, stars, fire, water, wind, light, darkness, earth, Elemental HERO Neos Monsters, and angels with every step.

Miranda Connors: I will never ever forgive you for what you've done in trying to kill Maximillian Pegasus, Paradox. You went back in time to try and kill him, and you didn't even realize that by trying to kill Maximillian Pegasus, you will cause a horrible future to happen, and you claim that you're trying to save your future by destroying Duel Monsters?! Like Lincoln said, that's just nothing more than a load of bullshit, and yet, you still continue with your bullshit hatred towards Duel Monsters and trying to kill Maximillian Pegasus once more.

That's the last straw, and for that, we will put an end to you once and for all, and we'll see to it that you never come back again!

Suddenly, Miranda Connors was surrounded by a massive vortex of rainbow energy with stars, fire, water, wind, light, darkness, and earth surrounding the vortex, there are the Elemental HERO Neos Monsters and angels flying around the vortex, and in the vortex is a white phoenix with the Elemental HERO emblem on its stomach and red eyes glaring at Paradox: the red eyes of eternal death. Then, as the vortex faded, Miranda Connors emerged, but she was forever changed.

Suddenly, Miranda Connors' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she'd transformed into her most powerful and and most incredible transformation ever!

We were really amazed by Miranda Connors' Super Angel-Elemental HEROS Neos Monsters-Elemental HEROS Neos Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Paradox saw it, he flew into a rage and fired a blast of energy at her to kill her, but Miranda Connors fired a massive barrage of rainbow energy blasts with stars, fire, earth, water, wind, light, darkness, Elemental HERO Neos Monsters, and angels at Paradox which destroyed his energy blast and they exploded as they hit him, he got back up, but that really pissed him off now.

Nico: (GASPS) Oh, no way, oh man, Miranda Connors' transformed!

Marlene Connors: Whoa!

Emilia Connors: So awesome!

Lincoln: She's transformed into her Super Angel-Elemental HERO Neos Monsters-Elemental HEROS Neos Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, she's really changed that much since the last time I saw her, and now, she's about to unleash their full fury on Paradox and make him suffer.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Miranda Connors, Yugi, Jaden, and Yusei.

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to live a single second anymore, Paradox. You never learned from your mistakes last time, and you still intended to continue with your bullshit and kill Maximillian Pegasus. Now, this time, no mercy shall be shown, and we'll make absolutely sure you never rise from the dead once again!

Yugi, Jaden, Yusei, and their Duel Monsters attacked first by firing blasts of elements and energy right at Paradox, and they exploded as they hit him, and that pissed him off big time.

Yugi: Lincoln, Miranda, you're up!

Then, Lincoln and Miranda Connors went after Paradox, and they fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Paradox and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Miranda Connors also attack them with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving Paradox even madder than ever.

Paradox: You… , YOU! I WILL KILL EVERY LAST ONE OF YOU!

Paradox ran at Lincoln, Miranda Connors, Yugi, Jaden, and Yusei, only to have Lincoln run at Paradox and as he drove his massive greatsword right into Paradox's stomach, Lincoln began sucking out and absorbing his blood and life energy, and when Lincoln was done, Paradox was left as a mummified and desiccated corpse drained of life. Then, he swung his massive greatsword and launched the now drained Paradox into the air, and he, Miranda Connors, Yugi, Jaden, Yusei, and their Duel Monsters all fired massive energy blasts that hit Paradox and they exploded as they hit him and he was sent to The Black Gates forever. We cheered as Miranda Connors and Lincoln holstered their massive greatswords on their backs and powered down, and Miranda Connors' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long rainbow wolf tails, and massive rainbow angel wings are permanent.

Miranda Connors: Good riddance, you crazed extremist, and don't you dare come back. Thanks for helping me take Paradox down for good, Linky. You too, Yugi, Jaden, and Yusei

Lincoln: (Smiles Warmly) You're welcome, Miranda.

Jaden: Always happy to help.

Suddenly, Miranda Connors wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Miranda Connors's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Elemental HERO Neos Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Miranda Connors absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fearsome fight against that crazed fucked-up extremist, Lincoln, Miranda, Yugi, Jaden, Yusei you guys did one awesome job taking down and finally destroying Paradox.

Lincoln: He didn't want to learn his lesson the first time, so it looks like we were through showing him any mercy.

Me: Yep, so he eventually got sent to The Black Gates forever.

Nico: And this time, forever. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Isolde, Two Tales of the Noble Knights.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Isolde, Two Tales of the Noble Knights, Isabel Iseult, and you guys are going to love meeting her, Isabel Iseult is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Isabela Iseult is also a direct descendant of Iseult.

We gasped.

Me: Iseult, the name of several characters in the legend of Tristan and Iseult. The most prominent is Iseult of Ireland, the wife of Mark of Cornwall and lover of Tristan. Her mother, the queen of Ireland, is also named Iseult. The third is Iseult of the White Hands, the daughter of Hoel of Brittany and the sister of Kahedin.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Isabel Iseult hates that jerk, Lewis Travolta, with a very blazing passion. One day, Isabel Iseult and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lewis Travolta, and he'd brought with him an army of thugs he hired. Isabel Iseult and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat moron into a blood-crazed fury, but before he could get after us, Lincoln and Isabel Iseult fired chains of light magic which bound that moron and tied him up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known he would do something like this.

Lincoln: I know, but I wasn't surprised, that jerk tried to kill me many times in the past, but in the end, his plan failed, and Lewis Travolta got sent back to prison, and to make sure that he didn't try to get revenge, Isabel and I casted a spell to prevent that jerk from coming back.

Me: Yeah, messing with the descendant of Iseult and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That mutant really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan earned him the vengeance of my family infinite-fold.

Stonedozer: Thank God Fury Bowser's defeated now!

Whirlin: He wasn't easy to take down.

Iceage: But we managed to do it.

Magma (to Bowser Jr): Now, what have we learned today?

Bowser Jr: Never draw on Papa's face?

10,000 Volt Ghost: Exactly!

Me: But this was so awesome though!

Lola: It sure was.

Nico: Yep. Fury Bowser might have been tough but we were tougher.

Qin: Yep.

Nico: Great job today guys.

Sunset Shimmer: This was fun. (To the viewers) Never mess with magical paints or else.

Me: Yeah.

We went back home and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading back to Halloween Town, and we're going to destroy The Duke of St. Carta, the posthumous overarching antagonist of The Conjuring 2 and The Nun and Satanic worshipper who built and lived in the castle in Transylvania, Romania, that would eventually become the Cârța Monastery, and he's the one responsible for summoning Valak into the world in the 1100s. But, here's the twist: he was brought back from the dead, and it was at the very hands of the demon, Valak, who'd possessed him. So, we're going to destroy them both and send The Duke of St. Carta to The Black Gates and send Valak back to Hell forever. And we're going to meet the next Noble Knight Gene-Slammer, her name is Isabel Iseult, Gene-Slammer of Isolde, Two Tales of The Noble Knights, she's Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Isabela Iseult is also a direct descendant of Iseult, the name of several characters in the legend of Tristan and Iseult. The most prominent is Iseult of Ireland, the wife of

Mark of Cornwall and lover of Tristan. Her mother, the queen of Ireland, is also named Iseult. The third is Iseult of the White Hands, the daughter of Hoel of Brittany and the sister of Kahedin. Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Isabel Iseult hates that jerk, Lewis Travolta, with a very blazing passion. One day, Isabel Iseult and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lewis Travolta, and he'd brought with him an army of thugs he hired. Isabel Iseult and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat moron into a blood-crazed fury, but before he could get after us, Lincoln and Isabel Iseult fired chains of light magic which bound that moron and tied him up. Lincoln called his family and his sisters and told them of what he tried to do, and needless to say, everyone wanted his head on a pike! But Lincoln wasn't surprised, that jerk tried to kill me many times in the past, but in the end, his plan failed, and Lewis Travolta got sent back to prison, and to make sure that he didn't try to get revenge, Isabel and Lincoln casted a spell to prevent that jerk from coming back because messing with the descendant of Iseult and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

# RETURN TO NOTRE DAME

This chapter is for The Hunchback of Notre Dame 2.

---

At breakfast I was eating pancakes and I noticed that Shelley Paddington's spot was empty and her food was getting cold. I was worried about her. She was completely shaken up and sad and hurt by what her evil mother did to her.

Me: Poor Shelley. I'm worried about her.

Nico: Me too J.D. She was really traumatized by all that she went through.

Me: I'm gonna go check on her.

Nico: Okay.

I finished up my breakfast and went to find her.

I found her sitting in the park of the estate crying hard and wailing screamingly by the lake. She was really shattered by all the things that her evil stepmother did.

The animals in the park tried their hardest to cheer her up. But nothing helped.

I found her crying.

Me: (In my head) Seeing her cry like this is making my heart hurt. Poor girl is really broken.

I went over.

Me: Shelley?

I went and sat by her.

Me: Shelley you got to stop crying. It's going to make you feel worse.

Shelley Paddington: (CRYING AND WAILING) IT JUST HURTS SO MUCH!

She hugged me and cried.

Me: I know Shelley. I know.

Shelley Paddington: (Crying) Ever since my father was murdered at the hands of that monster, I feel like I lost part of myself! I feel so empty!

Me: Shelley your father wouldn't want to see you like this.

Shelley Paddington: It just hurts so much! I just hate my Evil Stepmother so much! I feel so lost! I don't even know who I am anymore.

I then showed her something.

Me: Shelley look at the lake and look at yourself. What do you see?

She saw her reflection but then it changed.

Me: You see Shelley, he lives on in you.

It showed her dad's reflection and he was a blond hair man with blue eyes and a mustache.

Then nebulae swirled outside.

?: Shelley.

Shelley saw a man in the nebulae and it was her father.

Shelley Paddington: Daddy?

Mr. Paddington: Yes Shelley. I'm here. But you must remember who you are. You are not only my daughter but you are also the rightful heir to the vast fortune I made for you.

Shelley Paddington: I don't deserve that fortune dad. I couldn't save you.

Mr. Paddington: Shelley listen. When I first married your mother it was a love made in heaven and as your father I was proud of one thing and that was having you as my daughter.

Shelley Paddington: That was a long time ago dad.

Mr. Paddington: No Shelley. That is forever.

Shelley Paddington: I'm sorry dad. I was too weak to save you. I don't know if I'm ready to bring down that monster that killed you.

Mr. Paddington: Listen Shelley, what happened to me was completely unpredicted. I never saw it coming and neither did you. But I will not allow her to torment another innocent soul all for their money. She is a black widow spider that must be stopped.

The nebula was dissipating.

Shelley Paddington: Please dad! Don't leave me again!

Mr. Paddington: I never left you Shelley and I never will. I love you too much for that. Always remember that. Remember who you are. (Fades) Remember.

Shelley then got a look of determination on her face and she knew what she had to do in order for her father to be at peace!

Shelley Paddington: J.D. get me some weapons and gear. (AVENGING JUSTICE MOOD) It's time to bring down that monster for good! Ginelle Salazar Paddington, you are not my mother! My real mother was a kind and giving woman and she loved me with all her heart! You are pure evil incarnate! I'm coming for you! And I will avenge my dad!

Me: That's the spirit!

Me and Shelley came and we were armed with guns and swords.

Me: Nico we're going to need you help for this. We're heading out to avenge Shelley's dad.

Nico: You got it!

We were off to Las Vegas, Nevada.

---

We arrived at the Paddington mansion and Sheila, Tom and a SWAT Team was ready.

Nico: Here we go.

Shelley, me and Nico went over and kicked the door down.

Shelley Paddington: GINELLE!

Ginelle Paddington: WHAT!? Who are you?

Shelley Paddington: My name is Shelley Elaine Paddington, you killed my father. Prepare to die!

Me: Ginelle Paddington you're under arrest for Capital Murder, Attempted Capital Murder and Child Abuse.

Ginelle Paddington: WHAT?! You're alive!? But I thought I killed you!

Shelley Paddington: You killed my father and for that you will pay for your crimes. That fortune is rightfully mine! I know what you did and you tried to kill me!

Ginelle Paddington: I'M GOING TO KILL YOU AND THROW YOU INTO A VOLCANO YOU RAT!

Shelley then took her sword and slashed Ginelle across her face and cut her cheek and Ginelle punched her in her face and gave her a black eye!

Shelley Paddington: That was for my father!

Nico: Nice one.

Me: Why would you do all these things Ginelle!?

Ginelle Paddington: For the money! What else!? Why else would I marry that pathetic loser of a man and his stupid kid? I want all that money for myself and I will not stop till I get it! And Now (GETS OUT A KNIFE!) I GOING TO FINISH WHAT I STARTED AND KILL HER RIGHT NOW!

She went at Shelley and then I slashed Ginelle's arm off and it dropped her hand with the knife in her severed hand and she screamed in pain and then Sheila and Tom came in and the SWAT Team came in and tied her up and arrested her.

Me: You're going to get the death penalty for all this!

Nico: Yeah you golddigging shrew!

Ginelle Paddington: YOU WILL PAY FOR THIS! YOU WILL NEVER GET ALL MY MONEY! I HID IT SOMEPLACE FAR! AND I WILL NEVER TELL YOU!

I then grabbed her and my eyes glowed an intense white and found the money. It was in a cave just outside of Gotham Royal York in the forest.

Ginelle Paddington was found guilty of her crimes and sentenced to death. She was executed by Firing Squad and buried in an unmarked grave and her soul was banished to the black gates.

JUSTICE HAD BEEN SERVED. Now all that was left was to collect Shelley's inheritance.

Nanette: Anytime Nico. This is gonna be so fun.

Ryo: It sure will be.

Nico: Ryo, remember when we met you and your friends?

Ryo: Boy how can I forget. That was right after the Great War you guys had on April 12th 2 years ago.

Twilight Sparkle: And completely unforgettable.

Camie: That is so cool.

Me: We still owe you guys big time for helping us out during that day.

Ryo: That was an awesome adventure too.

Varie: It sure was.

Nico: I almost forgot you guys helped us back then

Me: Thank goodness I didn't. That was so awesome.

Ryo: Yeah that was awesome though.

Tsuyu: And the 9 armors you guys all have are so amazing.

Camie: That is gonna be so awesome!

Misty Tredwell: Yeah it sure will!

Nico: Yep. Boy yesterday was epic and awesome.

Nicole: Boy it sure was! Fury Bowser was really ferociously strong!

Me: Yeah no kidding! And Bowser Jr. learned a really big lesson that day too.

Nico: Be careful of your pranks.

Me: Amen!

Qin: Or there will be disastrous consequences.

Eddy: Big time! Luan had to learn all that the hard way because of her dangerous pranks that her dark side made her do.

Xenia: Yeah.

Ryo: But that was still an awesome battle for us.

Unikitty: It sure was and we all had so much fun.

Puppycorn: Boy I'll say! We all had so much fun.

Nico: Yeah we sure did.

Lana: You got that right Nico.

Lana and Puppycorn high five.

Leeli: That was a really awesome adventure. And seeing Lake Lapcat was amazing. All those kitties were so cute.

Misty Brightdawn: They sure were adorable.

Lola: They sure were especially the yellow, blue, green and red cats we met.

Lana: Yeah and Cliff has new awesome playmates with him.

Camie: He sure does.

Me: Yeah. Also I can't believe that Bowser Jr.'s paint would turn Bowser into that!

Maria: Fury Bowser was fucking huge!

Nico: Yeah no kidding!

Girl Jordan: And he was 100,000 times more ferocious!

Nico: Yeah no kidding there!

Lincoln: I'll say!

Me: Guys I just got word that Demona's Dark Side is back and she is out for revenge.

Qin: WHAT!?

Lola: Oh man!

Nico: This is bad guys.

Sunset Shimmer: And I promised that I would make that monster pay for her crimes.

Lincoln: I can't believe Demona's dark side has broken out! That monster has got some nerve! But, this is going to be one awesome battle, not only are we going to destroy Demona's dark side forever, but I sensed it. Sunset, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, and Starlight, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Sunset Shimmer: That's true, I felt it for myself, Linky.

Twilight Sparkle: I can't believe Demona's dark side had broken out of her prison!

Suddenly, Demona and the rest of The Manhattan Clan arrived.

Demona: I'm afraid it's true. That creature is nothing more than the hatred I once had for humanity, after I was freed from it, we had her sent to prison.

Lincoln: And this was way before Bobby got his crystal powers.

Nico: I remembered J.D. telling me about that, but now, we're going to destroy Dark Demona once and for all.

Me: Yep.

Lincoln: And see to it that she never rises again to hurt innocent people. (Senses for Dark Demona) Aha, caught you! She's Right in the castle of the Manhattan Clan.

Me: Where it all began.

Goliath: Excellent work, Lincoln.

Lincoln: Thanks, Goliath. But heads up, gang, Flip's sent more of his musclebound thugs at us again!

Anna Anyanova: FLIP, I'M GONNA BEAT YOUR JUMBLED-UP MUTANT ORGANS OUT OF YOU!

Me: That mutant cheapskate!

Lincoln: Easy, guys. I got this.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, strength, and souls, and he sent them to The Black Gates. Then, we set our sights on Dark Demona herself.

Nico: Lets go.

We flew up to the castle of the Manhattan Clan and then we searched.

Nico: Dark Demona's around here somewhere.

Me: Keep your eyes peeled.

Xenia: Yep.

Camie: What was Demona like before you had her join the team?

Me: A really soulless and heartless monster.

I went over her history.

---

Demona is one of the main antagonists in the TV series Gargoyles and the arch-nemesis of the Manhattan clan.

Blaming any and all humans for her every mishap, Demona has spent the last thousand years or so seeking to exterminate humanity, not just out of sheer hatred but also so gargoyles may rule.

She was voiced by Marina Sirtis in English, who later on voiced Queen Bee in Young Justice, and by Seiko Tamura in Japanese.

Demona was born in AD 938 in Wyvern, Scotland. By the time she was 37 human years old (18.5 gargoyle years old), she was the mate of the male gargoyle who would eventually be known as Goliath. She was also the apprentice of Castle Wyvern's resident wizard, the Archmage. He had her do various unscrupulous tasks for him, including stealing the Phoenix Gate from Princess Elena in AD 975. At that point, she was approached by a time-travelling future version of herself from the year 1995. She showed the young Demona a vision of her future in the year 994, where the clan was smashed in their stone sleep and her love Goliath was in permanent stone sleep. Her future self wanted her to use the stolen Phoenix Gate to rule the world, but the young Demona swore that she would never be like her corrupt future self. The Goliath of 1995 had travelled with them, and stopped the 1995 Demona from trying to beat her 975 self into doing what she said. Goliath told young Demona to obey her vows of love, to do nothing to prevent that future, and not to dwell on it. Young Demona used the Gate to teleport her future self and Goliath back to 975, where Goliath took himself, the future Demona, and three other time travellers, David, Petros, and Fox Xanatos back to 1995.

Upon her return, she was attacked by the Archmage, who believed that Demona had lost the Gate. She was protected by the Wyvern clan's leader, the gargoyle who would become known as Hudson. After that, young Goliath and Demona watched the marriage ceremony of Prince Malcolm of Wyvern and Princess Elena of Normandy, and exchanged tokens- the halves of the Phoenix Gate- to seal their vows of love, pledging to be together "now and forever." Goliath began calling his love his "Angel of the Night."

By AD 984, Demona was attempting to convince Goliath, who was now Hudson's second-in-command, to take over leadership of the Wyvern clan, but Goliath refused. Demona accompanied Hudson and Goliath on a mission to recapture the Grimorum Arcanorum from the Archmage, so that the Magus could use it to cure Prince Malcolm, whom the Archmage had poisoned. Demona was reluctant to go along, but she did, and the three successfully retrieved the Grimorum and Prince Malcolm was cured. During the battle, however, it was Goliath that saved the day, while Hudson was blinded in one eye. Hudson gave leadership of the clan to Goliath, and Goliath made Demona his second-in-command

Later, between 984 and 994, Goliath and Demona conceived at least one egg between them, which was placed in Wyvern's rookery.

In AD 994, Demona, who was fed up with the humans of Castle Wyvern's ill treatment of the gargoyles, made a bargain with Castle Wyvern's Captain of the Guard. The deal was that Demona would have Goliath lead the clan away from Wyvern, so that a group of Vikings led by Hakon, could ransack the castle. The lack of gargoyles defending the castle combined with acts of sabotage enacted by the Captain would allow the Vikings to take the castle easily. Unfortunately, on the night before the attack, Demona was unable to convince Goliath to take the entire clan, and he only took himself and Hudson to supposedly scare off Hakon's vikings. In their absence, Demona, at the last minute, made a minor attempt to warn to of her rookery siblings, the gargoyles who would become Coldstone and Coldfire, of the Vikings' attack, but when the vikings were visible to her in the nearby forest, she lost her nerve. The Captain of the Guard swore to protect the gargoyles, but Demona, who didn't trust the Captain, hid in a seaside rock ledge below the castle, and spent the day there. When she awoke, she found the castle ransacked and her clan smashed to pieces. Terrified by what her plan had resulted in, she could not face Goliath, who had returned to Castle Wyvern along with Hudson and found what he thought was the shattered remnants of Demona. Panicking, she left the castle and decided to return later, planning to tell him that she had gotten lost looking for him. However, when she returned, she found, to her further horror, that her love, as well as the other surviving five gargoyles, had been put in permanent stone sleep. She blamed the entire disastrous night on the humans, and, after kissing Goliath goodbye, she left Wyvern.

## Wandering Years

Demona began taking her revenge on humans, first by slashing the face of a young boy named Gillecomgain. Little did she know the repercussions this act would have in the future…

During the next 26 years, Demona gathered the remants of other shattered Scottish clans into a clan of her own, which she led on raids to steal food and supplies from humans. She usually slew any humans who defended their food stores. Her clan wandered from place to place. Eventually, she began being hunted and attacked by a man known as the Hunter, who (unbeknownst to her) was Gillecomgain, the boy whose face she had slashed soon after the Castle Wyvern massacre.

## MacBeth

In 1020, she tracked the Hunter to Castle Moray, where he had been hired and sent to assasinate Findlaech, the High Steward of Moray and the only person that could help his son, MacBeth, take the throne of Scotland away from Prince Duncan, who was the one who had hired the Hunter. During the battle between Demona and the Hunter, who succeeded in killing Findlaech, MacBeth and a young woman named Gruoch were in danger of falling to their deaths. Demona, who had apparently not yet fully overridden the gargoyle instinct to protect, saved the pair, which allowed the Hunter to escape. As a result, MacBeth felt that he owed Demona for saving his and Gruoch's life.

12 years later in 1032, Demona was informed by three mysterious female gargoyles that the Hunter would be at Castle Moray, and they also tried to convince her to make an alliance with MacBeth. She refused, saying that she would never place her trust in a human again. However, she did go to Castle Moray to battle Gillecomgain. MacBeth helped her during the battle, and helped save her life, while Gillecomgain, their common foe, fell to his death. Before he died, Gillecomgain revealed that he was the boy whose face she had slashed just after the Castle Wyvern massacre. To his shock, however, she neither remembered nor cared about what she had done. Demona was curious why MacBeth had saved her, and he said he owed her. She then said that they were then now even, and Demona left.

8 more years later in 1040, Demona and MacBeth had another common foe to face, the formerly Prince, but now King Duncan. He had taken on the identity of the Hunter, and moved against MacBeth, now the High Steward of Moray, Gruoch's husband, and the last threat to King Duncan's keeping the throne. The Weird Sisters manipulated events so that they would be willing to make a

pact- MacBeth would give up his youth to Demona, in exchange that she and her clan would help MacBeth against Duncan. They both agreed to one another's terms, and the Weird Sisters cast a spell to not only give Demona her youth back, reverting her to the physical age of 70 in human years (35 in gargoyle years), but to also link the two so that each would feel the other's pain, and both would be immortal. In addition, the only way that both could finally die would be if one killed the other.

As per their agreement, Demona helped defeat Duncan, and MacBeth became the new High King of Scotland. He proclaimed that a new golden age would begin for Scotland, for all the clans in it, both human and gargoyle. MacBeth then made her his primary advisor, and he gave her her name, Demona, to which she said, "I like the sound of that." For the next 17 years, Demona and her clan protected Castle Moray, and Demona and MacBeth became good friends and allies.

In 1057, everything fell apart. Duncan's son, Canmore, who had been exiled to England, returned as the newest incarnation of the Hunter, and led a force of English to take over Scotland. The English were supposedly helping Canmore because MacBeth was aligned with gargoyles, whom the English saw as evil demons, and had supposedly eradicated them entirely from their lands. Demona and her gargoyles managed to keep the English at bay for a time, and after one of these battles, MacBeth's old friend Bodhe advised MacBeth to forswear the gargoyles, so that Canmore would lose his English support. MacBeth's son, Luach, thought that was out of the question, but MacBeth, who wanted to teach his son about being a king, told him that a wise ruler must consider all his options.

Unknown to them, however, Demona had heard the entire exchange, and now believed that he would betray her. To protect her clan, she made a deal with Canmore and the English. In exchange for their deserting the castle, thus allowing MacBeth to be easily defeated by the English forces' superior numbers, her clan would be safe from Canmore and the English's wrath. Thus, her clan left the castle, and Castle Moray was conquered. Fortunately, MacBeth escaped with Gruoch, but they were confonted by Canmore and Demona, who accused MacBeth of planning to betray her clan. He vehemently denied it, and while they argued, Canmore fatally stabbed MacBeth, killing him. Demona died as well, proving to Canmore that the rumors of their being linked by sorcery were true. He assumed that when one died, both died. Canmore left Gruoch alone, having no quarrel with her and mentioned that he had smashed the rest of her clan as well. Soon after he left, Luach and Bodhe came, and saw that MacBeth was dead. Luach became the new High King of Scotland, and as he and Bodhe left, leaving Gruoch a moment in peace, the Weird Sisters appeared, and informed her that Canmore had it backwards. It was not that when one died, both died, but that while one lives, both lives, and Demona came back to life at that point. Furious at Demona, Gruoch told her that the English had destroyed her clan. Demona did not at first believe her, but she left. MacBeth revived at that point, and Gruoch told him, so that Luach would not lose his loyal Scotsmen, who would now fear MacBeth as a sorcerer, MacBeth would have to leave his old life behind. Thus began an over 900-year enmity between the two immortals Demona and MacBeth.

## Beginning Of The Grand Plan

For the next 937 years, Demona travelled widely. She further studied sorcery and hoarded wealth. At some point, she met the Child of Oberon known as Puck. She was also hunted by numerous Hunters, descendants of Canmore, who carried on the feud, even though after a while, they no longer even knew why they did so.

In 1495, Demona started constructing a master plan for her ultimate goal- the total and utter annihilation of the human race. She believed, and still believes, that for the gargoyle race to survive, all humans must be wiped from the face of the earth. To that end, she traveled to Florence, Italy, where she picked up the Medici Tablet, which was inscribed with a incantation called the Fulfillment Spell. The spell was too powerful for her to control then, but, being an immortal, she had plenty of time to wait. As she left, she was attacked by a Renaissance version of the Hunter, but she escaped him.

## Meeting With Xanatos

At some point after this, she traveled to America. In 1980, she traveled to the Notre Dame Cathedral, in Paris, France. She picked up another vital part of her master plan, the Praying Gargoyle statuette. She was attacked by another Hunter there, Charles Canmore, whom she quickly threw off the Cathedral to his death, in front of his three children, Jon, Robyn, and Jason.

After this, she was introduced to David Xanatos by Owen Burnett, who had met her centuries earlier as Puck. The two formed an alliance, and she agreed to help him in his endeavor to move Castle Wyvern and reawaken the six remaining members of the Wyvern clan, whom they would control.

## The Awakening

In 1994, the clan was reawakened. Demona hid for the first few days they were there, waiting for the right moment. A few days after they awoke, Demona revealed herself to them, and lied, saying that she had went after Goliath and was caught far outside the castle and became lost. By the time she returned, she claimed, Goliath and his clan were in permanent stone sleep, and she begged the Magus to freeze her in stone too, so that they would awaken together. Xanatos then claimed that he saw her statue and was impressed enough to put it in his private art collection. When he rose the castle above the clouds and saw what it did to the rest of the clan, he claimed, he deduced that bringing Demona to Castle Wyvern would have a similar effect. Of course, this was entirely a fabrication.

Supposedly in gratitude for bringing Goliath and herself back together, Demona convinced Goliath to have his clan "retrieve" three computer disks from Xanatos Enterprises rival Cyberbiotics. Demona and Goliath went to the Cyberbiotics Air Fortress, a massive airship, to retrieve one of the disks. Extreme anti-human actions Demona took while here, culminating in the destruction of the Air Fortress, made Goliath realize that the Demona he was with now was not the "Angel of the Night" he had known in 994, and he told her of this. This made Xanatos conclude that the gargoyles were too difficult to control. Demona was convinced of this too, and she convinced Xanatos to test the real reasons why Xanatos wanted the disks- gargoyle robots called the Steel Clan- against her former clan. The Trio of Brooklyn, Broadway, and Lexington were caught by surprise, but thanks to Goliath, the clan defeated their robotic replacements. Demona revealed her true nature, nearly hitting Goliath with a bazooka shell, and giving him one last chance to join her against humanity. He would not, and she concluded that if he was not her ally then he was her enemy. Just as Demona was about to eliminate Goliath once and for all, NYPD Detective Elisa Maza came in, and tackled Demona, throwing off her shot so that she hit a castle tower above them, which crashed down and caused both Demona and Elisa to fall. Goliath had to choose between saving Elisa or Demona, who was unable to glide due to falling rubble. He saved Elisa. Demona managed to survive, but now held a special hatred for Elisa Maza, who had disrupted her plans and whom Goliath had saved instead of her.

## Further Betrayals

Her next plan against the clan was to trick Brooklyn into helping take mental control of Goliath with the Grimorum Arcanorum. When her true intent was revealed, Brooklyn turned against her and removed the spell over Goliath with Elisa's help. She did manage to tear a handful of pages from the Grimorum, the spells in which she used in the future.

She later tried to poison Elisa Maza in an attempt to lure Goliath to his doom, but, unknown to her until later, she missed. To prevent Demona's knowing of this, Hudson and Goliath still came to her trap, and fell into it. However, Hudson protected a wounded Goliath until dawn, and the next night, he was fully healed and too much for Demona to handle. She remained convinced that Elisa was dead for a short while, but she soon learned that the detective still lived.

## Creation Of Coldstone

With Xanatos, she created the cyborg gargoyle Coldstone from the shattered remains of three gargoyles, with the missing parts filled in with cybernetics. The creation of science of sorcery was convinced to fight with Xanatos and Demona against Goliath and his clan for a while, but he soon changed sides, and Demona nearly killed Goliath. If Coldstone had not blocked the shot, Goliath would have died. She wished to continue fighting the clan, but Xanatos took her away from the battleground against her will.

## Dealings With Puck

After the Coldstone incident, Demona's plans took on a grander scale. She next stole Titania's Mirror from the Metropolitan Museum of Art, and used it to summon the Child of Oberon, Puck. Her plans regarding Puck were "misinterpreted" by him, however, eventually resulting in the populace of Manhattan being transformed into gargoyles, and Goliath's clan being transformed into humans. She attacked Goliath's clan while they were human, but she was defeated thanks to the help of Elisa Maza, who had also been transformed into a gargoyle. Goliath released Puck in exchange for restoring Manhattan to normalcy, and when Puck left, he took Demona with him, seeking to "reward" her for giving him such a good time. She simply wanted the annoying fay to leave, which insulted him. So he gave her a wish she had mentioned earlier, that of not turning to stone by day. So he granted it- she now turned into a human by day.

## Back To The Past

She next attended Xanatos's wedding to Fox, and tricked Goliath into giving her the other half of the Phoenix Gate, which she used to transport herself, Goliath, and David, Petros, and Fox Xanatos to the year 975. She showed her 975 self the carnage of the Castle Wyvern Massacre of 994, and attempted to convince her 975 self to use the Gate to manipulate time to her bidding, but her 975 self refused, refusing to become like her 1995 self. The 1995 Demona was about to beat her 975 self into doing what she said, but the 1995 Goliath, who had been taken along to 994, stopped her. After the 975 Demona took the three back to 975, Goliath returned himself, Demona, and the Xanatoses to 1995.

## Stone By Night

Her next plan was one of her grandest in scale. She tricked Xanatos into allowing her to broadcast, on all New York City television signals, a magical spell that turned all who saw and heard it into stone at night. She then proceeded to smash all the petrified humans she found. However, she was tracked down by another Hunter, who attacked her at Pack Media Studios when she confronted Xanatos there. She managed to escape this Hunter, whom she quickly realized was actually MacBeth. The next night, Demona snuck into Castle Wyvern, where she planned to smash the stone statues of Owen Burnett and Elisa Maza, but was stopped by Bronx. So, instead, she altered a countdown sequence on Xanatos's computer. He and the Manhattan clan came up with a plan to undo her spell, which was designed to end when the sky burned. So, by gliding across the sky and spreading flammable gases in the air, which would then be set afire by exploding Steel Clan robots, the sky would temporarily be set afire. However, the explosions were set to go off after a certain time, and Demona tampered with the countdown, causing it to be accelerated so that the explosions would not set the sky on fire, but would instead kill Xanatos and the clan.

Right after she altered the countdown, however, she was confronted by "the Hunter," whom she told to reveal his true identity of MacBeth. MacBeth and Demona then engaged one another in a highly destructive battle, which Goliath, Xanatos, and then the trio of fay sorceresses known as the Weird Sisters interceded in. A fall to the Arboretum level of the Eyrie Building knocked Demona unconscious, but the Weird Sisters convinced him to let her live, even though after over 900 years of immortality, he wanted to die. The Weird Sisters managed to convince her that much of the bad things that had happened to her were her own doing, and this convinced her to give away the passcode that would allow Xanatos to correct the accelerated countdown, the word "alone." She was not convinced for long, though, and she quickly resumed her previous mindset that humanity as a whole was responsible for her pain. The Weird Sisters then took Demona and MacBeth, and left. Afterwards, Xanatos changed the countdown back, and Demona's spell was undone.

## Weird Sisters

After the Weird Sisters abducted Demona and MacBeth, the two became the Sisters' unknowing servants. They were influenced to steal the Grimorum Arcanorum, Phoenix Gate, and Eye of Odin from the Manhattan clan, and they reactivated Coldstone, allowing his third, evil personality to gain control. The three then captured the clan, and Demona revealed that she now turned to human by day to

Elisa, and told her that she was at Belvedere Castle in Central Park. She gave her a choice- if Elisa came to save the clan, she would surely die. If she didn't come, Demona would use that to demonstrate the untrustworthiness of humans to Goliath before she killed him. Elisa decided to come to Belvedere Castle at high noon, and Elisa and the human Demona fought. During the battle, the primary, good persona of Coldstone was able to regain control, and he turned on MacBeth and Demona. MacBeth and Demona escaped. They returned to MacBeth's manor, where the spell began to wear off and their animosity towards one another began to manifest once more. Before they could attack one another, however, the Weird Sisters paralyzed them, picked up the three mystical talismans they had stolen, and took them, once more in their thrall, to the watery gate of Avalon.

## Archmage

They were given to the Archmage as his puppets, and he used them to attack the Avalonian gargoyles. When Goliath was brought to Avalon to help, he made an appeal to their better natures, briefly breaking their enchantment, but the Archmage simply reinforced it. Demona single-handedly wounded a large number of the Avalon clan's members while enchanted, but she was eventually taken out by Princess Katherine using Demona's own laser cannon. Goliath forced the Weird Sisters to remove their spell on Demona and MacBeth, and they were sent adrift into the mists of Avalon, with no recollection of anything they had done while under the Sisters' spell.

## Meeting With Thailog

They appeared in Paris, France. There, Demona met Thailog, a clone of Goliath with a Xanatos-like outlook on life, and, as she said, it was "love at first flight." She began using her daylight humanity to her advantage, creating the human identity of Dominique Destine. She and Thailog concocted a plan to gain a large amount of wealth from MacBeth. As Dominque Destine, Demona began romancing MacBeth, who used the identity of Lennox MacDuff and is successful due to the fact that Macbeth no longer remembers that Demona becomes human during the day due to the Weird Sisters spell that erased their memories. She eventually became engaged to be married to him, and they were to be married at about the same time Goliath, Angela, Elisa, and Bronx appeared on their Avalon journey.

The Avalon travellers became entangled in the plan, and managed to help stop it, once Eliza had time to figure it out although Demona did manage to marry MacBeth. Unbeknownst to her, Thailog planned to have MacBeth and Demona kill one another, so that he, as Demona's sole business partner, would inherit both Demona's and MacBeth's wealth. The two did try to kill one another, but Demona was temporarily killed by Elisa using one of MacBeth's electron discharge guns. Elisa did this to prevent them from killing one another and so that Thailog's plan wouldn't succeed. Demona briefly got a glimpse of Angela, who, though she didn't know it yet, was hers and Goliath's daughter. As soon as she did, though, Thailog picked her up and the pair left, for Demona did not yet know of his treachery.

During the fiasco in Paris, Demona and Thailog (in their guises of Dominique Destine and Alexander Thailog, respectively) combined their wealth to form a new corporation, Nightstone Unlimited. They also discovered that Angela was the daughter of Demona and Goliath, and Demona began composing a plan to convince her daughter to join her side.

After the Avalon travelers returned to New York, Demona began her plan to recruit Angela and create her own clan. She hired Dr. Anton Sevarius to make a number of clones of the clan, including clones of Brooklyn, Lexington, Broadway, and Hudson, which she named Malibu, Brentwood, Hollywood, and Burbank, respectively. She then deliberately attracted the clan's attention with robberies of high technology, and allowed herself to be captured. She was imprisoned in the Labyrinth for the next several months, while the clone clan grew and she told Angela her life from her point of view. She began to have affectionate, maternal feelings towards her daughter.

Eventually, over three months after her capture, Thailog broke her out, and, taking Fang with them, they led the clan, along with Talon, into a trap in a carnival funhouse. Inside, the clones took out their originals, Fang took out Talon, and Thailog and Demona captured Goliath and Angela. Thailog let slip that Demona was trying to convert her to her side, and Angela was furious at that seeming betrayal, as it now seemed that the warmth that Demona had shown to her was all a falsehood. At that point, citing Demona's failure to convert her, Thailog threatened to kill her, but this made Demona attack Thailog to protect her daughter. Thailog had anticipated this, and unveiled her replacement, a hybrid named Delilah, created from the combined DNA of Demona herself and Elisa Maza, and designed to be his ideal, subservient mate. When he ordered Delilah to kill Angela, Demona released the clan so that Goliath would protect Angela. Demona then battled Thailog, and their battle wound up being on a roller coaster track. The track was set afire by electrical blasts from Talon and Fang, and eventually, as they fought, the track collapsed, and both were seemingly killed.

## The Grand Plan Revisited

Both Demona and Thailog survived, but it was never revealed how. Soon after this incident, Demona's 501-year-old plan to annihilate humanity came to fruition. She had thugs steal the disinfectant solution DI-7 from a Xanatos Enterprises warehouse, and hired Dr. Anton Sevarius to create a carrier virus designated as CV-1000. Her plan was that, on holy ground, specifically St. Damien's Cathedral, on the night of the Hunter's Moon, she would use the Fulfillment Spell inscribed on the Medici Tablet to merge the CV-1000 carrier virus and the DI-7 disinfectant into a plague that would wipe out all sentient life on Earth, save gargoyles, who would be protected by the Praying Gargoyle statuette. Unfortunately, she made two fatal errors. One, she recorded all of this information onto a computer diskette, and two, she made the mistake of hiring a woman named Robyn Correy as her new assistant.

Unknown to Demona, Robyn Correy was actually Robyn Canmore, one of the three current Hunters, who had come to Manhattan searching for her. They were drawn there by urban legends and rumors of gargoyles in the city. When her thugs failed to steal the DI-7, she got it herself, although the Trio tried to stop her. Meanwhile, the Hunters attacked Goliath's clan, and nearly killed Angela, whom they thought was Demona. Demona and Goliath formed a temporary alliance against the Hunters when both Demona and Goliath, with Brooklyn and Lexington, snuck onto the Hunters' aircraft. Upon seeing the presently enraged and vengeful Goliath, who wanted revenge for the attack on Angela, she noted that Goliath and herself may not be so different after all. After they seemingly killed two of the three Hunters, Demona left the other three gargoyles' company and began to bring her plan about.

Unfortunately for Demona, "Robyn Correy" had figured out that Dominique Destine was Demona, and stole the disk that contained the information about her plan. The Hunters, who had just suffered the seeming loss of their leader, Jason Canmore, attacked her as she entered St. Damien's Cathedral. However, they were attacked by the Manhattan clan, who wanted revenge for Elisa, whom they thought had been killed. This allowed Demona to move into another room of the cathedral, but before she could fully cast her spell, she was attacked by Brooklyn, but she defeated him and managed to cast her spell, but Goliath smashed the Praying Gargoyle, forcing Demona to give up her 501-year-old plan. She managed to escape the clan, and escaped to battle another day.

## Goliath Chronicles

In the Goliath Chronicles, Demona allied with a man known as the Assassin, and, having him try to kill Goliath, tried to make herself look like she'd reformed in the eyes of Angela. Unfortunately, the Assassin, who was working with the Quarrymen, ruined the deception, and Angela once again felt betrayed, something for which Demona felt true remorse. The episode ends with Demona looking at the gargoyles flying and shedding tears.

## Future Tense

In the "Future Tense" reality, Demona joined the resistance against Xanatos, and eventually fell in love with its leader, Brooklyn. She had somehow learned that Angela was her daughter, as well. During the final assault on the Eyrie Pyramid, she was disintegrated by Xanatos in cyberspace. She may have been able to regenerate from even that, but it was never seen.

* * *

When I was done everyone that hadn't heard about it was shocked!

Qin: She is a monster!

Lola: Yeah! She was hellbent on eradicating humanity for killing and persecuting Gargoyles.

Qin: Geez!

May: She'll probably be in the sky

We landed on the castle.

Nico: Hmm.

Eli: I sense her. In there.

She was in the main throne room of the castle.

Dark Demona: (GROWLS) Just you wait, Goliath, I will kill you, your clan, and all of Team Loud Phoenix Storm, and soon, all of humanity will pay!

?: You're not getting that chance ever!

Suddenly, the spirits of the Manhattan Clan appeared out of nowhere as they flew around the place and they fire blasts of darkness and energy at Dark Demona and she was hit badly. Then, the spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when she saw us, she was enraged.

Dark Demona: YOU!

Nico: That's right, us!

Me: I should've known you'd show up here once again, Dark Demona.

Dark Demona: You should've killed me when you had the chance, and now, I shall have my revenge on you all!

Sunset Shimmer: As if! You're not going to hurt another person ever again!

Me: You're going to pay for everything you did Demona and you're right about that. I should have killed you. Now I'm going to rectify that mistake by killing you!

Dark Demona: We'll see about that! (EYES GLOW RED)

Me: You think I'm scared of you? (EYES GLOW RED)

I teleported and kicked her in her face and kicked her in the back and smashed her down.

Dark Demona: WHAT!? You've gotten stronger!?

Me: That's right.

She flew into the air.

Nico: You're not the only one who can fly!

Nico teleported and punched her in her face and kicked her in her back and sent her crashing into the floor!

Lola: And we've not only gotten stronger but we've gotten faster, smarter and more powerful too as well as pure hearted!

Nico: Unlike you!

Me: You don't deserve any friends after everything you did Demona. you have had this coming for a long time for over 1,000 years.

Nico: And we know what to expect from you!

Me: That's right! You are nothing more than a blackhearted monster!

I teleported and kicked her into the air and Eli fired a wave of Force Lightning and electrocuted her.

Demona flew up and kicked her in her back.

Qin: And this!

She fired waves of fireballs and blasted her all over the place.

Xenia: And this!

She fired an arrow and blasted her.

Sunset Shimmer: You make me sick Demona!

Suddenly, something within Sunset Shimmer's mind snapped as memories of Dark Demona's crimes against humanity for over a thousand years rushed through her head and her jade green eyes turned neon jade green, and she was surrounded by a red and yellow energy aura with stars, flames, suns, phoenixes, magic, and Alicorns, she unholstered her massive Sunset Shimmer's Firestorm Phoenix Alicorn Greatsword of The Sun's Forgiveness and Fire Skylander Love from her back, and as she approached Dark Demona, she left red and yellow energy, stars, flames, suns, phoenixes, magic, and Alicorns with every step.

Sunset Shimmer: I will never ever forgive you, Dark Demona. I know you've had to deal with that kind of loneliness for over a thousand years, but that doesn't excuse your behavior, you took out your hatred on humanity in the worst ways imaginable and one of them included allying with the enemy of The Manhattan Clan. (SUDDENLY GETTING ANGRY AT DARK DEMONA) But, when one of your many victims included Demona and that you subjected her to psychological torment and darkness that had haunted her for over a thousand years and all because of your toxic hatred towards humanity and to add on to it, you have no remorse for any of your crimes or what you put Demona through… , (CANTERLOT VOICE) YOU HAVE COMMITTED A TRULY GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED THE MANHATTAN CLAN AND ALL OF NEW YORK FOR FAR TOO LONG, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! DARK DEMONA, THE CRIMES THAT YOU'VE COMMITTED AGAINST EARTH CAN NEVER BE FORGIVEN, AND FOR THAT, YOU SHALL PAY THE ULTIMATE PRICE WITH YOUR LIFE!

We gasped at the sudden extent of Sunset Shimmer's sudden fury: Dark Demona is now in extremely big trouble!

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! DARK DEMONA'S DONE FOR!

Lincoln: Indeed she is. Sunset Shimmer may be The Alicorn Princess of Forgiveness, but what Dark Demona had done, it proves one thing: she's one person who doesn't deserve any forgiveness ever!

Me: After everything she did over the last 1,000 years not in this millennium!

Lincoln, Twilight Sparkle, Rainbow Dash, Applejack, Rarity, Fluttershy, Starlight Glimmer, Pinkie Pie, Trixie Lulamoon, Vinyl Scratch, Wallflower, The Canterlot 5, and the rest of Twilight Sparkle's Friends: HIT THE DIRT! SHE'S GOING TO BLOW!

ALICORN ANGEL JUSTICE AND DIVINE MAGIC FORGIVENESS FIRESTORM SKYLANDER SUN PHOENIX ALICORN ANGEL LOVE!

We were really amazed by Sunset Shimmer's Super Angel-Forgiveness Phoenix Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Dark Demona saw it, she went absolutely insane and tried to rush at her to kill her, but Sunset Shimmer fired a massive barrage of red and yellow energy, stars, flames, suns, magic, phoenixes, and Alicorns at Dark Demona, and it hit her and sent her flying into a wall, and she also got burned badly by the power of Forgiveness, she got up, but she was really furious now.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Sunset Shimmer has transformed into her Super Angel-Forgiveness Phoenix Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, the seventh of The Princesses to do so, and now, it's time to put an end to Dark Demona.

Sunset Shimmer: (Divine Echoing Godly Voice of The Harmonious Fire Skylander Elemental Forgiveness Magic Phoenix Alicorn Princess Angel and Divine Harmonious Magic Forgiveness Fire Skylander Elemental Forgiveness Magic Phoenix Alicorn Princess Angel Love) And send her to her eternal punishment for good. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf

Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sunset Shimmer, and so did we as we unholstered our weapons and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy humanity are all over, Dark Demona, now face one thousand years of justice and retribution for all those who have suffered at your hands!

Me: And it's going to be painful and brutal!

Nico: You're in for it now!

Me: And it's going to hurt! BAD!

Sunset Shimmer and Lincoln went after Dark Demona, and they fired extremely powerful blasts of rainbow energy, red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and

Mermaids at Dark Demona and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Sunset Shimmer attacked her with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Dark Demona mad.

Dark Demona: I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, your days of trying to get revenge on the world of man is over, Dark Demona. Now, it's time for you to return to dust.

Dark Demona: I HATE ALL OF YOU SO MUCH!

Our auras exploded out with intensely powerful and brutal power!

Nico: Thanks for the power boost!

I fired waves of energy and fire and blasted her all over!

Sunset Shimmer ripped off Dark Demona's wings as she screamed with agony and pain.

Sunset Shimmer: Right. Now, it's time to end this nightmare for good.

Nico: YEAH!

Sunset Shimmer and Lincoln made two red and yellow energy balls with stars, flames, magic, suns, phoenixes, and Alicorns surrounding them and Dark Demona, seeing what was about to happen, had roared with rage and ran at them to kill them again, but that'll prove fatal.

Sunset Shimmer and Lincoln: PHOENIX ALICORN FORGIVENESS FIRESTORM SKYLANDER INFERNO BLAST!

Sunset Shimmer and Lincoln fire the two red and yellow energy balls with stars, flames, magic, suns, phoenixes, and Alicorns surrounding them and they hit Dark Demona, and because she had no remorse for any of her crimes, she wasn't worthy of any sort of forgiveness and she was incinerated into ashes and her vengeful spirit was banished to The Black Gates forever.

We all cheered wildly for what Sunset Shimmer and Lincoln did to Dark Demona as they holstered their massive greatswords and powered down, and Sunset Shimmer's new body, clothes, weapons, jewelry, Third Eye, longer red and yellow tail, and massive red and yellow angel wings are permanent.

Me: Good riddance to bad rubbish!

Suddenly, Sunset Shimmer felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Sunset?

Sunset Shimmer: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln defeated Dark Demona.

Nico: And that combo you guys used on her incinerated her into nothing!

Sunset Shimmer: That combo works in two ways: if someone indeed has remorse, they'll be cleansed of that darkness, but for Dark Demona, since she had no remorse, there was only one punishment for her: death and Black Gate banishment for good.

Me: Good riddance.

Suddenly, Sunset Shimmer turned to face Lincoln and she'd wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sunset Shimmer's face, they kissed passionately as Sunset Shimmer moved her hands and placed them on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field with flames raging behind and around them and we cheered wildly. Lincoln and Sunset Shimmer absorbed the elemental forces and flames and they came back to us as the display vanished.

Qin: That was so awesome!

Dark Demona, the Bane of the Manhattan Gargoyle's has been silenced forever.

Nico: Nice job!

Eli: That was awesome!

Lincoln: Thanks. It was fun.

Qin: Yeah it was!

Nico: Yep.

Eli: But now for fun.

Nico: But what about the Gargoyle Gene Slammer?

?: You mean me?

We saw a gargoyle girl with blue hair and had blue eyes and had the same outfits as Rose and Dahlia did.

Katrina: Long time no see Nico.

Nico: Katrina!? Whoa!

Maria: Anything we should know about you? Like your last name?

Katrina: Oh sorry. Katrina Morgan is the name. I went to school with Nico and we were in science class.

Me: And you moved to New York City and then Sevarius did this to you.

Katrina: That's right! How did you know?

Me: Same thing happened to Dahlia Carter and Rose Evans.

Katrina: So Dahlia and Rose are with you all.

Me: Yep.

Nico: We can revert you back

Me: And give you the power to change at will.

Katrina: I would like that.

Me: Okay but just so you know it's going to hurt bad.

Katrina: I'm ready.

Me: Okay. Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain as her wings vanished and her hands and feet reverted back and she was human again. She got up shaking and was back to normal.

Katrina: That hurt!

She saw what she was wearing.

She blushed.

Katrina: Oh my sorry.

Rarity: Don't worry darling we can fix this.

Rarity and the fashion brigade gave her a blue version of Rose and

Dahlia's clothes and she looked awesome.

Katrina: Wow! This is awesome!

Nico: Yep it sure does.

Lola: Yeah.

Eli: And just in time too. The Anothers we're facing are for Another Angry Chicken Wing, Angry Nashville Hot Chicken, and Angry Roast Chicken, Another Angry Cheese, Seven Deadly Hamburgers, Zeru and Beast Man.

Me: Whoa!

Qin: This is gonna be good.

Hitoshi: I'm already with you guys so I'm present for that fight.

Nico: I'm eating most of them!

Me: Go for it!

Qin: Yeah!

Camie: It will be fun.

Lola: Oh yeah.

Nico: I'm looking forward to this.

Maria: Better call them in.

Me: Okay. Eliza Taylor, Cayenne, Hari & DemiMeramon and Leanne then for these.

Nico: Good idea.

Qin: This will be fun.

Lola: Yep.

In swirls of fire and energy they came.

Eliza Taylor: Hey, guys!

Nico: Awesome you came guys.

Cayenne: Yeah.

Eli: And I sense that the Anothers minus Another Beast Man are all one person.

Me: This will be awesome and cool.

Eli: Yep.

Nico: There they are!

We saw Another Angry Chicken Wing, Angry Nashville Hot Chicken, and Angry Roast Chicken, Another Angry Cheese, Seven Deadly Hamburgers and Zeru!

Nico: WHOA! Another Angry Chicken Wing, Angry Nashville Hot Chicken, and Angry Roast Chicken, Another Angry Cheese, Seven Deadly Hamburgers and Zeru!

Me: You are definitely eating the Another Chickens and Angry Cheese.

Nico: You got that right.

Qin: Yep.

Another Angry Chicken Wing: (In a girls voice) It sure is a tasty one though.

Me: That voice!

They merged and reverted back and it was a girl with red and orange and yellow hair and she had red eyes and the symbol of the Laval was in the middle of her forehead and she had fire angel wings burning with intense flames and she had red and orange clothes and had the Laval symbol on her skirt and had a fire sword.

Me: (GASP) Phoenix Laval!

Nico: WHOA!

Phoenix Laval: Awesome to see you again J.D.

Me: You too. Phoenix is the gene-slammer of the Laval monsters as well as a powerful master of fire and she is a deadly warrior.

Nico: Wow! That is so cool!

Me: Or hot in this case.

Nico: You know what? I'm eating all of them!

Me: After we separate her. Firstly Phoenix is the Another Beast Man friendly or hostile?

Phoenix Laval: Friendly and she is a powerful animal master.

Qin: Nice!

Lola: Sorry we have to fight like this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Nico: MEAL TIME!

Nico ran and ate the Anothers and Ryo fired waves of fire and destroyed Another Zeru and I caught the ride books!

Qin: YEAH!

Maria: Time for backup! (TURNS DIAL) TOILET PLUNGER FORCE!

She summoned Toiletnator, Pooperman, Parasite Queen, Golem, Hot Wings, Edo Roshi, Gobchomplin, Haboki, The Great Mighty Poo and Potty Mouth!

Qin: Oh yeah!

Nico: Awesome!

Me: (LOUD FART TOOT)

Nico: Uch! J.D.!

Me: Pardon me!

Nico: Now, we wait. (BURPS) Oh pardon me.

Me: No worries.

Qin: Yep.

Camie: There!

We saw a figure and it was ANOTHER BEAST MAN!

Me: Another Beast Man!

Qin: This will be good.

Lola: Yep.

Another Beast Man: (In a girls voice) It sure will be fun.

Me: (GASP) That voice.

She reverted back and it was a girl with brown hair and had blue eyes and had green and brown clothes and had green angel wings.

Me: Martha Dickens!

Laney: Wow! The famous Animal Whisperer.

Martha Dickens: That's right.

Me: Yep. Martha has the power to talk to animals and she has been widely known for her animal friends helping her out in many things.

Beast Man: Wow! Just like how I can have animals help out.

Qin: Yep.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (gets out again gear) Because we can grant it instead,

Kaito got a Wizard Sword and Zocks got a Gaim Sword.

Martha Dickens: Actually know he didn't. I used my powers and had a bunch of squirrels come in and maul Swartz and I made a run for it after he put this ridewatch in me.

Me: (LAUGHS) You thought Kakashi Sensei was terrified of squirrels and Vambre too, Swartz got nightmares from Squirrels.

Sakura Knudson: (LAUGHS) Squirrels! Why did it have to be squirrels?

We laughed!

Martha Dickens: (LAUGHS) That is too true

Lola: Yeah! Sorry we have to fight like this.

Martha Dickens: No worries.

She turned into Another Beast Man!

Sougo: (gets out Wizard Ridewatch) Can your powers also work on Pokémon?

(Right-hand Ridewatch's announcement)! Armor Time! (drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Baron Ridewatch) Because we got plenty of them.

(Right-hand Ridewatch's announcement)! Armor Time! (Sengoku Driver European trumpet fanfare) Come On! Baron!)

Sougo got WizardArmor while Geiz got BaronArmor

Another Beast Man: Actually they sure can.

Me: Neat!

Qin: Awesome!

Nico: Time for some Fire Animal Power. (ACTIVATES BEAST MAN AND ZERU'S RIDEWATCHES)

He fired waves of energy and fire and blasted her down.

May: TIme for some dinosaur power! (ACTIVATES VICTOR AND SAILBACK SHARPTOOTH'S RIDEWATCHES)

May fired waves of energy and smashed her down.

Maria: Time for some darkness! (ACTIVATES SYN SHENRON AND EVIL BUNNY'S RIDEWATCHES)

She fired energy blasts and smashed her down.

Ryo: Take this too! (ACTIVATES ZERU'S RIDEWATCH)

Me: And this! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I FIRED A MASSIVE SWIRLING VORTEX OF FIRE AND LIGHT AND RYO FIRED A MASSIVE BLAST OF FIRE AND BLASTED HER DOWN!

Then Whiger, Goldar, Hammerstrike, Mr. Kittles, Gabby Gator and Cat Mummy came.

Nico: Nice team Whiger!

Whiger: Thanks Nico.

Lola: This is gonna be fun.

Then a Frosmoth came!

Me: Cool a Frosmoth!

Qin: Nice!

Frosmoth: (In a girls voice) It sure is cool.

Nico: Isabella Terrance! Wow!

She reverted back and was a girl with aqua blue hair and blue eyes and had the kanji for Ice in the middle of her forehead and she had aqua blue clothes and blue butterfly wings.

Isabella Terrance: Awesome to see you again Nico. I got this.

She fired waves of energy and blasted down Another Beast Man and I caught the Ridewatch and purified it and brought Martha over.

Me: That did it!

Ryo: Yeah! What's your favorite memory of Nico?

Isabella Terrance: When me and Nico turned the entire evil cheerleading squad into ice cubes and froze them solid and then we told the principal what they did to the nerds and they got expelled and banned from all schools forever.

Qin: Good riddance.

Lola: Yep.

Nico and Isabella hugged.

Nico: I've missed you.

Isabella Terrance: Same here Nico.

We went back home.

So, we're going to destroy them both and send The Duke of St. Carta to The Black Gates and send Valak back to Hell forever.

Lincoln: Ah, we're back in Halloween Town, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy The Duke of St. Carta.

Adriana Ardelean Dracula: (Romanian Accent) What? But, that's impossible, he was killed back in the 1100s after the Church sent its forces to kill him.

Lincoln: Well, I found out he was brought back from the dead, and here's the twist: his resurrection was at the very hands of the demon he summoned, Valak, who eventually possessed him.

Me: Valak's back, that demon who took the guise of a nun to cause chaos in the abbey?!

St. Patricia: No, not again.

Lincoln: I'm afraid so, and Valak still harbors hatred for what you did, J.D., so we're going to destroy them both and send The Duke of St. Carta to The Black Gates and send Valak back to Hell forever.

Sydney: That's right, but how are we going to find him? He could be anywhere in Halloween Town.

?: Maybe I can help you guys out in this.

Suddenly, we saw a tornado of black and orange darkness appear out of nowhere with bats, ghosts, pumpkins, black cats, and other symbols of Halloween surrounding it, and when the tornado faded, in its place was a young man with long dark brown hair, he was 8'3" in height, ghostly pale skin, orange eyes, very muscular, and he was dressed in a long black coat with bats, pumpkins, and ghosts on the coattails, orange fur for the collar, orange fur cuffs on the long sleeves, and orange fur lining on the bottom of the coattails, black boots, long sleeved black jacket with orange buttons, black collar shirt with orange gem pendant, white gloves with silver claw rings, ring with orange gem on his right ring finger, and in his hand is a Halloween-themed Mage's Staff called Pumpkin Scepter of Halloween Town Justice, it's a Halloween-themed Mage's Staff measuring at 8'5" in length with a massive orange orb perched on top of four large silver raven heads with curved sickle-shaped beaks and orange gems for eyes and on the bottom of the silver raven heads is a silver ring surrounding a large orange gem and keychain with orange gems for the links and pumpkin for the token and orange dragon coiled around one end of the long midnight black handle and on the other end are two slanted orange rings and on the other end is a pumpkin on top of four smaller silver raven heads with curved sickle-shaped beaks and orange gems for eyes on top of a large orange ring and large black split crescent weight with orange gem in it for the pommel.

Lincoln: Whoa, you scared the living daylights out of us. And who are you, stranger?

Mysterious Stranger: Oh, pardon me, where are my manners? I am Brandon Skellington, the son of Jack Skellington, The Pumpkin King.

My jaw and Nico's dropped to the floor!

CLANG!

Eli put our jaws back.

Me: Oh man! You're… Jack Skellington's… son?!

Nico: And I thought Elena Skellington, Jack's cousin, was the only human who was born in Halloween Town.

Brandon Skellington: Nope, we were both born in Halloween Town, but when Elena was eleven, she had to move to Royal Woods to keep her safe from Oogie Boogie, along with those three rotten little pranksters, Lock, Shock, and Barrel, and like Elena, I was also born with really amazing and powerful Halloween-themed and horror-themed powers and abilities, such as Pumpkin Fire, Darkness, Creating and Summoning Bats, Pumpkins, Skeletons, Ghosts, Bats, Witches, Halloween candy-themed powers, creating potions, and all sorts of other Halloween-themed powers, and I also know about Halloween from its very beginnings with The Celts, and like my cousin and father, I also despises Oogie Boogie and I've also kept an eye on Lock, Shock, and Barrel in case those pranksters are up to something.

Elena Skellington: And I haven't even forgotten of the many times you've really scared them and sent them running back to Oogie Boogie screaming in fright and dealing with nightmares for weeks.

Lincoln: Wow, that's awesome. And I wonder why we haven't met.

Brandon Skellington: Well, I'm also a student at Auradon Prep as well, and I've also still been keeping an eye on those little pranksters who are now in The Masters of Evil now that Oogie Boogie is finally gone, good riddance to that bag of bugs, and when he opened his big fat mouth that day, I wanted to go down there, set him on fire, and see every last one of his precious bugs burn alive!

Me: WHOA!

Nico: Yikes, you sure can be that scary when you get really really mad!

Brandon Skellington: True. Anyways, you're after The Duke of St. Carta who's been possessed by Valak, right? He's at The Pumpkin Patch, but it won't be easy, he's summoned demons and they've possessed the pumpkins inside The Pumpkin Patch.

Lincoln: We'll be ready for them.

We, along with our soon-to-be new recruit, Brandon Skellington, headed for The Pumpkin Patch, and just as he said, we saw a couple of pumpkins acting strangely.

Lana: How do we force the demons out?

Brandon Skellington: Leave that to me.

Brandon Skellington summoned his Pumpkin Familiar, and it fired a blast of pumpkin fire which had forced out the demons inside the pumpkins, and he fired blasts of black and orange energy from his Pumpkin Scepter of Halloween Town Justice Mage's Staff and destroyed them and sent them back to Hell.

Lincoln: Nice shot!

Brandon Skellington: Thanks. Now, let's head for The Big Pumpkin

Head, that's where The Duke of St. Carta and Valak are hiding in.

We rushed on over to The Big Pumpkin Head to confront The Duke of St. Carta and Valak and send them both to The Black Gates and back to Hell.

Suddenly, we saw a beautiful and super sexy girl with long light brown hair and yellow hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Isolde, Two Tales of The Noble Knights, in her right hand is The Sword of Hope, and with her are the four girls.

Light Brown-Haired Girl: I hope I'm not too late, but I got the girls away from The Duke of St. Carta who's been possessed by Valak before he could kill them.

Lincoln: No, you're not, Isabel Iseult, you're just in time.

?: (DEMONIC VOICE) KNUDSON!

We then saw our targets, The Duke of St. Carta, along with who's possessing him, Valak.

Sylvester: Looks like the madness is about to begin.

Then, Lincoln said the exorcism prayer in Latin, and that caused Valak to come out of The Duke of St. Carta, and then, we fired beams of black energy which hit Valak first and sent him straight to The Black Gates forever, and Lincoln fired another black energy blast which hit The Duke of St. Carta and he too was banished to The Black Gates forever. We cheered as we holstered our weapons and power down.

Me: Good riddance forever, Valak!

Nico: So, it looks like instead of sending Valak back to Hell, we decided to Black Gate him for good.

Brandon Skellington: All for the better though, Valak, like Pazuzu, does have quite an ugly grudge against you all.

Lincoln: Pazuzu still hated us even after we stopped his mayhem, but we made sure it was his last and final attempt at mayhem before we sent him to The Black Gates forever, and Valak hated J.D. for stopping him at the St. Carta Monastery and sealing the portal forever. Now, we're finally rid of Valak for good.

Me: Yeah, the Marquis of Snakes deserves it for his crimes.

Lincoln: In the same manner as Pazuzu. (To Isabel Iseult) And it's so good to see you again, Isabel Iseult.

Isabel Iseult: You too, Linky, it's been a long time.

Lincoln went up to Isabel Iseult and he hugged her, and Isabel Iseult is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Isabel Iseult: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Isabel Iseult, Gene-Slammer of Isolde, Two Tales of The Noble Knights, she's my Guardian Angel from Michigan and she's a very powerful wielder of light magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Isabela Iseult is also a direct descendant of Iseult, the name of several characters in the legend of Tristan and Iseult. The most prominent is Iseult of Ireland, the wife of

Mark of Cornwall and lover of Tristan. Her mother, the queen of Ireland, is also named Iseult. The third is Iseult of the White Hands, the daughter of Hoel of Brittany and the sister of Kahedin.

Me: I knew it.

Melanie Artorgius: Yep, and Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Isabel Iseult hates that jerk, Lewis Travolta, with a very blazing passion. One day, Isabel Iseult and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lewis Travolta, and he'd brought with him an army of thugs he hired. Isabel Iseult and Lincoln went out there along with the rest of us, and they'd slain them with her greatsword. It drove that fat moron into a blood-crazed fury, but before he could get after us, Lincoln and Isabel Iseult fired chains of light magic which bound that moron and tied him up. Lincoln called his family and his sisters and told them of what he tried to do, and needless to say, everyone wanted his head on a pike! But Lincoln wasn't surprised, that jerk tried to kill me many times in the past, but in the end, his plan failed, and Lewis Travolta got sent back to prison, and to make sure that he didn't try to get revenge, Isabel and Lincoln casted a spell to prevent that jerk from coming back because messing with the descendant of Iseult and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: What a moron.

Lincoln: He really didn't know when to quit, and just kept coming back for more. He was such a total glutton for punishment, it wasn't even funny, all of Royal Woods were really getting tired of him and his schemes of ripping off and trying to destroy restaurants, and they prayed that one day, he would be outed and made into a total outcast and pariah.

Me: And that day came when we captured him and sentenced him to our Humiliations as fodder for good.

Lincoln: And we can also thank the additional help of my Guardian Angels gathering tons of evidence on his numerous crimes and that made him the most hated person in the entire Michigan area and the world. And now that you're here, Isabel.

Lincoln went up to and hugged Isabel Iseult in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Isabel Iseult: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Isabel Iseult's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Isabel Iseult: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Isabel Iseult.

Isabel Iseult had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the four girls, and when Lincoln saw who they were, they immediately recognized them. The four girls are Marie Mamiya, Marina Morimura, Maki Suzuka, and Reia from Great Deceiver.

Lincoln: Oh wow, it's Marie Mamiya, Marina Morimura, Maki Suzuka, and Reia from Great Deceiver.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Marie Mamiya: Yes, we're okay, thanks to you.

Then, when Marie Mamiya and the other three girls saw who it was that saved them from The Duke of St. Carta who was also possessed by Valak,, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty

Marie Mamiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Marie Mamiya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marie Mamiya, Marina Morimura, Maki Suzuka, and Reia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was The Duke of St. Carta, the 12th century Satanic worshipper who personally built and lived in the castle in Transylvania, Romania, that would eventually become the Cârța Monastery, and also, the one responsible for summoning Valak before he was eventually killed. But, they found out from us that he was brought back from the dead and was possessed by the very demon who he summoned, Valak, who was also out for revenge on me for sending him back to Hell.

But, when Lincoln showed what happened such as us meeting Brandon Skellington, the son of Jack Skellington and cousin of Elena Skellington and guiding us to The Pumpkin Patch which was where The Duke of St. Carta and Valak were, and then, all of us beating down the possessed Satanic worshipper and Lincoln using the rites of exorcism which forced Valak out, and then, we finished them off by firing black energy blasts that sent them both to The Black Gates forever, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Isabel Iseult have a lot of catching up to do now that she's back in town.

Maria: I can't believe it, so not only were you guys facing The Duke of St. Carta, but you were also facing Valak who possessed him in his attempt to get revenge, sheesh!

Lincoln: Yeah, and just like Pazuzu, Valak really hated us, but all that hate was for J.D. But, in the end, thanks to help from Brandon Skellington, we sent them to The Black Gates forever.

Brandon Skellington: They were really making a mess of The Pumpkin Patch, it was much worse than the whole affair of Oogie Boogie taking over Halloween Town and causing chaos there.

Nico: Yeah, and because of your actions, you're now a new member of Team Loud Phoenix Storm, Brandon.

We made Brandon Skellington a new member of the team, and it's going to be awesome having the son of Jack Skellington in the team.

---

After putting an end to The Duke of St. Carta and Valak and sending them straight to The Black Gates for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Isabel Iseult saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Isabel Iseult: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Isabel, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Isabel Iseult: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Isabel Iseult: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Isabel, what memories did you have with Lincoln?

Isabel Iseult: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of deadbeat in the air, and we saw who it was coming after us: it was Lewis Travolta, Royal Woods' gluttonous jerk, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lewis Travolta, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lewis Travolta once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Lewis Travolta, and they brutally beat his butt into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Lewis Travolta after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set that jerk off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that moron always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: He really is a moron and a loser, and what he's done proves just what kind of a jerk he is, but we stopped him and we have him being used as humiliation fodder for eternity.

Nico: Either way, Lewis Travolta's no longer going to cause trouble for anyone. But, his musclebound thugs along with the musclebound thugs of the other jerks who are still out to kill us, well, we'll leave that to Lincoln.

Selene Emperyous: Yep, leave that to our resident powerhouse angel, he'll grab them and suck out their muscle mass, virility, and strength and leave them as skinny rakes and weaker than a tree branch.

We got a shower, and then, Lincoln, Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made her go insane with anger, until Lincoln fired energy blasts at that bitch and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that bitch has sent more muscle-bound thugs to kill them.

Amusi Howling Performer: Ah, so this is Seaside Hill, it truly is beautiful.

Lincoln: It sure is, Amusi Howling Performer, and it's perfect for our first date. Shall we?

Lincoln, Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Icky Vicky coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc and they hugged them in their abnormally massive and powerful muscular arms, and Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc are in your harem.

Jenna: Icky Vicky had some nerve trying to kill them, that bitch is just making things much worse for herself.

Serena Logan: I always knew that child-despising, destructive, pure evil bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Amusi Howling Performer, Centaur Mina, Chemical Cure Purple, and Oracle King d'Arc, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, the bitch has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you bubble-butt bitch!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU PSYCHOPATHIC FIRE-BREATHING BITCH!

Suddenly, the Beads of Subjugation on Icky Vicky's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

Walking through Gotham Royal York forest was me, Nicole and Shelley and we were heading out to find the cave where Shelley's devil stepmother buried all her inheritance.

Nicole: I actually remember seeing this cave a while back. I've always wanted to check this out.

Me: Me too.

Shelley Paddington: It'll be worth it to get my inheritance.

Me: Yep.

We arrived at the cave entrance.

Me: This is it.

Shelley Paddington: (GULP) Looks like a scary place.

Nicole: Well here we go.

We went into the cave and it was a dark place and it went deep into the earth. The cave was geologically amazing and beautiful and it took a really long time to form it.

Me: Wow! (Echoing)

Nicole: What a cave.

Shelley Paddington: It really is incredible. It must've taken a really long time to form it.

Nicole: Just what I was thinking.

Then we went down further into the cave and we then came across a door.

Me: That's the door I saw.

Nicole: Interesting.

Me: There has to be a button somewhere.

Shelley Paddington: Lets see.

She went and patted the wall and then pressed a handprint and then the wall opened!

Me: Paydirt!

We went in and saw THE TREASURE! The Inheritance was actually a massive ancestral treasure that Shelley's evil stepmother and ancestors have gathered over the eons and it was worth a massive amount of money! There were tons of piles and piles of tons of gold, diamonds, jewels, gold bars, coins and more.

Shelley Paddington: WHOA!

Nicole: What a treasure!

Me: Wow! Shelley all this is yours!? This is amazing!

Shelley Paddington: This is more than just my inheritance! This is a Kings Ransom!

Me: No kidding! Lets load up.

We went and loaded all the treasure into a scroll and got out of there.

Later we used the money Shelley got to move to the estate and we built a huge house in the park at the Estate for her and her little sister who was made miserable in her home and we set up a memorial for her father.

At Lynn's Table we were having and awesome all you can eat buffet made courtesy of Timmy Turner's mom.

Sweetie Belle: That looks tasty!

Timmy's Mom: It's my awesome all you can eat buffet for Superstars.

Me: Oh boy!

Nico: LETS EAT!

We got to eating and it was ALL DELICIOUS!

Fluttershy: Thank you, Mrs. Turner!

Timmy Turner's Mom: You're welcome Fluttershy.

We got an awesome and amazing meal.

We all later had REALLY FULL Bellies.

Me: Ahh! Boy that was awesome. (LOUD BELCH!) Oh pardon me.

Qin: Boy that was so delicious.

Nico: Man that was so good.

Crumplezone: That was so good!

Me: No kidding.

Qin: Boy I am stuffed!

Eli: Me too.

Then sounds of fighting were heard and we saw Lincoln's Guardian Angels tearing Flip apart and more.

Xenia: OUCH!

Horsea squirted ink at him.

Right into his eyes.

Lola: Yeah!

Qin fired her Stupidity Ray and it made Flip dumber than a sack of diapers!

Patrick went up to him and Flip had a stupid grin on his face.

Patrick: Hey Flip.

Flip: (STUPIDLY) Hey Patrick!

Patrick: Hey Flip could you give me change for a Quarter?

Flip: No problem!

BINK BONK CHACHING!

Flip pulled out a boatload of money from his pants and gave it to him.

Flip: Here you go.

Patrick: Thanks!

Manaphy: You better share that!

Patrick: Oh I will.

He gave us a lot of the money.

Msnaphy bashed Flip all over.

Lola: Yeah!

Then a Stonjourner came and squished Flip flat!

Nico: Whoa a Stonjourner!

Qin: Cool!

Stonjourner: (In a girls voice) Flip is a total idiot now.

Nico: Abigail Stone!? Whoa!

She reverted back and was a girl with orange hair and had brown clothes and a strong physique.

Abigail Stone: This guy had it coming.

Bluestreak: What's your favorite memory of Nico?

Abigail Stone: When me and Nico were lifting weights and I lifted up 5,000 points and then I dropped the weights on a Queen BEe girl's foot and she got every single bone in it broken.

Me: Ouch!

Qin: Yeah that really hurt.

Lola: Yep.

Nico and Abigail hugged.

Nico: I've missed you.

Abigail Stone: Same here Nico.

Valon: (Australian Accent) That was good eating, mates!

Me: Boy you said it Valon.

Qin: Yeah that was awesome.

Laney: Boy we are stuffed.

Lola: Yeah.

The Previous group came

Whirlin: Can me, Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Stonedozer, Iceage, Magma, and 10,000 Volt Ghost go with you guys?

Nico: Yes you can come with us.

Laney: Awesome.

Qin: Yeah

Freon: Nico, which Gene Slammers do you think you'll meet next?

Nico: Eiscue, Indeedee and Morpeko

Me: Ooh those look awesome.

Qin: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Sarousch, the leader of the circus troupe, Le Jour d'Amour, and he's back for revenge on Quasimodo and Esmerelda. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, okay, I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than Sarousch, the leader of the circus troupe, Le Jour d'Amour, and he's back for revenge on Quasimodo and Esmerelda.

We gasped.

Lola: Oh man, that means Quasimodo and Esmerelda are in big trouble with that thief.

Me: Yeah.

Nico: Saroush, isn't he that master criminal who tried to steal Notre Dame's most beloved bell, La Fidèle?

Lincoln: Yep.

Sly Cooper: And there's a reason why: the inside of the bell of the cathedral is decorated with beige-gold and enormous jewels.

Marinette: Trying to steal the cathedral's most beloved bell and all for the jewels that decorate the inside of it?! It's unforgivable!

Lincoln: It sure is. We're going to make that criminal pay for his crimes and send him straight to the établissement pénitentiaire.

Me: French for prison, nice!

Nico: A perfect place for a thief like him.

Qin: Yep.

Nico: First we'll watch the Second Hunchback of Notre Dame movie and then head out.

Qin: Yeah.

Lola: Good idea. I'll get the popcorn.

Laney: Okay.

Vypra: This one has no Frollo in it

Me: That's good. Last thing we want is for everyone to face that Blasphemous Heretic again.

Xenia: Yeah.

We got to watching the movie.

* * *

Some years after the events of the original film, Captain Phoebus serves as Paris' Captain of the Guard under the new Minister of Justice, while he and Esmeralda are now married and have a son named Zephyr. Quasimodo is now an accepted member of Parisian society, though he still lives in Notre-Dame de Paris with his gargoyle friends Victor, Hugo, and Laverne as the cathedral's bell-ringer.

A circus troupe led by Sarousch enters town as part of "Le Jour d'Amour" ("The Day of Love"), a day dedicated to the celebration of strong and pure romantic love. Sarousch is secretly a master criminal who plans to steal Notre Dame's most beloved bell, La Fidèle, the inside of which is decorated with beige-gold and enormous jewels. He sends Madellaine, an aspiring trapeze girl in his troupe, to go to Quasimodo and pretend to love him in order to discover the whereabouts of La Fidèle.

Madellaine encounters Quasimodo without seeing his face, and the two of them initially get along quite well. Once Madellaine actually sees his face, she is shocked at his deformed appearance and runs away from him. The gargoyles convince Quasimodo to go to the circus to see her again. At the circus, Sarousch captures the audience's attention by making an elephant disappear, while his associates steal from the audience. He pressures Madellaine to follow Quasimodo and obtain the information he needs for his plans. When Madellaine disagrees with this mission, Sarousch reminds her of her past and of the loyalty she owes him: when she was six years old, Madellaine was an orphaned thief who was caught trying to steal coins from Sarousch. He could have turned her over to the authorities or even Frollo; instead, Sarousch took her under his wing and decided to employ her in his circus.

Madellaine reluctantly takes the mission to win Quasimodo's trust. After observing Quasimodo fondly playing with Zephyr around town and letting the boy sleep in his arms, Madellaine realizes the hunchback's true nature and ceases to be frightened by his appearance. Quasimodo takes her sight-seeing around Paris. A thunderstorm and the rain force them to end their date and return to Notre Dame. Quasimodo takes the opportunity to offer Madellaine a gift, a figurine in her own image which he created himself earlier. A sincerely touched Madellaine kisses him on the forehead and leaves. Quasimodo soon realizes that he has fallen in love with her.

Meanwhile, Phoebus is investigating reports about robberies in his city. He suspects that the circus is responsible for the crime spree and confides to his family and friends, but Esmeralda expresses her belief that Phoebus is motivated by his own prejudice against the circus. Elsewhere, Sarousch instructs Madellaine to keep Quasimodo preoccupied while the circus steals La Fidèle. However, Madellaine has come to genuinely care for Quasimodo and protests, so Sarousch threatens to have Quasimodo killed if she refuses. Phoebus eventually questions Sarousch about the robberies and finds a stolen jewel in his possession. To avoid being arrested, Sarousch claims that Madellaine is a lifelong thief and that he is covering for her crimes. Phoebus seems to believe him.

Later, while Quasimodo is out with Madellaine, Sarousch and two of his subordinates sneak into the cathedral and steal La Fidèle, although they are followed by Djali and Zephyr, the latter of whom wanted to join the circus. The gargoyles try to stop the thieves, but end up trapped under another bell; Laverne still sounds the bell and alerts everyone that something is amiss at the cathedral. Hearing the sound, Quasimodo and Madellaine rush back. When the Archdeacon informs everyone that La Fidèle has been stolen, Clopin claims that if they do not find the bell, the festival will be ruined. Phoebus realizes that Sarousch has played him for a fool. He sends the soldiers all over Paris to find Sarousch. Quasimodo realizes that his beloved Madellaine has deceived him (despite her pleas that she did not intend to) and angrily breaks off their relationship. He retreats deeper into the cathedral, feeling heartbroken and betrayed.

Phoebus has his guards arrest Madellaine for her involvement in the theft. The gargoyles soon inform Quasimodo that Zephyr has left to pursue Sarousch. He passes the information on to Esmeralda and Phoebus, who now have personal reasons to locate the master criminal. Madellaine, now a prisoner of Phoebus, apologizes for her crimes and informs them that Sarousch has taken the missing bell to the Catacombs of Paris and tries to explain the secrets behind her former master's tricks and illusions. Phoebus decides to search around the catacombs, and reluctantly brings Madellaine after Esmeralda convinced him that she could change. In the Catacombs, the search party encounter Esmeralda's pet goat Djali, who leads them to Sarousch and Zephyr. Sarousch has taken the boy hostage and blackmails Phoebus into opening a gate for him. Madellaine pleads with Quasimodo to release her, promising to make up for her crimes. After he does, she uses her high-wire skills to rescue Zephyr and reunite him with his parents. With no leverage against his pursuers, Sarousch and his group of criminals are arrested, and the missing bell is recovered.

The festival can finally take place. Hugo finally wins the heart of Djali, his longtime crush. A number of romantic couples, including Phoebus and Esmeralda, proclaim their love for each other while Quasimodo rings the restored La Fidèle. The bell falls silent when a released Madellaine joins Quasimodo in the bell tower. The two of them admit their own love for each other and share their first romantic kiss, while Zephyr takes over ringing La Fidèle.

---

We were in awe and even happy for Esmeralda & Phoebus as well as Quasimodo and Madellaine and even Hugo and Djali. When the movie was done we cheered wildly for it.

Marinette: That was so awesome and cool!

Lola: It sure was!

Joan of Arc: I agree there.

Camie: That was a really fun movie.

Qin: So our target is Sarousch.

Me: Yep.

Camie: What does it say about him?

Me: Lets see.

I pulled up his history.

---

Sarousch is the main antagonist of Disney's 2002 film The Hunchback of Notre Dame II: The Secret of the Bell, the sequel to Disney's 1996 film The Hunchback of Notre Dame.

He is the selfish, unscrupulous, greedy, deceitful, traitorous and narcissistic owner of the Cirque de Sarousch, a traveling circus that uses carnies to rob the spectators blind.

He was voiced by singer and actor Michael McKean, who also played Mr. Dittmeyer in The Brady Bunch Movie, Bill Case in Casper: A Spirited Beginning, Emperor Zing in American Dad!, Elias Grace in Law & Order, Chuck McGill in Better Call Saul, Horace in the 101 Dalmatians franchise, Snow Miser in The Year Without a Santa Claus, Ian Peek in Batman Beyond and LG Algae in The Angry Beavers.

Years ago, when a starving street preteen girl named Madellaine attempted to steal from Sarousch and begged not be turned over to the authorities, Sarousch agreed that, in return for food and a place to stay, the girl would work as his assistant in magic acts.

One day, the Cirque de Sarouch arrives in Paris to steal La Fidele, a priceless and jewel-encrusted bell. Sarousch sends Madellaine, now a beautiful young woman, to search Notre Dame and find out which bell is La Fidele. When Madellaine returns and tells him that she does not want to go near the tower again because she met the hideous bell-ringer named Quasimodo, Sarousch blackmails her into helping by reminding her of their deal.

During the circus' first show, the performers steal jewelry and gold from the audience while they watch Sarouch's disappearing act. Sarousch then sends Madellaine once again to find out about La Fidele, which she does by going out on a date with Quasimodo into the Church of Notre Dame. During the date, Madellaine sees Quasimodo's kindness and begins to fall in love with him.

The next day, Sarousch has Madellaine take Quasimodo for a walk while he and his men steal La Fidele. When she attempts to stand strong and refuse her master, he threatens to harm Quasimodo if Madellaine does not obey.

Phoebus (who is investigating the missing jewelry and gold) comes to Sarousch's tent and finds some of the stolen goods. Sarousch lies by saying that Madellaine is responsible, claiming that she is a born thief. Phoebus is easily duped by Sarousch and leaves to go find Madellaine. Sarousch then goes with his men to the Cathedral to steal La Fidele, but unknown to him, Phoebus and Esmeralda's young son named Zephyr, and pet goat named Djali, has followed them to the Cathedral and witnesses their thievery. The duo secretly follow them onto Sarousch's boat underground.

When Sarousch discovers Zephyr and Djali, he takes Zephyr hostage. However, Djali manages to escape and runs off to go and find Esmeralda, Phoebus, Quasimodo, and Madellaine. When Djali brings them to where Sarousch is, Phoebus closes the gates to the entrance of the under-bridge and orders Sarousch to give up, but the magician shows that he has Zephyr and threatens to hurt him if

Phoebus does not let him pass safely. Phoebus grudgingly opens the gate and allows Sarousch to pass, but just as Sarousch is about to escape with Zephyr, Madellaine has a little help from Quasimodo, so she manages to stop him by using her tightrope skills to rescue Zephyr while Phoebus' guards arrest Sarousch and his men for their villainous actions.

Sarousch unsuccessfully tries to talk his way out of being arrested, begging that he could perform circus acts for birthdays. However, he is ignored and sent with his men aboard a carriage to prison. It is unknown what happened to Sarousch after this, but it is completely likely that he was given a life sentence and spent the rest of his days in prison or was executed under Phoebus' orders for the kidnapping of his son.

---

When it was done we were shocked and horrified!

Me: At least he isn't as evil as Frollo was.

Nico: That's good. We'll have him sent to prison and then later on in the future we'll have him put in the M.O.E. Ranks.

Vypra: Good idea. I was about to say the same thing.

Qin: What was his punishment going to be back then?

Me: Well back in those days in the 16th century they hanged people like that for Theft.

Xenia: Geez!

Qin: Yeah.

Donna Diego: Let's get going.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure was none other than The Egypt 9 Glory Gods, an elite task force of dangerous assassins and another group of Dio Brando's minions, and they are out for revenge on Lincoln for what he did to Dio Brando. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and it's not good. Jolyne, you and your friends aren't going to like it one bit: the figure we sensed belongs to The Egypt 9 Glory Gods, an elite task force of dangerous assassins and another group of Dio Brando's minions, and they are out for revenge on me for what I did to Dio Brando.

Jolyne and her friends who are in Lincoln's harem gasped.

Jolyne: Oh man, not those bastards! I thought we were rid of them.

Nicole: I can guess not.

Dana Orichalcum: Let me and Lincoln face them, it's been a long while since I've sent a group of evil assassins to The Black Gates.

Lincoln: Uh oh, The Dark Angel of the Orichalcos is about to claim the lives of more villains.

Me: We're about to see that for ourselves.

Nico: (Gulps) Oh man, this is something that we've got to see for ourselves, and we can guess that it's going to get really really violent. Alright, gang, let's head to Paris and take down Saroush and his gang of criminals.

Lincoln: Saroush and his gang of criminals are heading back to prison, and this time, they're never ever coming back, and once we get done with taking down Saroush and his gang, you're next, Egypt 9 Glory Gods.

Dana Orichalcum: Prepare yourself, Egypt 9 Glory Gods, The Dark Angel of The Orichalcos is coming for you. Your crimes against the world and what you've done in Dio Brando's name can never ever be forgiven, now, right here right now, we shall claim your miserable lives and send your souls into the blackest depths of Hell!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Paris to battle Saroush and his criminal gang, and once we were done with those criminals, Lincoln and Dana Orichalcum are going to destroy The Egypt 9 Glory Gods, the shadow of death is about to descend on them, as The Dark Angel of The Orichalcos is about to claim the lives of more irredeemable villains.

We were off to 16th Century France in the world Of The Hunchback of Notre Dame.

---

We arrived in the world of The Hunchback of Notre Dame in Paris in 1511 AD.

Me: Paris, France - 1511 AD.

Me: Wow.

Aqueduct: I wonder how things have changed without Frollo.

Qin: Looks like everything is doing good.

We saw the people of Paris and even Gypsies living together in peace and love.

Me: This is awesome that Frollo is dead and is no longer after people like Esmeralda.

Xenia: Thank goodness.

Joan of Arc: That blasphemous heretic had it coming for all the terrible crimes he did against the people of Paris and against God.

Nico: Yep.

Me: And the best part is that Quasimodo is a hero and no longer an outcast.

Xenia: Yep.

Blaster Tron: Scanning for other changes following Frollo's demise.

He scanned.

Blaster Tron: Scans show that Phoebus is Captain of The Guard, Esmeralda and Phoebus have a son and love is in the air.

Me: And everyone is so happy.

We heard the ringing of the bell La Fidèle and we saw it being rung in the cathedral by Quasimodo and Madellaine.

Me: Wow that bell is beautiful.

Lola: Yeah!

Nico: Now I see why Sarousch was after it. It's a solid gold bell and the inside is lined with jewels.

Qin: (WHISTLES) That is a very coveted bell for all kinds of greedy people.

Mirror Master: Do they still have the Festival of Fools?

Nico: I'm sure they do. But this is the festival for Le Jour d'Amour.

Marinette: The Day of Love. It's like the French Festival for Valentines Day.

Qin: Wow!

Nico: Yeah.

Lola: So awesome.

Flash Man: You guys wanna get a croissant to eat?

Me: After a huge meal at Lynn's Table I'm not eating for the rest of the day.

Nico: Me neither. I'm so full.

Quasimodo and Madellaine saw us.

Quasimodo: Hey guys!

They jumped down and came to us.

Me: Awesome to see you Quasimodo!

Quasimodo: You all are looking great.

Me: So are you.

Madellaine: Wow! Team Loud Phoenix Storm it's an honor.

Me: You too Madellaine.

Madellaine: I heard so much about you and how you all killed Frollo.

Eli: That was so awesome and fun.

Me: And full of bloody retribution.

Magma: Got any croissants to eat?

Flash: I'll get some for you guys.

ZOOM!

All of us groaned.

Me: Sorry we had a huge meal at Lynn's Table and we are really stuffed.

Quasimodo: Boy I can tell.

Flash gave the M.O.E. Members croissants.

Magma: Actually we're the ones hungry.

Me: True. But man that was a good meal though.

Magma: Boy I can tell.

Madellaine: I love all your adventures and they are so amazing.

Me: And some of the most epic.

Impact Man: Did you even hear about badass Kairi?

Madellaine: I sure did and how she kicked Porcupongo's butt like that and even nailed that Akahoshi fella in where the sun doesn't shine.

We laughed!

Qin: (LAUGHS) That was awesome!

Kairi: Yeah.

Me: Show her Kairi.

Kairi: Okay.

She used a spell and turned into BADASS KAIRI! WATCH OUT!

(BAD TO THE BONE BY GEORGE THURSTON PLAYS)

10,000 Volt Ghost: Here she is!

Kairi: You better watch out or I'm gonna wail on your ass like a Dodo Bird stomping on your back!

Qin: Nice!

Madellaine: Wow! Black is awesome on you Kairi.

Kairi: Glad you like the duds.

Then she saw a thief running towards her.

Kairi: Watch.

She went at the thief and punched him hard in the stomach and knocked him down and sat on him and pulled hard on his leg and he pounded the ground and cried like a baby!

Kairi: GIVE THAT MONEY BACK!

He was crying hard as he was pounding the ground!

Kairi: DO IT!

Me: For heaven's sake in the name of humanity just do it!

Thief: OKAY OKAY!

He did so.

We tied him up.

Kairi: Good boy.

Madellaine: That was awesome!

Kairi: Thanks.

She turned back to normal.

Notacon: Right now, we have an admittingly less vile problem.

Madellaine: Don't tell me. Sarousch Is back.

Me: How did you know?

Madellaine: Quasimodo told me all about all the adventures you guys had and how so many villains you faced over the years returned.

Nico: That's true.

Quasimodo: But it's good you guys are here.

Me: Yep.

Iceage: You know what he's after right now, right?

Quasimodo: Yeah. He's back to finish what he started and steal La Fidèle.

Me: No way are we going to let that happen.

Phoebus, Esmeralda and Zephyr came.

Phoebus: It's good you guys are here.

Me: Like we would miss this for anything.

Esmeralda: That is for sure.

Zephyr: I love all your adventures and you guys are my heroes.

Me: We're honored Zephyr.

Sunny Tennyson: Did you also hear about the part where Spankulot spanked Quasimodo's tormentors?

Zephyr: I sure did and man were their butts really hurting. Was it really that painful?

Me: Oh yeah. Their butts were stinging bad to the point where they had to amputate their buttcheeks from so much pain.

Zephyr: Ouch! But they had it coming for messing with Quasimodo!

Quasimodo: The guy looks up to me.

Me: Boy he sure has a lot of admiration for you.

Stonedozer: Have any of the guards spotted Sarousch?

Phoebus: They sure have.

Eli: I sense him.

He concentrated and found him as a cloaked figure and he was about to rob an innocent old woman blind.

Me: Boy that was easy.

Gargoyle: We're ready for anything up his sleeve.

Me: He's a greedy thief.

Nico: Lets get him! Entrance time!

We went at him.

Just as Sarousch was about to swipe a bag of gold from her the spirits of the angels came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out.

Me: Sarousch you're under arrest!

Sarousch: How did you know it was me!?

Evil Seed: We saw what you were about to do!

Me: Now it's time for the beatdown of your life!

I fired waves of jewels and blasted him all over.

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a powerful blast of lightning and electrocuted Sarousch!

Magma Man: Shocking, ain't it?

Me: Yeah!

Qin: Yep!

I fired waves of fire and burned him all over.

Laney: Yeah! Take that!

Dai Gui: We're just getting started!

Sarousch: So am I! That bell is mine!

Lola: Not on our watch!

Laney: Yeah!

Sarousch: I'm a reasonable man unlike Frollo. Just hand over the bell and I'll be on my way.

Maria: Sorry. No can do

Qin: Not gonna happen.

Nico: Yeah.

May: You're just gonna have to take it from us!

Sarousch: Gladly!

Me: If you can get passed us and that will not be easy.

Then Robo Roxy, Gentleman Ghost, Evil Green Ranger, Vreedle Brothers, Dark Spicer, Koragg, Wiggum, Chalmers, Springfield Mafia, and Key came.

Nico: Yep. So, Isabel, what memories did you have with Lincoln?

Isabel Iseult: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of deadbeat in the air, and we saw who it was coming after us: it was Lewis Travolta, Royal Woods' gluttonous jerk, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lewis Travolta, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lewis Travolta once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Lewis Travolta, and they brutally beat his butt into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Lewis Travolta after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set that jerk off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that moron always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: He really is a moron and a loser, and what he's done proves just what kind of a jerk he is, but we stopped him and we have him being used as humiliation fodder for eternity.

Nico: Either way, Lewis Travolta's no longer going to cause trouble for anyone. But, his musclebound thugs along with the musclebound thugs of the other jerks who are still out to kill us, well, we'll leave that to Lincoln.

Selene Emperyous: Yep, leave that to our resident powerhouse angel, he'll grab them and suck out their muscle mass, virility, and strength and leave them as skinny rakes and weaker than a tree branch.

We beamed Saroush and his gang back to prison, and this time, they'll never break out ever again.

Nico: You got that right. Awesome job, gang, we've taken down Saroush and his gang for good.

Lincoln: Now, there's only one thing left to do and one loose end to tie up: The Egypt 9 Glory Gods.

Lincoln: (GROWLS) I always knew there was no mistaking that voice from anywhere, you better get out here right now, Egypt 9 Glory Gods, before I I threaten to blast you out!

Nine figures came out, and they were none other than The Egypt 9 Glory Gods, an elite task force of dangerous assassins and another group of Dio Brando's minions.

N'Doul: You will never leave this place alive, you must pay for what you did to Lord Dio!

Dana Orichalcum: The only ones who are going to pay are you nine bastards for serving that crazy world domination-crazed vampire!

Suddenly, Dana Orichalcum's blood red eyes turned neon blood red, and she was surrounded by a black and red energy aura with stars, darkness, Orichalcos Monsters, and angels, she unholstered her massive greatsword from her back, and as she approached The Egypt 9 Glory Gods, she left black and red energy, stars, darkness, Orichalcos Monsters, and angels with every step.

Dana Orichalcum: You nine bastards think that you can come here and try to get revenge on Lincoln for your fallen master?! As if, your insane master got what he deserved along with many of your evil master's minions, the crimes that you nine have committed against mankind can never be forgiven, Egypt 9 Glory Gods, and for trying to kill Lincoln, you have forfeited your lives!

Suddenly, Dana Orichalcum was surrounded by a massive vortex of black and red energy with stars, darkness, and negative energy surrounding the vortex, there are angels, The Orichalcos Monsters, and The Great Leviathan flying around the vortex, and in the vortex is a red phoenix with the symbol of The Orichalcos on its stomach and blood red eyes glaring at The Egypt 9 Glory Gods: the red eyes of eternal death. Then, as the vortex faded, Dana Orichalcum emerged, but she was changed forever.

Suddenly, Dana Orichalcum' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she'd transformed into her most powerful and and most incredible transformation ever!

Dana Orichalcum has transformed into SUPER ANGEL-ORICHALCOS MONSTERS- ORICHALCOS GODDESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ORICHALCOS GODDESS COSMIC DARKNESS ORICHALCOS MONSTER GODDESS ANGEL OF DIVINE ORICHALCOS GODDESS COSMIC DARKNESS ORICHALCOS MONSTER GODDESS ANGEL JUSTICE AND DIVINE ORICHALCOS GODDESS COSMIC DARKNESS ORICHALCOS MONSTER GODDESS ANGEL LOVE!

We were really amazed by Dana Orichalcum's Super Angel-Orichalcos Monsters-Elemental HEROS Neos Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Egypt 9 Glory Gods saw it, they flew into a rage and summoned their stands and fired blasts of energy at her to kill her, but Dana Orichalcum fired a massive barrage of black and red energy blasts with stars, darkness, negative energy, Orichalcos Monsters, and angels at The Egypt 9 Glory Gods which destroyed their energy blasts and they exploded as they hit them, they got back up, but that really pissed them off now.

Nico: (GASPS) Oh, no way, oh man, Dana Orichalcum transformed!

Michelle Emperyous: Oh man, this is going to get ugly!

Lincoln: She's transformed into her Super Angel-Orichalcos Monsters-Orichalcos Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, she's really changed that much since the last time I saw her, and now, she's about to unleash her full fury on The Egypt 9 Glory Gods.

Dana Orichalcum: (Divine Echoing Godly Voice of The Eternal Cosmic Orichalcos Monsters Goddess Angel and Divine Eternal Cosmic Orichalcos Goddess Angel Love) And see to it they never returns. Now, let's tear them apart, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship

Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Dana Orichalcum.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You nine don't deserve to live a single second further, and I'm going to enjoy taking your Stands and absorbing you nine!

Lincoln and Dana Orichalcum went after The Egypt 9 Glory Gods, and they fired extremely powerful blasts of rainbow energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Egypt 9 Glory Gods and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Dana Orichalcum also attack them with punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving The Egypt 9 Glory Gods even madder than ever.

N'Doul: You… , YOU! WE WILL KILL EVERY LAST ONE OF YOU!

Alessi: NO ONE MAKES A FOOL OUT OF US AND LIVES!

The Egypt 9 Glory Gods ran at Lincoln, only to have Lincoln run at The Egypt 9 Glory Gods and as he drove his massive greatsword into their stomachs, and he began sucking out and absorbing their Stands, Geb, Khnum, Thoth, Anubis, Bastet, Sethan, Osiris, Horus, and Atum, and he made them his own adding them to his collection of Stands. Then, he turned eight of his tails' tips into Cell's Stingers and then, he stabbed them into the chests of N'Doul, Oingo, Boingo, Mariah, Alessi, Daniel J. D'Arby, Pet Shop, and Terence T. D'Arby and they screamed in pain as he began absorbing them and he was growing stronger and stronger. Then, as soon as he was done absorbing them and the stinger change back, all that was left of the eight members of The Egypt 9 Glory Gods were their clothes. Then, nine energy cards with their souls in them appeared in his large left hand.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really think I'm just going to banish you nine to The Black Gates? Oh no, you're not getting off that easy.

Lincoln sent them to The Masters of Evil's HQ and condemned them to eternal servitude to The Masters of Evil.

We cheered as Dana Orichalcum and Lincoln holstered their massive greatswords on their backs and powered down, and Dana Orichalcum's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Dana Orichalcum: Enjoy eternal servitude to Vypra. Thanks for helping me destroy The Egypt 9 Glory Gods, Linky.

Lincoln: (Smiles Warmly) You're welcome, Dana.

Suddenly, Dana Orichalcum wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Dana Orichalcum's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Orichalcos Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Dana Orichalcum absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fearsome fight against The Egypt 9 Glory Gods, Lincoln, Dana, you two really showed them no mercy, and that was a smart move you made: sucking out and absorbing their Stands including the lone Stand, Anubis, and then, using Cell's absorption on the other eight members.

Lincoln: They really thought they could try to get revenge for their master and not expect any sort of retaliation from me? They really underestimated me.

Me: They sure did, and now, they've been condemned to eternal servitude to The Masters of Evil.

Nico: You got that right. So, Lincoln, which Noble Knight Gene-

Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Lady of the Lake.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Lady of the Lake, Nimue Viviane, and you guys are going to love meeting her, Nimue Viviane is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light and water magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Nimue Viviane is also a direct descendant of The Lady of The Lake.

We gasped.

Me: The Lady of The Lake, the mysterious woman who provided Arthur with the sword Excalibur, eliminated Merlin, raising Lancelot after the death of his father, and helping to take the dying Arthur to Avalon

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her an aqua blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Nimue Viviane hates those buttfaces, Pablo and Anderson, with a very blazing passion. One day, Nimue Viviane and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Pablo and Anderson, and they'd brought with them an army of musclebound thugs they hired. Nimue Viviane and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove those buttfaces into a blood-crazed fury, but before they could get after us, Lincoln and Nimue Viviane fired chains of light magic which bound those buttfaces and tied them up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted their heads on a pike!

Me: Should've known they would do something like this.

Lincoln: I know, but I wasn't surprised, those morons tried to kill me many times in the past, but in the end, their plan failed, and we called the cops and they were sent to jail, and to make sure that they didn't try to get revenge, Nimue and I casted a spell to prevent those buttfaces from coming back.

Me: Yeah, messing with the descendant of The Lady of The Lake and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Those buttfaces really hated that their greatest "plan" was foiled once again, and they got into even more serious trouble.

Lincoln: They seriously didn't even know when to quit, and to make it worse, their plan earned them the vengeance of my family infinite-fold.

Koragg: 16th Century Paris is safe once again.

Wiggum: It sure is.

Me: Yep.

Evil Green Ranger: And another member is in our ranks.

Chalmers: You said it.

Key: Overall, it's been a good day

Nico: It sure has been awesome.

Qin: Yep.

Nico: Great job today everyone.

Fluttershy: (To the viewers) I hope you all loved this adventure like we all have.

Me: I know we did Fluttershy.

We went back home and enjoyed the rest of the day and went to sleep.

Sartorius Komar

Takuma Saiou, also known as Sartorius Kumar, is the central antagonist of the second season of Yu-Gi-Oh! GX. He is a fortune-teller with dual personalities. Being under the influence of an alien force, Saiou is poised to remake the world in the image most befitting to the extraterrestrial radiance within him.

He was voiced by Takehito Koyasu in Japanese (who also voiced Dio Brando) and the late Maddie Blaustein in English.

In the past, Sartious and his sister Sarina had the ability to see into the future, resulting in them being ostracized by others and eventually running away from home. Saiou had later met Aster Phoenix and formed a friendship with him. At the Pro League champion, Saiou was taken over by the Light of Destruction when The D came into contact with him. From then on, Saiou became focused on changing the world and ridding it of darkness. He also formed the Society of Light in his efforts to expedite his plans.

Sartoirus appeared on Duel Academia in his hopes of completing his plans. He first planned to have Jaden Yuki lose to Edo in their second duel so that Jaden would be placed under his control. However, Judai was able to resist the Light of Destruction's influence. Saiou later arrives at Duel Academy meeting Vellian Crowler and Jean-Louis Bonaparte and duels Chazz Princeton and defeats him; as a result of the defeat, Chazz joined the Society of Light.

Saatorius later finds out that Jaden is able to defy his destiny and the fortunes when he thought that Jaden would lose in a duel to Edo. The members of the Society of Light began to increase subsequently when Chazz defeated his fellow students in duels, eventually taking over the entire Obelisk Blue dorm (repainting it white and renaming it Obelisk White) and bringing Alexis Rhodes into the Society's ranks. Sartoris eventually arrived at Duel Academy and dueled Tyranno Hassleberry, interested to see the bond he shared between Aster and Jaden. Although he defeated Tyranno in a duel, he did not become a member of the Society of Light due to his dino DNA. Subsequently Saiou enrolled as a transfer student at Duel Academy, moving into the Obelisk White dorm

Saiou's sister, Mizuchi, also appeared and she talked about their troubled past and Saiou's turn to the dark side. As the Society of Light began to expand, Saiou had trouble controlling himself against the influence of the Light of Destruction. He also defeated Prince Ojin in a duel and gained access on a satellite that would help him in his plan to take over the world. He later gave Judai and Edo the keys as a way to prevent himself from carrying out his goal. He also got a hold of Alexis Rhodes and used her in an effort to get the key back from Jaden but it failed. Fed up by this loss, Sartorius ordered many members from the Society of Light to duel Jaden and anyone else who were with him.

Aster wanted to go after Saiou. But when he was about to give Saiou one of the keys to the satellite, Judai appeared and told him the truth about Saiou. He advised him on dueling him instead to get the key. However, Edo lost the duel and Saiou gained the key. Judai then duels Saiou in a final battle to save the world. As the duel went on, Saiou ordered Prince Ojin to prepare the satellite. Ultimately, Saiou lost his duel to Judai and he was released from the influence of the light. With the defeat of the Saiou, the Light of Society was disbanded and all their members were released from the Light of Destruction's control. He later thanked Judai and Edo for helping him get pass his pain and reuniting him with his sister. Saiou and his sister then left the island.

Saiou later returned to Duel Academia with Kagemaru to inform Judai about the new issue that awaits them on the island. They were caught off guard by Trueman who blackmailed Saiou to duel Judai to save his sister from the World of Darkness. As he dueled Judai, he reflects on his own responsibility to save his sister from the World of Darkness. He lost in his duel against Judai and was sent to the World of Darkness. With the defeat of Nightshroud, Saiou and everyone who were sent to the World of Darkness returned. At the end of the series, Saiou attended Judai's graduation.

## Light of Destruction

The Light of Destruction, known as the Light of Ruin in Japanese, is the main antagonist in second season of Yu-Gi-Oh! GX. It is a malevolent extraterrestrial being whose ultimate goal in the Japanese version has been described as destroying all life in the universe.

The Light of Destruction is an extremely vile and destructive being that enjoys the annihilation of all life in the universe. It believes that it is justified for its actions in causing destruction across the universe because it believes that destruction is normal. The Light is adamant that its goals will always prevail and is arrogant. When it possess or corrupts someone, the individual's personality becomes as sadistic and malicious as the Light of Destruction itself.

Many millennia ago before mankind existed, there was a white hole in space that releases a lot energy that includes the Light of Destruction. As soon as the Light reached Earth, it brought upon devastation and chaos. As time passes, it would possess one victim and move onto other victims like The D and later Sartorius Kumar. The Light of Destruction was also responsible for corrupting Yubel turning her psychotic in the process when Jaden released her into space to test the new Yu-Gi-Oh! cards in space.

At the Duel Academy, while manipulating Sartorius, it managed to gather a group of students including Chazz Princeton, Alexis Rhodes and Bastion Misawa (who were possessed the light itself from their defeat by Chazz also got defeated by Sartorius) and created a cult known as the Society of Light to worship it. It also allowed the brainwashed people to take control of most of the island such as turning the Obelisk Blue dorm white. The Light of Destruction later got hold of a satellite that is capable of exterminating all life on Earth. It later continues to possess other people like Prince Ojin before it was defeated and sealed away in a duel against Jaden and Aster. With its defeat Sartorius and all others who were under its control were released.

When I was done everyone that hadn't heard about it was shocked and horrified!

Camie: Oh man! So they are trying to destroy all life in the entire universe!?

Xenia: Yeah and we're going to stop them forever.

Me: And it'll be a cold day in hell before I let that happen.

Eli: That is for sure.

Nico: Yep.

Me: No way in hell will we let Sartorius do what he wants.

Nico: Konan, what do you like to do in your free time?

Konan: Haven't really thought about it. But I teach origami art classes.

Xenia: Awesome.

Qin: Cool.

Nico: Can I see a few origami figures?

Konan: Sure.

She used her powers and made a giraffe, crane, swan, bird, flower, rose and so much more.

Nico: Wow those are awesome!

Qin: Yeah they sure are.

Lola: I'll say.

Konan: Thanks guys.

Me: Konan is known as the Angel of the Rain and an awesome Origami Artist.

Xenia: That is cool.

Lola: Yep.

Nico: But an Origami art class is a great idea.

Konan: Thank you.

Nico: You're welcome.

Laney: Boy yesterday's mission was cool too.

Lana: I'll say!

Nico: Paris is doing much better without Frollo.

Me: It sure is. Frollo was an absolute terror to all of France in general.

Xenia: Yeah he sure was.

Camie: I can't believe that Frollo was that evil.

Nico: No kidding.

Lola: What Frollo did was unforgivable.

Varie: Yeah no kidding.

Vypra: I'm glad he is gone forever.

Dark Spicer: No kidding there.

Vanitas: He had it coming for a long time.

Nico: Sarousch wasn't as vile.

Me: No thank goodness. He w as just after the Golden Bell.

Camie: That is for sure.

Me: That bell has too much history too.

Marinette: It sure does.

Carly Atlas: It was a beautiful bell there.

Varie: It sure was. And I'm also happy for Phoebus and Esmeralda as well as Quasimodo and Madellaine.

Xenia: We all are happy for them too.

Joan of Arc: I agree there too.

Nico: But we couldn't let him take it

Me: Nope but at least we caught him red handed.

Qin: Yeah and battled him.

Lola: That is for sure.

Me: All in all it was fun.

Eli: It sure was.

Lincoln: It sure was awesome.

Laney: I'll say.

Lynn: That was still so fun how we took down Sarousch.

Eli: Yeah it sure was.

Nico: If I were a maniac obsessed with light, where would I hide out?

Me: Where all the trouble started, Obelisk Blue Dorm.

We set our sights on the Obelisk Blue Dorm.

We went in and it was empty.

Nico: No one's here.

Lola: The students are home for summer break.

Camie: Yep.

Me: But the evil energy I'm sensing from here is definitely here.

Lincoln: So, the time has finally come, now we're finally going to get rid of Sartorius once and for all, just as Alexis Arcana said. But, this is going to be one awesome fight, not only are we finally going to get rid of Sartorius once and for all, but I sensed it. Princess Celestia, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, and Sunset, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Princess Celestia: Indeed, and after what you all told us about Sartorius, I'm indeed looking forward to making him pay.

Me: We all are, Princess Celestia.

Nico: You got that right.

Eli: He is going to rue the day he messed with the powers of the entire Universe.

Lincoln: Alexis also sensed that Sartorius is now at his ULTIMATE WORST! He's now extremely insane to the NTH DEGREE! This is the culmination of us defeating Sartorius many years ago and when we went to war against The Society of Light who came back after we'd dealt with Dartz' minions.

We gasped.

Eli: Yikes!

Nico: Oh man, if he's at that state of insanity, he'll be nothing more than a rabid animal out for blood!

Lincoln: But, we'll be putting him down and this time for good. (Senses for Sartorius) Aha, caught you! He's in this dorm at the end of the hall in that room right up there..

Me: Right where he was when I gave him that threatening message.

Jaden: Excellent work, Lincoln.

Lincoln: Thanks, Jaden. But heads up, gang, Pablo and Anderson have sent more musclebound thugs at us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Me: Shh! Anna we don't want him to know we're here too early.

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Sartorius, and as Lincoln said, he's now at his ULTIMATE WORST! He's now extremely insane to the NTH DEGREE!

Nico: Awesome. Lets go.

We went to the door.

We saw the door and it was overflowing with the light of destruction.

Me: (GENTLE DARKNESS AURA FLARES UP) He's in there all right.

Nico: Sartorius, we know you're in there. Come out with your hands up!

But he wouldn't come out.

Me: All right then. We go in by force.

Sartorius: (GROWLS) THAT ACCURSED TEAM LOUD PHOENIX STORM AND THOSE STUPID DUELISTS, THEY HAVE RUINED MY PLANS TO DESTROY THE WORLD AND REMAKE IT IN MY IMAGE! I'LL KILL ALL OF THEM IF IT'S THE LAST THING I EVER DO!

?: You're not getting that chance ever again, Sartorius!

Suddenly, the spirits of the Arcana Force Monsters appeared out of nowhere as they flew around the place and they fire blasts of energy at Sartorius and he was hit badly. Then, the spirits converged and they crashed onto the ground and the area turned into the planet Glaren and then a massive explosion of fire and lightning blasted out as a Thunderbird screech and Phoenix cry was heard and we appeared, and when he saw us again, he was enraged and was now foaming at the mouth like a rabid dog.

Sartorius: (NTH-DEGREE PISSED OFF) YOU!

Me: Yes us! Surprised to see us again, Sartorius? But, we're definitely not surprised to see you again.

Nico: Yeah. But, it's sad though, you've returned from the dead a few days ago, and now, you're about to be destroyed by us once more. (Smirks) Don't worry, we'll make your death slower and even more painful than ever!

Sartorius: (NTH-DEGREE PISSED OFF) I'LL KILL YOU ALL!

I teleported and punched and kicked him in his face and bashed him down!

Sartorius ran at us with such extreme rage to kill us, but then, Alexis Arcana, Adrienne Candelaria, Claire Callaghan, Melanie McPherson, Catherine Hoshi, Jade Hyotonia, Loreena Kellington, Penelope Harrisburg, Yvonne Qinsington, Evelyn Francois, Roxanne Lowinsky, Sonnya Rexxington, Sophia Starron, Sylvia Starron, and Felicia Terrington, the Arcana Force Gene-Slammers appeared, and they fired powerful energy blasts and elements at Sartorius and sent him crashing into a rock formation!

Princess Celestia: Excellent shot, girls.

Alexis Arcana: We weren't going to stay out of the biggest fight that'll mean the end of Sartorius once and for all, Princess Celestia. Now, I believe it's time for you to transform.

Princess Celestia: Almost. I want to let everyone get some shots in.

Me: Very sporting.

Suddenly, something within Princess Celestia's mind snapped as the memories of Sartorius' crimes against the world and everything he'd done to Jaden's friends and all for The Light of Destruction's will rushed through her head and her purple eyes turned neon purple and she was surrounded by a white and golden yellow energy aura with stars, suns, sunlight, magic, and Alicorns, she unholstered her massive Princess Celestia's Sunlight Light Skylander Alicorn Greatsword of Magical Equestrian Love and Solar Justice from her back, and as she approached Sartorius, she left white and golden yellow energy aura with stars, suns, sunlight, magic, and Alicorns with every step.

Princess Celestia: I will never ever forgive you for everything that you have done, you demented and genocidal fortune-teller, you tried to destroy the world with the power of The Light of Destruction and even worse, you've brainwashed too many innocent people into following your genocidal cult, and yet you prove that all your talk of light, you have nothing more than a heart of pure undeniable darkness. (SUDDENLY GETTING SUPER FURIOUS AT SARTORIUS) But, even after you were defeated and sent to Oblivion all those years ago, you had the nerve to come back once again to still get revenge on us for your own wrongdoings… , (CANTERLOT VOICE) YOU HAVE COMMITTED A TRULY GRAVE SERIES OF TRULY UNFORGIVABLE ACTIONS THAT'VE PLAGUED DUEL ACADEMY AND THE WORLD FOR FAR TOO LONG, AND YOU DO NOT DESERVE TO BE FORGIVEN FOR ANY OF THEM! Me: **Lets get him!**

Sartorius: I WILL NOT REST UNTIL THIS UNIVERSE IS MINE! I WILL MAKE SURE YOU ALL SEE THE LIGHT! (LAUGHING LIKE A DERANGED FUCKED UP LUNATIC TO THE NTH DEGREE!)

Me: **You're absolutely fucking insane!**

I teleported and punched Sartorius hard in his face and knocked him down! Sartorius tried to do the same ferocious moves that Trakeena did on me but I expected this and dodged them all and I kicked Sartorius in his face and leg swept him and kicked him in his back and I kneed him in his face and punched him all over. I fired a massive energy blast and it hit Sartorius and exploded!

Me: **You are just as pathetic as ever Sartorius! That's why you will always lose to the darkness!**

POW!

I smashed Sartorius in his face and sent him crashing into a rock formation!

Me: **You make me fucking sick Sartorius. You only care about spreading hatred and evil so that you can destroy the entire universe in the name of the Light of Destruction and you don't care who lives and who dies. You just only want nothing more than to see people suffer. You would rather see people die and that's we're going to destroy you!**

KROW!

I punched HIM in his stomach and kicked him in his face.

He was smashed down!

He got back up!

Sartorious: Now face MY Duel Monsters!

Me: **If you can predict the future, then your future is death.**

Sartorius: Not likely. I summon ARCANA FORCE 0 - THE FOOL, ARCANA FORCE I - THE MAGICIAN, ARCANA FORCE III - THE EMPRESS, ARCANA FORCE IV - THE EMPEROR, ARCANA FORCE VI - THE LOVERS, ARCANA FORCE VII - THE CHARIOT, ARCANA FORCE VIII - THE STRENGTH, ARCANA FORCE XII - THE HANGMAN, ARCANA FORCE XIV - TEMPERANCE, ARCANA FORCE XV - THE FIEND, ARCANA FORCE XVIII - THE MOON, ARCANA FORCE XXI - THE WORLD, ARCANA FORCE EX - THE LIGHT RULER, THE DARK RULER and KNIGHT OF PENTACLES!

Me: **I could use these.**

I teleported and kneed Sartorius in the face and sent him flying into the sky and I teleported and punched and kicked him all over with ballistic fury! I then punched Sartorius and sent him crashing into the ground!

She fired waves of light and blasted him all over with good light.

I fired a Kamehameha Wave and blasted him all over the place with intense fury!

Qin: YEAH!

Me: **You make me sick Sartorius! And do you want to know why? You took away people's free will and you were going to destroy the entire planet and then entire universe! You have absolutely no honor! Also you turned Alexis into a cruel cold-hearted bitch under your influence! You made her into a monster and I used the Seal of Orichalcos on her in a fight and sealed her into a card forever! Now she is in the M.O.E. Also what you did to Lorenzo shows that you don't care about any of your followers! You only see them as pawns in your own twisted crusade to destroy the entire universe!**

Fat Tony: You made it personal with what you did to Lorenzo!

Me: **That is for sure! Also you made Bastion into something he is not!**

Bastion: YEAH! I did not like looking good with white hair! It made me look like an old man!

Me: **Not only that but you caused nothing but Pain and Suffering to those you came into contact with!**

Sartorius: YOU INSOLENT!

He went at me and I dodged his punches and kicks and then…

KRABLAM!

I punched him in the face and sent him crashing into a rock formation and buried him.

Then he exploded out with intense fury!

Nico: And you didn't even utilize Bastion as a member that much!

Me: **And don't even bother answering to that one!**

Sartorius: YOU WILL SEE THE LIGHT IF IT'S THE LAST THING I DO!

Girl Jordan: I don't think so!

She went at Sartorius and fired a massive energy blast at him and it hit him and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: **WHOA!**

Nico: What power!

But then Girl Jordan went completely ballistic on Sartorius!

Girl Jordan roared and then fired a massive and ferocious barrage of energy blasts at Sartorius and the explosions were getting more and more and more intense as she was blasting him all over with indiscriminate fury of incredible force and power!

Nico: HOLY SHIT!

Eli: WHOA! GO GIRL JORDAN!

Camie: YEAH!

When she stopped Sartorius was mangled up.

Me: **WHOA!**

Eli: Awesome job Girl Jordan!

Nico: YEAH!

Poromon pecked him

Sartorius: Why you!

He flew away and then I charged up a red energy blast and fired it at Sartorius and then it hit him and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so massive, powerful and devastating that it shook the entire planet.

When the smoke cleared, Sartorius was viciously mangled up and he had his entire left arm completely blasted off and blood was dripping from his stub of his arm!

Nico: Nice one!

Xenia: Bullseye!

Me: **That's for Chazz you heartless fuckup!**

Nico: YEAH!

Poliwag slapped him with his tail.

He knocked him down.

Me: **No more Sartorius! No more lives will be destroyed and sacrificed to your own twisted agenda!**

Princess Celestia and Lincoln went after Sartorius, and they fired extremely powerful blasts of rainbow energy, white and golden yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Sartorius and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Princess Celestia attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Sartorius mad.

Sartorius: (NTH-DEGREE PISSED OFF) I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really do have a one-track mind dead-set on revenge on us, Sartorius. But, you've brought this upon yourself, and it's high-time for you to disappear forever.

Princess Celestia: And this time, never come back.

Princess Celestia and Lincoln made two white and golden yellow energy balls with stars, suns, sunlight, magic, and Alicorns surrounding them and Sartorius, after hearing what Lincoln said, roared with rage and ran at them to kill them again, but that'll prove fatal.

Princess Celestia and Lincoln: ROYAL SUN ALICORN SOLAR LIGHT SKYLANDER SOLAR BLAST!

Princess Celestia and Lincoln fire the two white and golden yellow energy balls with stars, suns, sunlight, magic, and Alicorns surrounding them surrounding them and they hit Sartorius, and his body was burned to ashes as he screamed in insane anger, and his spirit was finally banished to The Black Gates forever.

We all cheered wildly for what Princess Celestia and Lincoln did to Sartorius as they holstered their massive greatswords and powered down, and Princess Celestia's new body, clothes, weapons, jewelry, Third Eye, longer aurora tail, and massive white angel wings are permanent.

Suddenly, Princess Celestia felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Princess Celestia?

Princess Celestia: I'm a little dizzy, but I'm okay.

Me: **Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln defeated Sartorius.**

Nico: And that combo you guys used on her incinerated him into nothing!

Princess Celestia: And it not only sent him to The Black Gates for good, but it also sent the last little remnant of The Light of Destruction that was with him to The Black Gates for good too.

Lincoln: Now, we can finally say that our fight against The Light of Destruction that began so long ago has finally been brought to an end.

Me: **You got that right, Lincoln.**

Alexis Arcana: Lincoln told us all about how you guys went to war against The Society of Light and Sartorius, but we knew it was going to end with The Society of Light being defeated, and after you all defeated the Sindri Myr-corrupted Royal Defenders, you all defeated Sartorius and sent him and The Light of Destruction to Oblivion.

Me: **Yep, and I now have his deck, The Arcana Force, as my own.**

Nico: That was one war none of us would ever forget.

Me: **No kidding.**

We powered down.

Lincoln: Sartorius brought that upon himself long ago, he tried to destroy the world and the entire universe with the help of The Light of Destruction and he even brainwashed Chazz, Alexis, Bastian, and several Duel Academy students to do so, but in the end, he failed and now, the war between The Gentle Darkness and The Light of Destruction has finally been brought to an end.

Me: After billions and billions of years.

Qin: Yep.

We were back on Duel Academy Island.

We were in the Obelisk Blue dorm lobby.

Qin: WHEW! That was close.

Vypra: At least that is over.

Xenia: No kidding.

Me: That's another chapter of the team done.

Lola: Yep.

We heard barking.

Maria: Hey, look. It's a dog.

We saw that it was an Alaskan Malamute.

Me: Hey it's a malamute.

It went up to Nico and licked him all over his face.

Nico: Oh such a good doggy.

Me: Aww what a cute one.

Eli: I don't sense that anyone lost a pet here.

Qin: Yeah.

Carly Douglas: Something's familiar about it.

Me: What marks you say that Carly?

Carly Douglas: Like I've seen this one before.

Malamute: (In a girls voice) (Ukrainian Accent) That's because I know Nico too.

Nico: (GASP) Wait that voice. Ingrid Vollenenshikova? Is that you?

Malamute: It sure is Nico. Good to see you again.

Nico: You too Ingrid.

Me: Whoa! Are you an Alaskan Malamute Gene-slammer?

Malamute: I sure am.

Me: You look so awesome as a malamute and they are one of my favorite dogs.

Lola: Our huskies and malamutes back home are going to love you like this.

Malamute: (LAUGHS) I'm sure they will.

Nico: What made you this?

Malamute: Shaggy wasn't the only dog to escape from Kozak and bite someone.

Shaggy: Like it wasn't me that made you was it?

Malamute: No no. I should rephrase that. Me and several others besides Shaggy escaped.

Me: So Kozak made you this way! (GROWLS) I should have given that monster the black gates! What he did is completely unforgivable.

Malamute: I know. But Shaggy bit me as I was minding my own business after he escaped from Kozak.

Me: What were you doing when he bit you?

Malamute: I was reading a book on Alaskan skiing and snowboarding.

Me: Oh.

Maria: You like skiing?

Malamute: I sure do and it's fun.

Lynn: Sweet. Love skiing and snowboarding myself.

Lola: That is cool.

Xenia: It sure is.

Konan: I think it's fun too to see.

Me: Snowboarding and skiing are both fun.

Nico: Yep.

Me: Nico remind me to have the inmates kill Kozak. Ingrid how many others are there like you?

Ingrid: Surprisingly 4 more.

Me: Okay then.

Qin: I wonder what kind of dogs they are.

Lola: Yeah.

Nico: Let's revert you back.

Malamute: Okay but I'm naked.

Nicole: Uh oh. The boys no peeking or else I will kill you.

The boys gulped.

Me: But just so you know it's going to hurt really bad.

I put on my blind man glasses.

Malamute: I'm ready.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she was reverting back and groaned in excruciating pain!

Her height increased.

Ingrid Vollenenshikova: IT HURTS SO MUCH!

Me: It'll be over in a few seconds!

She regained her blond hair and hands and feet and had lost her tail. She was back to normal.

Ingrid Vollenenshikova: (GROANS) That hurt.

She got up and saw that she was naked as a jaybird.

Ingrid Vollenenshikova: GAH! I need new clothes!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her awesome yellow and blue clothes and she had the flag map of Ukraine on her skirt and she had an Alaskan Malamute tattoo on her arm.

Ingrid Vollenenshikova: Wow!

Varie gave her a mirror and she looked awesome.

Ingrid Vollenenshikova: I'm human again!

Ryugu: I need to get back to HQ to prepare my team

Me: Okay. Looking forward to seeing it.

Ryugu teleported back.

Nico: Boy that was awesome.

Lola: It sure was.

Ingrid Vollenenshikova: Thank goodness Sartorius is gone.

Me: That is an understatement.

Nico: Now, onto other business.

Me: To kick some Another butt.

Qin: Yep.

Eli: And you guys are gonna be amazed by this one. We have Another Heat Dopant, Cyclone, Trigger, Luna, Metal, Kamen Rider Eternal, Miss Heed, Beros, Black Hat Org, Goat (Green Eggs and Ham), Jim (Winx Club), Wedgelor, Goldar and Whiger.

Bridget Branley: Me and my Elemental Sisters for this one.

Ashley Aella: We're ready for it.

Brooke Hudson: This will be fun and cool.

Me: Awesome girls.

Qin: Yeah!

Lincoln: This will be fun.

Eli: And the Anothers minus Goldar and Whiger are one girl.

Me: This will be awesome.

Nico: Wait. Does that mean Another Goldar and Another Whiger are seperate people?

Eli: That's right.

Nico: Wow!

Me: This will be interesting.

We went outside and then we saw Another Heat Dopant, Cyclone, Trigger, Luna, Metal, Kamen Rider Eternal, Miss Heed, Beros, Black Hat Org, Goat (Green Eggs and Ham), Jim (Winx Club) and Wedgelor!

Me: There they are!

Qin: This is gonna be good.

Me: Huh?! Wait…

Reika Hanehara: Wait I have a feeling…

She reverted back and we saw that it was a girl with red hair and had red eyes and had red clothes and she had fire angel wings and she had the symbols of the Heat, Cyclone, Joker, Fang, Luna, Trigger, Fang and Eternal Dopants along her arm.

Reika Hanehara: (GASP) Rinoa!

Rinoa Hanehara: I know. Sorry I was so caught up in meeting family. I never knew my grandmother.

Me: Well she came back and is now in both the M.O.E. And the Redemption Squad.

They looked at Katsumi.

Katsumi Daido: (defensively) Don't look at me. I never knew about this.

Me: It's all right. But we have had an amazing adventure with Reika and NEVER last year with the W Riders.

Bridget Branley: We sure did Rinoa. But it's awesome that you are the gene-slammer of the Dopants there.

Rinoa Hanehara: I know. I didn't meet my grandmother because she died long before I was born. But I knew for a long while even after she died that there was still good in her.

Reika Hanehara: And you are definitely right. Vypra and J.D. and Bridget showed me the good things and more and I am grateful for it.

Me: We're glad we could help. By the way are the other 2 Anothers friendly or hostile?

Rinoa Hanehara: Friendly and the Goldar one is one that Konan knows.

Me: Wow!

Bridget Branley: (Flares up fire aura) Sorry we have to fight like this though.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

The girls flared up their element auras and fired waves of energy and blasted the Anothers and they exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridebooks and the Another Dopants Gaia Memories.

Me: Gotcha.

Nico: Yep.

Lola: Now for Another Goldar.

Konan: I wonder who Another Goldar is.

Me: We're going to find out now.

We saw ANOTHER GOLDAR!

Me: Whoa! This one has over 30 years of history in it.

Qin: Wow!

Another Goldar: (In a girls voice) (GASP) Konan!? Is that you!?

Konan: (GASP) That voice!

She reverted back and it was a girl that was as old as Sakura was when she started in the Academy and she had blue hair and had orange eyes and dark grey sclera which were the telltale sign that she was a reanimation and she had dark blue kunoichi clothes and she had dark blue paper angel wings.

Konan: (GASP) Kiara!

Me: Oh my god! Kiara! I haven't seen you in 150,000 years since the Second Great War broke out!

Kiara: It has been a while. I was killed by Danzo.

Me: That unscrupulous Warhawk!

Konan: I never thought I would see you like this Kiara.

Kiara: I know. Its been a long time sis.

Nico: Your sister!?

Qin: WHOA!

Konan: Yeah.

Sento: Me and my team helped take care of Danzo.

Me: And I helped throw him in jail.

Nico: He is now behind bars for the rest of his eternal life for all the terrible crimes he did.

Me: Yeah. Also I grew tired of killing him so I decided he should be in prison forever.

Kiara: Good riddance.

Me: Yeah. Kiara your life was cut short too soon. I'm going to resurrect you.

I snapped my fingers and resurrected her and separated the another from her.

Me: I've been wanting to do this to Goldar for 30 years.

Konan: Me too!

Me and Konan fired waves of energy and Origami bombs and the blasts hit Another Goldar and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridebook.

Nico: YEAH!

Kiara: Konan!

Konan and Kiara hugged for the first time in a long time.

Devon: Virus eliminated!

Tyler Nevarro: Monster Extinct!

Me: (LAUGHS) Goldar you have failed this world!

Nico: (LAUGHS) YEAH!

Me: You thought that was awesome just wait till I dish out ultimate pain on Rita and Lord Zedd. I've got 47+ Years of pain to dish out onto them. Both in Japanese and American Standards.

Lola: Yeah!

Jason Lee Scott: Yeah! That will be fun!

Devon: We just said our post battle lines because Goldar WAS fought by us.

Me: That's right! I remember that Devon.

Goldar: I remember that too! That was awesome.

Me: That was so awesome! Sorry I thought it was a joke there. But I DEFINITELY remember seeing that.

Devon: No worries.

Nico: Now, we wait for Another Whiger.

Laney: This will be fun.

Lola: Yep.

Me: We don't have to wait long!

We saw ANOTHER WHIGER!

Me: Whoa!

Nico: Another Whiger!

Another Whiger: (In a girls voice) Looks like the fun started.

Me: (GASP) That voice.

She reverted back and it was a girl with orange hair, tiger ears, orange cat eyes and had orange and black clothes and had a tigers tail.

Me: (GASP) Sylvia "The Tiger" Felonius!

Nico: The Tiger Girl Hero!? Wow!

Sylvia Felonius: That's right. Awesome to see you again J.D.

Me: Same here. Like Tigra, Sylvia was turned into this because of an experimental serum that mutated her and gave her the abilities and skills of a tiger and a cat.

Nico: WHOA!

Tigra: Boy that is really coincidental.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~!

Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Sylvia Felonius: Just to cure me. But I turned it down and ran out of there.

Me: Smart thinking there.

Sylvia Felonius: Yeah but I knew he was lying to me. I actually like being like this.

Nico: That's all right.

Me: Sorry we have to fight like this though.

Sylvia Felonius: No worries. Just come at me and don't hold back.

She turned into Another Whiger!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Qin: YEAH!

Lola: This will be awesome!

Nico: This will be awesome. (ACTIVATES WHIGER AND GOLDAR'S RIDEWATCHES)

He fired waves of energy and lightning and blasted her all over.

May: And here is this. (ACTIVATES HAMMERSTRIKE AND MR. KITTLES' RIDEWATCHES)

She fired waves of energy and blasted her.

Maria: Now for some fun! (ACTIVATES GABBY GATOR AND CAT MUMMY'S RIDEWATCHES)

She fired waves of energy and blasted her all over.

Nico: YEAH!

Konan: My turn! (ACTIVATES GOLDAR'S RIDEWATCH)

She fired lightning blasts and smashed her down.

Ryugu came back and he had Ghost of Merlin, Earth Geargolem, Grand Duke of Owls, Amygdala and Joy.

Ryugu: I'm back!

Nico: Nice team Ryugu!

Ryugu: Thanks Nico!

Nico: You didn't miss much.

Ryugu: Good.

Then Chilly Willy was pulling on my pant leg and with him was an Eiscue.

Me: Hey Willy, I see you have an Eiscue with you.

He nodded.

Nico: Wow!

Eiscue: (In a girls voice) Willy is an awesome penguin.

Nico: Kate Vollans!

Kate Lloyd: Oh my god!

She reverted back and was a girl with blue hair and had blue clothes and had the flag map of Antarctica on her skirt and on the back of her vest was the patch for Outpost 31 Antarctica Research Station, 1982 on it.

Kate Lloyd: Oh my god Kate you're okay!

Kate Vollans: Kate Lloyd! Wow you're alive! We can talk later. I got this.

She fired a wave of energy and smashed down Another Whiger and I caught the Ridewatch and purified it.

I brought Sylvia over.

Qin: Yeah!

Kate Vollans and Kate Lloyd hugged.

Kate Vollans: I thought you were dead after what happened in Thule Station.

Kate Lloyd: I know. But I've been here for a long time. Long story.

Me: Yeah and it was a nightmare.

Konan: What's your favorite memory of Nico?

Kate Vollans: Before I go into that I have something to tell you. I am also the gene-slammer of The Thing.

We gasped!

Me: WHAT THE FUCKING HELL!

Nico: Oh my god! How did that happen?

Me: Don't tell me. Was it Team Rocket?

Kate Vollans: Yes. But I was gene-slammed with the Thing before you guys destroyed them and the Paradigm Brothers. I can transformed into many creatures and more. I have perfect shapeshifting abilities and I can turn into anything on Earth and on other planets.

Me: That is amazing!

Tina Terishkovanaya: That is in every way like me. I am the gene-slammer of The Thing too.

Me: We found out that The Thing has over 10,000,000 Aliens and creatures woven into its genetic structure and it's really amazing that it has that many creatures in it.

Kate Lloyd: It is amazing. But horrifying.

Lola: Yeah.

Kate Vollans: That is amazing. Also my favorite memory is when me and Nico were down in Antarctica and we found an alien spaceship there.

We gasped!

Me: Oh man! Was that the spaceship for The Thing?

Kate Vollans: No it wasn't. It was from another race. A plant fairy race.

She showed a picture of it and Shanan recognized it.

Shanan: (GASP) That's a Daffodarian Ship! That's amazing that there is one like that here and down in Antarctica.

Kate Vollans: I know.

Nico: That was an amazing find.

Lola: Wow!

Nico and Kate hugged.

Nico: I've missed you.

Kate Vollans: Same here.

We later went back home.

Lincoln: Whoa, we're here in Tokyo, Japan, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to destroy Azwel, the major antagonist from Soulcalibur VI.

Ivy Valentine: As expected. But, we shouldn't underestimate him, Azwel has the ability to use The Soul Edge and Soul Calibur because a fragment of those two blades are carried within those gauntlets of his, and with them, he can create dual swords, a giant axe, and a spear and shield.

Nicole: The Palindrome Gauntlets, Chaos and Order.

Lincoln: He claims to be a "Savior of Man" with a love for humanity, but he's really an irredeemably cruel, self-aggrandizing, spiteful, and sociopathic sadist. I can't allow someone like that to live any longer.

Jack Atlas: Right. So, we better find him before he does something to cause any trouble.

Suddenly, we saw a beautiful and super sexy girl with long dark brown hair and aqua blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in an aqua blue coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Lady of The Lake, in her right hand is The Sword of Hope, and with her are the six girls.

Dark Brown-Haired Girl: I hope I'm not too late, but I got the girls away from Azwel before he could kill them.

Lincoln: No, you're not, Nimue Viviane, you're just in time.

?: I must save all of you from this cruel world.

We then saw our target, Azwel, and he was heading right for us.

Sylvester: If there's one thing I can't stand, it's a sadist who proclaims himself to be a "Savior of Man"

Then, Lincoln drove his massive greatsword into Azwel's stomach and he sucked out his life energy and blood, and when Lincoln was done, Azwel was nothing more than a mummified corpse and he'd sent his soul to The Black Gates, and Lincoln took his Palindrome gauntlets, Chaos and Order, as his trophy and added them to his rapidly expanding weapons arsenal. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for Azwel along with his delusions of "saving humanity". (To Nimue Viviane) And it's so good to see you again, Nimue Viviane.

Nimue Viviane: You too, Linky, it's been a long time.

Lincoln went up to Nimue Viviane and he hugged her, and Nimue Viviane is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Nimue Viviane: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Nimue Viviane, Gene-Slammer of Lady of The Lake, she's my Guardian Angel from Michigan and she's a very powerful wielder of light and water magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Nimue Viviane is also a direct descendant of The Lady of The Lake, the mysterious woman who provided Arthur with the sword Excalibur, eliminated Merlin, raising Lancelot after the death of his father, and helping to take the dying Arthur to Avalon.

Me: I knew it.

Melanie Artorgius: Yep, and Lincoln made her an aqua blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Nimue Viviane hates those buttfaces, Pablo and Anderson, with a very blazing passion. One day, Nimue Viviane and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Pablo and Anderson, and they'd brought with them an army of musclebound thugs they hired. Nimue Viviane and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove those buttfaces into a blood-crazed fury, but before they could get after us, Lincoln and Nimue Viviane fired chains of light magic which bound those buttfaces and tied them up. Lincoln called his family and told them what happened with those two buttfaces, and needless to say, everyone wanted their heads on a pike! But Lincoln wasn't surprised, those morons tried to kill him many times in the past, but in the end, their plan failed, and they called the cops and they were sent to jail, and to make sure that they didn't try to get revenge, Nimue and Lincoln casted a spell to prevent those buttfaces from coming back because messing with the descendant of The Lady of The Lake and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Those dumb buttfaces, they're a bunch of morons!

Lincoln: They really didn't know when to quit, and just kept coming back for more. They were two total gluttons for punishment, it wasn't even funny, all of Royal Woods were really getting tired of them, and they prayed that one day, they would be outed and made into total outcasts and pariahs.

Me: And that day came when we captured them and sentenced them to our Humiliations as fodder for good.

Lincoln: And we can also thank the additional help of my Guardian Angels gathering tons of evidence on his numerous crimes and that made them the most hated buttfaces in the entire Michigan area and the world. And now that you're here, Nimue.

Lincoln went up to and hugged Nimue Viviane in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Nimue Viviane: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Nimue Viviane's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Nimue Viviane: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nimue Viviane.

Nimue Viviane had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the six girls, and when Lincoln saw who they were, they immediately recognized them. The six girls are Honoka Izumi, Maho Kaizuka, Kaede Narikawa, Minami Sanjou, and Yuzuki Seno from Haiyoru Hokaku and Cheebo.

Lincoln: Oh wow, it's Honoka Izumi, Maho Kaizuka, Kaede Narikawa, Minami Sanjou, and Yuzuki Seno from Haiyoru Hokaku and Cheebo.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Honoka Izumi: Yes, we're okay, thanks to you.

Then, when Honoka Izumi and the other five girls saw who it was that saved them from Azwel, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil,

Honoka Izumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Honoka Izumi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Honoka Izumi, Maho Kaizuka, Kaede Narikawa, Minami Sanjou, Yuzuki Seno, and Cheebo with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Azwel, the major antagonist from Soulcalibur VI.

But, when Lincoln showed what we all did in beating that madman down and then Lincoln driving his massive greatsword into his stomach and Lincoln sucked out Azwel's life energy and blood and sent his spirit to The Black Gates and took his Palindrome gauntlets, Chaos and Order, as his trophy and new weapon for his expanding weapon arsenal, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Nimue Viviane have a lot of catching up to do now that she's back in town.

Maria: That'll teach that madman, he claimed to be a savior of humanity, but you were onto him.

Lincoln: Thanks to what Ivy and everyone from the Soul Calibur world told me about him.

Nicole: Along with what I know about him, and in the end, Lincoln sucked out Azwel's blood and life energy and took his Palindrome gauntlets as his trophy and new weapon for his expanding weapons arsenal.

Then, the Palindrome gauntlets, Chaos and Order, glowed, along with the rainbow gems on Lincolns Bracers of The Champions of The Universe, and they'd merged the Palindrome Gauntlets with them and we saw that Lincoln has the gauntlets' gold armored finger claws over his fingers. Then, we saw Lincoln manifested the dual swords, giant axe, and spear and shield in rapid succession and they also dissipated in a second.

Lincoln: Now, that's really awesome!

Me: Really awesome!

---

After putting an end to Azwel and sending him straight to The Black Gates for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Nimue Viviane saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Nimue Viviane: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from

Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Nimue, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Nimue Viviane: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Nimue Viviane: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Nimue, what memories did you have with Lincoln?

Nimue Viviane: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of deadbeat in the air, and we saw who it was coming after us: it was Lewis Travolta, Royal Woods' gluttonous jerk, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lewis Travolta, and we brutally thrashed him. Then, Lincoln chained them up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lewis Travolta once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Lewis Travolta, and they brutally beat his butt into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Lewis Travolta after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set that jerk off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that moron always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: He really is a moron and a loser, and what he's done proves just what kind of a jerk he is, but we stopped him and we have him being used as humiliation fodder for eternity.

Nico: Either way, Lewis Travolta's no longer going to cause trouble for anyone. But, his musclebound thugs along with the musclebound thugs of the other jerks who are still out to kill us, well, we'll leave that to Lincoln.

Selene Emperyous: Yep, leave that to our resident powerhouse angel, he'll grab them and suck out their muscle mass, virility, and strength and leave them as skinny rakes and weaker than a tree branch.

?: (Romanian Accent) Along with draining them dry of blood and sucking out their souls.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair and blood red hairband, blood red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive black and red vampire bat wings, she's dressed in a midnight black short-sleeved blouse, sleeveless blood red top, necklace with pearls and blood red gem for the pendant, long black ankle-length skirt, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with vampires, swords, souls, darkness, and angels on the coattails and on the back are the Vampire Duel Monsters, and in her right hand is The Souleater Claymore.

Lincoln: (GASPS) Elizabetha Draculana, the Vampire Queen of Transylvania!

Lincoln went up to Elizabetha Draculana and he hugged her, and Elizabetha Draculana is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It's been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elizabetha Draculana: (Romanian Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Elizabetha Draculana, Gene-Slammer of the Vampire Duel Monsters, she's my Guardian Angel from Transylvania, Romania and she's a centuries-old immortal and extremely very powerful Vampire Queen who has powers over darkness, blood magic, black magic, dark magic, Satanic Magic, necromancy, the undead, and The Occult, and has immunity from The Sun and the other weaknesses of the vampires. She earned the moniker, The Terror of The Vampires, because over the centuries, she's killed a ton of evil vampires who tried to kill her many times only to fail in their many attempts. Her weapon, The Souleater Claymore, is a very powerful weapon that consumes the souls of evil vampires, and it also makes her even stronger than ever. She also taught me how to consume the souls of evil vampires and convert the negative energy they harbored in their souls into positive energy and to also control his vampiric rage ever since the whole incident when Lori, Lynn, Lola, Lisa, and Luan attacked me, Marianne Shelley, and the other Guardian Angels, and it resulted in me flipping out and he ran after them in a vampire rage and it ended with me draining local Michigan thug, Ricky Accardo, dry of his blood and I also sucked out his muscle mass. I made her a beautiful necklace with red gem pendant, and to show her thanks, one night, she kissed me on the lips as the bats flew out into the night. She's really good friends with Lucy and her friends in The Young

Morticians' Club and she really really hates Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies with a very bloody passion because their attempted attack on me long ago had driven her completely mad, it awoke the vampire rage in us, and we not only clobbered them, but we also drained a really massive army of hired thugs dry of every last drop of blood and I also drained them of their life forces and then, I imprisoned their souls in The Room of Tortured Souls in The Michigan Supernatural Defense Force's castle where they were condemned to having their life energy sucked out of them, and getting it back, only to have it sucked out of them again.

Nico: WHOA!

Brittney: Now, I remember you all too well, she's one of the most powerful Vampire Queens in all of Transylvania, and her power puts Count Dracula and the other vampire kings and queens to shame!

Me: Incredible!

Lincoln: Yep, she really is that powerful.

Lincoln went up to and hugged Elizabetha Draculana in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Elizabetha Draculana: (Romanian Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Elizabetha Draculana's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged

Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Elizabetha Draculana: (Romanian Accent) (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elizabetha Draculana.

Elizabetha Draculana had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, and Lincoln continued with his working out.

Nico: I had no idea that you also knew a Vampire Queen, Lincoln, that's really awesome!

Me: It sure is, but I remember her all too well, anyone who dared to anger her, she would drain them dry of blood and her sword devours their souls. If any musclebound thugs are involved, Lincoln goes after them and he drains them dry of blood and sucks out their muscle mass, virility, and strength as well.

Luna: You should've seen it, dude, Lincoln was getting even bigger in muscle mass and even stronger, so it wasn't just constantly working out at their gym that did that along with his diet plan that his Guardian Angels gave him, along with his hyperpuberty and genes.

Becky Long: And the massive increase in his already extremely high virility levels also resulted in the massive increase in pregnancies among his future wives, which is quite natural for him, and that it's also the mark of him being a true Alpha male.

We got a shower, and then, Lincoln, Desiree, Ember McLain, Princess Dorathea, and Pandora are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new

large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Desiree, Ember McLain, Princess Dorathea, and Pandora are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Desiree, Ember McLain, Princess Dorathea, and Pandora had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made her go insane with anger, until Lincoln fired energy blasts at that bitch and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that bitch has sent more muscle-bound thugs to kill them.

Ember McLean: Whoa, we're here in Lake Lamode, it truly is beautiful.

Lincoln: It sure is, Ember, and it's perfect for our first date. Shall we?

Lincoln, Desiree, Ember McLain, Princess Dorathea, and Pandora dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Desiree, Ember McLain, Princess Dorathea, and Pandora got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Icky Vicky coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Desiree, Ember McLain, Princess Dorathea, and Pandora and they hugged them in their abnormally massive and powerful muscular arms, and Desiree, Ember McLain, Princess Dorathea, and Pandora placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Desiree, Ember McLain, Princess Dorathea, and Pandora with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Desiree, Ember McLain, Princess Dorathea, and Pandora are in your harem.

Sam Manson: I knew those four had the hots for Lincoln.

Jenna: And Icky Vicky had some nerve trying to kill them, that bitch is just making things much worse for herself.

Serena Logan: I always knew that child-despising, destructive, pure evil bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Desiree, Ember McLain, Princess Dorathea, and Pandora, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, the bitch has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you bubble-butt bitch!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU PSYCHOPATHIC FIRE-BREATHING BITCH!

Suddenly, the Beads of Subjugation on Icky Vicky's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

Timmy Turner: If Icky Vicky gets anymore of her dumb ideas, she's going to get thrown inside a pit of vipers!

Wanda: Bad idea, sport. She's more terrifying than a pit of vipers, along with the fact that she also tried to attack you with snakes she'd brought with her.

Lincoln: We'll think of some more punishments for her, we've already added on more punishments to that mutant, Flip.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone

else's Third Eye glowed even more, as they sensed four dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figures were none other than The Abyss Mages, a race of wizard-like enemies from Genshin Impact and the foot soldiers of the Abyss Order, and they're here to cause havoc. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and it's not good. The figures we sensed belong to The Abyss Mages, a race of wizard-like enemies from Genshin Impact and the foot soldiers of the Abyss Order, and they're here to cause havoc.

Nicole: The Abyss Mages, I should've known those magical troublemakers would come one day to cause trouble.

Carla Nazca: Leave them to me and Lincoln, Nicole. We'll show them what happens when they mess with true masters of magic.

Lincoln: Yeah, we'll make them pay.

Nico: Fighting magic with magic, we've done that many times over and we've won. Alright, guys, even though we don't have a mission, we better head down to the park and defeat The Abyss Mages.

Lincoln: Yeah, we can't have them running loose and causing havoc.

Carla Nazca: That's right, we can't have those mages causing havoc anymore, let's go put them out of their misery.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the park to deal with the Abyss Mages.

We arrived at the park to deal with The Abyss Mages.

Lincoln: Alright, we've made it to the park, and they're here alright, I can sense their magical energies.

?: You will all perish in the name of The Abyss!

Lincoln: (GROWLS) I always knew there was no mistaking that voice from anywhere, you better get out here right now, Abyss Mages, before I threaten to blast you out!

Four figures came out, they were none other than The Abyss Mages.

Nicole: The Abyss Mages. Watch out with these four, these four have the powers of Fire, Water, Ice, and Lightning.

Carla Nazca: Only those four elements, huh? Well, that still won't save them from us, get ready to die, you dark magicians.

Suddenly, Carla Nazca's pink eyes turned neon pink, and she was surrounded by a black and rainbow energy aura with stars, darkness, colored flames, spiders, condors, hummingbirds, monkeys, giants, lizards, whales, cats, dogs, crocodiles, trees, wings, llamas, herons, hands, snakes, spirals, fish, dragons, and angels, she unholstered her massive greatsword from her back, and as she approached The Abyss Mages, she left black and rainbow energy, stars, darkness, colored flames, spiders, condors, hummingbirds, monkeys, giants, lizards, whales, cats, dogs, crocodiles, trees, wings, llamas, herons, hands, snakes, spirals, fish, dragons, and angels with every step.

Carla Nazca: There's absolutely no way that I'm ever forgiving you four for following the orders of The Abyss to cause mayhem and destruction to humanity, the crimes that you've committed can never be forgiven, Abyss Mages, and for that, you shall feel the wrath of The Avatar of The Nightmare of The Earthbound Immortals.

Suddenly, Carla Nazca's massive greatsword, Earthbound Immortals-themed greatsword, and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and rainbow energy, stars, darkness, colored flames, spiders, monkeys, giants, hummingbirds, lizards, condors, whales, cats, dogs, wings, snakes, herons, llamas, trees, crocodiles, hands, spirals, fish, dragons, and angels, and when it emerged, it was transformed into Carla Nazca's Demonic Nightmare Darkness Earthbound Immortal Greatsword of Demonic Nightmare Darkness Earthbound Immortal Angel Justice, it's a brand-new massive greatsword with embedded colored gems and the Earthbound Immortals etched on the 7'6" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large white angelic faces built into both sides of the hilt with large red gems embedded in the foreheads, longer midnight black handle, four large angel heads and below the angel heads is a large white angel head with red gems for eyes and red gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with gold versions of the Earthbound Immortals' heads with red gems for eyes and large red gems in their mouth for the belt buckle and around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. # NAZCA LINE EARTHBOUND IMMORTAL GODDESS ANGEL LOVE!

We were really amazed by Carla Nazca's Super Angel-Earthbound Immortal Monsters-Earthbound Immortal Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Abyss Mages saw it, they fired blasts of fire, water, ice, and lightning at her, but Lincoln absorbed those blasts and it made him even stronger than ever, and Carla Nazca fired a massive barrage of black and rainbow energy, stars, darkness, colored flames, spiders, monkeys, giants, hummingbirds, lizards, condors, whales, cats, dogs, wings, snakes, herons, llamas, trees, crocodiles, hands, spirals, fish, dragons, and angels at The Abyss Mages, and they exploded as they hit them, and this really angered them now.

Carly Atlas: (AMAZED) WHOA!

Misty Tredwell: (AMAZED) That really is so incredible!

Maria Tredwell: Big time, sis. Carla Nazca's transformed into her Super Angel-Earthbound Immortal Monsters-Earthbound Immortal Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, now the mages are in big trouble now: the wrath of The Avatar of The Nightmare of The Earthbound Immortals is about to be unleashed once again.

Lincoln: You got that right, Maria. Flip suffered her wrath years ago, and now, her wrath is about to be unleashed upon the wicked once more.

Carla Nazca: (Divine Echoing Godly Voice of The Cosmic Darkness Nazca Line Earthbound Immortal Monsters Goddess Angel and Divine Cosmic Darkness Nazca Line Earthbound Immortal Goddess Angel Love) And on those evil Abyss Mages, let's rip them apart, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds

from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Carla Nazca.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You four dark mages have caused enough trouble to mankind to last an eternity, and now, we will put an end to you four for good.

Lincoln and Carla Nazca went after The Abyss Mages, and they fired extremely powerful blasts of rainbow energy, black and rainbow energy, colored flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Abyss Mages and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Carla Nazca also attack them with punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving The Abyss Mages really mad.

But, before they could attack, Lincoln fired orange energy blasts which hit The Abyss Mages, and he began sucking out and absorbing their elemental powers and elemental magic and he made them his own. Then, Lincoln began sucking out their life force, and that caused The Abyss Mages to turn to nothing, and then, Lincoln banished them to The Black Gates forever. We cheered as Carla Nazca and Lincoln holstered their massive greatswords on their backs and powered down, and Carla Nazca's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Carla Nazca: That'll teach you troublemaking dark magicians a lesson you'll never forget. Thank you for helping me destroy the Abyss Mages, Linky.

Lincoln: You're welcome, Carla.

Suddenly, Carla Nazca wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Carla Nazca's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Earthbound Immortals flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces, colored flames, and the Nazca Lines of the corresponding Earthbound Immortals behind them and we cheered wildly. Then, Lincoln and Carla Nazca absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a Nightmare Fight of Earthbound Immortal and Dark Signer Avatar VS. Elemental Dark Magicians, Lincoln, Carla, you two really showed them no mercy, and Lincoln, you made an awesome two-part kill move on them by stabbing them with your massive greatsword and sucking out their elemental powers and elemental magic, and then, sucking out their life energy and banishing their spirits to The Black Gates.

Lincoln: They deserved it for their crimes against humanity.

Nico: You got that right. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Morgan, the Enchantress of Avalon.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Morgan, the Enchantress of Avalon, Morgana Le Fay, and you guys are going to love meeting her, Morgana Le Fay is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light and dark magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Morgana Le Fay is the descendant of Morgan Le Fay.

We gasped in total shock.

Me: Morgan Le Fay, the powerful and ambiguous enchantress from the legend of King Arthur, her early appearances in Arthurian literature do not elaborate her character beyond her role as a goddess, a fay, a witch, or a sorceress, generally benevolent and connected to Arthur as his magical savior and protector. But, in later legends, she went from good to evil.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a green coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Morgana Le Fay hates that buttface, Chandler, with a very blazing passion. One day, Morgana Le Fay and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Chandler, and he'd brought with him an army of musclebound thugs he hired. Morgana Le Fay and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that buttface into a blood-crazed fury, but before he could get after us, Lincoln and Morgana Le Fay fired chains of dark magic which bound those buttface and tied him up.

Nico: Did he call his family and his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known they would do something like this.

Lincoln: I know, but I wasn't surprised, Chandler tried to kill me many times in the past, but in the end, his plan failed, and we called the cops and he along with his goons were sent to jail, and to make sure that they didn't try to get revenge, Morgana and I casted a spell to prevent those buttfaces from coming back.

Me: Yeah, messing with the descendant of Morgan Le Fay and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Those buttfaces really hated that their greatest "plan" was foiled once again, and they got into even more serious trouble.

Lincoln: They seriously didn't even know when to quit, and to make it worse, their plan earned them the vengeance of my family infinite-fold.

Later we were in the simulator for an awesome Super Mario Galaxy adventure.

Nico: Who wants to go with me to Beach Bowl Galaxy?

Eli: All right!

Twilight Sparkle: Me and Lincoln will go with.

Nico: Cool cool.

Arkayna: And I'll go too.

Nico: All right then. Lets go.

Lola: Go have fun guys.

Xenia: Yeah!

Nico: Lets go!

They went in and Nicole activated the Simulator and they were at BEACH BOWL GALAXY!

Nico: We're here! Beach Bowl Galaxy!

Twilight Sparkle: Wow! This is amazing!

Arkayna: It's amazing!

Nico: Nicole, will we need to breathe underwater?

Nicole: Not for this one. You just need to get to the star in that crystal on top.

Nico: I see it.

Twilight Sparkle: And this place is crawling with Goombas.

Arkayna: This is a nice beach Galaxy though.

Nico: It sure is. Perfect for a beach vacation spot too.

Twilight Sparkle: I was thinking the same thing for that.

Nico: Yep.

Lincoln: Boy it sure is cool.

Nico: It sure is.

?: Let us help you guys.

Then 2 Indeedee came.

Nico: Cool! Indeedee.

Lincoln: Wow!

Indeedee 1: (In a girls voice) (monotonously) It's going to be fun helping out.

Indeedee 2: (In a girls voice) It sure will be fun too!

Nico: Serena and Marina Sanderson!? Whoa!

Shannon: Wait! Those 2 might be my cousins.

Nicole: How do you know that?

Shannon: They share the same last name as my ancestors. So they might be related to me and them.

Twilight Sparkle: Don't revert back until we get the Power Star.

Indeedee 2: Don't worry.

Indeedee 1: We won't.

Nico: Okay. Lets get to work.

Lincoln: Time to kick some Goomba butt!

Arkayna: You got that right!

They went to face the Goombas and get to the star!

Nico: (gets out Whiger and Beast Man's Ridewatches) Activate Beast Power!

He activated them and fired waves of energy and blasted the Goombas.

Nico: Take that!

Twilight Sparkle: Feel the magic of Friendship!

She fired beams of magic and blasted the Goombas all over.

Arkayna fired waves of magic and blasted them.

Arkayna: UNLEASH THE DRAGON!

She fired a wave of green energy and it formed into a dragon and blasted the Goombas all over.

Nico: Which way should we go?

Lincoln: Lets take the challenging way.

They Flew up and over and went to the crystal containing the star.

Lincoln: Now we just got to smash it out.

Nico: Yep.

Lincoln and both Indeedee's blasted the crystal and it shattered and out came the Star!

Nico: There it is!

Twilight Sparkle: Lets all get it Linky!

Lincoln: Good idea Twilight!

Lincoln, Twilight and Arkayna went and got it!

YOU GOT A STAR!

Then Sanderson twins reverted back and they were both girls that each had red hair but had clothes that were blue and black. Serena's was blue and Marina's was black.

Serena Sanderson: That was so fun!

Marina Sanderson: That was a fun one.

They all high fived.

Twilight: What are your favorite memories of Nico?

Serena Sanderson: When me and Marina used black magic and made the cheerleading squad get turned into strippers as part of a curse we put on them. When the football game was in half time they stripped naked and humiliated themselves in front of the entire audience.

Marina Sanderson: It was really justified. They were bullying some girls that Nico liked.

Nico: It's true. The cheerleaders all got expelled for that one.

Lincoln: Nice!

Nico hugged them both.

Nico: I missed you girls.

Marina Sanderson: We did too Nico.

---

The mascots were eating cereal.

William: What are you guys eating?

Poromon: Sugar Frosted Atomic Blasto Bits Cereal.

Poliwag: We're looking and eating for the prizes inside.

Manaphy: And it's a secret decoder ring.

William: Why don't you guys look inside the boxes?

Poliwag: We're eating the cereal first and then looking inside. Norbert told us that.

William: Good advice.

Manaphy: Thanks.

They were eating and eating and eating.

William: I was just saying since that's what Tussle Sprout and Sheldon did before.

Poromon: Wow.

Horsea kept on eating cereal

Horsea: It's good.

Nico: You guys sure are eating a lot.

Lola: No kidding.

Eddy: What's so special about this decoder ring?

Poliwag: There's a message on the cereal box.

Manaphy: Yep.

Manaphy then found it!

Manaphy: Found it!

Poromon: Yay!

Horsea: What does the message say?

Manaphy: Lets see.

She scanned the code and it said that it was a treasure map!

Manaphy: It's a treasure map!

Nicole: Cool!

Poromon: Where's the treasure?

Nico: It's not the secret of the universe that will lead us to disappointment is it?

Poromon: I hope not.

Manaphy: I don't think so.

But then it showed the map and it was located on a mountaintop island oasis.

Nicole: I know that location! That's the hidden Andean Mountain Oasis on top of Cordillera Blanca.

Nico: Wow!

Manaphy: Lets go!

We were off.

Poliwag: I hope it's something good!

Nicole: We'll find out.

We arrived and the Decoder Ring showed that the treasure was buried by a tree that looked like an x.

Nico: There.

We got to digging and then…

THUNK!

Me: We hit something.

Horsea: What is it?

We pulled out a chest.

?: Can I see too?

We saw a Morpeko!

Me: Cool a Morpeko.

Morpeko: (In a girls voice) I have a feeling this will be awesome.

Nico: Henrietta Scoville!? Whoa!

Morpeko: Awesome to see you again Nico. Lets talk after we see the treasure.

We opened the chest and in it was a bunch of NUMEROUS PILES of gold, jewels and more!

Manaphy: WOW!

Nicole: Whoa! The Treasure of Captain Blood!

Wendy Blood: My ancestor's treasure! At long last!

Poliwag: It wasn't useless this time!

Nico: Thank goodness!

Morpeko: That was cool!

Nicole: Boy that is funny! Who would have thought that the treasure would be on the back of a cereal box.

Lola: Yeah.

Henrietta reverted back and she was a girl with red hair and yellow clothes and she had a flaming chili pepper tattoo on her arm.

Henrietta Scoville: That was so awesome.

Nico: Yeah!

William: What's your favorite memory of Nico?

Henrietta Scoville: When me and Nico made my family's hottest hot sauce ever: Armageddon Nova Cyanide Doom.

WE GASPED!

Nico: Yep. We slipped some of that into an evil bully's food and then he ate it and he literally bursted into flames.

Me: He bursted into flames!? Whoa!

Qin: GEEZ! Yeah I remember that!

Nico: That was intense.

Nico and Henrietta hugged.

Nico: I've missed you.

Henrietta Scoville: Me too Nico. Me too.

We went back home with the treasure.

---

We were watching TV.

Poromon: I wonder what's on the news.

We saw what was on.

Katherine Mulligan: This is Katherine Mulligan reporting to you in the middle of the city where the Mysterious Superpervert Bandit has struck again this time in this park right here. He destroyed all the women's clothes and all these men right here saw them either naked or in their underwear and had explosive nosebleeds. This makes this the 2nd day in a row where women were being violated by this Superpervert Fiend.

Poliwag: This isn't good.

Nicole: WHEN I FOUND OUT WHO DID THIS I WILL DISEMBOWEL THEM AND MAKE THEM EAT THEIR OWN INTESTINES!

Anna Anyanova: No kidding!

Nicole: This looks like a job for the Girl Power force.

Camie: Yeah!

Nico: Take the mascots with you.

Nicole: Okay. First Nico which gene-slammers do you think you'll meet next?

Nico: Copperajah and Dracozolt.

Lola: Awesome!

Nicole: Lets go!

The girls were off.

Horsea: How come we didn't hear about this yesterday?

Nicole: We were busy.

Horsea: Oh right.

Qin: Yeah.

Lola: Yeah.

Nicole: Lets see who this bandit is.

They then went to the park and looked for clues.

Poromon: I don't see anything here.

Manaphy: Hmm.

May then found something under a piece of a headband.

May: I think I found this.

Nicole looked at it and found out who it is right away!

Nicole: Oh man! I KNEW THIS WAS HIS DIRTY WORK! Lets find him and bring him down!

Then they heard a scream coming from a grocery store and they went to it!

Poliwag: He's on the move!

They arrived at the store and found a figure and black tearing off womens clothes and leaving them in their underwear and the boys and men laughed perversely and they flew into the air with nosebleeds and they smashed into store shelves!

Nicole: HEY! YOU LEAVE THESE WOMEN ALONE NOW!

They flew at the figure and dogpiled him!

Manaphy: Who the fuck are you?!

Nicole then ripped off the mask of the figure and TO THE SHOCK AND RAGE, THE SUPERPERVERT BANDIT WAS REALLY JIRAIYA OF THE SANNIN!

THEY GASPED!

Nicole: JIRAIYA!

Maria: Jiraiya?!

Jiraiya: THAT'S RIGHT! THE SUPERPERVERT SAGE JIRAIYA!

KRABLAM!

Nicole punched him in the face with devastating force and knocked out some of his teeth and knocked him out!

May: But why?!

Jiraiya: TO MAKE THIS THE CITY OF NUDES AND UNDERWEAR! (PERVERSE LAUGHTER)

Nicole: NOT IN A BILLION LIFETIMES BUB!

Nicole punched him in the face with devastating force and knocked out some of his teeth and knocked him out!

Maria: There has to be a good reason. He's never this perverted!

Nicole: No idea but we got to tell Lady Tsunade.

They grabbed Jiraiya and went to the Leaf.

At the Hokage building, Lady Tsunade was working and then there was a knock on the door.

Lady Tsunade: Come in!

They came in.

May: Lady Tsunade! We have news!

Lady Tsunade: What is it?

Nicole: Jiraiya was up to his tricks again.

They told her everything and then….

Lady Tsunade: WWWWWWHAAAAAAAAAAAAATTTTTTT!?

SHE WAS ENRAGED AND THEN JUMPED HIM AND SMASHED AND PULVERIZED JIRAIYA IN A BRUTAL FIGHT CLOUD!

Later Jiraiya was beaten hard to within an inch of his life and was in a full body cast and was really mangled up. He was in the hospital.

Maria: I know you have a good reason, Jiraiya. You're perverted, sure. But not like this!

Jiraiya: (Mumbling)

Nicole: He has been asking for it.

Camie: Good.

Nicole: He had it coming.

May: You think this is just normal for him? Or is something sinister behind it?

Nicole: Hmm.

They then saw something sparking on the back of his neck.

Nicole: Huh? What's this?

Nicole took something off his neck and then saw that it was a SUPER PERVERT 10,000 CHIP!

Nicole: A Super Pervert 10,000 Chip! I've seen this before.

Then they saw a familiar face on it and it was BRAD BUTTOWSKI!

Nicole: BRAD! He is behind this!

May: Well, if he's still in prison, there's nothing more we can do to him. Let's just be glad the pervert stuff is over now

Nicole checked and he really was in prison still.

Nicole: Yep he is in prison. So it must've been a sleeper chip that activates at a certain date.

Qin: Strange.

Laney: No kidding.

Lori: Literally strange.

Qin: Yeah.

Nicole: Lets go home.

They went back home

Lynn: If anyone asks, we'll say that it was a crook we haven't met before and that Jiraiya got hurt jumping off a tree.

Nicole: Fair enough.

Qin: Yeah.

They arrived back home and later we got ready for Matau's big day mission and went to sleep.

Meanwhile in Rio De Janeiro, Brazil it was Matau's big day mission and it will be an epic one.

Blu: I'm so excited for this.

Jewel: Me too!

Blu: This is gonna be awesome. LETS PARTY!

They got to dancing and the camera froze.

TO BE CONTINUED!

For tomorrow, for Matau's phase 2 transformation, Matau and

Lincoln are going to destroy Simone de Bastien, the 500-year-old vampire queen from Paris whom Diana had encountered during one of her missions, and now, that 500-year-old vampire has returned for revenge.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Canada, and we got bad news: Mike's Dark Side, Mal, has come back and he wants revenge on me for separating him from Mike years ago, but we're going to take him down and condemn him to eternal servitude in The Masters of Evil. And we're going to meet the next Noble Knight Gene-Slammer, her name is Morgana Le Fay, Gene-Slammer for Morgan, the Enchantress of Avalon, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light and dark magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Morgana Le Fay is the descendant of Morgan Le Fay, the powerful and ambiguous enchantress from the legend of King Arthur, her early appearances in Arthurian literature do not elaborate her character beyond her role as a goddess, a fay, a witch, or a sorceress, generally benevolent and connected to Arthur as his magical savior and protector. But, in later legends, she went from good to evil. Lincoln made her a green coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Morgana Le Fay hates that buttface, Chandler, with a very blazing passion. One day, Morgana Le Fay and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Chandler, and he'd brought with him an army of musclebound thugs he hired. Morgana Le Fay and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that buttface into a blood-crazed fury, but before he could get after us, Lincoln and Morgana Le Fay fired chains of dark magic which bound those buttface and tied him up. Lincoln called his family and his sisters and told them of what that buttface tried to do to him, and needless to say, everyone wanted his head on a pike! But Lincoln wasn't surprised, Chandler tried to kill him many times in the past, but in the end, his plan failed, and we called the cops and he along with his goons were sent to jail, and to make sure that they didn't try to get revenge, Morgana and Lincoln casted a spell to prevent those buttfaces from coming back because messing with the descendant of Morgan Le Fay and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Get ready for an awesome party in Brazil as we help Blu and Jewel and friends take down Nigel and send that bird to the M.O.E.

See you next time.

Lola: Atlantis is looking really awesome.

Camie: Boy it sure is.

Eli: Wow! Sure has improved tremendously from what happened back over 10,000 years ago.

Laney: No kidding there.

Lily: It's so awesome that Atlantis is doing great like this.

Leeli: Wow! Atlantis sure has come a long way.

Xenia: I think so too.

Nico: Yep.

Misty Tredwell: I think this is so awesome too.

Ms. Spell: I agree there myself.

Varie: Yeah.

Nico: Mera I want to thank you, Ryugu and your teams for coming with us.

Mera: It's our pleasure Nico. This is gonna be so fun.

Eli: It sure is.

Nico: Ms. Spell, what do you like to do in your free time?

Ms. Spell: I haven't really thought about it that much. Constantly using all my time to keep the world safe from the forces of evil.

Nico: We'll you'll think of something.

Qin: Yeah lots of things to do out there.

Ms. Spell: Well I do like to perform magic shows for kids.

Twilight Sparkle: That's a really great idea there Ms. Spell.

Ms. Spell: It sure is. I think it's cool too.

Qin: Yeah. And it's awesome that you helped Major Glory a lot too.

Varie: I agree there.

Nico: Don't forget the rest of the Justice Friends.

Ms. Spell: I know. They are an amazing team.

Xenia: They sure are.

Qin: Yep.

Varie: Yeah they sure are.

Nicole: Yep.

Nico: So Nicole who was the bandit from yesterday?

Nicole: Some random unnamed terrorist.

Maria: Yep. No need to worry. He was already dealt with.

Leni: I thought the Superpervert Bandit was Jiraiya of the Sannin,

WE GASPED!

Me: SAY WHAT!?

Nicole: Okay you heard what Leni said. Yes it was Jiraiya of the Sannin. But I found this on him.

She gave me the chip on him.

Me: A Mind Control Chip and Brad Buttowski did it!? That motherfucking asswipe!

Xenia: What a jerk!

Maria: The cover story for Jiraiya's injuries was that he injured himself while jumping off a tree.

Nico: Whoa man!

Me: Boy that was crazy! But you girls did an amazing good job yesterday!

Eli: I'll say!

Lola: Yeah! (Grabs Leni by her shirt) NICE GOING LENI!

Leni: I was only speaking the truth!

Maria: But Leni you were supposed to keep that under wraps!

Me: Oh don't worry about it Maria. I have known Leni for over 7 years and she can't keep a secret.

Leni: He's right.

Nico: Honestly, did you really think you could hide the truth from Eli forever?

Eli: Not with the powers I have that can tell what the secrets are.

Leni: You're right on that.

Me: Yeah Eli can read people's thoughts.

Xenia: Yep.

Leni: Oh right.

Princess Luna: That was still an awesome adventure though.

Me: It sure was. But now I see why you wanted to have it kept under wraps. So the girls wouldn't form an angry mob and go after Jiraiya.

Nico: Yep. Good thinking.

Me: But I do have an idea there. And we'll have those girls beat the living shit out of Brad.

Lincoln: I like it.

Nico: Good idea. We'll use him as Humiliation Fodder.

Maria: At least we did a good job hiding the truth from you guys last night.

Eli: You did but to me I knew it was that.

Maria: Yeah.

Then we heard barking and we saw a Finnish Lapphund coming at us.

Me: Hey a Finnish Lapphund.

Nico: Oh she is cute!

She came over to Nico and was licking him all over his face.

Nico: (LAUGHS) You are such a good doggie!

Laney: She is so cute.

Qin: Yeah.

Nico: Want to come with us?

Finnish Lapphund: (In a girls voice) (Finnish Accent) I would like that Nico.

Nico: Wait that voice! Kaarina Heikkinen?

Finnish Lapphund: That's right.

Me: Wow you're one of the Scandinavian Animal Sanctuary Owners.

Finnish Lapphund: That's right.

Nico: How did Dr. Kozak lose sight of so many captive dogs?

Finnish Lapphund: They escaped at the same time Shaggy did.

Me: He sure didn't keep an eye on his subjects did he?

Finnish Lapphund: Nope.

Fluttershy: What kinds of animals do you have in your family's sanctuary?

Finnish Lapphund: We have big bears, lynx, wolverines, all the animals you usually find up where I'm from.

Nico: That is cool.

Allenby: And also Finland is where me and Jared met.

Me: You would love hearing all about the story of how my son and Allenby met.

Finnish Lapphund: I'm sure I would. But I think Milo has something to say.

Me: Oh right lets see what he has for us and then revert you back later.

Finnish Lapphund: Okay.

Milo: Guys! Thank goodness you made it!

Me: Milo what's wrong?

Milo: It's Kida! She went completely nuts! She turned into Twisted Kida!

WE GASPED!

Me: OH NO!

Eli: Oh man! This is not good!

Nico: I remember seeing how dangerous she was like that!

Camie: What happened to her?

Me: The story went like this.

I told them what happened.

---

As the Atlantis Discovery Team were saying their goodbyes and loading up their ship to return to the surface, Kida passed out while talking to Audrey. Milo and Dr. Sweet, as well as the rest of the crew, rush to her aid. They take her to the throne room and lay her down. Dr. Sweet proceeds to examine her but is unable to determine what could of caused her to lose consciousness. Suddenly, Kida's eyes open and glow an eerie blue light. Everyone stepped back as she rose to her feet. Her skin began to crack and peel and the eerie blue light began to radiate from the cracks. Milo ran to her but was knocked back by the energy surging from her body. He quickly retrieves the Shepherd's Journal and flips through it frantically trying to find what could possibly be happening to Kida. Milo froze in horror as he found a passage that contained the answer. The answer he wished wasn't true. Kida had been exposed to the power of the crystal for too long. The crystal was draining her of her life. And according to the journal, the crystal will continue to drain the host until there's nothing left, unless another life is sacrificed in its stead. The crew thought they contained the threat but it only subsided, taking over Kida from the inside. The crystal needed more life force and was drastically draining Kida of hers. She dropped to the ground and began coughing up blood. A couple Atlantian guards rushed to her side to assist her. As they helped her up, she threw one of the guards into the water. The other guard tried to restrain her, but she was too powerful. She turned and bit the guard and proceeded to devour his body. As she ate, the remnants of the guard's body withered and turned to dust. Kida looked at Milo and his team as they stared on in horror. She slowly picked herself up. Her eyes met Milo's and they began to glow more intensely. Milo and his team began to inch backwards as he tried to reason with her and calm her down. Kida let out a chilling growl as blood continued to drip from her mouth.

---

When it was done they gasped in sheer horror!

Maria: How the Hell did this happen?!

Nico: Remember seeing this happen in Allie's Babysitting adventure?

Laney: I remember that! That was awful seeing her like that!

Camie: What happened?

Laney went over what happened during that time in chapter 713

---

The Simulator activated and they saw the entirety of Atlantis burning in fire. They gasped in horror.

Laney: Oh my gosh.

Venom: Atlantis is a lot darker then the last time we were here.

Gwen: What happened here?

Venom: We got a very bad feeling about this.

Rhino: I got that feeling too man.

Olga: This is not good. I feel a very powerful energy signal coming from the castle.

Laney: Me too. Lets go.

They went into the castle and they saw no one anywhere.

Olga: Where is everybody?

Laney: I don't know but this isn't good.

She found the Shepherd's Journal on the floor and found a page on it with a very ominous piece of information on it. But then a figure came out and they saw that it was Kida and she had a feral appearance and her eyes were glowing light blue and her skin was cracking and she was dripping blood out of her mouth.

Venom: Kida!

Gwen: Oh man! What's happening to her?

Laney: It's the power of the Crystal of Atlantis! It's destroying her from the inside and it made her completely insane with bloodlust!

Olga: How can that happen to her?

Laney: It says so in the Shepherd's Journal. But we have to stop her! Come on!

Olga: JELLYFISH STING!

They went at her and Laney punched her in the face and kicked her in the stomach. Olga fired a powerful blast of lightning at her from jellyfish tentacles coming out of her arms and electrocuted her.

Rhino: Sorry about this, Kida. (punches Kida) William told me that you've lost control of the crystal before. But attacking innocent people crosses a line!

Venom and Rhino punched her all over the place and Gwen fired numerous blasts of fire from her hands and burned her. Gwen then used Havanian magic and removed the Crystals influence from her. She was knocked out and they saw all the citizens of Atlantis safe and sound.

They exited the simulator and they cheered wildly.

Allie: That was well done guys!

Laney: Thanks Allie. It was awesome!

Olga: It sure was. It's awesome being part Jellyfish. I have a deadly sting.

Lily: They don't call Jellyfish the Bees of the Ocean for nothing.

Kida: That is definitely not something that happens to me.

Allie: No thank goodness.

Camie: Whoa man!

Lana: That was brutal!

Laney: Yeah it sure was!

Lily: But we saved her from herself back then.

Laney: Yeah!

Lincoln: Oh man, I can't believe Twisted Kida's back for more. But, just like with Twisted Rapunzel, we're going to save her. But, this is going to be one awesome fight, not only are we going to cure Twisted Kida, but I sensed it. Princess Luna, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, and Princess Celestia, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Princess Luna: Indeed, and after what we heard about what happened to her, I want to save her from this cruel fate.

Me: We're going to do just that, Princess Luna.

Nico: You got that right.

Eli: I agree. This is horrible this happened to her!

Lincoln: We'd put her down two times long ago, now, we're going to save her and restore her to her normal self. (Senses for Twisted Kida) Aha, caught you! She's in the Crystal Chamber. But heads up, gang, Pablo and Anderson have sent more musclebound thugs at us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Twisted Kida.

Me: Nice one! Lets go!

Maria: I meant how the Hell did she become Twisted again?!

Nico: I have no idea!

Then my Dark Orb detector went off.

Me: Dark Orb. That did it!

Qin: Uh oh!

Xenia: Lets go!

We went to the Crystal Chamber and felt an amazing and powerful energy.

Me: Whoa I feel the energy.

Nico: Keep an eye out for her.

Eli: Be careful guys. When she is like this there's no telling what she is capable of doing.

We kept our eyes peeled.

Nico: Come out come out wherever you are.

Lola: Oh boy.

Me: Better go wolf for this! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

I was ready!

Nico heard something move and turned around to see Maria.

Maria: Relax! It's just me!

Nico: Oh sorry.

Me: (Sniffs) I can smell her.

Dinobot: (Sniffs) Wait! I detect a scent. Mmm Vile Corruption. And a whiff of festering blood and energy and purification in the air.

Rattrap: So I had a limburger sandwich for lunch. Ha. I'm a rat. Give me a break.

Dinobot: Mmm I have been uncomfortably aware of your stench for the past hour Vermin. This is something else. (Sniffs) Something over… THERE!

We saw a glowing figure.

Twisted Kida was growling like a feral animal looking for more prey. Suddenly, the spirits of the Past Kings of Atlantis appeared out of nowhere as they flew around the place and they fire blasts of energy at Twisted Kida and she was hit badly. Then, the spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when she saw us again, she was enraged.

Twisted Kida: (ROARS)

Nico: She's just as vicious as when we dealt with her in the past.

Lincoln: This was due to the power of The Crystal, we've got to cure her of it.

Me: It made her completely feral.

We saw the Dark Orb imbedded in her chest!

Nico: Can she even talk?

Gwen: No when she was like this she was a completely feral wild animal.

Qin: Oh boy.

Lola: Not good.

Me: Either way we got to subdue her!

I had my scythe fire blades of blue fire and blasted her all over.

Me: Sorry we have to do this Kida but it's for your own good!

Lola: YEAH!

There's a midnight blue kanji below the Alicorn that said, "Princess Luna, Alicorn Princess of The Night and The Dark Skylanders, Loving Daughter of Queen Galaxia and King Cosmos, Member of The Redemption Squad, Protector and Guardian of Dreams and The Night, Loving Younger Sister of Princess Celestia, Loving Mother of Snowdrop and The Children of The Night, Archenemy of Hades Beast Spectre, Destroyer of Nightmare Moon, The Doomsday Twenty-Three, and Queen Opaline Arcana, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Night, Dreams, and Moonlight Magic"

プリンセス・ルナ、夜のアリコーン・プリンセスとダーク・スカイランダーズ、ギャラクシア女王とキング・コスモスの愛する娘、償還部隊のメンバー、夢と夜の守護者であり守護者、プリンセス・セレスティアの愛する妹、スノードロップとザ・ダーク・スカイランダーズの愛する母夜の子供たち、冥府の宿敵ビースト・スペクター、ナイトメア・ムーンの破壊者、終末二十三、そしてクイーン・オパリン・アルカナ、エクエストリア、ポニービル、カンタロットの擁護者、友情テーブル騎士団のメンバー、そして夜のマスター、夢、そして月光魔法

Suddenly, Princess Luna's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Princess Luna has transformed into SUPER ANGEL-MOON ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA EQUESTRIAN MOON LUNAR MAGIC MOON DARK SKYLANDER ROYAL ALICORN ANGEL OF DIVINE EQUESTRIAN MOON LUNAR MAGIC MOON DARK SKYLANDER ROYAL ALICORN ANGEL JUSTICE AND DIVINE EQUESTRIAN MOON LUNAR MAGIC MOON DARK SKYLANDER ROYAL ALICORN ANGEL LOVE!

We were amazed by Princess Luna's Super Angel-Moon Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Twisted Kida saw it, she went absolutely and completely crazy and ran at Princess Luna to kill her, but Princess Luna fired a massive barrage of midnight blue energy, stars, moons, moonlight, magic, and Alicorns at Twisted Kida, and it hit her and sent her flying into a wall, and he also got burned badly by the power of The Equestrian Moon Princess, she got back up, but now, she was really furious and even more insanely pissed off.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Princess Luna's transformed into her Super Angel-Moon Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, we must save Twisted Kida from what happened to her.

Princess Luna: (Divine Echoing Godly Voice of The Harmonious Dark Skylander Elemental Royal Moon Magic Alicorn Princess Angel and Divine Harmonious Magic Dark Skylander Elemental Royal Moon Magic Alicorn Princess Angel Love) That is correct. We must save her from the Crystal's power and restore her humanity.

Twisted Kida roared in Princess Luna's face.

Princess Luna: When was the last time you brushed your teeth. Your breath smells like blood.

Nico: Ew!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Princess Luna, and so did we as we unholster our weapons and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Just hang on, Twisted Kida, we will save you from this fate Rourke had done unto you for his selfish greed.

Nico: Lets do it!

We went at her and I fired waves of blue fire and blasted her all over!

Qin: Take this!

She fired waves of fire and blasted her!

Twisted Kida pounced on Nico.

She roared ferociously in his face.

Nico: YUCK!

Just as she was about to stab Nico he used an afterimage and teleported and then formed a stop sign and bashed her on the head with it and sent her crashing into the wall and I fired waves of blue fire and smashed her all over with it.

Princess Luna and Lincoln went after Twisted Kida, and they fired extremely powerful blasts of rainbow energy, midnight blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Twisted Kida and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Princess Luna attacked her with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Twisted Kida madder than ever.

Twisted Kida: (ROARS WITH FERAL RAGE)

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) The Crystal's power and that Dark Orb has driven you too far into madness, but this ends here and now.

Twisted Kida then grabbed Lincoln, intending on eating him alive.

Lincoln: Sorry but I'm not on the menu!

Lincoln flared up an aura of lightning and sent her flying.

Lincoln: Lets end this!

Princess Luna: Right. Now, it's time to end this nightmare for good.

Princess Luna and Lincoln made two midnight blue energy balls with stars, moonlight, crescent moons, magic, and Alicorns surrounding them. Twisted Kida saw it, and she ran at them with anger and rage.

Princess Luna and Lincoln: EQUESTRIAN ROYAL MOON HUMANITY RESTORATION!

Princess Luna and Lincoln fire the two midnight blue energy balls with stars, moonlight, crescent moons, magic, and Alicorns surrounding them and they hit Twisted Kida, and they started to restore Twisted Kida to normal as her skin was restored to normal, the crystal's power restored to the statues of The Past Kings of Atlantis and the dark orb was destroyed, and the light and life was restored in her eyes: she was restored to normal.

We all cheered wildly for what Princess Luna and Lincoln did to Twisted Kida as they holstered their massive greatswords and powered down, and Princess Luna's new body, clothes, weapons, jewelry, Third Eye, longer midnight blue tail, and massive midnight blue angel wings are permanent.

Suddenly, Princess Luna felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Princess Luna?

Princess Luna: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln defeated Twisted Kida.

Nico: And that combo you guys used on her literally restored her humanity and restored her to normal, that was so awesome.

Princess Luna: The Crystal's power was rapidly killing her and that Dark Orb was speeding it up, and we had to do something before it was too late.

Lincoln: And we saved her just in time. But, still, what happened to Twisted Kida, this was Rourke's doing: his greed almost destroyed Atlantis.

Me: I know, and that really pissed us all off.

Eli: Me too!

Nico: Same here. He was willing to destroy an entire ancient civilization and all for his greed, this is just proof that Greed is the deadliest of The Seven Deadly Sins.

Lincoln: Yep. In fact, let me take care of Rourke should he dare come back.

Lincoln fired an energy card from his massive greatsword and he chanted an incantation that pulled Rourke's soul into it and he was imprisoned inside it. Suddenly, the Judgement Kanji appeared on his forehead, and he was found guilty for his crimes and sent to The Black Gates.

Eli: Whoa.

Nico: You got that right. The last time Lincoln did that was when he banished the souls of Hawk and Hank, Ophelia Shroud, and Abby Sanchez to The Black Gates last year.

Lincoln: Yep, and I used it on Rourke by firing an energy card from my massive greatsword and once that was done, I chanted an incantation that pulled Rourke's soul from Oblivion and imprisoned him in it.

Me: That's proof of how much your skills with using magic and casting spells have expanded in just seven years.

Laney: Yeah, and you can also thank his many Guardian Angels who are experts at magic as well.

Nico: Yeah!

Kida got up.

Kida: (GROANS) I have got the worst ever headache.

Milo: Kida? Are you all right?

Kida: Milo? What happened?

Milo: It's a really ugly story.

Me: It's a really nasty one.

Nico: You almost eat Lincoln alive.

Me: You had a dark orb imbedded in you and it made you into Twisted Kida.

Qin: Yeah. And you almost stabbed Nico and nearly ate Lincoln alive.

Kida gasped!

Me: But Princess Luna and Lincoln saved you and restored you.

Kida: Oh. Thank goodness.

Laney: We're glad you're okay.

Eli: Yeah same here.

Kida: You saved my life guys. I owe you big time.

Kida: I didn't demand that you guys change the past, did I?

Nico: Nope. You couldn't even talk. You just tried to kill us and that's it.

Me: Yeah it turned you totally feral. Like an absolute beast.

Kida: Oh. That is completely different.

Xenia: Yeah it sure was.

Ms. Spell: The important thing is that you are safe.

Camie: Yeah.

Finnish Lapphund: That's for sure.

Me: Yep. Okay now we can revert you back Kaarina.

Nico: Yeah.

Finnish Lapphund: I have no clothes on. I shrunk out of them when I turned into this.

Me: In that case.

I put on my Blind Man glasses.

Me: Just so you know Kaarina this is going to hurt really bad.

Nico: Yeah.

Finnish Lapphund: I'm ready.

The boys covered their eyes and I snapped my fingers and Kaarina groaned as she was reverting back. She got taller and then lost her fur and tail and then her ears and then she regained blond hair and had blue eyes.

Kaarina: (GROANS) That really hurt.

She got up but she was naked.

Kaarina: Whoa! I'm really naked.

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her new clothes and she had a blue and white dress and it had the Finland Flag Map on her skirt and she had a tattoo of a Finnish Lapphund on her right arm.

Kaarina: Wow!

Varie formed a mirror and she saw herself.

Kaarina: Wow! I look amazing and I'm human again.

Eli: You sure are.

Nico: What are your favorite hobbies?

Kaarina: Making Blood Sausages.

Nico: Awesome.

Lucy Loud: Wicked.

Nico: The Goths of Darkness love Blood Sausages.

Xenia: Yep.

Camie: Yeah.

Me: Now it's time for business.

Eli: Yep and thank goodness Garfield is not with us for this one. We are battling Battling Another Nature Patty, Krabby Patty Zombie Patty (SpongeBob Squarepants Krabby Patty Creature Feature), ROTTEN KRABBY PATTY (To Love A Patty), Ultimeatum, Meatball Monster, Lasagna Monster, Ghost of Merlin and Ryugu Tamatebacco.

We gasped!

Lily: Wait I remember the Nature Patties. They were Krabby Patties made from the plants of the ocean. I ate one and it was like eating the inside of a lawnmower.

Nico: Yuck! And wait isn't the Krabby Patty Zombie Patty those Krabby Patties Sandy made?

Lily: Yep that's them.

Nico: Geez! And a Meatball monster?!

Leni: Horrible one that one is! A Giant Swedish Meatball with a Bloodcurdling Scream that grabbed Eddy in its drooling ground chuck. (Imitating Eating)

Me: (Imitating Rolf) Rolf has seen this meatball! It stalks Wilfred in the dead of night!

PIG SQUEALS HEARD

Eddy: Um… you guys aren't Lumpy and Stretch.

Me: (LAUGHS) No we're just imitating it.

Maria: (LAUGHS) Yeah Carmen learned a lot from Rolf and so did all of us.

Eddy: And I can tell Leni did from Ed.

Leni: (LAUGHS) Yeah that is totes true.

Lola: What about the Rotten Krabby Patty?

Lily: That was when SpongeBob fell in love with a Krabby Patty and that was really cute and adorable. In the end SpongeBob ate it as it turned rotten.

All of us: EW!

Me: Boy that taste and smell like puke! But the Lasagna Monster is one I would not want Garfield to see and you know how much he likes Lasagna.

Nico: No kidding and that Ultimeatum one sounds awesome.

Maria: In fact, why don't we call Garfield here?

Nico: Uhh no way Maria. A monster of Lasagna like that would scare the 9 lives out of Garfield.

Maria: You're right. Who do we call for them?

Me: Irina Infernoble, Serena Lunalight, Yumi Orophelia, Phoenix Laval, Luna Destiny and Elizabeth "The Crow" Victoria.

Nico: Cool!

Qin: Nice!

Eli: Yep and the Anothers minus Another Ryugu are all one person and bro you might like who it is.

Me: I have a feeling I will.

Maria: I'll call them in.

They came.

Serena Lunalight: Hey guys.

Luna Destiny: I would've loved for Garfield to come.

Irina Infernoble: I agree with Nico though. It would scare the nine lives out of Garfield.

Nico: Yeah.

Yumi Orophelia: (SNEEZES) (Nose dripping)

Me: Bless you.

Yumi Orophelia: Thanks.

Nico: Want some chicken soup?

Yumi Orophelia: (SNEEZES) Yes please.

Nico gave her some and she was eating it.

Kida: Boy Yumi is really sick.

Me: Yeah she has a nasty permanent common cold. She can't help it.

Yumi Orophelia: (SNEEZES) Yeah I can't help it. Also I was Another Common Cold.

Lola: Yeah.

Kida: Oh boy.

She was eating the soup.

Me: Here come the Anothers!

We saw Another Nature Patty, Krabby Patty Zombie Patty (SpongeBob Squarepants Krabby Patty Creature Feature), ROTTEN KRABBY PATTY (To Love A Patty), Ultimeatum, Meatball Monster, Lasagna Monster and Ghost of Merlin! The Lasagna Monster looked like a big piece of cheesy lasagna and it had meat hands and it had eyes on stalks and on top of it was a disembodied brain in a dome!

Maria: WHOA! I Stand corrected! That Lasagna Monster WOULD Scare the 9 Lives out of Garfield!

Irina Infernoble: I do love lasagna. But that Disembodied brain in a dome is gross!

Qin: YUCK! Hector Con Carne would not like seeing that one.

Nico: Who are you?

Another Nature Patty: (In a girls voice) J.D. knows me for this.

Me: That voice!

She reverted back and it was a girl with yellow hair and had yellow eyes and had the symbol of the Lightsworn in the middle of her forehead and had golden yellow angel wings and had yellow clothes and on her skirt was the symbol of the Lightsworn and she had in her hand a Red Bladed lightsaber like that of Count Dooku.

Me: (GASP) Lyra Lightsworn!

Qin: WHOA! Then you must be the Gene-slammer of the Lightsworn Monsters.

Lyra Lightsworn: That's right. And I am very skilled in all their powers.

Me: Yep. Also Lyra was born on the planet Serenno.

Eli: Wow that's Count Dooku's home planet.

Lyra Lightsworn: That's right and also I was taught in the ways of the Force By him as a young one before I was sent to Earth.

Nico: That is cool!

Laney: Yeah.

Nico: Who are you?

Another Nature Patty: (In a girls voice) J.D. knows me for this.

Me: That voice!

She reverted back and it was a girl with yellow hair and had yellow eyes and had the symbol of the Lightsworn in the middle of her forehead and had golden yellow angel wings and had yellow clothes and on her skirt was the symbol of the Lightsworn and she had in her hand a Red Bladed lightsaber like that of Count Dooku.

Eli: Wow that's Count Dooku's home planet.

Lyra Lightsworn: That's right and also I was taught in the ways of the Force By him as a young one before I was sent to Earth.

Nico: That is cool!

Laney: Yeah.

Me: Yeah it sure is.

Nico: I'm eating all of them!

Me: EW! Nico you don't want to eat the Rotten Krabby Patty. You'll get sick as a dog!

Kaarina: HEY! I resent that!

Me: Sorry.

Nico: Okay some of them.

Lana: I'll eat the Rotten Patty.

Nico: That's better.

Me: By the way Lyra is the Another Ryugu friendly or hostile?

Lyra Lightsworn: Friendly and she is a powerful and awesome swimmer.

Nico: Nice.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Lana: Lets go!

Nico ate the Another Nature Patty and was chewing grass, dirt and worms and leaves.

Nico: (GROAN) It really IS like eating the inside of a lawnmower!

Lana ate the Rotten patty!

Nico then ate the rest and we blasted the Another Ghost of Merlin and I caught the Wonder Ride Books.

Me: Nice!

Nico: (BURPS!)

Juran: You ate the zombie patty?!

Nico: Yep.

Me: Don't worry. Nico's powers won't let him turn into a Krabby Patty Zombie.

Nico: Yep. Besides that was a terrifying adventure.

Lily: But it lead to the formation of the Neptune Crusaders.

Lola: Yep.

Me: Now we wait for Another Ryugu.

Nico: Yep.

Hammerstrike: My kind of place.

Me: It's Atlantis and it fits for you.

Qin: Yep.

Me: Here she comes!

We saw a figure and it was ANOTHER RYUGU TAMATEBACCO!

Me: Whoa! Another Ryugu!

Lola: Wow!

Another Ryugu: (In a girls voice) Awesome to see you again J.D.

Me: (GASP) That voice.

She reverted back and it was a girl with red hair and blue clothes and had an oarfish on her skirt and she had a Macuahuitl club in her hands.

Me: (GASP) Olivia Regalecidae.

Olivia Regalecidae: Awesome to see you again J.D.

Me: Same here. Olivia is a marine biologist and an amazing cat burglar too. She also comes from a long line of master thieves herself and she also is the gene-slammer of the Oarfish.

Ryugu: Wow! That is cool! I'm an oarfish monster myself and also I'm a thief and an Aquatic monster too.

Nico: That is awesome!

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything

Zocks: (Gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jetman sword!

Olivia Regalecidae: He didn't promise anything. He saw me glancing over to his safe of jewels and knew I was going to swipe it so he sent me on my way.

Me: Boy he knew a master thief when he saw one.

Qin: Yep.

Mera: Sorry we have to fight like this.

Olivia Regalecidae: No worries.

She turned into ANOTHER RYUGU!

Sougo: (gets out Mighty Morphin Ridewatch) You'd get along with Kairo Yano.

Geiz: (gets out Jetman Ridewatch) Not only is he a thief too. But he also fought Ryugu before.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor.

Annother Ryugu: I sure would get along good.

Nico: Lets bring the Oarfish Magic. (ACTIVATES RYUGU AND GHOST OF MERLIN'S RIDEWATCHES)

He fired waves of magic and energy and smashed her down.

May: Fear the dark Earth! (ACTIVATES GRAND DUKE OF OWLS AND EARTH GEARGOLEM'S RIDEWATCHES)

She fired magic and earth and smashed her down.

Maria: And the strength of darkness! (ACTIVATES AMYGDALA AND JOY'S RIDEWATCHES)

She fired waves of energy and smashed her down.

Ms. Spell: This will be fun! (ACTIVATES GHOST OF MERLIN'S RIDEWATCH)

She fired magic blasts and smashed her down.

Me: YEAH!

Then MetalSeadramon, Yost Electro, Grand Doomer EX, Bouldergeist, Dreadtrux and Icy Angel came.

Nico: Nice team MetalSeadramon!

MetalSeadramon: Thanks Nico. It sure is cool!

Laney: Yeah!

Then a Copperajah came!

Laney: Cool!

Me: Whoa a Copperajah!

Qin: Neat!

Copperajah: (In a girls voice) (India Accent) Being a pokemon like this is really fun.

Nico: Aadarshini Venkatanarasimharajuvaripeta! Wow!

Me: Wow that's a hard name to pronounce.

Nico: I know.

She reverted back and was a girl with green hair and had orange eyes and had a green and orange sari.

Aadarshini Venkatanarasimharajuvaripeta: It's good to see you again Nico. I got this.

She fired waves of energy and blasted down Another Ryugu and I caught the Ridewatch and purified it and I brought Olivia over.

Xenia: YEAH!

Ms. Spell: What's your favorite memory of Nico?

Aadarshini Venkatanarasimharajuvaripeta: When me and Nico made the hottest ever curry for a bully and she literally exploded.

Me: She literally exploded!?

Qin: Yeah it was funny and awesome. She deserved it.

Aadarshini Venkatanarasimharajuvaripeta: Yes everyone hated her for it all.

Me: Geez! Nice.

Lola: Yep.

Nico and Aadarshini hugged.

Nico: I've missed you.

Aadarshini Venkatanarasimharajuvaripeta: Same here Nico.

We went back home.

Lincoln: But, we're going to take him down and condemn him to eternal servitude in The Masters of Evil.

Aquaman: That's an excellent idea, Lincoln. Now, we must hurry before that malevolent monster dares to come after us.

Then, Lincoln fired a rainbow energy straitjacket that tied Mal up, and Lincoln opened up a portal that led to The Masters of Evil's HQ. Then, he picked up Mal, pointed him to the portal, and then, we saw Lincoln lift his leg up, and then… !

WHAM!

Lincoln literally kicked Mal in the butt and it sent him flying into the portal and he wound up in The Masters of Evil's HQ as it closed. We cheered as we holster our weapons and powered down.

Nico: (LAUGHS) Lincoln, that was an awesome thing you did in literally kicking Mal in the butt and sending him through the portal.

Me: That'll teach that parasite!

Lincoln: Enjoy eternal servitude in The Masters of Evil, Mal. (To Morgana Le Fay) And it's so good to see you again, Morgana Le Fay.

Morgana Le Fay: You too, Linky, it's been a long time.

Lincoln went up to Morgana Le Fay and he hugged her, and Morgana Le Fay is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Morgana Le Fay: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Morgana Le Fay, Gene-Slammer of

Morgan, the Enchantress of Avalon, she's my Guardian Angel from Michigan and she's a very powerful wielder of light and water magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Plus, you're going to love hearing this: Morgana Le Fay is the descendant of Morgan Le Fay, the powerful and ambiguous enchantress from the legend of King Arthur, her early appearances in Arthurian literature do not elaborate her character beyond her role as a goddess, a fay, a witch, or a sorceress, generally benevolent and connected to Arthur as his magical savior and protector. But, in later legends, she went from good to evil.

Me: I knew it.

Melanie Artorgius: Yep, and Lincoln made her a green coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Morgana Le Fay hates that buttface, Chandler, with a very blazing passion. One day, Morgana Le Fay and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Chandler, and he'd brought with him an army of musclebound thugs he hired. Morgana Le Fay and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that buttface into a blood-crazed fury, but before he could get after us, Lincoln and Morgana Le Fay fired chains of dark magic which bound those buttface and tied him up. Lincoln called his family and his sisters and told them of what that buttface tried to do to him, and needless to say, everyone wanted his head on a pike! But Lincoln wasn't surprised, Chandler tried to kill him many times in the past, but in the end, his plan failed, and we called the cops and he along with his goons were sent to jail, and to make sure that they didn't try to get revenge, Morgana and Lincoln casted a spell to prevent those buttfaces from coming back because messing with the descendant of Morgan Le Fay and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That Dark Chandler is such a murderous asshole! How were you all able to even put up with him?!

Lincoln: We couldn't, he always found ways to try and cause trouble and make us miserable or kill us.

Me: And more than too often, he's had the daylights beaten out of him.

Lori: We'd literally had it with that little monster, wherever he went, trouble was sure to start.

Lincoln: And more than too often, he's tried to kill me and the same went with his goons, Artie and Trent. But, we should be glad that Dark Chandler's in The Black Gates forever, and Artie and Trent are now in The Charon Reform School for life, and now that you're here, Morgana.

Lincoln went up to and hugged Morgana Le Fay in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Morgana Le Fay: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Morgana Le Fay's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Morgana Le Fay: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Morgana Le Fay.

Morgana Le Fay had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the six girls, and when Lincoln saw who they were, they immediately recognized them. The six girls are Akiho Yamabuki, Clariss, Izumi Hayashii, Machiko Yokokawa, Mayumi Shimizu, and Otome Iwamoto from Plastic Honeymoon.

Lincoln: Oh wow, it's Akiho Yamabuki, Clariss, Izumi Hayashii, Machiko Yokokawa, Mayumi Shimizu, and Otome Iwamoto from Plastic Honeymoon.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akiho Yamabuki: Yes, we're okay, thanks to you.

Then, when Akiho Yamabuki and the other five girls saw who it was that saved them from Mike's Dark Side, Mal, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf

Akiho Yamabuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Akiho Yamabuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akiho Yamabuki, Clariss, Izumi Hayashii, Machiko Yokokawa, Mayumi Shimizu, and Otome Iwamoto with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Mike's Dark Side, Mal, who came back wanting revenge on me for separating him from Mike years ago.

But, when Lincoln showed what we did in laying quite a brutal beatdown on that asshole, and then, Lincoln tying him up and literally kicking his butt into the portal that led to The Masters of Evil's HQ, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln and Morgana Le Fay have a lot of catching up to do now that she's back in town.

Maria: I can't believe Mike's Dark Side, Mal, came back! I thought J.D. got rid of that parasite long ago!

Lincoln: He did, but he came back for revenge. That monster was nothing more than evil incarnate and always desired one thing: revenge.

Duncan: Well, now he's condemned to eternal servitude to The Masters of Evil.

Lincoln then put the Hinon's Vengeance Curse on Mal to make sure he's kept an eye on.

Lincoln: There we go. I also made sure to put The Hinon's Vengeance Curse on Mal, if he steps out of line, he'll die and he'll be banished to The Black Gates forever.

Nico: Nice one.

Me: Max had already proven himself, but Mal, he's got a long way to go, and he still has to answer for everything he put Mike and everyone else through during the first Total Drama competition years ago.

Gwen (Total Drama): Vypra will keep him on a leash, and with Lincoln's curse also on him, he's on thin ice.

* * *

After taking down Mal, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Morgana Le Fay saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Morgana Le Fay: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Morgana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Morgana Le Fay: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Morgana Le Fay: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Morgana, what memories did you have with Lincoln?

Morgana Le Fay: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of sewage in the air, and we saw who it was coming after us: it was Chandler, Royal Woods' murderous bully and sewage asshole, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Chandler, and we brutally thrashed him. Then, Lincoln chained him up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Chandler once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Chandler, and they brutally beat his butt into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Chandler after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set that asswipe off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that asshole always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: He was nothing more than trouble and he can never ever be forgiven.

Nico: Yeah, and when he broke loose and caused havoc in Chang An, it was the last straw that broke our backs!

Selene Emperyous: And Lily the Mermaid transformed on that day, and she and Lincoln sent him to The Black Gates forever, he deserved it.

We got a shower, and then, Lincoln, Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made her go insane with anger, until Lincoln fired energy blasts at that bitch and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that bitch has sent more muscle-bound thugs to kill them.

Angelica: Whoa, so this is Sirena Beach, it truly is beautiful.

Lincoln: It sure is, Angelica, and it's perfect for our first date before Matau's mission in Rio. Shall we?

Lincoln, Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Icky Vicky coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino and they hugged them in their abnormally massive and powerful muscular arms, and Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena

Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino are in your harem.

Jenna: And Icky Vicky had some nerve trying to kill them, that bitch is just making things much worse for herself.

Serena Logan: I always knew that child-despising, destructive, pure evil bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Angelica, Darli Dagger, Rera, Saya, Wu-Ruixiang, Mina Majikina, Rimururu, Mikoto, Suzu, and Rinka Yoshino, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, the bitch has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you bubble-butt bitch!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU PSYCHOPATHIC FIRE-BREATHING BITCH!

Suddenly, the Beads of Subjugation on Icky Vicky's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

Timmy Turner: If Icky Vicky gets anymore of her dumb ideas, she's going to get thrown inside a pit of vipers!

Wanda: Bad idea, sport. She's more terrifying than a pit of vipers, along with the fact that she also tried to attack you with snakes she'd brought with her.

Lincoln: We'll think of some more punishments for her, we've already added on more punishments to that mutant, Flip.

---

At the park we were having an awesome contest.

Dripple: Oh dear. What's going on now?

Droopy: A contest where everyone eats Ghost Pepper Chicken Sandwiches.

Dripple: That is gonna be hot for them papa.

Droopy: I know they can take it.

May ate one and then she screamed and fire blasted out of her mouth!

Maria extinguished her fire.

May: Ahh! Thanks Maria.

Droopy: Should I prepare the water?

Maria: I got plenty of that.

Then I ate 10 sandwiches and I was really on fire with awesome heat.

Laney and Eli had fire blasting out of their mouths from the heat and Maria extinguished them with water.

Lola: Nice!

Nico ate 23 sandwiches and he was REALLY feeling the head.

Lola: Those are intensely hot!

Kickback: You guys gonna be okay?

Wade Ripple: (Wheezing) I love hot food.

He ate a nuclear hot sandwich and then he started Boiling!

Wade Ripple: AAAAAAAAAAAAAAAAHHHHHHHH!

We laughed!

Lola: That is funny!

Nico: (LAUGHS) YEAH!

?: Can I have some with you guys?

We saw a Dracozolt!

Me: Cool a Dracozolt!

Dracozolt: (In a girls voice) Those sandwiches look tasty.

Nico: Ida Lingdonburg! Wow!

She reverted back and was a girl with yellow hair with red clothes and had yellow angel wings.

Ida Lingdonburg: Awesome to see you again nico.

Nico: Same here.

Cliffjumper: What's your favorite memory of Nico?

Ida: When me and Nico had a spicy food eating contest and I won.

Me: That is cool.

Qin: Yeah she is tough too.

Lola: I like it.

Nico: Yeah.

Nico and Ida hugged.

Nico: I've missed you.

Ida: Same here.

Kickback: (grins) Hey, Garfield. Maria got a photo for you from Nico's rescue!

Garfield: What is it?

Maria showed the photo and then GARFIELD SCREAMED LIKE A LITTLE GIRL AND HIS NINE LIVES JUMPED OUT OF HIM AND HE AND THE NINE LIVES JUMPED AROUND LIKE BULLETS FIRED FROM A GUN!

They came back together.

Garfield: That is crazy!

Maria: If I couldn't get you to come on the rescue, I figured I'd bring the rescue to you.

Garfield: Very funny.

Nico: I told you he would not like seeing that monster.

Qin: Yeah.

Me: Nico ate the Another Lasagna Monster.

Lola: Yep.

The previous group came.

Evil Green Ranger: Can me, Robo Roxy, Gentleman Ghost, Vreedle Brothers, Dark Spicer, Koragg, Wiggum, Chalmers, Springfield Mafia, and Key go with you guys?

Louie: Nice job yesterday, girls.

Legs: Is Jiraiya gonna be okay?

Nicole: He'll be fine. In about 4 years. Brad on the other hand? He's going to be going to hell soon.

Nico: And yes you all can come with us.

Lola: Yep. Meowth: Nico, which Gene Slammers do you think you'll meet next?

Nico: Arctozolt, Dracovish and Arctovish.

Lola: Cool!

Qin: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Simone de Bastien, the 500-year-old vampire queen from Paris whom Diana had encountered during one of her missions, and now, that 500-year-old vampire has returned for revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Diana, you're not going to like it. Are you familiar with a vampire named Simone de Bastien?

Diana Lombard gasped.

Diana Lombard: I am, and I wish I wasn't. On one of my assignments in The Centre, we went to Paris and we found out that the person responsible for missing residents was none other than Simone de Bastien, a 500-year-old vampire queen who along with her lover, the vampire king, Gerard Montague, ruled a vampire clan in Paris. But, they're not like the vampires we all know, instead of biting their victims and feeding on their blood, they steal their souls turning them into vampires.

We gasped.

Nico: Jeez. So, there's a difference between the vampires we know and Simone de Bastien.

Me: Yep, but either way, she's still an evil vampire who needs to die.

Diana Lombard: Last time we faced her, she turned Martin into a vampire, but here's the thing, he's the descendant of Gerard Montague, and there was a common gene: when the binding ceremony was complete, The Gateway to The Banished Realm would open and her clan would return and plunge the world into eternal darkness.

Lincoln: Yep, she needs to die. And I'll do to her what I've done to Audrey Blade and her minions.

Elizabetha Draculana: (Romanian Accent) I hope you also consume her soul and convert the negative energy she harbored in her souls into positive energy.

Lincoln: You know me all too well, Elizabetha.

Nico: Just when we were glad to be rid of The Ghostrick Destroyers, now Simone de Bastien had to show up to cause trouble, but she'll be gotten rid of. Alright, gang, let's go, we're heading to Rio to help Blue, Jewel, and their friends.

Lincoln: Nigel's time is up, and he'll soon be in for eternal servitude in The Masters of Evil, and once we get done taking down Nigel, (Deep Sapphire Eyes turn blood red) You're next, Simone de Bastien.

Elizabetha Draculana: (Romanian Accent) If that soul-sucking vampire thinks she can come back to get revenge and bring her clan back here our world, she's sorely mistaken. I can't wait to see her get turned to ashes once more!

Matau: Blu, Jewel, everyone, hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Rio to help Blu, Jewel, and their friends take down Nigel, and once we got done taking down Nigel, Matau and Lincoln are going to destroy Simone de Bastien and make that 500 year old vampire queen pay for her crimes.

We were off to Rio in Brazil.

---

We arrived in Rio.

Me: Good old Rio.

Qin: Party capital of South America.

Manaphy: And tons of not good stuff. LIKE THE BLOOD AND HONEY MOVIE! (Shows trailer close to Blu's face) LOOK AT IT!

Me: Oh for fucks sake.

I calmed her down.

Nico: Long story.

Blu: Wait. Is that Pooh?!

Nico: Yeah. It's a dark version of Winnie the Pooh.

Lola: Yeah. It's not good.

Camie: Yeah.

Jewel: Is that Piglett as well?!

May: Yep. I know. He doesn't too cute here!

Nico: Yeah.

Me: Like we said, Long story.

May: Yeah

Blu: Why don't you sue the people who made this?! It's a nonviolent solution.

Key: That's not such a bad idea.

Lola: Good idea.

Me: We'll talk about that later.

Nico: Right now we have a job to do

Wendy Koopa: Has Gabi been exposed as our spy yet?

Blu: No thank goodness.

Lola: Good.

Nico: Yeah.

Chalmers: That means Apple, Raven, and the others will fight her on our way to Nigel.

Nico: Amore will have to help out with that.

Lola: Yep.

Nico: Yeah.

Ultra Humanite: I hope she doesn't mind getting bruised a bit.

Lola: Oh boy.

Nico: We'll heal her up.

Eli: Yep.

Varie: I agree.

Koragg: It's a fair and honorable fight. She won't be hurt badly by us and her poison won't affect us

Me: She's not really a Poison Dart Frog. She's actually a rare Pink Tree Frog. They are non-venomous.

Koragg: Oh big difference. But still she won't be hurt too bad.

Me: Yeah.

Catzi: I still hope she won't get too mad

Nico: Don't worry about it.

Lola: Yeah.

Nico: Okay.

Octagon: Blu, you're about to see the usual battles in action.

Rhomboid: There, stuff will get blown up real good!

Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing and the smell of sewage in the air, and we saw who it was coming after us: it was Chandler, Royal Woods' murderous bully and sewage asshole, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Chandler, and we brutally thrashed him. Then, Lincoln chained him up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Chandler once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud all pounced on Chandler, and they brutally beat his butt into the ground.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Chandler after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set that asswipe off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that asshole always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: He was nothing more than trouble and he can never ever be forgiven.

Nico: Yeah, and when he broke loose and caused havoc in Chang An, it was the last straw that broke our backs!

Selene Emperyous: And Lily the Mermaid transformed on that day, and she and Lincoln sent him to The Black Gates forever, he deserved it.

It was like how Jack and the Scotsman clashed!

SPARKS FLEW EVERYWHERE!

He jumped back and then fired an energy wave and I fired an energy blast and the blasts collided and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported out of the smoke and opened his safe and in it was a bunch of weapons called the Thrashers of Nigel, they're a massive collection of massive greatswords with embedded colored gems and the anti-Nigel symbol etched on the 7'5" massive, wide, double-edged gold blades, large gold wolf heads for the crossguards, large white angelic faces built into both sides of the hilts with large colored gems embedded in the foreheads, longer midnight black handles, four large wolf heads with colored gems for eyes and on the bottom of the four large wolf heads are large gold wolf heads with colored gems in their mouths for the pommels.

I teleported back with them and we fired energy blasts and blasted him all over.

We were off.

---

We flew and got to the clearing and we saw Gabi.

Me: Gabi. Nice to see you.

Gabi: Same here.

Me: Nigel wasn't onto you was he?

Gabi: No he wasn't.

She beckoned me and told me that he was going to finish what he started and smuggle birds of all kinds onto the black market and kill Blu and Jewel.

Me: Thanks for telling us this.

Gabi: I truly am sorry we have to do this.

Nico: Me too. But rest assured we're not fighting you.

?: That's right. We are!

We saw the EVER AFTER HIGH GIRLS!

Raven Queen: We got this. You all stop Nigel.

Me: Thanks Raven. We owe you girls.

Amore: I'll help you guys!

Raven Queen: Thanks Amore.

We went on and into the big clearing.

Chemistro came.

Nico: Thanks for coming, Chemistro.

Chemistro: No problem Nico. This will be fun.

We then saw Nigel and he was waiting. We hid.

Chemistro went over to him and Blu and Jewel were with him.

Nigel: So, you must be Chemistro.

Chemistro: Damn right I am. And you must be Nigel. Don't look very tough up close.

Nigel: Well looks can be deceiving my friend.

Chemistro: We'll see about that.

Nigel: Blu, I was wondering when I'd run into you and Jewel again. You and I have a score to settle!

Blu: That suits me fine. Except, I've got friends to back me up!

Nigel: What friends?

?: See for yourself you overgrown featherduster!

Then the spirits of the bird species of Rio De Janeiro came and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard! We came out.

Me: Nigel, you sure are ugly for a bird.

Nigel: NO ONE CALLS ME UGLY!

Me: Well I just did.

Nigel: I will turn you into bird food!

Me: Bite my big fat fucking ass!

Camie: We are here to destroy you!

Blu: These are my friends Team Loud Phoenix Storm!

Ophelia Simpson: And I get to meet my archenemy. I'm Ophelia Simpson, Gene-slammer of Knight Light and I'm going to battle you.

Nigel: You're not the only ones with friends. Cogs!

An army of Cogs appeared.

Me: Cogs! Now we're talking!

I fired waves of energy and lightning and blew many of them to scrap metal!

Nico: Take that!

I fired waves of energy and blasted them all over and we were punching and smashing them.

Then the cogs put Blu, Jewel and friends in cages.

Blu, Jewel, and their friends lay defeated at the hands of the Cogs.

Nigel: I told you I was gonna get revenge on you, Blu. Don't say I didn't warn you.

Red: (headbutts a Cog) Crap! What do we do?!

Matau got an idea.

Matau: (to everyone watching) Everyone out there! Lend Blu, Jewel, and their friends your strength! They get stronger with your support! When I give the signal, share your energy with Blu, Jewel, and their friends! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Blu, Jewel, and their friends. And soon, Blu found the strength to get up and bust out of the cages and smashed the Cogs down..

Blu: Sorry, Nigel. But you shouldn't count me out yet!

Blu then pecked a Cog, knocking it down.

Nigel: WHAT!?

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted Nigel all over!

Blu: Thanks for the help, everyone.

Jewel: I didn't think we'd be this popular.

She summoned Beast Man, Zeru, Rampage (Beast Wars), Victor, Universe 666 Syn Shenron, Sailback Sharptooth, Beast of Bottomless Lake, and Evil Bunny!

Nico: YEAH!

Matau: Alright, I think we've had just about enough of you, Nigel!

Suddenly, Matau's yellow eyes turned neon yellow, and he was surrounded by a green and sky blue energy aura with winds, stars, Air Toa, and phoenixes, and as he approached Nigel, he left green and sky blue energy, winds, stars, Air Toa, and phoenixes with every step.

Matau: You really make me sick, Nigel, you're nothing more than a psychopathic bird who enjoys the havoc that you've wrought, and even worse, you enjoy causing pain and suffering to Blu, Jewel, and their friends! Well, I'm not going to put up with that anymore, I hope you're ready to get the stuffing beaten out of you, you flying rat with wings!

Suddenly, Matau was surrounded by a massive vortex of green and sky blue energy, winds, and stars surrounding the vortex, there are Air Toa and phoenixes flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Matau emerged, but he was changed forever.

(SAMBA MUSIC PLAYS)

Matau grew to 7'9" in height, he now had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and green-colored chin hair, he has long green hair going down to the bottom of his neck with sky blue highlights in the bangs of his hair, he has neon yellow eyes and a green and sky blue energy aura with winds, stars, Air Toa, and phoenixes surrounding him, he has a Toa Mata of Air with the Ice Kanji in its hands emblazoned on his forehead, he has phoenix earrings with green gems for eyes and the Air and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with green gems on the gold wind gust links and sky blue crystal links and green Air Toa-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with green gems for eyes and holding the Air and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Matau's now wider and more muscular back is a phoenix and a Toa Mata of Air, and they're surrounded by winds. Suddenly, Matau felt a sharp pain on his now wider and more muscular back, and then, massive green angel wings with sky blue tips on the large green feathers, sprouted out of his now wider and more muscular back. Matau has on a pair of large black pants with wind gusts on the legs, black knee-high leather combat boots, large weighted gold bands on his massive biceps and thighs, and orbiting around his legs are eight large green orbs, he has on a Ring of the Phoenix with large green gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Matau's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of green and sky blue energy, winds, stars, Air Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Matau's Hurricane Wind Air Toa Greatsword of Hurricane Justice, it's a brand-new large greatsword with embedded sky blue gems and the symbol of the Air Toa and the anti-Bohrok-Kal symbol etched on the massive 7'5" massive, wide, double-edged green blade, large Air Toa heads for the crossguard, large white angelic faces built into both sides of the hilt with large green gems embedded in the foreheads, longer midnight black handle, four large Air Toa heads with yellow gems for eyes and on the bottom of The Air Toa heads is a large phoenix head with sky blue gems for eyes and large green gem in its mouth for the pommel. Matau has on his new large gold cuff Bracelets of the Champions of The Universe with green gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Air Toa head with sky blue gems for eyes and a large green gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip. There's a gold kanji below the Air Toa and phoenix that said, "Matau, Toa Mata of Air, Brother and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, Kopaka, and Nuju, Loving Brother of Blu, Jewel, and Friends, Archenemy of Curtis Carr Also Known As Chemistro, Destroyer of Tetridax and The Bohrok-Kal, Smasher of Nigel, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful

Matau has transformed into SUPER ANGEL-AIR TOA-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA HURRICANE FORCE WIND AIR TOA ANGEL OF DIVINE HURRICANE FORCE WIND AIR TOA ANGEL JUSTICE AND DIVINE HURRICANE FORCE WIND AIR TOA ANGEL WILL!

We were amazed by Matau's Super Angel-Air Toa-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, but when Nigel saw it, he went mad with rage and charged at him with the hopes of slitting his throat with his talons, but Matau fired a massive barrage of green and sky blue energy, winds, Air Toa, and phoenixes at Nigel, and they exploded as they hit him and sent him right into a tree, Nigel got back up, but this really angered him now.

Blu: Whoa, so that's…?!

Matau: (Divine Godly Cosmic Voice of The Hurricane Force Air Toa Angel and Divine Hurricane Force Wind Air Toa Will) This is only my Phase 1 transformation to deal with that crazy bird, Nigel, my Phase 2 transformation's coming up soon, and it's against one of the enemies of Lincoln's future wives.

Diana Lombard explained to Blu, Jewel, and their friends about Simone de Bastien, the 500-year-old vampire and her crimes, and they were shocked as soon as she was finished.

Jewel: Jeez, she's bad news. Wait, I think I remembered seeing her here in Rio, she had a black orb inside her hand.

Lincoln: Dark Orb, figures. But, that Dark Orb is also… !

Diana Lombard: You're right, it's protecting her from the sun. She knew of what happened last time we dealt with her, but we'll be ready for her.

Blu: Not only that, but while she was here, she'd stolen the souls of some of the people here.

Suddenly, we saw an army of people heading for us: but we saw that they were vampires, and that was proof that Simone de Bastien had stolen their souls and turned them into vampires.

Lincoln: Okay, now she's really done it. SOUL RESTORATION!

Lincoln fired a massive rainbow energy blast, and it headed for Simone de Bastien, and when it hit her, a blast of souls escaped from her mouth and they went back into her victims restoring them to normal, and this also angered Simone de Bastien.

Nico: Nice one, Lincoln. But, you do realize you just pissed her off even more.

Lincoln: Like I even care what she's feeling, we've put down a lot of evil vampires in the past, and Simone de Bastien has made a huge mistake crossing us.

Me: A mistake she's going to pay with her undead life.

M.O.M.: She clearly has no idea of what's coming for her, but luckily, she didn't come after Martin and Java.

Diana Lombard: She didn't. But, we'll be heading for Torrington Academy sooner than expected, I just hope Martin doesn't do anything to make a fool of himself again, or dealing with me will be the least of his worries.

Jenni Anderson: Especially since Lincoln's sisters will come to his defense. I swear if he thinks of trying to make a fool of himself or start any trouble again, he's going to get it!

Kairi Yano: Here's an advance notice-

Dark Spicer: Your ass is about to be kicked!

Maxxor: By the authority of the Tribal Alliance-

Keiichiro: We're taking you down by force!

Me: And we're going to kick your big ugly fucking ass!

Diana Lombard: Oh great, I knew there was no mistaking that voice from anywhere. You can come out now, Simone de Bastien.

A pale figure with long black hair, dark purple dress, claws, and red eyes came out, it was none other than Simone de Bastien, the 500-year-old vampire queen from Paris, France.

Diana Lombard: I'm surprised to see you return from the dead, Simone. I thought we made sure you would never return after you got turned to ashes.

Simone de Bastien: (French Accent) (Laughing Evilly) It was because of this Dark Orb, I was brought back from the dead, and now, I will have my revenge on you and the world will belong to me and my clan once more!

Suddenly, Matau's yellow eyes turned neon yellow, and he was surrounded by a green and sky blue energy aura with winds, stars, Air Toa, and phoenixes, and as he approached Nigel, he left green and sky blue energy, winds, stars, Air Toa, and phoenixes with every step.

Matau: You really are everything that Diana had told us about you,

you're nothing more than an evil vampire out to take over the world and turn it into your kingdom of the undead. Well, there's no way we're going to let that happen. Simone de Bastien, your crimes against the world of man have gone unpunished for 500 years, and now, we will see to it that you are reduced to ashes once and for all.

Suddenly, Matau was surrounded by a massive vortex of green and sky blue energy, winds, and stars surrounding the vortex, there are Air Toa and phoenixes flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Simone de Bastien: the red eyes of eternal death. Then, as the vortex faded, Matau emerged, but he was changed forever.

Matau grew from 7'9" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger for his new body and he still retained his eight-pack abs, he has tanned skin and green-colored chin hair, he has long green hair going down to the bottom of his neck with sky blue highlights in the bangs of his hair, he has neon yellow eyes and a green and sky blue energy aura with winds, stars, Air Toa, and phoenixes surrounding him, he has a Toa Mata of Air with the Air Kanji in its hands emblazoned on his forehead and Third Eye with green iris, he has phoenix earrings with green gems for eyes and the Air and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with green gems on the gold wind gust links and sky blue crystal links and green Air Toa-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with green gems for eyes and holding the Air and Eternity Kanjis in its claws for the pendant on his bare chest, he also has on a green version of He-Man's chest harness with sky blue gems on the green straps and large gold chest plate, Matau has on a pair of large black pants with wind gusts on the legs, black knee-high leather combat boots, large weighted gold bands on his massive biceps and thighs, and orbiting around his legs are eleven large green orbs, and tattooed on Matau's now wider and more muscular back is a phoenix and a Toa Mata of Air, and they're surrounded by the winds. Suddenly, Matau felt a sharp pain on his now wider and more muscular back, and then, his massive green angel wings with sky blue tips on the large green feathers grew much bigger for his new body. he has on a Ring of the Phoenix with large green gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Matau's massive Matau's Hurricane Wind Air Toa Greatsword of Hurricane Justice and all of the greatswords and swords he'd gotten began merging together, and they were suddenly surrounded by a massive kaleidoscope of green and sky blue energy, winds, stars, Air Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Matau's Cosmic Hurricane Wind Air Toa Greatsword of Cosmic Hurricane Air Toa Justice, it's a brand-new large greatsword with embedded sky blue gems and the symbol of the Air Toa and the anti-Bohrok-Kal symbol etched on the massive 7'6" massive, wide, double-edged green blade, large Air Toa heads for the crossguard, large white angelic faces built into both sides of the hilt with large green gems embedded in the foreheads, longer midnight black handle, four large Air Toa heads with yellow gems for eyes and on the bottom of The Air Toa heads is a large phoenix head with sky blue gems for eyes and large green gem in its mouth for the pommel. Matau has on his new large gold Bracers of the Champions of The Universe with green gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, his new large gold Belt of Elemental Bravery with a golden Air Toa head with sky blue gems for eyes and a large green gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip. There's a gold kanji below the Air Toa and phoenix that said, "Matau, Toa Mata of Air, Brother and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, Kopaka, and Nuju, Loving Brother of Blu, Jewel, and Friends, Archenemy of Curtis Carr Also Known As Chemistro, Destroyer of Tetridax and The Bohrok-Kal, Smasher of Nigel, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Air, Air Toa, and Phoenixes"

マタウ、エアのトア・マタ、タフ、ヴァカマ、オネワ、フェヌア、マタウ、ノカマ、タカヌバ、ポハトゥ、オヌア、レワ、ガリ、コパカ、ヌジュの兄弟でありチームメイト、ブルー、ジュエル、そして

Suddenly, Matau's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, he transformed into his most powerful and most incredible transformation ever!

Matau has transformed into SUPER ANGEL-AIR TOA-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA HURRICANE FORCE WIND AIR TOA ANGEL OF DIVINE HURRICANE FORCE WIND AIR TOA ANGEL JUSTICE AND DIVINE HURRICANE FORCE WIND AIR TOA ANGEL WILL!

We were amazed by Matau's Super Angel-Air Toa-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Simone de Bastien saw it, she went mad and tried to claw at Matau with her claws, but Matau fired a massive barrage of green and sky blue energy, stars, winds, Air Toa, and phoenixes at Simone de Bastien, and they exploded as they hit her, she got back up, but this angered her badly to the point that she transformed into a monstrous bat creature.

Blu: Whoa, so that's…?!

Matau: (Divine Echoing Godly Voice of The Harmonious Hurricane Force Air Toa Angel and Divine Wind Hurricane Force Air Toa Justice) Yep, this is my Phase 2 transformation, Blu. Now, then, let's put an end to this evil vampire, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga

Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Matau.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You may have gotten away with your crimes for 500 years, but you should've known you can't run forever. And now, it's time for you to die, you soul-sucking witch!

Matau and Lincoln went after Simone de Bastien, and they fired extremely powerful blasts of rainbow energy, green and sky blue energy, colored flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Simone de Bastien and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Matau also attack her with punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving the vampire really really mad.

Simone de Bastien tried to rush at them, but Lincoln ran at her first, and then, he drove his massive greatsword into her stomach and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC SOUL DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing blood red, and then, Lincoln began draining Simone de Bastien of all her life energy and blood, and then, Lincoln saw her soul and he consumed it as he held his left hand out and her soul went in him. Then, his rainbow energy aura flared up as he began absorbing all of her negative energy and he was getting stronger and stronger as he gained a massive power boost. When he was done and he removed his massive greatsword from her stomach, Simone de Bastien was now a withered husk, and that also caused The Dark Orb in her hand to pop out of her hand, but without it, her body eventually exploded into flames as a result. Then, Lincoln smashed The Dark Orb and we gained a power boost and with our auras protecting us, the shards didn't go into us and they were destroyed as well.

Then, an energy card with Simone de Bastien's completely drained soul imprisoned inside appeared in Lincoln's large left hand, and then, when the Judgement Kanji appeared on her forehead, she was found guilty and sent to The Black Gates. We cheered for what Matau and Lincoln did as they holster their massive greatswords and powered down, and Matau's new body, clothes, weapons, jewelry, Third Eye, and massive green angel wings are permanent.

Matau: That should do it.

Lincoln: Yep, now we're rid of Simone de Bastien.

Nico: That was really awesome, and that was the very power Elizabetha used and also taught you as well, right?

Lincoln: Yep, and we've used that on evil vampires like Simone de Bastien many times over.

Me: You can't imagine how many times they've used that on so many evil vampires.

Nico: Yeesh, I can imagine, and so many evil vampires have not only had their souls consumed and drained of their power and negative energy, but without any blood to feed on or souls to consume, they turn to dust.

Eli: But, they deserve it. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Merlin.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Merlin, Maria Merlin, and you guys are going to love meeting her, Maria Merlin is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of light and dark magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Maria Merlin is the descendant of Merlin.

We gasped in total shock.

Me: Merlin, the mage and wizard who helped King Arthur on his rise to become King of Britain.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a dark purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Maria Merlin hates Killjoy Huggins with a very blazing passion. One day, Maria Marlin and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Killjoy Huggins, and he'd brought with him an army of musclebound thugs he hired. Maria Merlin and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that buttface into a blood-crazed fury, but before he could get after us, Lincoln and Maria Merlin fired chains of light and dark magic which bound that buttface and tied him up.

Nico: Did he call his family and his sisters for this? Or worse, Superintendent Chen?!

Lincoln: Yep, and needless to say, everyone wanted his head on a pike!

Me: Should've known he would do something like this.

Lincoln: I know, but I wasn't surprised, that dumb killjoy tried to kill me many times in the past, but in the end, his plan failed, and not only did he get a severe beating from my sisters, parents, and Superintendent Chen, but we also called the cops and he was sent to jail, and to make sure that he didn't try to get revenge, Maria and I casted a spell to prevent him from coming after us.

Me: Yeah, messing with the descendant of Merlin and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: That killjoy really hated that his greatest "plan" was foiled once again, and he got into even more serious trouble with your family and Superintendent Chen, yeesh.

Lincoln: He seriously didn't even know when to quit, and to make it worse, his plan earned them the vengeance of my family and Superintendent Chen infinite-fold.

New Wave: (to the Ever After High gang) You guys helped too.

Apple White: We sure did.

Me: We owe you guys big time for it.

Blu: See you guys in 7 days,

Apple White: We'll be waiting.

Apple White shook Blu's wing with her hand.

Amore: That was so fun.

Gramma Stuffum: I'll cook up a victory meal for us!

Nico: Awesome!

Seadramon: (to Poromon) Please share your food with Blu, okay?

Poromon: You got it.

MJ: And how did you like your first Ranger Battle?

Evil Green Ranger: It was really fun!

Nico: It sure was. Great job everyone! Lets make this a Brazilian fiesta and siesta to remember!

Blu: (To the viewers) This was an awesome fiesta and Samba Carnival to remember!

Qin: It sure was!

Nico: Lets party and have fun.

We went to Rio and partied!

ARRRRRIBA YIYIYIYIYIYIYI!

We went back home and enjoyed the rest of the day and went to sleep.

Nico: Good idea. It sure is hot.

Sunny Starscout: You can count on that guys.

Lola: Awesome.

Nico: Noah, I want to thank you, MetalSeadramon, and your teams for coming

Noah: No Problem Nico. This is gonna be so awesome and fun.

Jericho: (Writing) It will be an honor to help you all out.

Me: We're glad you are going to have fun Jericho.

Laney: We sure are excited.

Nico: Jericho, we can get you your Voice back if you want.

Jericho: (Writing) I know. But I feel more at peace talking via a chalkboard than talking for real.

Nico: Well if that is what you want then we will not stop you from talking this way.

Jericho: (Writing) Thank you Nico.

Nico: You're welcome.

Me: That sure is awesome. By the way Jericho are you happy that you and your fellow Titans are rid of the Brotherhood of Evil forever?

Jericho: (Writing) I sure am and the world is much more safe without them.

Me: That is for sure.

Varie: Yep.

Maria: Although, most of their members are in our ranks

Me: That's true. But the main members Brain, Monsieur Mallah, Madame Rouge and General Immortus all got the Black Gates.

Maria: Good point. That is for sure.

Lola: Yep.

Jericho: (Writing) Thank goodness. At least we'll never see them again.

Lola: No kidding there.

Camie: Yeah no kidding.

Me: Yeah. Boy yesterday was a really fun party.

Pinkie Pie: One of the best parties ever!

Qin: A Total fiesta in South America!

Me: Yep.

May: I'm proud of Matau.

Me: Me too. 2 more Big Day missions left before closing out the first half of the year.

Nicp: Yep.

Me: But the dancing we did was so awesome in that party.

Nico: It sure was J.D. and also Camie danced in that awesome smoking hot Sexy Goldeen Dress. You 2 did awesome.

Me: Boy she sure did.

I pulled out a photo of me and Camie dancing and she was in a smoking hot Goldeen dress that showed off her awesome curves and beauty to the NTH Degree.

Camie: I sure looked awesome.

Me: We both danced really well there.

Eli: You sure did.

Nico: So did me and May.

Nico pulled out a photo of him and May dancing and May was dressed up in an awesome South American Samba Girl outfit and she had a lot of fruit on her head.

May: I sure looked awesome wearing all that fruit on my head.

Me: That was done by the famous Carmen Miranda back in the 1940s. It was awesome for you May.

Nico: Boy I agree there.

Qin: Yeah.

Nico: What do you think of Blu's idea to sue the Blood and Honey makers.

Me: That's a great idea Nico. This is DEFINITELY Getting a massive lawsuit.

Eli: You got that right bro.

Me: That movie is an extremely massive and disgusting insult to the Winnie the Pooh we know and love and adore.

Nico: DARN TOOTIN! It sure is!

Me: Yeah! We'll sue the pants off of them!

Nico: After we destroy Xaviax though.

Me: Right okay. We'll have to call in a huge number of people to help us out.

Nico: I agree there.

Eli: We'll sue them for everything they got!

Nico: Yep.

Me: Yeah we sure will!

Nico: And we took Nigel down.

Me: Boy we sure did.

Lola: Yeah.

Camie: That was so fun.

Nico: Yep.

But then a giant keg full of barbecue sauce crashed right on top of Nico's head from out of nowhere and splattered all over him!

CRASH! SPLAT!

Me: What the!?

Nico: WHAT THE FUCK?!

Me: Geez!

Me and May got it off him.

Me: What in the? (Slurps) Yummy! Peanut Thai Curry flavor.

I saw a note.

I picked it up and read it.

Me: Unicorns and Pegasi can go fuck themselves!? (GROWLS) Sprout you asshole!

Nico: I'm going to rip that freak in two for this!

Lincoln: I can't believe there's an evil version of that xenophobic monster pony and dunce, Sprout Cloverleaf, running loose, there's no doubt it could be Queen Opaline's final attempt to get revenge on us for destroying her last year.

Misty Brightdawn: Is that even possible?

Twilight Sparkle: We've had to deal with those vile contingency plans of The Church of Necrom, Misty: everything from bringing back Madara Uchiha and those who had died 150,000 years hence to also bringing back Orochi and from the resurrection of Dark Danny to freeing Heather and Alejandro from Linky's two curses and from messing with certain points in time to making the Black-Suited Spider-Man.

Me: Yeah, those shithead demonic out-of-control assholes caused a ton of trouble on those days.

Nico: And many more which also included the resurrection of The Doomsday 23.

Lincoln: Yeah. But, this is going to be awesome, not only are we going to give Evil Sprout Cloverleaf the beating of his miserable life, but I sensed it. Sunny, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, and Princess Luna, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Sunny Starscout: You know, you're right, Linky. I felt it for myself, and now, it's about to come out.

Me: This is going to be so awesome!

Nico: I hope you and Lincoln tear that xenophobic monster pony to shreds! ESPECIALLY FOR DRENCHING ME IN THAI CURRY BARBECUE SAUCE!

Lincoln: You already know we will. (Senses for Evil Sprout Cloverleaf) Aha! Caught you, you monster xenophobe pony! He's just up ahead and is ranting and causing trouble like crazy. But heads up, gang, Pablo and Anderson have sent more musclebound thugs at us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Evil Sprout Cloverleaf.

Nico: Lets get him!

We went at him.

Evil Sprout Cloverleaf: (GROWLS) I'll make that stupid pony and her friends pay, all Friendship must be destroyed forever!

?: The only one who's going to get destroyed is you!

Suddenly, the spirits of the Princesses of Equestria appeared out of nowhere as they flew around the place and they fire blasts of energy at Evil Sprout Cloverleaf and he was hit badly. Then, the spirits converged and they crashed onto the ground as a Thunderbird screech and Phoenix cry was heard and we appeared, and when he saw us, he was enraged.

Evil Sprout Cloverleaf: YOU!

Lincoln: That's right, us. You think I'm going to tolerate you threatening Sunny, Izzy, Pipp, Zipp, and Misty, who happen to be my future wives, and my brother, Hitch, and not expect the consequences to bite you on your butt! (Deep sapphire eyes turn blood red) (GROWLS LIKE A SAVAGE WOLF)

Eli screamed as he jumped into my arms in fright!

Me: OOF! Eli, you're going to give me a hernia!

Eli: Lincoln's really really scary when he gets mad!

Nico: I don't blame him! You dare threaten the lives of his future wives and his family members, you better be writing your last will!

Me: That's for sure!

Then, Lincoln wound his right arm back and he then clenched his fist tight as his abnormally massive muscles bulged, and then… !

KRAPOW!

Lincoln punched Evil Sprout Cloverleaf hard in the face and sent him flying and he crashed into a tree and bushels of apples fell on his head. That got Sunny Starscout blushing like crazy.

Sunny Starscout: (REALLY TURNED ON) WHOA!

Nico: Nice one!

Me: WOW! POW! Right in the kisser!

But, she wasn't the only one: his other future wives also blushed like crazy!

Anna Anyanova: There's plenty more where that came from, you xenophobic monster pony! You mess with our man's wives, you've got to deal with the man himself! And he's infinite-times the manly man that you never will be, you moron!

Lincoln blushed when Anna said that, but he had a smile on his face.

Sabrina Lorelai: Yeah! Take that, loser! And also, there's this!

Sabrina Lorelai, Anna Anyanova, Sunny Starscout, Izzy Moonbeam, Pipp Petals, Zipp Storm, Misty Brightdawn, Girl Jordan, Twilight, Sunset, Rainbow Dash, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon went up to Lincoln, and they all kissed him all over the place even kissing him deeply on the lips, and we suddenly saw his abnormally massive and powerful upper and lower body muscles bulge, and then, his rainbow energy aura flared up because of that!

Luna: WHOA!

Me: I did say that love's also stronger than hatred, and because of all the love Lincoln gets from his family, friends, and harem, it also makes him even stronger than ever.

When they finished, Lincoln had steam whistling out of his ears, his eyes turned red with passion and love, and he was even more ready to get at that xenophobic monster pony, and needless to say, Evil Sprout Cloverleaf bellowed in rage as he got out of the apple bushel!

Sunny Starscout: Nice work on getting him really mad, Anna and Sabrina. Now, let me handle that moron.

Nico: SMASH A BARREL OF BARBECUE SAUCE ON ME WILL YOU!

Evil Sprout Cloverleaf came at Nico and then Nico punched him on his face 4 times!

BLAM BLAM BLAM BLAM!

Then he kicked him and sent him crashing into a dumpster!

KRASMASH!

Nico: Take that garbage freak!

Lincoln then grins and licks sauce off Nico.

Nico: Okay this is weird.

May and Maria licked it off him.

But then…

CRASH SPLAT!

A BARREL FULL OF CHUM CRASHED RIGHT ONTO LINCOLN!

Me: OH SICK!

Sakura Knudson: CHUM!

BUT THAT REALLY PISSED OFF LINCOLN'S GUARDIAN ANGELS!

Eddy punched him!

POW BLAM SMASH WHAM!

Anna Anyanova: I WILL MASSACRE THIS FREAK!

Anna bashed and pulverized him all over!

Lola: YEAH!

Suddenly, something within Sunny Starscout's mind really snapped as memories of the mayhem that Sprout Cloverleaf had caused so long ago had rushed through her head and her emerald green eyes turned neon emerald green and she was surrounded by a magenta, purple, and rainbow energy aura with Equestrian Magic, stars, Earth, and Alicorns, she unholstered her massive Sunny Starscout's Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice from her back, and as she approached Evil Sprout Cloverleaf, she left magenta, purple, and rainbow energy, Equestrian Magic, stars, Earth, and Alicorns with every step.

Sunny Starscout: Even though you're just the evil version of that moronic meathead, I will never ever forgive you for all the trouble you've caused for me and my friends on our journey to stop Queen Opaline Arcana and restore Friendship to Equestria. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, you don't even know when to quit, now, you decide to come back freeing yourself from that total moron, so you can continue to cause trouble and continue Queen Opaline's reign of terror and hatred for all Friendship… , THAT'S IT, I'VE ABSOLUTELY HAD IT UP TO HEAR WITH YOU FOR THE LAST AND FINAL TIME, EVIL SPROUT CLOVERLEAF, AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP AND THE ALICORN PRINCESS OF UNITY, I REFUSE TO LET YOU LIVE EVEN A SINGLE SECOND FURTHER, YOU WILL PAY FOR EVERY LAST ONE OF YOUR VILE CRIMES WITH YOUR LIFE!

We gasped at the sheer extent of Sunny Starscout's fury: Evil Sprout Cloverleaf was so done for.

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! YOU'RE DEAD FOR SURE, YOU MORON!

Me: He is dead meat on a stick!

Lincoln: The last time Sunny Starscout's fury was unleashed, we were dealing with Witch Way. And now, that rage has been unleashed once again, this time, on Evil Sprout Cloverleaf! STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground as Sunny Starscout screamed like a madwoman and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was surrounded by a massive vortex of magenta, purple, and rainbow energy with Equestrian Magic, stars, and Earth surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an apricot phoenix with red eyes glaring at Evil Sprout Cloverleaf: the red eyes of eternal death.

Nico: He is screwed up now!

Qin: Yep!

MetalSeadramon: (ECHOING) River of power!

He fired a stream of energy and blasted Evil Sprout all over.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sunny Starscout, and so did we as we unholster our weapons and transformed.

Now, you're about to face the fury of The Knights of The Friendship Table and the Defenders of Twilight Sparkle's legacy of Friendship!

Sunny Starscout and Lincoln went after Evil Sprout Cloverleaf, and they fired extremely powerful blasts of rainbow energy, magenta, pink, and rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Sprout Cloverleaf and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Sunny Starscout attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Evil Sprout Cloverleaf madder than ever.

Evil Sprout Cloverleaf: I'LL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, your xenophobic anti-friendship reign of terror is over, you monster.

Evil Sprout Cloverleaf: (LAUGHS LIKE A DERANGED LUNATIC) FRIENDSHIP IS A DISEASE AND IS A CONSTANT MENACE TO

EVERYTHING IN EQUESTRIA! I WILL KILL ALL PEGASI AND UNICORNS AND MAKE EQUESTRIA AN EARTH PONY ONLY WORLD! I HATE UNICORNS AND PEGASI! THEY ARE ABSOLUTE FUCKUP MORONS AND MONSTERS!

We gasped!

Me: You're fucking insane!

Eli: WHAT KIND OF TWISTED WORLD DO YOU LIVE IN!?

Nico: You're wrong. Friendship is true strength!

Evil Sprout laughed like a completely deranged homicidal monster!

Evil Sprout Cloverleaf: NO! (LAUGHS) FRIENDSHIP WAS NEVER WELCOME HERE! IT'S A MENACE THAT NEEDS TO BE DESTROYED! FRIENDSHIP ONLY MAKES YOU WEAK AND STUPID! FRIENDS ARE FOR LOSERS! THEY ONLY DESERVE LONELINESS!

Me: YOU ARE REALLY FUCKING INSANE!

Lola: YOU ARE COMPLETELY NUTS!

Nico: The only one who deserves loneliness… is you!

Lincoln: BURNING IN THE FIRES OF HELL FOR ALL ETERNITY!

That set Evil Sprout Cloverleaf off and he was about to charge at Lincoln, but Lincoln charged at Evil Sprout Cloverleaf first with superhuman speed and he drove his massive greatsword into Evil Sprout Cloverleaf's stomach and he began sucking out his Earth Pony magic and he made it his own.

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing blood red, and then, Lincoln began sucking out and draining Evil Sprout Cloverleaf of all his life energy and blood, and his rainbow energy aura flared up as he began absorbing all of his life energy and blood and he was getting stronger and stronger and stronger as he gained a massive power boost. When he was done and he removed his massive greatsword from his stomach, Evil Sprout Cloverleaf was now a withered husk, and as soon as his spirit appeared, Lincoln banished him to The Black Gates forever.

We all cheered wildly for what Sunny Starscout and Lincoln did to Evil Sprout Cloverleaf as they holstered their massive greatswords and powered down, and Sunny Starscout's new body, clothes, weapons, jewelry, Third Eye, longer magenta and pink tail with rainbow streaks, and massive apricot angel wings and longer horn are permanent.

Suddenly, Sunny Starscout felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Sunny?

Sunny Starscout: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln did awesome in laying that beatdown on that monster.

Nico: No kidding, and Lincoln, you used your Vampiric Life Drain on him after you sucked out his Earth Pony magic and made it your own.

Sunny Starscout: I knew he was going to use that same technique he used on Simone de Bastien yesterday after he sucked out his Earth Pony magic.

Lincoln: Yeah, he proved to be an unworthy deputy sheriff.

Me: He was completely insane.

Hitch Trailblazer: Just like with Sprout Cloverleaf himself, that's why he became the former deputy sheriff.

Lola: Yeah! What a heartless Xenophobic Loser!

Suddenly, Sunny Starscout wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sunny Starscout's face, they kissed passionately as she moved her arms and she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Sunny Starscout absorbed the elemental forces and they came back to us as the display vanished.

Nico: Queen Opaline's last attempt at revenge and to maintain her grip on Maretime Bay has officially gone kaput!

Lincoln: Once a monster always a monster.

Lola: Yeah!

Me: That evil version of Sprout was a fucking Nazi.

Qin: He sure was! Killing all Pegasi and Unicorns!? What a monster!

Lola: Yeah.

Maria: Now, onto business.

Then we heard a dog barking.

Me: Where's that dog barking coming from?

Laney: Look there.

We saw a Samoyed coming.

Me: Aww a Samoyed!

Nico: She is so cute!

She came over to us and Nico petted her as she licked him.

Me: Aww.

Nico: Such a good doggie.

Laney: She is cute.

She licked sauce off Nico's face.

Nico laughed.

Lana, Laney and Lola and Qin were petting her.

Lana: Her fur is so soft.

Qin: She sure is.

Samoyed: (In a girls voice) (Hungarian Accent) I get that a lot like this.

Nico: (Gasp) That voice! Csilla Almassy!?

Samoyed: That's right.

Me: You're a Samoyed Gene-slammer? Wow!

Samoyed: I sure am. Also I like being a Samoyed because it's the dog I breed as a Samoyed breeder.

Nico: And she is also a Hungarian Beer Maker.

Qin: Oh boy. The Mascots are going to love you forever.

Me: What were you doing when you got slammed into this?

Samoyed: I was playing with my Samoyed Puppies when I got turned into this.

Me: Aww. So awesome. Kozac is definitely going to get pounded and killed for this.

Samoyed: He sure is.

Nico: Sorry. But we have to revert you back now.

Samoyed: Oh boy. But I should tell you that I'm naked.

Qin: Oh boy.

Nicole: Sneak a peek and I'll rip your eyeballs out of your heads.

I put on my blind man glasses.

Me: It's going to hurt really bad. Just so you know.

Samoyed: I'm ready.

The boys covered their eyes and I snapped my fingers and she was reverting back and was in excruciating pain.

She screamed in pain.

Me: It'll be over in a few seconds!

She regained her orange hair and had blue eyes and had lost her tail and ears. She was back to normal.

Csilla Almassy: (GROANS) That really hurt. (Sees herself naked) Oh man I lost my clothes in the changing.

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her awesome red, white and green clothes and on her skirt was the flag map of Hungary and se had a Samoyed Tattoo on her right arm.

Csilla Almassy: Wow!

They showed her a mirror and she saw herself.

Csilla Almassy: Wow! I look awesome!

Maria: What are your favorite hobbies?

Csilla Almassy: Making Barbecue Sauces. I like making Wiener Sauce.

Lola: Awesome.

Nico: Yep.

Eli: Now for the Anothers. We have Another Bum Steer, Hollywood Wolf, Hippopotamus, Alcatraz Jailbird, Chef Louie (Little Mermaid), Chef Skinner (Ratatouille), Yost Electro and MetalSeadramon.

Qin: Whoa!

Lola: Awesome!

Eli: Yep and the Another Bum Steer, Hollywood Wolf, Hippopotamus and Alcatraz Jailbird are for Looney Tunes.

Lola: Nice!

Me: Yeah so they decided to give Chef Skinner a chance.

Nico: I got the piano gag ready!

Me: Nice! And I have just the monsters for this one. I SUMMON BLUE EYES TOON DRAGON, TOON DARK MAGICIAN GIRL, TOON GEMINI ELF, TOON HARPIE LADY, TOON CYBER DRAGON AND RED-EYES TOON DRAGON!

In goofy vortexes of comedy gags and elements came said monsters.

Lola: Awesome!

Qin: Boy do I love the Toon Monsters. They are funny and awesome.

Lola: Yeah!

Eli: And I also sense that the Anothers minus Another MetalSeadramon are all one person.

Qin: Oh boy. This will be awesome.

Nico: There they are!

We saw Another Bum Steer, Hollywood Wolf, Hippopotamus, Alcatraz Jailbird, Chef Louie (Little Mermaid), Chef Skinner (Ratatouille) and Yost Electro!

Me: WHOA!

Nico: This is gonna be awesome.

They merged and then reverted back and then… VANISHED!? WHAT THE!?

Me: Where did she go?

But then..

KROW!

I was kicked right in my butt.

Me: OUCH! OKAY IS THE WISEASS!?

Lana: You had this on you J.D.

She pulled off a Kick me Sign on my back.

Me: Kick me, I ate all of Nico's Chicken Wings when he wasn't looking!?

Nico: Ha! You didn't get any from my secret stash!

Me: Nico I Swear!

Then we heard laughing and we saw a girl with neon pink hair and had red and green and blue clothes and she had the Kanji for Toon in the middle of her forehead and had Green Angel Wings and a golden sword.

Me: (LAUGHS) Melody Mangavore! I knew this was your handiwork!

Nico: Wait you mean Melody Mangavore the famous Manga Creator as well as the awesome prankster!?

Me: Yep.

Melody Mangavore: That's right and also the gene-slammer of all the Toon Monsters.

Laney: Wow! That is cool!

Qin: Yeah! Pegasus made the Toon Monsters and they are awesome.

Xenia: They sure are.

Toon Dark Magician Girl: And we get a lot of great laughs from everyone.

Toon Harpie Lady: We sure do and they are great.

Nico: You only ate my publicly known wings, FYI.

Me: I know. I would never touch your secret stash.

Nico: Good.

Me: Also you should see all the funny pranks that Melody can do. She once substituted the Queen Bee girls coffee with laxative spiked shakes and then she put fake out of order signs on the bathroom doors and the girls crapped themselves and everyone laughed at them!

WE LAUGHED!

Lola: (LAUGHS) So funny!

Me: Yeah!

Melody Mangavore: Good times.

Me: Yep. By the way is the Another MetalSeadramon friendly or hostile?

Melody Mangavore: Friendly and she is intensely powerful too.

Me: Nice!

Qin: Yeah.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: YEAH! Now here is this.

Then…

KRASMASH!

A huge piano crashed onto the Anothers and they came out and had piano teeth!

Me: My favorite note: B-Flat!

Nico: Now, please play said piano.

They played Taps on the keys for their teeth. They played Those Endearing Charms and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded and I caught the Wonder Ride Books.

WE LAUGHED!

Lola: Funny!

Nico: Gets em every time.

Me: (LAUGHS) Yeah it sure does!

Toon Harpie Lady: That was really funny though.

Qin: Boy it sure was.

Me: Now for Another MetalSeadramon.

Nico: We just need to wait.

Me: We don't have to wait long!

We saw a dark version of MetalSeadramon and it was ANOTHER METALSEADRAMON!

Me: Whoa!

Lola: Wow!

Me: Another MetalSeadramon!

Nico: Wow!

Another MetalSeadramon: (In a girls voice) (Arabic Accent) And it's good to see you again Nico.

Nico: That voice!

She reverted back and it was a girl with black hair and had blue eyes and had green and black clothes from Pakistan.

Nico: Amira Farooqi!

Amira Farooqi: Awesome to see you again Nico.

Nico: You too. Amira is one of Pakistan's Digidestined.

Me: Wow! Pakistan's Digidestined.

Amira Farooqi: That's right. And I'm also the richest girl in the country. And I have a story to tell.

Me: Wait I think I've heard about this one. Amira comes from a wealthy family. And her mom and aunt fought brutally over Amira's grandmother's vast fortune. Luckily her Grandmother disinherited her aunt, cousin and mom and gave all the money to Amira.

Nico: That's right. And she and her Partner Digimon believe it or not is MetalSeadramon. Not the one in the M.O.E. but a different one.

MetalSeadramon: Wow! That is amazing that you have one of my kind as your Partner Digimon.

Amira Farooqi: It sure is.

Kaito: (gets out Carranger gear) Did Swartz promise you anything?

Zocks: (gets out Ohranger gear) Because we can grant it instead.

Kaito got a Turbo Sword and Zocks got a Zeo Sword.

Amira Farooqi: He didn't because my MetalSeadramon blasted him and got me out of there just as he put this Ridewatch in me.

Me: Wow! Talk about getting there just in the nick of time.

Lola: Too bad he couldn't kill Swartz completely.

Nico: Yeah.

Amira Farooqi: I know.

Nico: Sorry we have to fight like this.

Amira Farooqi: I know. Just do what you got to do.

She turned into Another MetalSeadramon!

Sougo: (gets out American Turbo Ridewatch) Sounds like the rest of your family aren't good people.

Geiz: (gets out Zeo Ridewatch) Should we be on alert from them?

Sougo got AmericanRedTurboArmor while Geiz got ZeoRedArmor

Another MetalSeadramon: No they are good people. It's just that they fought and competed big time over my grandmother's estate and money.

Me: Whoa.

Laney: How much money was your Grandmother's estate and fortune?

Another MetalSeadramon: 2,847,316,000,000,000,000.00 in Pakistan Money.

Me: WHOA! That's equal to $9,999,999,999,999,999.00.

Nico: WHOA! They were willing to kill each other and you for that much money?! Holy crap!

Another MetalSeadramon: I know.

Me: What happened to your mom, aunt and cousin?

Another MetalSeadramon: They now live out on the streets as broke and penniless people. I disowned them as my family. My real family is Nico and my grandmother. But she passed away a while back.

Me: Oh no. I'm sorry Amira.

Another MetalSeadramon: It's okay.

Nico: (gets out MetalSeadramon's Ridewatch) You're definitely familiar with this one!

He activated it.

Nico: (Echoing) RIVER OF POWER!

He fired a powerful energy blast and smashed her down.

Nico: Try this on! (ACTIVATES YOST ELECTRO'S RIDEWATCH)

He fired a wave of lightning and electrocuted her.

May: And these! (ACTIVATES GRAND DOOMER EX AND

BOULDERGEIST'S RIDEWATCHES)

She fired waves of rock and red energy balls and blasted her down.

Maria: And this too! (ACTIVATES DREADTRUX AND ICY ANGEL'S RIDEWATCHES)

She fired waves of energy and arrows and smashed her down.

Me: YEAH!

Jericho then used Yost Electro's Ridewatch and fired waves of lightning and electrocuted her.

Me: YEAH!

Then Cluemaster, Bradford Buzzard, Anvil, Xu·Goma·Gu, Anvil (RID) and Babyman Gang came.

Nico: Nice team Cluemaster!

Cluemaster: Thank you Nico. It suits me perfectly.

Yost Electro: Can we meet your partner?

Another MetalSeadramon: He's back in the Digital World. But I can call him with my D3 Digivice.

Me: We'll have to see him someday.

?: I think that would be fun.

We saw an Arctovish come out!

Me: Cool! An Arctovish!

Qin: Awesome!

Arctovish: (In a girls voice) I think that would be awesome to meet your partner too.

Nico: Irina Ellandra! Wow!

Me: Wait the famous King Crab Fisherwoman?

Arctovish: Yep.

She reverted back and was a girl with ocean blue hair and green eyes and had blue clothes and had the flag map of Alaska on her skirt and she had blue angel wings.

Irina Ellandra: Awesome to see you again Nico. I got this.

She fired a wave of energy and smashed her down and I caught the Ridewatch and purified it and brought Amira over.

Me: That did it!

Lola: Yeah!

Irina Ellandra: That was cool.

Jericho: (Writing) What's your favorite memory of Nico?

Irina Ellandra: When me and Nico were on my fishing boat fishing for king crab and we found a huge treasure chest full of diamonds and it made me and my family rich.

Qin: I remember that.

Me: Wow! What a find.

Lola: Yeah.

Nico: Yep.

Nico and Irina hugged.

Nico: I've missed you and Amira.

Irina Ellandra: Me too Nico. Me too.

We went back home.

It appears Diva, the main antagonist in the manga and anime Blood, and the evil Queen Chiropteran, is causing havoc to search for blood. But, we're not going to let that Chiropteran get away with this, we're going to destroy her and send her to The Black Gates.

Lincoln: Ah, we're here in Equestria, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news. It appears Diva, the main antagonist in the manga and anime Blood, and the evil Queen Chiropteran, is causing havoc to search for blood.

Me: I saw what they look like, and they are terrifying.

Nico: Giant, muscular bat-like creatures hungry for blood, sheesh, and they're here in Equestria to cause havoc.

Lincoln: But, we're not going to let that Chiropteran get away with this, we're going to destroy her and send her to The Black Gates.

Suddenly, Twilight Sparkle and Sunset Shimmer's cutie marks were glowing.

Eli: What the…?!

Suddenly, we saw two girls heading for us: one of them is a purple haired girl with pink streaks, purple clothes with Twilight Sparkle's cutie mark on the purple skirt, purple choker, white bridal gloves, pink unicorn horn on her head, and purple angel wings, and the other girl is a red haired girl with yellow streaks, red clothes with Sunset Shimmer's cutie mark on the red skirt, red choker, white bridal gloves, red unicorn horn on her head, and orange angel wings.

Lincoln, Twilight Sparkle, and Sunset Shimmer: (GASPS) Allie Madrigal and Marlene Bedelia?!

Me: You three know these girls?!

Twilight Sparkle and Sunset Shimmer: And you also know them, Linky?!

Lincoln: Yeah, and I can guess you both also know them as well.

Allie Madrigal: No need, allow us to introduce ourselves. My name is Allie Madrigal, Gene-Slammer of Twilight Sparkle, The Magic Alicorn and Princess of The Magic of Friendship, I'm Lincoln's Guardian Angel from Equestria and I'm a very powerful Magic Alicorn and very powerful master of magic and the elemental forces. I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a purple neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my purple horn on her head glowed with purple light and it was a sign of true love. Plus, I'm also a dear friend of Twilight Sparkle from long ago and our bond has remained strong to this day. I'm a strong forger of friendships, but I also hate Lori with a blazing passion.

Nico: What did Lori do to earn your wrath?

Allie Madrigal: I stopped Lori from trying to kill Lincoln by stabbing him 600 times. I blasted her with a blast of magic from her horn on her head and froze Lori and I then told Mr. and Mrs. Loud of what Lori tried to do, and Lori got sent to the nuthouse for two months.

We gasped.

Me: That's even worse than what Lynn tried to do to him!

Orion: She tried to stab him 500 times, Lori tried to go over the top.

Marlene Bedelia: She sure did, and now, for me. My name is Marlene Bedelia, Gene-Slammer of Sunset Shimmer, The Phoenix Alicorn and Princess of Forgiveness, I'm Lincoln's Guardian Angel from Equestria and I'm a very powerful Phoenix Alicorn and very powerful master of fire and fire magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses especially those that involve using fire magic to dispel curses. Lincoln gave me a red neck choker, and to show my thanks, she kissed Lincoln on the lips, and when that happened, my red horn on her head glowed with red-yellow light and it was a sign of true love. Plus, I'm also a dear friend of Sunset Shimmer from long ago and their bond has remained strong to this day, and I knew of what Demon Shimmer did in plaguing her and that it was due to the doings of Grogar and even worse, that it's also at the hands of the mad Queen Opaline, but I also hate Lola with a blazing passion.

Eli: Oh brother, what did she do that time?

Marlene Bedelia: Lola tried to kill Lincoln by trying to stab him in the legs and throw him to a pack of crocodiles at the zoo. I blasted her with a blast of fire magic from my red horn on her head and it hit

Lola and sent her flying into a wall and she got knocked out. After we tied her up, I told Mr. and Mrs. Loud of what Lola tried to do, and Lola got thrown into a titanium cage in her room for two weeks.

We gasped.

Nico: Lola was on yet another one of her murderous rampages again!

Lincoln: She sure was. And it's awesome to see you both here again.

Allie Madrigal: You too, Lincoln. And whoa! You've really had quite the growth spurt!

Marlene Bedelia: Not to mention you've still been hitting the gym like crazy! And Sunset and Twilight, you two really have changed a lot since we last met.

Twilight Sparkle: We sure have, and we're not only among his many future wives.

Sunset Shimmer: But, we're also loving mothers of many kids.

Twilight Sparkle and Sunset Shimmer showed Allie Madrigal and Marlene Bedelia the pictures of their kids and newborns and their jaws hit the floor.

CLANG!

Twilight Sparkle and Sunset Shimmer closed their mouths. I put them back.

Allie Madrigal: And already Lincoln's a father?!

Marlene Bedelia: Well, his dad did have a lot of kids, so there's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Allie Madrigal in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, two Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with purple and red gems on the gold lightning bolts and purple and red crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Choker of Eternal Love on their necks.

Twilight Sparkle: Uh oh, and we also knew that was coming.

Sunset Shimmer: Yep, you and Allie are now part of his harem and are now his future wives. But, I'd save the kissing for later. Let's get after that Chiropteran Queen, Diva, and let Linky feed on her and absorb her.

Suddenly, we saw a beautiful and super sexy girl with long purple hair and pink hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a purple coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and purple gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, light, and angels on the coattails and on the back is Merlin, in her right hand is The Sword of Hope and spellbook, and with her are the five girls.

Purple-Haired Girl: I hope I'm not too late, but I got the girls away from Diva before she could kill them.

Lincoln: No, you're not, Maria Merlin, you're just in time.

Suddenly, we heard a loud screech and we saw who it was: Diva, the evil Queen Chiropteran, and she was hungry for blood.

Sylvester: If there's one thing I can't stand, it's a monster like her!

Then, Lincoln appeared behind her and gave her a brutal bearhug so she couldn't escape, and then, he sank his fangs into her, and he began feeding on her blood. Then, he began absorbing her into his body as his acidic cells began dissolving her and he also assimilated her powers and abilities as we saw his rainbow energy aura flare up and gained a massive power boost. Then, as soon as Lincoln was done feeding on her and absorbing her, an energy card appeared in his large left hand with her drained soul imprisoned inside: we knew he drained her soul of all energy. Then, the Judgement Kanji appeared on Diva's forehead and she was erased by The Black Gates forever. We cheered as we holster our weapons and powered down.

Lincoln: Ah, now that was good. Now, Diva won't be causing any trouble again. (To Maria Merlin) And it's so good to see you again, Maria Merlin.

Maria Merlin: You too, Linky, it's been a long time.

Lincoln went up to Maria Merlin and he hugged her, and Maria Merlin is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on

her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Merlin: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and

he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Maria Merlin, Gene-Slammer of Merlin, she's my Guardian Angel from Michigan and she's a very powerful wielder of light and water magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Plus, you're going to love hearing this: Maria Merlin is the descendant of Merlin.

Me: The mage and wizard who helped King Arthur on his rise to become King of Britain?!

Melanie Artorgius: The very one. Lincoln made her a dark purple coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Maria Merlin hates Killjoy Huggins with a very blazing passion. One day, Maria Marlin and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Killjoy Huggins, and he'd brought with him an army of musclebound thugs he hired. Maria Merlin and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that buttface into a blood-crazed fury, but before he could get after us, Lincoln and Maria Merlin fired chains of light and dark magic which bound that buttface and tied him up. Lincoln called his family and his sisters along with Superintendent Chen, and needless to say, everyone wanted his head on a pike! But, Lincoln wasn't surprised since that dumb killjoy tried to kill him many times in the past, but in the end, his plan failed, and not only did he get a severe beating from his sisters, parents, and Superintendent Chen and it earned him the vengeance of The Loud

Family and Superintendent Chen infinite-fold, but they also called the cops and he was sent to jail, and to make sure that he didn't try to get revenge, Maria and Lincoln casted a spell to prevent him from coming after them because messing with the descendant of Merlin and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: That stupid killjoy, I always knew his murderous rage towards Lincoln was bad.

Nico: But, it got to the point where he'd resorted to hiring thugs to kill him and his Guardian Angels, jeez.

Lincoln: But, it would end badly for him because he got a massive beatdown from my family, and Superintendent Chen joined in as well, and she ended it with her stomping her heels on his crotch.

Nico: (WINCES) Ooh! That's got to leave a mark!

Lincoln: Yeah, but he had it coming, and now that you're here, Maria.

Lincoln went up to and hugged Maria Merlin in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Merlin: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Merlin's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird

Choker of Eternal Love on her neck.

Maria Merlin: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Merlin.

Maria Merlin had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the five girls, and when Lincoln saw who they were, they immediately recognized them. The five girls are Bunwa Kaku, Koudai Chinkyuu, Myousai Kakouen, Shiryuu Chou-un, and Youjou Bashoku from Ikkitousen.

Lincoln: Oh wow, it's Bunwa Kaku, Koudai Chinkyuu, Myousai Kakouen, Shiryuu Chou-un, and Youjou Bashoku from Ikkitousen.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Bunwa Kaku: Yes, we're okay, thanks to you.

Then, when Bunwa Kaku and the other four girls saw who it was that saved them from Diva, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Bunwa Kaku: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Bunwa Kaku: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bunwa Kaku, Koudai Chinkyuu, Myousai Kakouen, Shiryuu Chou-un, and Youjou Bashoku with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Diva, the main antagonist in the manga and anime Blood, and the evil Queen Chiropteran.

But, when Lincoln showed what we all did in beating that monster up, and then, Lincoln getting behind her and bearhugging her from behind, and then, him sinking his fangs into her and feeding on her blood and absorbing her into his body and sending her soul to The Black Gates forever, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Allie Madrigal, Marlene Bedelia, and Maria Merlin have a lot of catching up to do now that they're back in town.

Maria: Oh man, I can't believe that Chiropteran Queen of evil was causing havoc in her search for blood.

Lincoln: Yeah, but she wound up as another one of my victims.

William: And we're now meeting two Elemental Alicorns and Gene-Slammers of Twilight and her friends.

Twilight Sparkle: Who happen to be old friends of ours.

Sunset Shimmer: That's right.

After getting rid of Diva, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Merlin, Allie Madrigal, and Marlene Bedelia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Maria Merlin: My God, I was right that Lincoln's really grown into a

18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Allie Madrigal: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Marlene Bedelia: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Maria Merlin: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Allie Madrigal: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Maria, we've already heard from Allie and Marlene of their memories with Lincoln, now what of you? What memories did you have with Lincoln?

Maria Merlin: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing in the air, and we saw who it was coming after us: it was Killjoy Huggins, Royal Woods' murderous killjoy asshole, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Killjoy Huggins, and we brutally thrashed him. Then, Lincoln chained him up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud, especially Superintendent Chen were absolutely livid at Killjoy Huggins once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud, and Superintendent Chen pounced on Killjoy Huggins, and they brutally beat his butt into the ground and Superintendent Chen stomped on his crotch with her sharp heels.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed Killjoy Huggins after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Ellie Elsher: But, then, we proceeded to flip him the bird and some of us even pulled a double hander and that really set that asswipe off and he bellowed with even more anger as the car drove off to take him back to prison.

Raven Ghostrick: We were really getting sick and tired of that killjoy always running loose and trying to kill Lincoln, but we always put him down like the idiot that he is.

Me: He was nothing more than trouble and he can never ever be forgiven.

We got a shower, and then, Lincoln, Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made her go insane with anger, until Lincoln fired energy blasts at that bitch and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that bitch has sent more muscle-bound thugs to kill them.

Agent Telepath: Whoa, so this is Emerald Coast, it truly is beautiful.

Lincoln: It sure is, Agent Telepath, and it's perfect for our first date. Shall we?

Lincoln, Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Agent

Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Icky Vicky coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha and they hugged them in their abnormally massive and powerful muscular arms, and Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha are in your harem.

Jenna: And Icky Vicky had some nerve trying to kill them, that bitch is just making things much worse for herself.

Serena Logan: I always knew that child-despising, destructive, pure evil bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Agent Telepath, Crimson Sentry, Crusadia Arboria, and Crusadia Spatha, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, the bitch has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you bubble-butt bitch!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU PSYCHOPATHIC FIRE-BREATHING BITCH!

Suddenly, the Beads of Subjugation on Icky Vicky's neck and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again.

Timmy Turner: If Icky Vicky gets anymore of her dumb ideas, she's going to get thrown inside a pit of vipers!

Wanda: Bad idea, sport. She's more terrifying than a pit of vipers, along with the fact that she also tried to attack you with snakes she'd brought with her.

Lincoln: We'll think of some more punishments for her, we've already added on more punishments to that mutant, Flip.

---

Later we were in the Simulator for another awesome Super Mario Galaxy adventure.

Nico: Next is Bubble Breeze Galaxy.

Me: Whoa!

Nico: That will be fun.

Nicole: I will go with you on this one.

Nico: Okay then.

Shanan: I'll go too.

Nico: Okay then.

They went in and I activated the Simulator and they were in Bubble Breeze Galaxy.

Nico: We're here.

Nicole: I remember how tricky this one is. But it was easy. We just got to get the star on that island in the middle of that poison swamp.

Nico: That is easy. And there are Goombas on that island.

Nicole: Yep.

Nico: This name is misleading. It makes one think it's a friendly bubble Galaxy

Nicole: I know. The name may seem friendly but it's not.

Shanan: Oh boy.

Nico: Yep.

?: This is a challenging one.

They saw an Arctizolt!

Nicole: Cool an Arctizolt.

Nico: Awesome.

Arctizolt: (In a girls voice) This will be fun too.

Nico: Mary Lennox V? Whoa!

Arctizolt: That's right and I'm also the current owner of Misselthwaite manor in England.

Nico: Wow! Don't revert back yet. We have a level to complete.

Arctizolt: Right.

Nico: Lets go.

They went to the island with the star and the whole place was full of purple poison.

Nico: (gets out MetalSeadramon and Ryugu Tamatebacco's Ridewatches) Let's clear a path.

He activated them and fired an energy blast and blew a hole through the rock walls and they went to the island and saw lots of Goombas.

Nicole: Me and Shanan got this one!

Shanan: You got it sis!

They fired waves of leaves and stars and blasted the Goombas left and right and Arctizolt blasted them with ice and froze them.

They landed on the island with the star.

Nico: YEAH! Go for the star girls.

Shanan: Our pleasure!

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Mary reverted back and she was a girl with blond hair and had a blue dress on and she had a locket around her neck.

Mary Lennox V: That was so awesome!

They all high five.

Shanan: Yeah it was!

Nicole: What's your favorite memory of Nico?

Mary Lennox V: When me and Nico were over in Misselthwaite Manor and we found out so much about my ancestor and we even saw the secret garden. It was beautiful.

Nico: Yep and we vowed to make sure that witch Medlock never returns.

Nicole: Good.

Nico: Yep.

Nico and Mary hugged.

Nico: I've missed you Mary.

Mary Lennox V: Me too Nico. Me too.

They left the simulator and we cheered for them.

Later the Mascots were going out on Patrol.

2003 Don: (to the mascots) Can me and Leo go on patrol with you guys?

Poromon: Sure Don.

2003 Leo: Awesome! This will be fun.

Lola: Be careful guys.

2003 Leo: We will.

They went into the city and everything was quiet.

Manaphy: Everything's quiet so far.

2003 Leo: So far so good.

Poromon: Yep.

Then they saw a stray cat. It was a grey tabby cat.

Manaphy: Oh no poor kitty.

He was looking for food.

2003 Leo: Reminds me of Klunk.

Poromon: Wow.

Poliwag: Lets call Fluttershy.

Fluttershy came down and saw the kitty.

Fluttershy: (Gasp) Oh you poor little one. We'll help you out.

She picked up the kitty and they went back to the estate.

Back at the estate they told what happened.

Nico: Oh that poor kitty.

Fluttershy and Laney were cleaning up the cat and giving her food.

Exhaust: Did it have an owner before?

Laney: I don't see a collar on her. But she might have had one.

Fluttershy: Do you have an owner?

The cat shook its head for no.

Fluttershy: Oh you poor little one.

Poromon: That is sad.

Nico: Yeah.

?: That is sad.

We saw a Dracovish!

Me: Cool a Dracovish.

Dracovish: (In a girls voice) That poor kitty.

Nico: Colette Vega!? Whoa!

She reverted back and it was a girl with blond hair and blue eyes and had red and green clothes.

Colette Vega: Awesome to see you again Nico.

Nico: Same here.

Me: Do you have a favorite memory of Nico?

Colette Vega: When me and Nico found an awesome island of hot sauce and peppers in the South Pacific and we called it Pepper Island.

Me: Boy that is my kind of island.

Nico: (LAUGHS) Yeah.

Nico and Colette hugged.

Nico: I've missed you.

Colette Vega: Same here Nico.

Trailbreaker: Aw J.D. I was going to ask that.

Me: Sorry Trailbreaker. I just knew it was coming.

Trailbreaker: What do we do about the cat?

Fluttershy: Well since she doesn't have a home we'll keep her.

Nico: Good idea.

Fluttershy: Her name is Valentine.

Lola: Cute!

Qin: Yeah. So adorable.

Francis: So, what are we gonna name this bundle of joy?

Fluttershy: We'll name her Valentine.

Me: Aww that sure is awesome.

Poromon: I like it.

Qin: Yeah.

The previous group came.

Condiment King: Can me, Toiletnator, Fixer, Leonard, Mr. Mittens, Xiao Fung, Gramma Stuffum, Greiger, New Wave, and Seadramon go with you guys?

Nico: You sure can guys.

Qin: Yeah this will be fun and cool.

Lola: Yeah.

Varie: Yep.

---

Runabout: Boss, which Gene Slammers do you think you'll meet next?

Nico: You guys will like this one. Duraludon and Dragapult next. But Also we're going to meet Zacian and Zamazenta too.

Me: I figured we could do those too because they are awesome.

Nico: Yep.

Lola: Awesome.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than the Zeo Rangers' dangerous enemy, King Mondo, and he's back to get revenge on The Turbo Rangers. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, where are Tommy and the other Zeo Rangers?

Then, Tommy and the other Zeo Rangers arrived.

Tommy Oliver: We're here, Lincoln, what's up?

Lincoln: Glad you all could make it, Tommy. Okay, I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than your old enemy, King Mondo, and he's back to get revenge on you all.

The Zeo Rangers gasped.

We gasped too!

Tommy Oliver: King Mondo is back?! Oh man, I hoped never to see him again.

Nico: Not good guys!

Adam Park: Same here. I thought we were done with her for good. If we find out Lord Zedd brought her back, there's going to be blood.

Lincoln: I'm afraid you're right, Adam, this was indeed Lord Zedd's doing.

Sebastian Mendez: That's it, there will be blood!

Me: Uh oh, now Lord Zedd's done it now!

Nico: Yeah, there's going to be blood.

Lincoln: Well, you know what this means?

Tommy Oliver: Yeah, we're going to destroy him for good and give him The Black Gates.

Nico: That's right, we'll end him once and for all!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Gleeman Vox, the main antagonist of Ratchet: Deadlocked, and he's come back for revenge on Ratchet and Clank. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ratchet, Clank, you're not going to like it: the figure we sensed was none other than Gleeman Vox, and he's come back for revenge on you two.

Ratchet: Gleeman Vox is back, I thought we'd never have to see him again!

Clank: But, there was no doubt he'd come back for revenge on us.

Selina Almenara: Well, there's no way I'm going to let him get away with this, I'm going to burn him into ashes!

Ratchet: Yikes, why do I have the feeling things are about to heat up?

Nico: Uh oh, when you get a Pyrosapien that mad, you better watch out! Alright, gang, let's go, we're heading off to destroy King Mondo once and for all!

Lincoln: King Mondo's revenge shall be brought to an end, now we shall bring an end to him once and for all, and once we get done destroying King Mondo, you're next, Gleeman Vox.

Selina Almenara: You better be ready to be turned to ashes, Gleeman Vox, now you're about to face the wrath of my entire race!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Angel Grove to destroy King Mondo and end him once and for all, and once we get done destroying King Mondo, Lincoln and Selina Almenara are going to destroy Gleeman Vox.

We were off to Angel Grove.

* * *

We were flying.

Seadramon: By the way, Poromon, nice job taking in that cat.

Nico: Yeah we're proud of you guys.

Poromon: Thank you.

Nico: No problem.

Camie: So what can you tell us about King Mondo?

Me: He is not a nice guy.

I went over his history and it was terrible.

* * *

Where King Mondo came from, when he was built, and who built him is unknown but he and Queen Machina formed the Machine Empire which quickly swelled in numbers and forces. Under the leadership of King Mondo, thier seemingly unstoppable firepower managed to conquer multiple planets. They grew so powerful that even Rita Repulsa and Zedd grew to fear them; both openly showing fear when they learned of the Empire's arrival on Earth. During this time, Mondo and Machina built two sons; Prince Sprocket and Prince Gasket as the heirs to thier thrones in the future. However, Gasket fell in love with Archerina; the daughter of Mondo's nemesis King Aradon. As a result, the two went into hiding due to thier taboo relationship much to Machina's sadness as Gasket was her favourite son. King Mondo was so angry that he completely struck off his son and named Sprocket as his heir instead out of spite. At several unknown points, King Mondo and Queen Machina employed the intergalactic bounty hunters known as the Varox but never encountered the member named Borax. During their many conquests, the Royal House of Gadgetry never encountered the Hydro Contaminators since they were located on Aquitar which was the home of the Aquitarian Rangers.

Later, the Machine Empire was forcibly annexed into the United Alliance of Evil because they feared Dark Specter but were allowed to continue thier conquests. An unknown amount of time ago, King Mondo utilised the immensely powerful Sword of Damocles in an unspecified attack on an unknown planet. Although this allowed the Machine Empire to conquer the planet, the Sword of Damocles was so powerful that it completely destroyed Mondo. After he was rebuilt by his Empire, he abandoned the Sword on Earth

Mighty Morphin Power Rangers

By 1996, the Machine Empire has conquered multiple planets and decide to set thier sights on the Milky Way Galaxy. Learning of Rita Repulsa and Lord Zedd's repeated failures to conquer the Earth, the Machine Empire decide to conquer that planet and show up thier rivals. After Master Vile leaves the Earth in disgrace, the Machine Empire defect from the United Alliance of Evil to reach the planet. Due to thier loyalty to him, Dark Specter does not attempt to interfere as thier obedience is reassured when the time comes.

Power Rangers Zeo

Immediately after the death of the Hydro Hog, King Mondo and Queen Machina lead the Machine Empire to the Moon where they set up a Skybase on the Moon. Although Machina is trepidatious about conflicting with Rita and Zedd, the two are forced off of the Moon by an assault from Quadrafighters. With thier main enemies gone, Mondo and Machina believe that Earth will be an easy conquest and they send Quadrafighters to test the planet's defences. After learning that it is virtually defenceless, he orders a complete invasion; starting with a platoon of Cogs sent to attack the Angel Grove Power Plant because he wants to prove himself better than Rita and Zedd. Although they are surprised when the Zeo Rangers defeat the Cogs, King Mondo and Queen Machina are intrigued instead pf angered since all of thier previous conquests have been boring and too easy and the Zeo Rangers actually pose a challenge.

Soon after this initial attack though, Zordon begins building the Zeozords but Mondo easily discovers that they're in the Angel Grove Mountains and has Klank send a platoon of Cogs to sabotage them. When the attack is repelled by the Zeo Rangers, Klank announces that Staroid has been completed and Mondo sends the monster to defeat the Rangers only for him to be destroyed. Despite the defeat, King Mondo has the Cogs forcibly install a growth program in Klank and Orbus to enlarge his monsters starting with Silo. King Mondo then accompanies his newly built monster to Earth and makes his first appearance to the Zeo Rangers, mocking them over his theft of Rocky's software. He relishes in watching his creation defeat the Zeo Megazord and congratulates Silo when he throws it into the Sun but rescinds his congratulations when the Megazord returns using the new Zeo Battle Helmets. When Silo is destroyed, Mondo swears to banish them forever before leaving angrily.

During a plan to trick and destroy the Zeo Rangers from within, he creates the Defector and sends Klank with an army of Cogs to attack him and maintain the trick. Mondo even joins in himself but the plan ultimately fails since the Defector is no match for the Defender Wheel. Much later on, after Trey of Triforia transfers his Gold Ranger powers to Jason Scott to deny them to King Mondo, the emperor executes his ultimate plan; recreating an army of past monsters and upgrading them with the Neo-Plutonium Armour. The new and improved monsters are much stronger than they were before and are completely immune to the Rangers' weapons with the ultimate mission of destroying the Zeo Megazord. However, the four he sends out are destroyed by the new Super Zeozords and he is forced to scrap the rest of the now useless monsters.

Later, Mondo recalls the failures of Punch-A-Bunch, Main Drain, the Drill Master, the Leaky Faucet and the Somnibot's past failures. Frustrated with his constant past defeats, and prompted by Queen Machina's comment that they lacked his particular cunning, Mondo decides to destroy the Zeo Rangers himself so he unearths the powerful Sword of Damocles and uses it to grow to giant size. He manages to defeat Super Zeozord III and then fights the Super Zeo Megazord only to be destroyed in the battle. However, his computer brain survives and he is sent to another universe in order to be rebuilt. Shortly after the death of the Mechaterpillar, Mondo is rebuilt and drives out Gasket and Archerina who took over in his absence. Immediately after, he sends Cog Changer and forms a temporary alliance with Zedd, Rita, and their Impursonator but they soon start fighting against each other again since they both want the Gold Ranger powers.

At the end of 1996, during the Machine Empire's last days on Earth, Rita Repulsa and Lord Zedd confront Mondo and the Cogs to try and claim the Gold Ranger powers. Outnumbered, they summon the Tengas and send them to fight the Cogs but the fight ends in a draw with casualties on both sides before the Machine Empire and Evil Space Aliens retreat. Later, after Jason gives the Gold Ranger powers back to Trey, a giant King Mondo and some giant sized Cogs arrive for a final battle so the Rangers forgo summoning the Zords in favour of enlarging themselves. King Mondo initially has the upper-hand, knocking down Tommy but his Cogs are destroyed around him even whilst he gloats. With the king alone, Tommy and Trey finally defeat King Mondo once and for all with a one-two energy punch and energy kick combination attack. Due to not being as completely destroyed as before though, King Mondo is repaired within a few days where he and the rest of the Royal House of Gadgetry meet with Zedd and Rita. However, they pretend to surrender and instead use a bomb to blow up Mondo and the others. As a result, the Machine Empire withdraw from Earth whilst the leadership are rebuilt.

## Power Rangers Turbo

Due to being rebuilt during 1997, King Mondo is neither seen nor mentioned in Turbo. However, he and Machina are seen in the Millennium Message that Divatox tricks the Blue Senturion into showing her; revealing that she will work with the rest of the United Alliance of Evil to help conquer the universe much to her disgust.

## Power Rangers In Space

By 1998, the Royal House of Gadgetry have been rebuilt by the United Alliance of Evil and are forcibly re-annexed into the organisation before reoccupying the Machine Skybase. King Mondo and Queen Machina join the meeting on the Cimmerian Planet to celebrate Eltar being conquered with the Machine Empire once again back at full strength.

Later that year, Dark Specter launches his invasion of the universe and orders his forces to attack. Leaving Sprocket with Klank and Orbus in the Skybase, Mondo and Machina lead the Machine Empire and General Havoc in an attack on KO-35 and the Phantom Ranger's planet. However Zordon's Energy Wave turns the entire Machine Empire army including King Mondo into piles of dust.

## Wild Force

Four years later, General Venjix still looks up to his King as a living god over creation. Before his destruction, he is sad that he failed his King years and Mondo is repeatedly mentioned by Venjix who also builds a bronze statue of him.

## Beast Morphers

Due to being long dead, King Mondo does not appear physically but is recalled after Scrozzle proposes resurrecting Lord Zedd for Evox's plans. The villains appear to agree to these plans until Roxy reminds everyone of what Zedd and Rita did to the Royal House of Gadgetry so they decide not to resurrect him for fear of betrayal.

When it was done it was shocking!

Camie: Oh man! That is evil!

Lola: Yeah no kidding!

Me: This time he's going to have 26 years of Pain coming to him.

Jewel Man: Wait. Didn't we fight him during the battle against Void Queen?

Me: Yes we did and we didn't give him the black gates.

Qin: Now we have unfinished business to finish up.

Lola: We sure do.

King Kai: (Telepathically to Nico and us) Nico! Everyone! Can you hear me!?

Nico: King Kai! Yes we hear you.

King Kai: I'm afraid you aren't going to like what King Mondo is going to be planning! He's going to use the Omega Lock from the Aligned Transformers Universe to reterraform the planet to his liking and destroy the entire human race with it!

We gasped in shock and horror!

Nico: That's insane!

Toiletnator: Is it possible for you to send schematics so we know for sure?

Nico: Lets see.

He pulled up the blueprints for it and we saw something shocking!

* * *

Powered by the four Omega Keys, the Omega Lock stands deep in the Sea of Rust with the power to remake Cybertron. A mysterious device whose creation is lost to myths and rumour once its existence was discovered it became the ultimate prize in the war between Autobots and Decepticons. Though it was originally destroyed, a second was built giving life to Cybertron again. During the final battle against Unicron the second lock was destroyed. It is currently unknown if the first Omega Lock will ever rise again from the rubble.

The circumstances of the Omega Lock's creation are currently unknown as of now. It is believed to be an Artifact of Primes given Alpha Trion's knowledge of it and the fact that it predates the Sea of Rust.

When Cybertron was ravaged by war Alpha Trion knew the Omega Lock could restore it, exactly why he waited millions of years to tell Optimus is unknown. Among the relics he sent Optimus was the Star Saber. Within the sword, he sealed a message telling him of the Lock and the Keys that could restore Cybertron. After the Autobots secured the keys and reached Cybertron they traveled to the Omega Lock's location in the Sea of Rust. They found it's drive and the four Omega Keys reacted and turned the structure into its full form. Megatron then arrived and bargained the lives of Jack, Miko and Raf for the Omega Keys. After activating the Lock, Megatron tested it on a nearby ruin which was restored to pristine condition. He then sent its power through a Space Bridge where it cyberformed part of Jasper, Nevada to create a second Darkmount. As Megatron intended to cyberform Earth and kill all indigenous life, Optimus grabbed the Star Saber and destroyed the Omega Lock's drive, creating a large explosion which destroyed most of the structure.

Despite this, Optimus believed that the Omega Lock could be rebuilt using the Forge of Solus Prime. Despite dying, and the Forge being the only thing that could save him he ordered Smokescreen to use whatever power was left in the Forge to restore the Lock as he had been selected as Optimus Prime's successor. Smokescreen went against Prime's wishes and placed the Forge in his leader's hand which restored him to life, but drained the Forge of its power.

When CNA and Synthetic Energon created Cyber Matter, Megatron focused all his resources on the reconstruction of the Omega Lock. Shockwave salvaged what he could from the original and said that retrofitting the systems with Earth technology was more logical than rebuilding it from scratch. The list of supplies included twenty tons of nuclear control rods and a particle collider syncothron. The device was built on the underbelly of the Nemesis.

When Shockwave and Ratchet finished the Cyber Matter equation, enough was put into the Omega Lock to cyberform all of Earth. The Nemesis was moved into orbit to launch the Cyber Matter.

The Autobots and Decepticons battled for the device. The Autobots had strict orders not to destroy it. Optimus and Megatron battled on the device itself for their last battle. Bumblebee brought Prime the Star Saber to destroy the Omega Lock and save Earth only to be shot dead by Megatron. The Omega Lock's energy field restored him to life, voicebox included, and he used the Star Saber to kill Megatron. After the Autobots claimed the Nemesis, they fired the Lock at Cybertron's core restoring the planet to life.

The Omega Lock was still attached to the Nemesis as the Autobots used the ship for a headquarters. Without any Cyber Matter it was simply a decoration. The Lock was destroyed when the Nemesis crashed next to the Well of AllSparks. (Though its drive may have survived presumably)

The Omega Lock launches Cyber Matter. It's purpose is to restore Cybertron should the planet be heavily damaged. However, as it launches Cyber Matter it can also cyberform entire worlds. Miko believed the Omega Lock was a device that restored planets but Optimus clarifies that all it does is rebuild Cybertron or create new ones using other worlds as templates.

There are several differences between the original Omega Lock and the Omega Lock 2.0, which the Decepticons built. The original required the four Omega Keys to be activated whereas the new model only required one individual behind its control console. The original also seems slightly larger than the new one and possess darker metal. The largest disadvantage between the two is that the original had a seemingly unlimited supply of Cyber Matter, where as the new one had to have the limited Cyber Matter pumped into it.

When it was done we were shocked and yet amazed!

Me: WOw! That is a powerful device.

Aligned Optimus: The Omega Lock was used to rebuild Cybertron after the war was over.

Lola: Wow!

Me: That is not like the Omega Lock that was used on the Black Hole with all 4 Cyber Planet Keys.

Aligned Ratchet: By the Allspark. It really is true!

Papillon: So that's what the Aligned Omega Lock looks like.

Nico: Wow! This is amazing! I didn't know this even existed.

Lori Jimenez: The one that we used was powered by the 4 Cyber Planet Keys of Earth, Velocitron, Animatron and Gigantion.

Aligned Megatron: This is a completely different and unique design.

Lola: Yeah.

Me: Except instead of terraforming planets to make them Earth-like, this makes planets More Cybernetically machine like.

Laney: Yeah.

Aligned Megatron: And it seems King Mondo is using that plan of mine from the old days.

Fixer: It actually looks fascinating.

Me: Very coincidental that he is trying to duplicate a plan you did Megatron.

Qin: Yeah.

We arrived in Angel Grove.

Nico: Here we are.

Tommy Oliver: Awesome.

G1 Venom: Is it wrong that I like coming here?

Nico: Not at all. This is awesome.

Qin: I think so too.

We walked around.

Leonard: (to his pigs) Search the area for anything suspicious. If you find anything, report back to me.

Pig: Yes sir!

They spread out and looked around.

Me: Lets wait for their reconnaissance.

Lola: Good idea.

Fire Man: So, what do we do with the Aligned Omega Lock? Blow it up?

Nico: No. We'll still destroy King Mondo. But we'll keep the Omega Lock for ourselves.

Qin: Good idea. We can make our own city planets and use them as backup worlds and safe havens for other people.

Nico: That's a brilliant idea Qin!

Xenia: I agree there.

Nico: Besides, I know how distraught Aligned Ratchet was when Aligned Optimus was forced to destroy the Omega Lock the first time.

Mr. Mittens: (to Aligned Ratchet) Were you really?

Aligned Ratchet: I was but now we have a chance to bring back an awesome Cybertronian Artifact.

Qin: Yeah we sure do.

Nico: This will be awesome.

Rippersnapper: And this time, King Mondo's being killed properly.

Me: Yep. We have unfinished business to take care of with him.

Lola: We sure do.

Xenia: This is gonna be awesome.

Leonard's pigs came back.

Pig: We found him! He's reconstructing the Omega Lock there!

We saw a huge structure 50 klicks to the south and it was being constructed.

Me: That must be it.

Xiao Fung: That's right. Robo Blaze told me Zedd and Rita blew Mondo up with a bomb the first time.

Me: I remember seeing that. That was amazing.

Nico: Yep.

Me: But they will still pay the ultimate price for everything they did.

Qin: I agree there. What they did is unforgivable.

Me: And I have 25 years of pain to dish out on both of them later on.

Kevin Levin: The proper way to kill him is in direct battle.

Me: Now THAT I can do.

Qin: Yep.

Goku: This is gonna be like a battle against the androids.

Nico: It sure will be awesome Kakarot.

Me: This is gonna be good. Tommy, Kat, better transform for this one.

Gramma Stuffum: Don't forget the rest of your team.

Tommy Oliver: He knows he means all of us.

Me: Sorry it's a force of habit. Whenever I talk to people like that I mean all of us.

Gramma Stuffum: Oh no worries.

Nico: But like before lets use our entrance combined with the transformation.

Me: I like it. I thought that was so cool.

Nico: Lets go!

We were off!

Reflector: We can get a picture of it in our camera form.

Nico: Awesome. Lets go.

King Mondo was working and the Cogs were working too.

King Mondo: FASTER! FASTER!

Tommy Oliver: MONDO!

Then he saw the rangers.

King Mondo: Well well well! How nice of you to join us rangers. Now I can kill you as part of my grand entrance step into turning this world into the perfect Machine World.

We were hiding.

Greiger: That's it. Keep him talking, guys.

Adam Park (smirks): How was your trip to the Warp? You also have Marinette, Nate, Tony, and Jak to thank for it!

King Mondo: IT WAS HORRIBLE! I WAS TORTURED NONSTOP! NOW I WILL HAVE MY REVENGE ON YOU!

Tommy Oliver: I don't think so! You have us and our friends to teal with.

Zeo Rangers: "It's Morphin' Time!"

They transformed!

Kat: "Zeo Ranger 1 - Pink!"

Tanya: "Zeo Ranger 2 - Yellow!"

Rocky: "Zeo Ranger 3 - Blue!"

Adam: "Zeo Ranger 4 - Green!"

Tommy: "Zeo Ranger 5 - Red!"

Jason: "Gold Ranger Power!"

All: "Power Rangers Zeo!"

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and a phoenix formed from the explosion and it released a cry and then fireballs rained down and blasted the Cogs and then we came out!

Reflector got an awesome picture of the entrance!

Nico: King Mondo your reign of terror is over!

King Mondo: YOU!

Me: That's right! Us! It's time for us to finish what we started and destroy you once and for all! And this time you don't have the Void Queen to save you this time!

King Mondo: You're all just lucky the Omega Lock isn't completed yet!

Tornado Man: Not like we were gonna destroy it anyway!

Me: And we're not going to let you get a chance to use it!

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) **I will not let you get away with everything that you did to every planet in the entire universe Mondo!** (FLARES UP POWER TO THE EXTREME) **I WILL NEVER FORGIVE YOU FOR ALL YOUR CRIMES!** (ROARS IN EXTREME FURY AND RAGE!)

KING MONDO WAS IN DEEP SHIT TROUBLE NOW!

Nico went Super Saiyan Infinity!

King Mondo: WHAT THE FUCK ARE THESE KIDS!?

I teleported and kicked him and sent him crashing into a boulder!

New Wave: Now would be a good time for the big guns!

Tommy Oliver: Right! Zeo Zord 5!

He summoned his Phoenix Zeo Zord and fired blasts of fire and lasers and smashed and blasted Mondo all over!

I kicked Mondo high into the sky and Tommy blasted Mondo all over the place.

Me: **(Echoing) PARADISE LOST PUNCH!**

I went up and pulverized Mondo with a ferociously intense flurry of powerful punches in the tens of thousands!

I then kicked him down and smashed him into the ground!

Nico: YEAH!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and shorted him all over!

Eli:: And this!

He fired Force Lightning and electrocuted him all over.

He got up.

King Mondo: I'll finish what Void Queen, Rita, and Zedd started and destroy you Rangers!

Me: Not on my watch you won't! I should have told you that we are NOT THE SAME as we were from last year. We are infinitely more powerful than ever. This will make sure you are in a lot of pain!

I formed balls of pure light and darkness in my hands!

Me: First feel the fury of Light!

I threw the light ball and pinned him down!

Me: And then the power of Darkness!

I threw the darkness ball and it mixed with it and then it formed a 3 dimensional sphere and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: WHOA!

King Mondo got up and he was REALLY BLOWN APART AND IN A LOT OF PAIN! Fire and lightning sparked from him and he was screaming in excruciating pain!

Me: I'm amazed you're still here after surviving the power of Lucemon's Ultimate Sacrifice attack.

Nico: But that just means this battle's gonna go on a bit longer.

Me: And that means you're going to suffer for everything you did.

Qin: Yeah!

I fired waves of lightning and electrocuted him and he screamed in pain and more!

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex came.

Nico: Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex.

Firefly: The Omega Lock's still being constructed.

Maria: Yes, it is.

Plastique: Then you don't have to destroy it.

Whiteout: Which is actually a good thing.

Nico: Yep.

Ghost: (to Nico) We heard you went to Maretime Bay.

Nico: We sure did.

Gearhead: Did you fight anyone there?

Sunny Starscout: An evil version of Sprout Cloverleaf. I transformed and we destroyed him.

Turkey Jerk came.

Me: You are a true glutton for punishment Turkey Jerk.

Turkey Jerk: I know.

King Mondo: Are you here to help me, Turkey Jerk?

Turkey Jerk: Fat chance. I serve Mistress Vypra now!

Nico: You are nothing Mondo!

We got the battles underway.

* * *

Nico: Yep. So, Maria, we've already heard from Allie and Marlene of their memories with Lincoln, now what of you? What memories did you have with Lincoln?

Maria Merlin: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard the sound of angry bellowing in the air, and we saw who it was coming after us: it was Killjoy Huggins, Royal Woods' murderous killjoy asshole, and he had a massive army of thugs with him and he was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Killjoy Huggins, and we brutally thrashed him. Then, Lincoln chained him up with chains of light and we brought him before the rest of his family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud, especially Superintendent Chen were absolutely livid at Killjoy Huggins once again, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud, and Superintendent Chen pounced on Killjoy Huggins, and they brutally beat his butt into the ground and Superintendent Chen stomped on his crotch with her sharp heels.

Nico: Jeez.

Lincoln: Then, we called the cops and they immediately cuffed

Killjoy Huggins after we tied him up in an energy straitjacket, and they loaded him up in the police car and he was bellowing in anger again.

Gleeman Vox tried to run at them, but Lincoln kicked him far up into the air, and Lincoln and Selina Almenara formed two neon red and orange energy balls with stars, superhot flames, aliens, phoenixes, and angels surrounding them, and to Gleeman Vox, he was about to meet his end.

Selina Almenara and Lincoln: PYROSAPIEN INFERNO FIRESTORM MEGABLAST!

Selina Almenara and Lincoln fired the two neon red and orange energy balls with stars, superhot flames, aliens, phoenixes, and angels surrounding them, and they hit Gleeman Vox and exploded, the combination of the resulting explosion and the superhot flames killed and incinerated Gleeman Vox's body into nothing but ashes, and he was sent to The Black Gates forever. We cheered wildly for what Selina Almenara and Lincoln did as they holstered their massive greatswords and powered down, and Selina Almenara's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Selina Almenara: That'll teach you, Gleeman Vox, to never ever mess with the galaxy nor exploit any of its inhabitants. Thanks for helping me get rid of Gleeman Vox, Linky.

Lincoln: (Smiles Warmly) You're welcome, Selina.

Suddenly, Selina Almenara wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selina Almenara's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Mars flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and extremely superhot flames raging behind them and we cheered wildly. Then, Lincoln and Selina Almenara absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fiery fight between Pyrosapien Angel and Angel Warrior VS. Brutal Greedy Businessman, Lincoln, Selina, you two really showed him no mercy, and that combo you used on him, that was really fiery.

Lincoln: He deserved it big time.

Me: For his greed and exploitation, he deserved a horrible and fiery end.

Nico: You got that right. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Infernoble Knight Astolfo.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Infernoble Knight Astolfo, Abigail Astolfo, and you guys are going to love meeting her, Abigail Astolfo is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Abigail Astolfo is the descendant of Astolfo.

We gasped in total shock.

Me: Astolfo, one of the Twelve Peers of Charlemagne, the son of Otto, the King of England, and is a cousin to Orlando and Rinaldo, and a descendant of Charles Martel.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a crimson red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Abigail Astolfo hates Lynn with a very blazing passion. One day, Maria Marlin and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lynn, and she'd brought with him an army of musclebound thugs she hired. Abigail Astolfo and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that belching farting gym bag into a blood-crazed fury, but before she could get after us, Lincoln and Abigail Astolfo fired chains of fire which bound that moron and tied her up.

Nico: Did he call his family and the rest of his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Lynn tried to kill me many times in the past, but in the end, her plan failed, and not only did she get a severe beating from my sisters, but Mom and Dad also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Abigail and I casted a spell to prevent her from coming after us.

Me: Yeah, messing with the descendant of Astolfo and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, that animal really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble with her own family, yeesh.

Lincoln: Lynn seriously didn't even know when to quit, and to make it worse, her plan earned them the vengeance of my nice sisters infinite-fold.

Molten Man: And now, the Machine Empire's gone for good.

Trickster: But the monsters are still members in our ranks.

Loki: Unfortunately, the Omega Lock isn't completed yet.

Cad Bane: Which means we'll have to finish it ourselves.

Vortex: Well, fuck!

Nico: Don't worry the Cybertronians can do that.

Lola: Yeah.

Nico: But still great job guys.

Tommy Oliver: Thanks.

Nico: (To the viewers) Hope you all loved this one. Mondo is now a forgotten memory.

Xenia: Yep.

We brought the Omega Lock back home and enjoyed the rest of the day and went to sleep.

Also we're going to meet gene-slammers for Zacian and Zamazenta and their names are Laura and Abigail Avalon and they are Sakura Avalon's cousins.

The match-up scene is for Marina Kaimana, Gene-Slammer of Alien Hunter, and she and Lincoln are going to destroy Vendra Prog from Ratchet and Clank: Into the Nexus

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Pokitaru, and we got bad news: Emperor Otto Destruct, the leader of the Technomites and the main antagonist of Ratchet and Clank: Size Matters, has come back and he wants revenge on Ratchet and Clank, but we're going to destroy him and send him to The Black Gates. And we're going to meet the next Noble Knight Gene-Slammer, her name is Abigail Astolfo, Gene-Slammer of Infernoble Knight Astolfo, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Abigail Astolfo is the descendant of Astolfo, one of the Twelve Peers of Charlemagne, the son of Otto, the King of England, and is a cousin to Orlando and Rinaldo, and a descendant of Charles Martel. Lincoln made her a crimson red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Abigail Astolfo hates Lynn with a very blazing passion. One day, Maria Marlin and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lynn, and she'd brought with him an army of musclebound thugs she hired. Abigail Astolfo and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that belching farting gym bag into a blood-crazed fury, but before she could get after them, Lincoln and Abigail Astolfo fired chains of fire which bound that moron and tied her up. Lincoln called his family and the rest of his sisters and told them what happened, and needless to say, everyone wanted her head on a pike! But, Lincoln wasn't surprised to say the least, Lynn tried to kill him many times in the past, but in the end, her plan failed, and not only did she get a severe beating from my sisters, but Lynn Sr. and Rita also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Abigail and Lincoln casted a spell to prevent her from coming after them because messing with the descendant of Astolfo and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Along with the next Elemental Alicorn Gene-Slammer, her name is Colleen Gemma, Gene-Slammer of Rarity, The Jewel Alicorn and Princess of Generosity, she's Lincoln's Guardian Angel from Equestria and she's a very powerful Jewel Alicorn and very powerful master of jewels and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses especially those that involve using jewels to dispel curses. Lincoln gave her a purple neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her white horn on her head glowed with purple light and it was a sign of true love. Plus, she's also a dear friend of Rarity from long ago and their bond has remained strong to this day, and like Rarity, she's an awesome and beautiful Fashionista and she's always an amazing and generous young girl, but she also hates Lynn with a blazing passion because Colleen had seen what kind of person Lynn can be, and she saved

Lincoln from getting ambushed by Lynn who went charging at him to kill him in another attempt at his life, but Colleen fired a sapphire blue gem blast, and it put Lynn in a sapphire blue gem prison. Colleen let Lynn out, who was now really enraged, but she was met by the angry glares of Lincoln's sisters and parents who heard everything from her, and Lynn got her smelly butt grounded for eleven weeks and thrown in a metal container.

Get ready for a funny chapter as we go to the park and help Benson, Mordecai, Rigby and crew battle the Summertime Song and we're going to send that song back to the junk pile.

Qin: Me too! This will be fun.

Zuria: I'm excited for this one.

Laney: Boy me too. I have a feeling this will be fun and awesome as well.

Xenia: Yeah it sure will!

Nicole: I have a feeling it will be great.

Nico: Same here.

Aang: This will be so fun and cool.

Eli: Yeah!

Nico: Aang, I want to thank you, Cluemaster, and your teams for coming

Aang: It's no problem Nico. This is gonna be so fun and awesome.

Camie: It sure will be cool.

Ms. Cheerilee: I'm really honored to be coming with you all on a rescue too.

Apple Bloom: We're glad you can have an awesome time with us Ms. Cheerilee.

Lola: Yeah this will be fun.

Nico: Cheerilee, what's it like being a teacher?

Ms. Cheerilee: It's really great and you get to teach all kinds of great kids.

Apple Bloom: It's really fun and great for her. And Me, Scootaloo and Sweetie Belle should know because we work at Twilight's School.

Me: You sure do. It was my recommendation for that actually.

Lola: Yep.k

Starlight Glimmer: That is true. I think it's a great job too.

Qin: It sure is.

Twilight Sparkle: I agree there. Also everyone and everypony loves it.

Cheerilee: they sure do and it's so fun.

May: Do you get paid?

Ms. Cheerilee: I sure do and it's also with the love and admiration of the children and kids.

Qin: Aww.

Me: Yeah. Also I saw a big heart hanging up on the wall.

Apple Bloom: Oh me, Sweetie Belle and Scootaloo made that for Hearts and Hooves day for Ms. Cheerilee.

Qin: Wow that is beautiful Apple Bloom.

Apple Bloom: It sure was and we got this crazy idea to give Ms. Cheerilee a man she can love. Like Big Mac. We set up a date for them.

Me: Aww that's really sweet of you girls.

Nico: Yeah it sure is. Sorry it didn't work out though.

Ms. Cheerilee: Yeah but it was thoughtful of them though.

Lola: Yeah it sure is.

Me: Yeah.

Apple Bloom: Yeah we found out that we were terrible at matchmaking.

Me: Well you did try your hardest though.

Varie: Yeah. Boy yesterday was awesome!

Nico: Boy it sure was! Now we have seen the last of Mondo and the Machine Empire.

Eli: Good riddance.

Nico: We got to see the Aligned Omega Lock for the first time.

Eli: Boy we sure did and that was so awesome!

Lola: Boy it sure is!

Qin: Yeah that was really amazing to see.

Varie: Boy now we can turn planets into worlds like Coruscant.

Nico: Yeah that would be so cool.

Leeli: It sure would be awesome.

Nico: Yeah.

May: Instead of killing organic life.

Me: Yeah.

Nico: That will be awesome to see what it can do.

Lola: No kidding. The Omega Lock from what Lori told us was used to destroy the Black Hole from Unicron.

Qin: Yeah that was epic.

Nico: Yep.

Maria: How's the progress on it?

Lincoln: We're 97% Complete on it.

Lisa Loud: We're making really excellent progress on it.

Qin: Awesome.

Nico: Boy that's fast speed too.

Maria: Yep. Oh we're here.

We saw that we were at a rainbow and brown color planet that looked like a mountain and forest planet.

Nico: Wow.

Me: Looks like a mountain, forest and flower planet from up here.

Camie: It sure does.

Eli: Yeah.

Nico: Let's get a closer look.

We went down to the planet and we landed and then we saw that the planet was really a PLANET MADE OF TOOTSIE ROLLS AND TOOTSIE POPS!

Me: Whoa! My favorite! Tootsie Rolls and Tootsie Pops!

Eli: Awesome!

Nico: Let's dig in!

We got to eating.

I was having the vanilla and cherry and orange flavor Tootsie Rolls.

Me: (Eating) Mmm! The vanilla, cherry and orange flavored ones are my favorites.

Eli: Yummy!

Laney was eating a strawberry Tootsie Pop.

Laney: Mmm! Boy I haven't had Tootsie Pops in like forever.

Nico: Really?

Laney: I only had one once and never had one again after that.

Lola: But this is amazing.

Me: Hey Nico remember seeing those commercials for how many licks it takes to get to the center of a tootsie pop?

Nico: I do. Why?

Me: Just asking. Those were my favorites next to the Skittles commercials.

Lola: Awesome.

Eli: Nico: Yeah.

Me: You would what would be cool? Where we make a Tootsie Pop and Tootsie Roll Tree on Earth.

Nico: That would be awesome.

Camie: Yep. Also J.D. I heard you guys made it actually rain skittles from a rainbow.

Lola: We sure did. We saw those commercials for Skittles candy and we planted some into the ground and then a rainbow bursted out and then we got baskets FULL of Skittles.

Nico: Boy I remember seeing that! That was awesome!

Maria ate some.

She had the Orange, Cherry and Lemon Tootsie Rolls and they were tasty.

Maria: Boy these are awesome!

Lola: Lets bring some home to the mascots and everyone.

Nico: Good idea!

Me: By the way Nico, I saw Caramel flavor Tootsie Pops and you know what kind of candy those reminded me of?

Nico: What?

Me: Milk Duds.

Nico: Those are one of my favorites.

Maria: I remember those.

Me: One of my favorites.

Nico: Great candy.

Izzy Moonbow: This is a really awesome planet though.

Nico: Yeah it sure is.

May ate some.

May: MMM! Delicious!

Qin: So good.

Nico: Awesome snack here though. Now we got to get to work.

Lincoln: Guys, now there's a reason for Nico's rescue. I got word from Dad that Icky Vicky's escaped from Lynn's Table once again.

We gasped in shock!

Me: WHAT?!

Laney: I can't believe that Icky Vicky's escaped from Dad's restaurant once again and she's out to kill us all!

Lincoln: And even worse, she's now at the most insane and most evil she has ever been!

We gasped even more.

Nico: Oh shit, that's not good. We better get the rest of the team involved in this!

Me: Good idea.

Suddenly, the rest of the team arrived to join us.

Lori: We just heard from Dad as well, and we got here as fast as we could.

Lynn: We're ready for that bubble-butted she-demon once again.

Nico: Awesome!

Lynn: Whoa! A Tootsie Roll and Tootsie Pop Planet! This is amazing!

Lori: I literally haven't had Tootsie Rolls and Tootsie Pops in like forever.

Luna: Boy this is amazing dudes!

Lincoln: Awesome, and this is going to be awesome, not only are we going to hunt down and pummel Icky Vicky once more, but I sensed it. Izzy, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, and Sunny, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Izzy Moonbow: You know, you're right, Linky. I felt it for myself, and now, it's about to come out.

Me: This is going to be so awesome!

Lincoln: And she's not the only one, I also sensed that Sydney's also going to transform too.

Nico: Really?

Sydney: No lie, Nico. I also felt it too, now let's get after that child-hating she-demon.

Nico: With pleasure!

Lincoln: Right. (Senses for Icky Vicky) Aha! Caught you, you she-demon! She's 200 clicks north of our location and she's heading right for us. But heads up, gang, Pablo and Anderson have sent more musclebound thugs at us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Icky Vicky.

Nico: Lets go.

We went to find her.

Nico: Where could she be?

Qin: Keep your eyes peeled guys.

Nico: Yep.

?: (NTH-DEGREE FUCKED UP SCREAMING) TTTTTTTWWWWWWWWEEEEEEEERRRRRRPPPPPPPPPSSSS!

Me: UH OH!

We then saw Icky Vicky heading right for us, and she had a chainsaw in her hand and she was now Nth-Degree Fucked Up Insane and Pure Evil. She was about to attack us, but Lincoln made a powerful shield made of diamond to protect us all while Icky Vicky was still hacking right at the shield with her chainsaw and she was laughing like an Nth-Degree Fucked Up Insane and Pure Evil madwoman, but eventually, her chainsaw broke and that made her go completely ballistic and she roared like a demon and started pounding on the shield with her fists, but she broke both of her hands! WHAT AN IDIOT!

Then, Lincoln fired a diamond ball at Icky Vicky and it hit her hard in the face and sent her crashing onto the ground and pushed her back. Lincoln deactivated the shield as Icky Vicky got back up, but she was still really insane and out for blood!

Nico: Jeez, you weren't kidding that you said that she's that insane and that evil now, Lincoln!

Qin: NO kidding!

Lori: Should you take the curses off her so that we can literally put her down for good?

Lincoln: No, Lori, she needs to suffer even more because she, like the other losers at the restaurant, don't even deserve death.

Me: Yeah.

We faced her!

Me: You really make me sick Fucky Vicky!

Nico: How did you get out?!

Icky Vicky: I WILL NEVER TELL YOU FREAK!

POW!

I punched her in her face and kicked her in her stomach 20 times and then kicked her and sent her crashing into a tree!

Xenia: Take that!

Nico: Fine. Be that way. Eli can just figure it out after we deal with you!

Lola: Yeah!

Suddenly, something within Izzy Moonbow's mind really snapped as memories of the mayhem and destruction that Icky Vicky had caused when she was still a "babysitter" in Dimmsdale had rushed through her head and her magenta eyes turned neon magenta and she was surrounded by a cerulean blue energy aura with Equestrian Magic, stars, arts and crafts, and Alicorns, she unholstered her massive Izzy Moonbow's Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice, and as she approached Icky Vicky, she left cerulean blue energy, Equestrian Magic, stars, arts and crafts, and Alicorns with every step.

Izzy Moonbow: You really make me absolutely sick, it's bad enough you tortured kids during your so-called babysitting carrier, but you even tried to kill them so that you can just watch the world burn, but no matter how many times we've beaten you down and sent you back to your post, you just don't even know when to give up. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, it's obvious that you refuse to give up until you've finally killed everyone here, you broke out yet again and attempted to kill us, and now to see that you're now at the most insane and most evil you've ever been… , THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU FOR THE FINAL TIME, ICKY VICKY. AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP, I REFUSE TO LET YOU BOTH LIVE EVEN A SINGLE SECOND FURTHER, YOU WILL PAY FOR EVERY LAST ONE OF YOUR CRIMES AGAINST MANKIND!

We gasped at the sheer extent of Izzy Moonbeam's fury: Icky Vicky was so done for.

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! YOU'RE DEAD FOR SURE, YOU NTH-DEGREE FUCKED UP DEMON BITCH!

Lincoln: The last time Izzy Moonbow's fury was unleashed, it was when we had to deal with those stupid Vengeance Express brats, and now, that fury is about to be unleashed again, and this time, on Icky Vicky! STAND YOUR GROUND GANG, SHE'S GOING TO BLOW!

We stood our ground, but Icky Vicky roared with homicidal rage and ran at Izzy Moonbow to kill her, but Izzy Moonbow screamed like a madwoman and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

There was a massive explosion of energy and she was surrounded by a massive vortex of cerulean blue energy with Equestrian Magic, stars, and arts and crafts surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an cerulean blue phoenix with red eyes glaring at Icky Vicky: the red eyes of eternal death, and the force of the vortex was so powerful, it blew her back and she hit a tree.

Suddenly, Izzy Moonbow's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Izzy Moonbow has transformed into SUPER ANGEL-UNITY ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ARTS AND CRAFTS CREATOR EQUESTRIAN FRIENDSHIP ALICORN ANGEL OF DIVINE ARTS AND CRAFTS CREATOR EQUESTRIAN FRIENDSHIP ALICORN ANGEL JUSTICE AND DIVINE ARTS AND

CRAFTS CREATOR EQUESTRIAN FRIENDSHIP ALICORN ANGEL LOVE!

We were really amazed by Izzy Moonbow's Super Angel-Unity Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Icky Vicky saw it, she bellowed with rage and ran at Izzy Moonbeam with a knife she took from the restaurant to kill her, but Izzy Moonbow fired a massive barrage of cerulean blue energy aura with Equestrian Magic, Alicorns, stars, and arts and crafts, and they hit Icky Vicky and exploded and sent her into another wall, she got back up, but now, she was mega steamed and beyond mega pissed off now!

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Izzy Moonbow's transformed into her Super Angel-Unity Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form. And what that she-demon tried to do, now she's going to get ripped apart for that.

Izzy Moonbow: (Divine Echoing Godly Voice of The Unity Elemental Equestria Magic Arts and Crafts Alicorn Princess Angel and Divine Harmonious Unity Elemental Equestria Magic Arts and Crafts Alicorn Princess Angel Love) That'll be for after Sydney transforms, then, we can all get after her, Linky.

Nico: YEAH!

Sydney: You're not finishing this up, Izzy. Not without me!

Izzy Moonbow: Wouldn't dream of it Sydney.

Sydney: That's right, now it's my turn to transform, and I've had enough of you to last an eternity, you venom-spitting she-demon!

Suddenly, Sydney Burlington's blue eyes turned neon blue, and she was surrounded by a blue energy aura with stars, acid, and crickets, she unholstered her massive Quarry's Cosmic Star Sword of Acid Justice from her back, and as she approached Icky Vicky, she left blue energy, stars, acid, and crickets with every step.

Sydney Burlington: You really are nothing more than a pathetic excuse for a babysitter, Icky Vicky, and you know what, you deserve every last humiliation from us for everything you've done. And for what you did in trying to kill Lana and Lola with that weapon of yours, Lincoln's going to enjoy ripping you to shreds, but not before we also get our chance to do so ourselves.

Suddenly, Sydney Burlington was surrounded by a massive vortex of blue energy with stars and acid surrounding it, there's the image of Quarry running around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Icky Vicky: the red eyes of eternal death. Then, as the vortex faded, Sydney Burlington emerged, but she was changed forever.

Sydney Burlington grew from 6'5" to 7'9" in height, she had the body of a goddess, she has purple highlights in the bangs of her short neck-length blue hair, she has neon blue eyes, and a blue energy aura with stars, acid, and insects surrounding her, she has the image of Quarry holding the Star Kanji in its hands emblazoned on her forehead, she has on cricket earrings with blue crystals for the eyes and holding the Star, Acid, and Eternity Kanjis in its legs, and her Crystal Necklace of The Buddha with blue gems embedded in the blue star links and blue crystal links and blue cricket-shaped Element of Harmony and on the bottom of the Element of Harmony is Quarry with yellow crystals for the eyes and holding the Star, Acid, and Eternity Kanjis in its claws for the pendant. Sydney Burlington has on a short-sleeved blue blouse, blue shirt with a gold phoenix on it, blue skirt with stars on it, blue pants, blue high-heel knee-high boots, and a long white sleeveless trenchcoat with stars and acid on the coattails and on the back is Quarry surrounded by stars and acid. Suddenly, Sydney Burlington felt a sharp pain on her back, and then, her massive blue angel wings with yellow tips on the large blue feathers and stars grew much bigger for her new body, she has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sydney Burlington's massive Quarry's Cosmic Star Sword of Acid Justice and all of the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of blue energy, stars, and acid, and they merged together, and when it emerged, it was transformed into Sydney Burlington's Quarry Underground Cosmic Star Greatsword of Underground Star Acid Justice, it's a brand-new massive greatsword with embedded yellow gems and Quarry etched on the 7'6" massive, wide, double-edged blue blade, large blue cricket heads with yellow gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt with large yellow gems embedded in the foreheads, longer midnight black handle, four large blue cricket heads with yellow gems for the eyes and in their open mouths and on the bottom is Quarry's head with yellow gems for eyes and blue gem in its mouth for the pommel. Sydney Burlington has on her brand-new large gold Bracers of the Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, gold Belt of Elemental Bravery with a gold cricket head with yellow gems for eyes and a large blue gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Quarry that said, "Sydney Burlington, Gene-Slammer and Partner of Quarry, Dear Friend and Ally of The Underground Girls and The Turtles, Loving Girlfriend of Akira Akatsuki, Loving Sister of the Ultimate Alliance Marvel Heroes, Archenemy of Trap Jaw, Destroyer of Ch'Rell, The Ultrom Shredder, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stars, Acid, and Crickets"

Suddenly, Sydney Burlington's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Sydney Burlington has transformed into SUPER ANGEL-UNDERGROUND GIRL-QUARRY-CRICKET-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ACIDIC STARSTORM UNDERGROUND GIRL CRICKET ANGEL OF DIVINE ACIDIC STARSTORM UNDERGROUND CRICKET GIRL UNDERGROUND HOPE AND DIVINE ACIDIC STARSTORM UNDERGROUND CRICKET GIRL UNDERGROUND COSMIC JUSTICE!

We were amazed by Sydney Burlington's Super Angel-Underground Girl-Quarry-Cricket-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Akira Akatsuki saw her, he had an atomic red blush on his face. But, when Icky Vicky saw it, she went ballistic and then ran at her to kill her with a knife, but Sydney Burlington fired a massive barrage of blue energy, stars, acid, and insects at Icky Vicky, and she got hit and sent flying into another tree, she got back up, and that really really set her off now!

Lincoln: Whoa! Sydney's transformed!

Nico: Really awesome! Nico: Sydney, is Quarry feeling all this too?

Sydney: (Divine Echoing Godly Voice of The Star Acid Underground Cricket Angel and Divine Star Cosmic Acid Underground Cricket Angel Hope) He sure is and it's awesome.

Izzy Moonbow: You got that right. Alright, now you can transform and join us in the beatdown, Linky.

Akira Akatsuki: Don't think we'll let you two have all the fun, Izzy, Sydney and I are also joining in on this as well.

Sydney: (Divine Echoing Godly Voice of The Star Acid Underground

Cricket Angel and Divine Star Cosmic Acid Underground Cricket Angel Hope) That's right. Having two pissed off couples ganging up on her will mean four times the pain.

Lincoln: And after what I saw that monster tried to do to Lana and Lola, now she's really pissed me off now!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Izzy Moonbow, Akira Akatsuki joined Sydney Burlington, and so did we as we unholster our weapons and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've really really pissed me off now, Icky Vicky, no one does that to my little sisters and lives!

Lana: KICK HER BUTT, LINCOLN!

Lola: YEAH, DON'T LET HER LEAVE HERE ALIVE FOR WHAT SHE TRIED TO DO!

Nico: What did she do?

Me: Tried to kill Lana and Lola by dousing them in gasoline and set them on fire but I busted in and stopped her just in time.

Nico: SHIT!

Lori: You really pissed off my little bro big time, you rage-crazy bitch. Now, you're about to get the mega beatdown of your miserable life Loud House style!

Me and Nico: YOU'RE HEADING FOR AN EARLY GRAVE, YOU BITCH!

Everyone: NO ONE'S GOING TO SAY A PRAYER FOR YOU EVER! YOU DESERVE ETERNAL DAMNATION!

Izzy Moonbow and Lincoln went after Icky Vicky, and they fired extremely powerful blasts of rainbow energy, cerulean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Icky Vicky and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Izzy Moonbow attacked her with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Icky Vicky madder than ever.

Icky Vicky: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) I'LL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Not before I kill you first for what you tried to do to Lana and Lola.

Lincoln went at Icky Vicky, and he then literally laid down a really really nasty beatdown on her, and it was horrific. LINCOLN RIPPED HER PONYTAIL OFF, AND THEN, HE SHOVED IT DOWN HER THROAT, THEN, HE BROKE EVERY LAST BONE IN HER BODY, SMASHED HER TEETH OUT OF HER MOUTH, AND GAVE HER TWO BLACK EYES ALONG WITH A BROKEN BLOODY NOSE!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, SHE-DEMON!

Nico: NO ONE DOES THAT TO LINCOLN'S FAMILY AND GETS AWAY WITH IT, YOU DESERVE IT, BITCH!

Eli: YEAH!

Nico: At least we don't suck our thumbs and shoplift!

Juran: I think Lois did the latter before.

Me: So did Amy.

Nico: (LAUGHS) Funny.

We fired waves of energy and blasted her all over the place.

Xenia: YEAH!

Zocks: Did she really?

Nico: Timmy read her diary.

Zocks: Oh. Sorry I asked.

Nico: No worries.

Then, Lincoln fired a massive barrage of extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Icky Vicky and they exploded with incredible power as they hit her.

And thanks to the curse still on her, massive tons of gold coins, gems, jewels, and other currencies exploded out of her in massive quantities and even more came out of her thanks to the thrashings we gave her, and then, Lincoln grabbed Icky Vicky by her collar, wound his right arm back, and he then clenched his fist tight as his abnormally massive muscles bulged, and then… !

POW!

Lincoln punched Icky Vicky hard in the face and sent her flying and she crashed into a Tree, and she was knocked out for good. Then, he tied her up in a superpowerful rainbow energy straitjacket and he tied her back up to her post with Neutronium rainbow energy-lined chains. We all cheered wildly for what Izzy Moonbow and Lincoln and Sydney Burlington and Akira Akatsuki did to Icky Vicky as they holstered their massive greatswords and powered down, and Izzy Moonbow's new body, clothes, weapons, jewelry, Third Eye, longer cerulean blue tail with indigo ombre streaks, and massive cerulean blue angel wings and longer horn are permanent and Sydney Burlington's new body, clothes, weapons, jewelry, Third Eye, and massive blue angel wings are permanent.

Suddenly, Izzy Moonbow felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Izzy?

Izzy Moonbow: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln along with Sydney and Akira did awesome in laying that beatdown on that monster bitch.

Nico: No kidding, and Lincoln, you really laid quite the nasty beatdown on her!

Izzy Moonbow: If that's what happens when someone hurts those close to him, they better say their prayers and beg for mercy.

Me: Lincoln would never show those who hurt his family and friends any mercy.

Suddenly, Izzy Moonbow wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Izzy Moonbow's face, they kissed passionately as she moved her arms and she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Izzy Moonbow absorbed the elemental forces and they came back to us as the display vanished.

Sebastian Mendez: We also checked the security cameras as to how Icky Vicky escaped.

Nico: Nice one, and what did you find?

Darren Arcangela: It turns out Schnozmo was the one who broke her out, and he's also responsible for breaking Mandy out as well.

We saw the footage on the day Mandy broke out and when Icky Vicky broke out, and it was proof that Schnozmo did this. Lynn Sr. was now red in the face!

Camie: Who is Schnozmo?

Me: Cosmo's big nosed older brother and he is also a con-artist.

Lynn Sr.: Timmy, can you get into contact with Jorgen? I'm gonna need his help to rip Schnozmo's big ugly nose off his face!

Timmy Turner: On it, Mr. Lynn!

Timmy called Jorgen and explained everything. Then, Jorgen appeared.

Jorgen Von Strangle: (Arnold Schwarzenegger Accent) Timmy Turner explained everything to me, let's head in the restaurant, so you can rip Schnozmo's big nose off.

Lynn Sr. and Jorgen went into Lynn's Table, and once the doors closed, we then heard a ruckus that can be heard even from the Tootsie Roll Planet as the sounds of punches and kicks were being heard!

Lincoln: Oh man, that con-artist has really angered Dad with what he did.

Lori: I hope Dad gives him a black eye and squashes his big fat nose into a pulpy pancake!

The beatdown ended two hours later, and Lynn Sr. and Jorgen came out sweating like crazy, and we saw Schnozmo beaten and mangled up like crazy.

Nico: (WHISTLES) Now, that was brutal.

Eli: JUMPING CORUSCANT CAR BATTERIES!

Lincoln tied Schnozmo up in a rainbow energy straitjacket and put a Neutronium Collar lined with rainbow energy on his neck.

Lincoln: If he tries any more of those stunts, it'll sound the alarm, and he'll be subjected to the beating of his life again.

Lynn Sr.: I'm that close to getting Schnozmo fired!

Timmy Turner: If you do, then, let me take him straight to Abracatraz should he dare mess up one more time.

Rita: Wait, didn't Schnozmo get banned from Fairy World after he was taken down during Lincoln's rescue months ago?

Wanda: Oh right. Well, how about this: if Schnozmo messes up again, the ban will be lifted, and he'll be sent to Abracatraz to serve out a lengthy sentence.

Me: Good idea, Wanda.

Lincoln: I like that.

Schnozmo was now on a very strict leash for his stunt, and he was also on very thin ice: if he messes up one more time, it's off to Abracatraz to serve a lengthy prison sentence.

Me: That was awesome!

Nico: I didn't think Cosmo's brother would cause this

Me: Me neither. But he had this coming.

Qin: Yep.

Nico: Now it's time for work.

Then we heard barking coming and then we saw a Keeshond coming.

Me: Hey a Keeshond.

Lola: Oh I love those dogs.

She came up to us and Nico was petting her.

Nico: Oh such a good doggie!

She was licking Nico.

Nico: You are so cute.

Qin: Aww.

Keeshond: (In a girls voice) (German Accent) Oh ja und this is awesome for me.

Nico: (GASP) That voice. Callie Schroder!?

Keeshond: Oh ja. Und I love being this.

May: What are your favorite hobbies?

Keeshond: I make sausages und it's fun.

Me: And she is also a Keeshond breeder.

Qin: Awesome!

Lola: That is cool.

Me: Yep. Lets revert you back.

Maria: What were you doing before you transformed?

Keeshond: I was working in the meat plant making more sausages.

Me: Oh boy.

Keeshond: Und I ate all the steaks.

Me: Boy that is one awesome appetite for beef.

Keeshond: Ja. I lost all my clothes after shrinking down to this size.

Me: Oh boy.

I put on my blind man glasses.

Nicole: Peek at her and I will snap your neck.

Me: Just so you know it's going to hurt really bad.

Keeshond: I'm ready.

Me: Here we go. (SNAPS FINGERS)

The boys covered their eyes and I snapped my fingers and she was reverting back and was in excruciating pain!

Her dog howls turned into human screams.

She reverted back and was a girl with blond hair and had green eyes.

She groaned and got up.

Callie Schroder: (GROANS) Mein gott that was painful. (Sees herself) Oh mein gott! I am in my birthday suit ja.

Rarity: Don't worry darling. We can fix this.

The fashion brigade went and gave her new clothes. She had an awesome red dress and a yellow vest and the skirt had the flag map of Germany on it and she had a tattoo of a Keeshond on her right arm.

Callie Schroder: Wunderbar! I look amazing.

Nico: You sure do.

Maria: Now for other business.

Nico: The Anothers.

Eli: And these are strange ones. We have Another Haggis Sausage, Vomiting Doctor, Chili Dog, Rotten Fruit & Pizza Sewage Ball, Slamwich, Ramen Monster, Bradford Buzzard and Cluemaster.

We gasped!

Lola: This will be interesting.

Me: Yep and I have just the archenemies for them! I summon TOON BARREL DRAGON, TOON DARK MAGICIAN, TOON MASKED SORCERER, TOON HERO FLAME WINGMAN, TOON BLACK LUSTER SOLDIER and TOON MERMAID!

I summoned said monsters.

Qin: COOL!

Pegasus: I'm truly honored that you are having my toon monsters be some of their archenemies.

Me: I think they are very awesome and funny.

Laney: Me too.

Eli: Luckily the Anothers minus Cluemaster are all one person.

Nico: Cool!

Qin: Awesome.

Nico: There they are!

We saw a bunch of figures and then suddenly…

PROJECTILE VOMIT!

A stream of vomit hit Nico and drenched him!

Nico: AWWW SICK!

May: OH YUCK!

Xenia: CLEANUP ON AISLE 12!

Then Another Haggis Sausage, Vomiting Doctor, Chili Dog, Rotten Fruit & Pizza Sewage Ball, Slamwich, Ramen Monster and Bradford Buzzard came!

Me: (GETS GREEN AROUND THE GILLS)

I saw the Rotten Fruit & Pizza Sewage ball and then…

Me: (THROWS UP ALL OVER NICO)

Nico: OH NOT AGAIN!

Luna: (FAINTS)

FWOMP!

Nico wiped the puke off him.

Maria washed him off.

Nico: Thanks.

Another Slamwich: (In a girls voice) Sorry about that Nico.

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair and Ocean Blue eyes and had blue clothes and had blue angel wings and she had the symbol of the Blue-Eyes monsters in the middle of her forehead and on her skirt and she had a blue blade sword.

Me: (GASP!) Azurite Melendez!

Azurite Melendez: Awesome to see you again J.D. Sorry about the puke fest Nico.

Nico: No worries.

Toon Mermaid: Boy you really drenched him.

Azurite Melendez: I know. Sorry about that.

Me: No worries. Azurite is the gene-slammer of all the Blue-Eyes monsters.

Seto Kaiba: That is interesting and amazing.

Kisara: It sure is.

Noriko Kaiba: That is awesome.

Nico: Wow! That is so cool that she is the gene-slammer of the Blue-Eyes monsters.

Me: Yep.

Nico: Sorry we gotta do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Nico: Now I'm going to eat the others.

Nico ate Another Haggis Sausage, Chili Dog, Slamwich, and Ramen Monster and I blasted the Vomiting Doctor and Rotten Fruit & Pizza Sewage Ball and Ms. Cheerilee blasted Another Bradford Buzzard.

I caught the Wonder Ride Books.

Laney: Awesome!

Nico: Yeah! (BELCH)

Maria: Time for backup! (TURNS DIAL) OARFISH FURY 6!

She summoned Ryugu Tamatebacco, Ghost of Merlin, Earth

Geargolem, Grand Duke of Owls, Amygdala and Joy!

Lola: Awesome!

Xenia: This will be cool.

May: Now we wait.

Me: We don't have to wait long!

Out came Another Cluemaster!

Qin: Oh boy.

Me: Another Cluemaster.

Another Cluemaster: (In a girls voice) I see you guys found a way to separate the Anothers from the people they were Anotherized into.

Me: Sheila Talbot! Wow!

She reverted back and was a girl with black hair and green eyes and she had green clothes and had a Shadow Spade style hat on.

Sheila Talbot: Great to see you again J.D.

Me: You too. Sheila is a detective and she is very analytical and smart and gifted in solving crimes. She can figure out crimes very quickly.

May: That is cool!

Me: Yep.

Sheila Talbot: Yep. And also Lynn ate May's chicken sandwich for a snack last night. I can see crumbs on her face from it.

May: WHAT!?

Me: See what I mean?

Lynn: I was hungry!

May jumped her and smashed and pulverized Lynn all over!

Nico then screamed and jumped into my arms in fright!

Me: OOF! You're giving me a hernia Nico!

Kaito: (gets out Kiramager Gear) Did Swartz promise you anything?

Zocks: (gets out Ryusoulger gear) Because we can grant it instead.

Kaito got a Kiramai Sword and Zocks got a Dino Fury Sword.

Sheila Talbot: No I exposed that Swartz took some of the Timejackers cookies when they weren't looking and they beat him up and then I used that opportunity to escape.

Eli: WHOA!

We laughed!

Me: (LAUGHS) That is funny! (GROANS) Uh Nico can you get out of my arms? I'm starting to get a cramp.

Nico: Huh? Oh sorry.

He got out of my arms.

Sougo: (gets out Kiramager Tidewatch) I can only imagine Heure and Ora weren't happy.

Geiz: (gets out Dino Fury Ridewatch) But at least you didn't expose their allegiance to us early.

Sougo got KirameiRedArmor and Geiz got DinoFuryRedArmor

Sheila Talbot: No I knew it was part of a huge plan.

Me: Good.

She turned into Another Cluemaster.

Nico: Analyze this! (ACTIVATES CLUEMASTER AND BRADFORD BUZZARD'S RIDEWATCHES)

He fired waves of energy and smashed her down.

Me: May can you stop beating up Lynn? We got a job to do.

May stopped and Lynn was a mess.

May: Huh? Oh right.

She got up.

May: Take this! (ACTIVATES ANVIL AND XU-GOMA-GU'S RIDEWATCHES)

She fired energy waves and smashed her down.

Maria: And this too! (ACTIVATES ANVIL (RID) AND BABYMAN GANG'S RIDEWATCHES)

She fired energy blasts and smashed her down.

Ms. Cheerilee: This will be fun! (ACTIVATES BRADFORD BUZZARD'S RIDEWATCH)

She fired waves of energy and blasted her all over.

May: (Threateningly to Lynn) I AM NOT DONE WITH YOU YET!

Then Riddler, Yzma, The Creepy Heap from The Deep, Malaria, Ice World and Astral Drop Cornelia came.

Nico: Nice team Riddler!

Riddler: Thank you Nico.

Lola: Awesome.

Nico: Yeah!

May: (Threateningly to Lynn) I AM NOT DONE WITH YOU YET!

Then Riddler, Yzma, The Creepy Heap from The Deep, Malaria, Ice World and Astral Drop Cornelia came.

Nico: Nice team Riddler!

Riddler: Thank you Nico.

Lola: Awesome.

Nico: Yeah!

Lynn: I'm sorry, May. But I couldn't help it. I was hungry!

May: NO ONE STEELS MY FOOD AND GETS AWAY WITH IT!

She jumped her and pulverized her some more!

Nico jumped into my arms again!

Me: OOF! Nico!

Nico: May scares me worse than the howl of a werewolf from the Belly of Hades!

Eddy: (LAUGHS) That is something Ed said once.

Me: Jeez Nico I hope Ed isn't rubbing off on you too. But please get out of my arms.

Nico: Oh sorry.

Nico did so.

Then a Zacian and Zamazenta came!

Me: Whoa a Zacian and Zamazenta!

Qin: Cool! The Sword and Shield Pokemon!

Xenia: Neat!

Zacian: (In a girls voice) Boy May sure hates it when someone steals her food huh?

Zamazenta: (In a girls voice) Boy no kidding there!

Nico: Laura and Abigail Avalon!?

Sakura Avalon: Cousins!? Whoa!

They reverted back and they were 2 girls. They both had brown hair in different styles and they had pink dresses and had pink angel wings and one had a powerful sword and the other had an awesome shield.

Laura Avalon: Long time no see Cousin Sakura.

Abigail Avalon: Glad you're doing awesome. And great to see you again Nico.

Nico: You too.

Laura Avalon: We got this.

They fired waves of energy and smashed down Another Cluemaster and I caught the ridewatch and brought Sheila over.

Me: That was awesome!

Me. Cheerilee: What are your favorite memories of Nico?

Laura Avalon: When me and Nico found an awesome bunch of magical books.

Abigail Avalon: And when me and Nico found an island full of Bertie Botts Every Flavor Beans.

Qin: Awesome!

Me: That is amazing!

Laney: Yeah!

Nico then hugged them both.

Nico: I've missed you girls.

Laura Avalon: Same here Nico.

May was still pulverizing Lynn!

Nico: May, Lynn is really sorry.

Lynn: Yeah May!

May: Okay but if you do it again I will finish what Lincoln's Guardian Angels started and rip your head off and kill you!

Lynn: (GULPS) I think I just peed a little!

We went back home.

Emperor Otto Destruct, the leader of the Technomites and the main antagonist of Ratchet and Clank: Size Matters, has come back and he wants revenge on Ratchet and Clank, but we're going to destroy him and send him to The Black Gates.

Lincoln: Whoa, we're here in Pokitaru, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news. Emperor Otto Destruct, the leader of the Technomites and the main antagonist of Ratchet and Clank: Size Matters, has come back and he wants revenge on Ratchet and Clank.

Sunset Shimmer: Yet another of Ratchet and Clank's enemies has come back from the dead.

Me: This is no coincidence though.

Lincoln: Coincidence or not, we're still going to destroy him and send him to The Black Gates.

Nico: You got that right.

Aerrow: And I wonder who the next Alicorn Gene-Slammer is.

Suddenly, we saw a purple haired girl, blue hairband, purple clothes with Rarity's cutie mark on the purple skirt, purple choker, white bridal gloves, white unicorn horn on her head, and white angel wings approach us.

Lincoln and Rarity: (GASPS) Colleen Gemma?!

Me: You two know her?!

Lincoln: We do.

Rarity: I knew her from Equestria, and it was right before…

Colleen Gemma: Before I moved to Royal Woods. Allow me to introduce myself, my name is Colleen Gemma, Gene-Slammer of Rarity, The Jewel Alicorn and Princess of Generosity, I'm Lincoln's Guardian Angel from Equestria and I'm a very powerful Jewel Alicorn and very powerful master of jewels and magic. I taught Lincoln how to cast some very powerful spells and how to dispel dark curses especially those that involve using jewels to dispel curses. Lincoln gave me a purple neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my white horn on my head glowed with purple light and it was a sign of true love. Plus, I'm also a dear friend of Rarity from long ago and their bond has remained strong to this day, and like Rarity, I'm an awesome and beautiful Fashionista and she's always an amazing and generous young girl, but I also hate Lynn with a blazing passion because I'd seen what kind of person Lynn can be.

Nico: And what did she do to earn your wrath?

Colleen Gemma: That animal went charging at Lincoln to kill him in another attempt at his life in an ambush, but I saved Lincoln by firing a sapphire blue gem blast, and it put Lynn in a sapphire blue gem prison. I let Lynn out, who was now really enraged, but she was met by the angry glares of Lincoln's sisters and parents who heard everything from me, and Lynn got her smelly butt grounded for eleven weeks and thrown in a metal container.

We gasped.

Me: Lynn's Dark Side was and always will be a dumb animal!

Leni: She was totes lucky we didn't call the cops and get her sent to jail.

Lincoln: Or thrown in the nuthouse. And it's awesome to see you again, Colleen.

Colleen Gemma: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy! And Rarity, you really have changed a lot since we last met.

Rarity: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Rarity showed Colleen Gemma the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Rarity helped put her mouth back in.

Colleen Gemma: And Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Colleen Gemma in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rarity: Uh oh, and I also knew that was coming, and now, you're part of his harem and are now his future wives. But, I'd save the kissing for later, let's get after that alien overlord.

Suddenly, we saw a beautiful and super sexy girl with long red hair with white streaked bangs and red hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, knights, swords, magic, dragons, light, and angels on the coattails and on the back is Infernoble Knight Astolfo, in her right hand is The Sword of Hope, and with her are the twelve girls.

Red-Haired Girl: I hope I'm not too late, but I got the girls away from Otto Destruct before he could kill them.

Lincoln: No, you're not, Abigail Astolfo, you're just in time.

?: I WILL HAVE THAT LOMBAX'S HEAD FOR RUINING MY PLANS!

We then saw our target, Emperor Otto Destruct, and man, was he mad!

Sylvester: If there's another thing I can't stand, it's a crazy galaxy-conquering alien warlord!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln fired a red energy beam which hit Otto Destruct, and Lincoln drained him of his lifeforce and reduced him to a desiccated mummified corpse, then, he banished his soul to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: Your days of causing havoc in the galaxy are over, Otto Destruct. (To Abigail Astolfo) And it's so good to see you again, Abigail Astolfo.

Abigail Astolfo: You too, Linky, it's been a long time.

Lincoln went up to Abigail Astolfo and he hugged her, and Abigail Astolfo is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Abigail Astolfo: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic

radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Abigail Astolfo, Gene-Slammer of Infernoble Knight Astolfo,, she's my Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Abigail Astolfo is the descendant of Astolfo.

Me: One of the Twelve Peers of Charlemagne, the son of Otto, the King of England, and is a cousin to Orlando and Rinaldo, and a descendant of Charles Martel.

Melanie Artorgius: The very one. Lincoln made her a crimson red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Abigail Astolfo hates Lynn with a very blazing passion. One day, Maria Marlin and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lynn, and she'd brought with him an army of musclebound thugs she hired. Abigail Astolfo and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that belching farting gym bag into a blood-crazed fury, but before she could get after them, Lincoln and Abigail Astolfo fired chains of fire which bound that moron and tied her up. Lincoln called his family and the rest of his sisters and told them what happened, and needless to say, everyone wanted her head on a pike! But, Lincoln wasn't surprised to say the least, Lynn tried to kill him many times in the past, but in the end, her plan failed, and not only did she get a severe beating from my sisters, but Lynn Sr. and Rita also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Abigail and Lincoln casted a spell to prevent her from coming after them because messing with the descendant of Astolfo and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: That Dark Lynn has and always will be nothing more than a wild aggressive and stupid animal!

Nico: Honestly, Lynn just didn't know when to quit!

Lincoln: We warned her many times about this, but no, Lynn had her head too far up her butt to even listen to our warnings.

Luna: We all said the same thing, dude, and we gave her a warning: if she didn't get her head out of her butt and stop trying to hurt our little bro, we wouldn't be coming to her aid, and we might even let your Guardian Angels who hated her so much to get after her.

Lincoln: But you do realize by letting them go after her, they'd kill her, right?

Nico: Lincoln's right about that. So many of his Guardian Angels hated Lynn that much, they want to kill her and throw her dead body in a ditch.

Me: And we saw the pictures of Lynn shredded and burned, it was proof of how much they hated Lynn for her stunts.

Lincoln: In every way possible, they hated Lynn for it, and now that you're here, Abigail.

Lincoln went up to and hugged Abigail Astolfo in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora

and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Abigail Astolfo: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Abigail Astolfo's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Abigail Astolfo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Abigail Astolfo.

Abigail Astolfo had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the twelve girls, and when Lincoln saw who they were, they immediately recognized them. The twelve girls are Aine Shirakami, Hinano Shirakami, Karen Susagano, Kokona Ao, Sayo Takegami, Mikoto, and Tama from Mikoko! and Teknique, Sun Strider, Zoey, Valor, and Rook from Fortnite.

Lincoln: Oh wow, it's Aine Shirakami, Hinano Shirakami, Karen Susagano, Kokona Ao, Sayo Takegami, Mikoto, and Tama from Mikoko! and Teknique, Sun Strider, Zoey, Valor, and Rook from Fortnite.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Aine Shirakami: Yes, we're okay, thanks to you.

Then, when Aine Shirakami and the other eleven girls saw who it was that saved them from Emperor Otto Destruct, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of

Aine Shirakami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Aine Shirakami: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aine Shirakami, Hinano Shirakami, Karen Susagano, Kokona Ao, Sayo Takegami, Mikoto, Tama, Teknique, Sun Strider, Zoey, Valor, and Rook with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Emperor Otto Destruct, the leader of the Technomites and the main antagonist of Ratchet and Clank: Size Matters, who come back and wanted revenge on Ratchet and Clank.

But, when Lincoln showed what we all did in beating that monster up, and then, Lincoln firing a blast of red energy which hit Otto Destruct and it drained him dry of his lifeforce and then, sent his soul to The Black Gates forever, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Colleen Gemma, and Abigail Astolfo have a lot of catching up to do now that they're back in town.

Maria: Oh man, I can't believe that another one of Ratchet and Clank's enemies had also returned from the dead to get revenge on them.

Lincoln: I know, but we brought an end to him for good.

Me: He sure did.

Nico: He deserved to die like that with you draining him dry of his life force.

---

After getting rid of Emperor Otto Destruct once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Abigail Astolfo and Colleen Gemma saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Abigail Astolfo: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Colleen Gemma: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Abigail Astolfo: That's incredible, and we'd already known just how

strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Colleen Gemma: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Abigail, we've already heard from Colleen of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Abigail Astolfo: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a loud belch in the air along with catching the stench of sweaty armpits, limburger cheese, and chum in the air, and we saw who it was coming after us: it was Lynn, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lynn, and we brutally thrashed her. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lynn once again, and Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, and Lily pounced on Lynn, and they brutally beat her smelly butt into the ground.

Nico: Jeez.

Lincoln: Then, Lynn got grounded for eighteen weeks and we threw her in a metal container.

Ellie Elsher: But, then, Lynn roared and pounded on the door trying to escape, and we proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lynn off and she roared and beat her chest like a gorilla.

Raven Ghostrick: We were really getting sick and tired of that belching farting smelly gym bag always running loose and trying to kill Lincoln, but we always put her down like the moron that she is.

Me: That dark side of her was nothing more than trouble and she can never ever be forgiven.

We got a shower, and then, Lincoln, Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice are heading to Bubblaine.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice had feelings for Lincoln, and he also had feelings for them, and he also removed Milan Stilton's dark side and sent her to The Black Gates, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Dolores: Whoa, so this is Bubblaine, it truly is beautiful.

Lincoln: It sure is, Dolores, and it's perfect for our first date. Shall we?

Lincoln, Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice and they hugged them in their abnormally massive and powerful muscular arms, and Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice are in your harem.

Sam Simpson: And Lincoln did an awesome job remove Milan Stilton's dark side and destroyed her for good.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Milan Stilton, Dolores, Elisabeth Blanctorche, Isla, Whip, Mature, and Vice, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU

HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

We were then watching TV when suddenly…

HIC!

We saw Luna and she looked weird.

Gypsy: You okay, Luna?

Luna: I have (HICCUP)…

Lisa Loud: Luna just appears to be suffering from involuntary spasms of the diaphragm; Street name: Hiccups.

Me: Man I hate Hiccups. They are such a fucking nuisance!

Nico: No kidding!

Me: Try this!

I gave Luna a paper bag and she blew into it.

Luna: [hiccup] "Aw man." [She blows in again. Eddy sharpens one of his hairs. Luna hiccups again.] "Oh man." [Blows in again. Eddy pops the bag with his hair. Luna goes flying under a cabinet and crashes into the wall.]

Eddy: "There, they're gone!"

Ed: "Hiccups have left the building, Eddy!"

[Luna hiccups, and an electrical outlet pops out of the wall.]

Eddy: "Strong hiccups."

Ed: [carrying Luna over] "Quick, Eddy, do something, Luna is gonna-" [hiccup] "-explode!"

[Ed throws Eddy on top of Luna and sits on both of them, fingers in his ears.]

Eddy: "Ed, you idiot, this ain't gonna get rid of the hiccups!"

[A hiccup throws them both off.]

Me: Geez! Those are lethal hiccups.

White Tiger: Try drinking water. (Chuckles) What am I saying? You use water for powers!

Luna: Good idea. (HICCUP) [She gets a glass and fills it up. Before she can drink, she hiccups, soaking herself. Luna gets another glass, hiccups again, spills again.]

Eddy: "You're doing it all wrong, you're supposed to drink it upside down."

[Eddy turns Luna upside down and pours a jugful of water into her. Luna hiccups and swallows the jug.]

Ed: "Let's scare her, Eddy." [He peels Luna's jaw open and shouts inside it.] "I AM A ZOMBIE AND I WILL MALICE YOU WITH A SHOEHORN!" [Hiccup.]

Luna: [stupefied] "Malice me with a shoehorn?!" [Hiccup. Hiccup. lands headfirst into the floor with the rest of her body sticking out vertically]

Full Tilt: Are they gone?

HIC!

Me: Nope. Let me try.

I had Luna sit up and then I TURNED INTO THE PUFFY FLUFFY IN HIS MONSTER FORM AND SCARED THE LIVING SHIT OUT OF LUNA!

SHE SCREAMED IN HORRIFYING FRIGHT!

I reverted back.

Luna saw that she stopped hiccuping!

Me: It worked!

Luna: Thank you dude! Thank you!

She hugged me.

Me: No problem Luna.

Nico: The one time I'm glad to see Puffy Fucky!

Me: (LAUGHS) Sorry Nico.

Nico: No worries but that was clever.

Me: Thanks. I wanted to go with the Thing but we know that doesn't scare us hardly anymore.

Lola: Yeah.

?: That was awesome though.

We saw a Dragapult!

Me: Hey a Dragapult.

Nico: Neat.

Dragapult: (In a girls voice) Awesome to see you again Nico.

Nico: Camille Furya!? Whoa!

She reverted back and was a girl with aqua green hair and had blue eyes and blue clothes.

Camille Furya: Awesome to see you again Nico.

Nico: Same here.

Brawn: What's your favorite memory of Nico?

Camille Furya: When me and Nico were playing bash the monsters in our punching bag yard at my family's house and it was awesome.

Nico: She has this awesome punching bag field and they have monsters faces on the bags.

Eli: Cool!

Qin: That is always fun to see.

Xenia: Awesome.

Nico and Camille hugged.

Nico: I've missed you.

Camille Furya: Same here Nico.

Gulper: Gulper think you should have used soda to get the hiccups out.

Luna: That would have been perfect.

Me: Here Luna.

I gave her some fizzy juice.

Luna: Thanks dude.

Luna guzzled down the juice.

Luna: Ahh. (LOUD BELCH)

She belched and then it hit Sam and her clothes turned into rainbow jeweled clothes.

Sam S.L.: WHOA! This is awesome Luna.

Luna: Oh sorry Sam but that dress is awesome!

Rarity: Boy it most certainly is darling.

Nico: Yeah.

Then the previous group came.

Ghost: Can me, Firefly, Plastique, Whiteout, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex go with you guys?

Nico: You all sure can.

Qin: This will be fun. Whatever our mission will be it will be good.

Nico: Yep. We'll have to meet the Duraludon gene-slammer on our mission.

Lola: That is a good reason.

Firefly: We heard Luna scream. Is she okay?

Me: She's fine. I had to use the scare cure on her for a REALLY Nasty case of the hiccups.

Eddy: (LAUGHS) J.D. turned into Puffy Fluffy and scared the living daylights out of her.

Laney: It's true. And it worked.

Luna: It sure did. Though I'm probably not going to be able to sleep for a week after that.

Cheetah: Nico, which Gene Slammers do you think you'll meet next?

Nico: This one will be the biggest one of them all. Eternatus and Urshifu.

We gasped!

Me: Whoa!

Nico: I know. Eternatus was the first ever Legendary Galar Pokemon you caught J.D.

Me: Boy I remember that! That was so awesome!

Camie: That is cool!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than another of Mordecai and Rigby's enemies, Summertime Song, and he's back to get revenge. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, where are Mordecai and Rigby?

Then, Mordecai, Rigby, and the others arrived.

Mordecai: We're here, Lincoln, and let me guess, another one of our enemies has come back?

Lincoln: Right on the money, Mordecai. I just had a vision and I saw who it was that we're going to confront today: the figure I saw in the vision is none other than your old enemy, Summertime Song, and he's back to get revenge on you all.

Mordecai and the others gasped.

Mordecai: Oh what, I hoped never to see him again.

Rigby: Same here.

Me: What can you tell us about him?

Mordecai: Well he's a walking Cassette Tape. You know those old Cassette Tapes that we used a long time ago.

He told us about him.

---

Mordecai and Rigby discover an old tape while cleaning the top of the park house from the roof titled "Summertime Loving, Loving in the Summertime" by a fictional band known as "Solid Bold". Later on, they listen to the song for nostalgia sake. But then it gets stuck in Rigby's head. After the song starts to possess Rigby and takes over his mind, Mordecai gets freaked out and approaches Skips in order to solve the problem. Skips claims that some sleep would solve the problem. When Rigby was asleep and started dreaming, The Summertime Song was released. When Rigby woke up, the Summertime Song converted into a physical form and appeared in Rigby's room, dancing and playing the song.

After it emerged from Rigby's head, it started to interfere with everyone else in the park. In order to fight back against the Summertime Song, Mordecai asks Rigby for a list of things that he likes and converts them into a song, therefore creating the "Aww Snap" song. The park crew then approach the Summertime song and perform the song. However, the Summertime Song is not defeated until Benson arrives. Benson brings out his drums and helps the crew perform the Aww Snap song thus finally leading to the Summertime Song's destruction. The Summertime Song makes its return in Exit 9B as one of the many revived villains thanks to Garrett Bobby Ferguson Jr. but is easily destroyed by Mordecai after being whacked by his baseball bat.

---

When it was done we were shocked!

Nico: WHOA! That is crazy!

Eli: Yeah!

Nico: Looks like we've got to destroy him once and for all.

Lincoln: Yep, let's head to The Park and stop that mixtape.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Vendra Prog, the main antagonist of Ratchet and Clank: Into the Nexus, and she's come back for revenge on Ratchet and Clank. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ratchet, Clank, you're not going to like it: the figure we sensed was none other than Vendra Prog, and she's come back for revenge on you two.

Ratchet: Now, Vendra Prog is back, I thought we'd never have to see her again!

Clank: But, there was no doubt she'd come back for revenge on us.

Marina Kaimana: Well, there's no way I'm going to let her get away with this, I'm going to drown her in the tides of my wrath!

Ratchet: Yikes, why do I have the feeling things are about to get wild?

Nico: Uh oh, when you get a Hydrosapien that mad, you better watch out! Alright, gang, let's go, we're heading off to destroy that mixtape, Summertime Song, once and for all!

Lincoln: We'll destroy that crazy mixtape that caused trouble for Mordecai and Rigby, and once we get done destroying that crazy mixtape, you're next, Vendra Prog.

Marina Kaimana: You better be ready to drown in a tidal wave of water, Vendra Prog, now you're about to face the wrath of my entire race!

Plastique: What are we waiting for then?

Nico: Lets go!

We were off to the park.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to destroy the mixtape villain, Summertime Song once and for all, and once we get done destroying that mixtape of terror, Lincoln and Marina Kaimana are going to destroy Vendra Prog.

* * *

We arrived at the park.

Benson: Hey guys! Glad you could make it.

Nico: Looks like we got here just in time Benson.

Benson: Nico, there's someone here to see you.

Bruiser Cruiser: Who could that be?

Then out came a Duraludon!

Me: Cool a Duraludon!

Nico: Awesome.

Duraludon: (In a girls voice) I heard you guys might need some help with this.

Nico: Sasha Winslow!? Whoa!

Kelsey Winslow: Sis!? Wow!

She reverted back and Sasha was a girl with black hair and had yellow and black clothes.

Sasha Winslow: Kelsey!

She and Kelsey hugged.

Sasha Winslow: I am so happy to see you sis.

Kelsey Winslow: Me too sis!

Nico: That is awesome that you are Kelsey's sister!

Me: It sure is. You know she is also a power ranger right?

Sasha Winslow: I sure do and I'm so proud of her.

Me: Awesome.

Molten Man: What's your favorite memory of Nico?

Sasha Winslow: When me and Nico climbed that.

She pointed to an amazing DIAMOND MOUNTAIN 400 klicks to the south.

Me: The Lonely Diamond Mountain! That is awesome!

Nico: It sure is.

Nico and Sasha hugged.

Nico: I've missed you.

Sasha Winslow: Same here Nico. Same here.

Toxica: Is the Summertime Song really that bad?

Rigby: Not Crocker and Burns bad. But it IS annoying.

Me: What does it sound like?

Pops: I'll show you and it's delightful.

He played it

(Summertime Loving, Loving in the Summer by Solid Bold plays)

It's summertime and you know what that means.

Gonna head down to the beach, gonna do some beachy things.

It's summertime, it feels just right.

Gonna gather all my friends and we'll party through the night.

It's summertime luh-uh-loving.

It's loving in the summertime.

It's summertime luh-uh-loving.

Oh baby, why can't you be mine?

It's summertime and I just can't wait.

Gonna call you on the phone, gonna take you on a date.

It's summertime and I hope you like steak.

Gonna take you to a restaurant, and eat enough fillet.

[Chorus]

It's summertime and when dinner's done.

Gonna take you to the club, gonna dance and have some fun.

It's summertime and when the end is near.

Gonna put you really close, whisper "let's get out of here".

[Chorus]

It's summertime and I just can't wait.

Gonna call you on the phone, gonna take you on a date.

It's summertime and I hope you like steak.

Gonna take you to a restaurant, and eat enough fillet.

[Chorus]

When it was done we were amazed.

Me: Wow that is really catchy.

Loki: I'm sorry, Rigby. But I find nothing bad about it.

Me: Yeah I think it's a cute song.

Qin: How can it be annoying?

Nico: Yeah I don't see anything bad about it.

Mordecai: Trust me. It IS bad. And I have proof of it!

Ashi: Can you show us said proof?

Mordecai: Sure.

He told us what happened when they faced this one this first time.

---

Mordecai and Rigby are cleaning the gutter of the house and Mordecai wanted the gloves because his hands were the one's getting dirty, but Rigby said that he won the gloves when they were playing Rock, Paper, Scissors. When Rigby hoses off the leaves, he finds an old cassette tape. At first, Mordecai wants to see how far he can throw it, but Rigby wants see what band it is. Mordecai rubs the dirt off and the tape says Solid Bold, alongside the song ("Summertime Loving, Loving in the Summer (Time)"). Rigby wants to listen to it because it was his favorite song when he was younger, or his "jam", but Mordecai says the song sucks. Rigby said that Mordecai enjoyed it too, but only back in junior high school, but Rigby still wants to listen to it so Mordecai agrees (he only listens to it just so he can take a break). But Mordecai quickly can't stand the song and Rigby likes it at first, but then he dislikes it later and ejects the tape off and throws it to the garbage can.

Mordecai and Rigby then go off to have lunch, but Rigby starts singing the song without him knowing it. As the day goes on, Rigby keeps singing the song, constantly annoying Mordecai. Mordecai can't stand it anymore, so he decides that he should listen to the band called "Brain Explosion" but the song puts Rigby to sleep. Then he thinks that if they listen to the song some more, the song will eventually drain out of Rigby's head. Mordecai still can't stand the song and leaves the room quickly, leaving Rigby having to listen to the song over and over.

Eventually, when Mordecai comes back, Rigby says the song is still stuck in his head. Mordecai tries to think of another plan that Rigby should listen to loud objects, but it doesn't work. Then while Mordecai starts thinking of another plan, he hears the Summertime song and tells Rigby to stop playing the tape, but he turns around and learns the fact that he is levitating from the ground, waves pouring from his mouth, as though he were possessed to sing the song. Mordecai eventually goes to Skips for help. Skips punches Rigby into a wall to see if it will get out of his head, but Rigby says that it didn't work. Skips proclaims he can do nothing in a situation like this so said that Rigby should sleep it off. While Rigby sleeps, he dreams he is being attacked by the Summertime song, but he then gets the tape literally out of his head, and then wakes up and finds out that the song is no longer in his head.

Happy that the song is no longer in his head, Rigby goes to Mordecai and shakes him awake, telling him that he can no longer hear the song. Mordecai was glad that "Summertime Loving" was out of Rigby's head and they never have to listen to it again. But the situation has actually gotten worse. As the song did leave Rigby's head, it manifested itself into a physical form, taking the form of a giant cassette tape with arms and legs and big, red sunglasses singing the Summertime song. Mordecai thinks that if they ignore the song, it will probably get sick of them and leave. But the song doesn't go away, and goes on scaring the people in park, even annoying the park crew and aggravating Benson enough, as he and the groundskeepers leave in anger and annoyance.

Finally, Mordecai and Rigby can't take it anymore, and decide that they should write an even more cheesy, catchy, and repetitive song to get rid of it. Mordecai and Rigby ask Pops to distract it. Out in the garage, they come up with the lyrics and Skips appears with his bass. Mordecai asks Skips how he knew they were writing a song to get rid of the summertime song. Skips says he knows everything, but he was in the bathroom and overheard them talking about it. Mordecai decides to play guitar, Rigby decides to play tambourine, Skips plays bass, Pops plays keyboard, and Muscle Man and Hi Five Ghost play trumpet. As the gang starts playing their song (Aw, Snap), they start losing against the Summertime Lovin' song because of its catchier tune. Eventually, Benson arrives to help and shows his amazing skills as a drummer, giving the group "a beat" and more strength. Their "Aw, Snap" song outmatches the Summertime song and it blows up due to extreme pressure. As the gang celebrates their victory, they learn the horrible fact that Rigby now has "Aw, Snap!" stuck in his head, much to their dismay and horror.

---

When he was done we were shocked!

Me: WHOA!

Nico: That may not be Burns or Crocker bad but you guys have Earworm because of it.

Camie: Earworms?

Me: A Fictitious term for a fictitious parasitic worm that plays the same song on your brain over and over and it drives you nuts.

Vortex: Almost reminds me of Surfin Bird. Except that it's alive.

Stewie: Uch don't remind me.

Lily: SpongeBob was addicted to the song Musical Doodle and that was a great song.

SpongeBob: That was an awesome one.

Prohyas: And I invented the song Purple Pete and that drove Vambre crazy.

Vambre: (British Accent) Ach! Don't remind me.

Nico: Boy lots of us have had incidents with an Earworm.

Grinnade beeped.

Me: Grinnade said that it's amazing we had so many incidents like

that.

Nico: Dexter told me that he and his family had a Boy Band Virus and that acted very similar to Earworm.

Dexter: It's true guys.

Lola: Wow.

Cad Bane: But as stated before, it's not Crocker or Burns bad. So, let's have it in our ranks

Nico: Okay. As long as it doesn't annoy you guys.

Qin: Yeah.

Lola: But first lets get those earworms out of Mordecai and Rigby.

Lincoln: And I know just the thing for it.

Nico: What?

Lincoln pulled out bagpipes.

Nico: You gonna play the bagpipes?

Lincoln: Yep. I have been learning a lot about traditional Scottish songs ever since we found out about our Scottish heritage.

Meridith McHenrickson: (Scottish Accent) Well show us what you can do laddie.

Lincoln: (Scottish Accent) All righty. I will lass.

Lincoln was dressed in a Scottish kilt and uniform and he played Scotland the Brave. He played the song perfectly and then the Earworms came out of Mordecai and Rigby's heads and I caught them.

Me: GOTCHA!

He stopped and panted.

Lincoln: (PANTS)

I put them in a jar.

Nico: Awesome job Lincoln!

Vice: I thought that was just a figure of speech, not literal.

Lincoln: Me too!

Lily: Well in SpongeBob's case it was literally.

Nico: That is weird. But cool.

Me: Yeah. But well done Lincoln!

Merida: (Scottish Accent) You played the pipes well laddie.

Lincoln: Aww thanks guys.

Lucille Loud: (Scottish Accent) That was really well done lad.

Trickster: (smirks) Summertime!

Nico: Dude, no.

Me: (LAUGHS)

Woody Woodpecker: At least we know one thing though. The Earworms do not like Bagpipes.

Nico: Yeah no kidding.

Scotsman: (Scottish Accent) Aye. That is good knowledge now.

Nico: Yeah no kidding.

Swift Foot: What do you think the Summertime Song is doing right now?

Qin: Probably annoying someone else.

Nico: Yeah. But we're going to be ready for it.

Me: We'll fight it with music.

Thorax: Don't leave me out!

Me: Wouldn't dream of it.

We got the stage set up.

Nico: Okay you guys sing and then when he comes we'll do the entrance.

Me: Got it Nico.

They got ready.

Me: HIT IT GIRLS!

Pinkie Pie: 1, 2, 3, 4!

(NEVER LET ME DOWN AGAIN BY DEPECHE MODE PLAYS)

Me and the Rainbooms: (SINGING DIVINELY AS RAINBOWS AND ENERGY SWIRLED AROUND US)

I'm taking a ride with my best friend

I hope he never lets me down again

He knows where he's taking me

Taking me where I want to be

I'm taking a ride with my best friend

We're flying high

We're watching the world pass us by

Never want to come down

Never want to put my feet back down on the ground

I'm taking a ride with my best friend

I hope he never lets me down again

Promises me I'm as safe as houses

As long as I remember who's wearing the trousers

I hope he never lets me down again

We're flying high

We're watching the world pass us by

Never want to come down

Never want to put my feet back down on the ground

We're flying high

We're watching the world pass us by

Never want to come down

Never want to put my feet back down on the ground

Never let me down

Never let me down

Never let me down

Never let me down

See the stars, they're shining bright (never let me down)

Everything's alright tonight (never let me down)

See the stars, they're shining bright (never let me down)

See the stars, they're shining bright (never let me down)

Everything's alright tonight (never let me down)

See the stars, they're shining bright (never let me down)

Everything's alright tonight (never let me down)

Then the skies had rainbows and swirled around them and it was awesome.

Mordecai: Awesome song.

Whiteout: You sure he's gonna show up?

Nico: Give it time.

Then we heard SUMMERTIME LOVIN'

Nico: There.

We saw a walking cassette tape!

Nico: There he is. Wow he IS an anthropomorphic cassette tape.

Eli: Lets go.

Nico: Entrance time.

They went at it.

Summertime Song was dancing and singing and then the spirits of the world of music came and they swirled around him and then converged and then a massive rainbow bursted out of the ground and formed into an awesome rainbow helix nebula swirled into the sky and then a phoenix cry was heard and then everyone came out!

Qin: That was awesome!

Helga Sinclair: I can hear it from up close!

Nico: Me too!

Qin: This will be awesome!

Nico: Yep. Keep singing guys!

Me: With pleasure!

He fired waves of fire and blasted the tape all over.

Summertime Song was knocked down.

Rarity, Me and the Rainbooms: (SINGING DIVINELY AS JEWELS AND DARKNESS SWIRL AROUND US)

(Get me out of here)

(There's no turning back)

No escape from here

(Whispers calling up to me)

Someone, save me

The soft melody of my beating heart

Is fading through this darkness

Surrounding me, cradling me

I can't find a way out

My desire, my dream

It's turning its back to me

Is this how it's supposed to be?

No

Somehow

(I'm still here)

Trapped within these chains

Trying to hold on

While I hope you won't forget me

(It's useless) As I keep believing

(My fate has been sealed) I will see you again

To see your light shine through

This endless mist of nightmares

I feel those eyes staring

Those voices calling up to me

They need me

I must stay

[Guitar Solo]

I'm still here

Trapped within these chains

Trying to hold on

While I hope you won't forget me

FLASHBACKS

Colleen Gemma

Me: You two know her?!

Lincoln: We do.

Rarity: I knew her from Equestria, and it was right before…

Colleen Gemma: Before I moved to Royal Woods. Allow me to introduce myself, my name is Colleen Gemma, Gene-Slammer of Rarity, The Jewel Alicorn and Princess of Generosity, I'm Lincoln's Guardian Angel from Equestria and I'm a very powerful Jewel Alicorn and very powerful master of jewels and magic. I taught Lincoln how to cast some very powerful spells and how to dispel dark curses especially those that involve using jewels to dispel curses. Lincoln gave me a purple neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my white horn on my head glowed with purple light and it was a sign of true love. Plus, I'm also a dear friend of Rarity from long ago and their bond has remained strong to this day, and like Rarity, I'm an awesome and beautiful Fashionista and she's always an amazing and generous young girl, but I also hate Lynn with a blazing passion because I'd seen what kind of person Lynn can be.

Nico: And what did she do to earn your wrath?

Colleen Gemma: That animal went charging at Lincoln to kill him in another attempt at his life in an ambush, but I saved Lincoln by firing a sapphire blue gem blast, and it put Lynn in a sapphire blue gem prison. I let Lynn out, who was now really enraged, but she was met by the angry glares of Lincoln's sisters and parents who heard everything from me, and Lynn got her smelly butt grounded for eleven weeks and thrown in a metal container.

We gasped.

Me: Lynn's Dark Side was and always will be a dumb animal!

Leni: She was totes lucky we didn't call the cops and get her sent to jail.

Lincoln: Or thrown in the nuthouse. And it's awesome to see you again, Colleen.

Colleen Gemma: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy! And Rarity, you really have changed a lot since we last met.

Rarity: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Rarity showed Colleen Gemma the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Rarity helped put her mouth back in.

Colleen Gemma: And Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Abigail Astolfo

Nico: Yep. So, Abigail, we've already heard from Colleen of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Abigail Astolfo: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a loud belch in the air along with catching the stench of sweaty armpits, limburger cheese, and chum in the air, and we saw who it was coming after us: it was Lynn, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lynn, and we brutally thrashed her. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lynn once again, and Lori, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, and Lily pounced on Lynn, and they brutally beat her smelly butt into the ground.

FLASHBACKS END

Ratchet: Oh great, I knew there was no mistaking that voice from anywhere. You better get out her right now, Vendra Prog, before someone blasts you out!

A figure came out, and it was none other than Vendra Prog.

Ratchet: You've got some nerve showing your face again, Vendra Prog. You just don't even know when to quit!

Vendra Prog: I'll have your head for this, Lombax!

Marina Kaimana fired a powerful water blast which hit Vendra Prog and burned her like the witch she is.

Marina Kaimana: If anyone's dying here today, it's going to be you.

Suddenly, Marina Kaimana's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, aliens, phoenixes, and angels, she unholstered her Alien Hunter-themed greatsword from her back, and as she approached Vendra Prog, she left aqua blue energy, stars, water, ocean waves, aliens, phoenixes, and angels with every step.

Marina Kaimana: You really really make me sick, you took great delight in putting so many innocent humans and creatures just so you can bring back The Nethers and take over the galaxy! That is the last straw, Vendra Prog, as the Gene-Slammer of Alien Hunter and warrior of the Hydrosapien race, I hereby sentence you to death for everything that you've done!

Suddenly, Marina Kaimana was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves, surrounding the vortex, there are aliens, phoenixes, angels, and Alien Hunter flying around the vortex, and in the vortex is a blue phoenix with blood red eyes glaring at Vendra Prog: the red eyes of eternal death. Then, as the vortex faded, Marina Kaimana emerged, but she was changed forever.

Marina Kaimana grew from 7'0" to 7'9" in height, she has the body of a goddess, she has blue highlights in the bangs of her long aqua blue hair, she has neon aqua blue eyes and an aqua blue energy aura with stars, water, ocean waves, aliens, phoenixes, and angels surrounding her, she has the Water Kanji in the hands of Alien

Hunter emblazoned on her forehead and Third Eye with aqua blue iris, she has on alien earrings with aqua blue gems for eyes and holding the Water, Star, and Eternity Kanjis in its hands, she also has Alien Hunter with aqua blue gems for eyes and holding the Water, Star, and Eternity Kanjis in her hands on the bottom of her aqua blue alien-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Marina Kaimana has on a sleeveless aqua blue crop top, aqua blue skirt, aqua blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, water, ocean waves, aliens, phoenixes, and angels on the coattails, and on the back is Alien Hunter surrounded by stars, water, and ocean waves. Suddenly, Marina Kaimana felt a sharp pain on her back, and then, her massive aqua blue angel wings with blue tips on the large aqua blue feathers grew much bigger for her new body and she now has eleven massive and long aqua blue wolf tails with blue tips and blue markings, she has on a Ring of The Phoenix with aqua blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Marina Kaimana's massive Alien Hunter-themed greatsword and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, aliens, phoenixes, and angels, and when it emerged, it was transformed into Marina Kaimana's Hydrosapien Galactic Water Maelstrom Alien Hunter Greatsword of Eternal Hydrosapien Galactic Water Maelstrom Alien Hunter Angel Justice, it's a brand-new massive greatsword with embedded blue gems and Alien Hunter etched on the 7'6" massive, wide, double-edged aqua blue blade, large aqua blue alien heads for the crossguard, large white angelic faces built into both sides of the hilt with large aqua blue gems embedded in the foreheads, longer midnight black handle, four large aqua blue alien heads and below the aqua blue alien heads is a large white angel head with aqua blue gems for eyes and aqua blue gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold versions of Alien Hunter's head with aqua blue gems for eyes and large aqua blue gem in it's mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below Alien Hunter that said, "Marina Kaimana, Gene-Slammer of Alien Hunter, Very Powerful, Sexy, and Immortal Hydrosapien from Planet Hydros, Powerful Warrior and Tactician, Powerful Water Master, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Lincoln's Many Enemies, Destroyer of Vendra Prog, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Stars, Angels, Phoenixes, and Hydrosapiens"

マリーナ・カイマナ、エイリアン・ハンターのジーン・スラマー、ヒドロス星から来た非常に強力でセクシー、そして不滅のヒドロサピエン、強力な戦士であり戦術家、強力な水の達人、愛情深い守護天使でありリンカーンの将来の妻であるラウド、リンカーンの多くの敵を粉砕する者、ヴェンドラの破壊者プログレ、破壊者、悪のスレイヤー、錯乱した、殺人的、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そして水、星、天使、フェニックス、ヒドロサピエンスのマスター

Suddenly, Marina Kaimana's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she'd transformed into her most powerful and and most incredible transformation ever!

Marina Kaimana has transformed into SUPER ANGEL-ALIEN HUNTER-HYDROSAPIEN-PHOENIX-HARMONY UNITED

FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ALIEN HUNTER HYDROSAPIEN GODDESS COSMIC MAELSTROM ALIEN HUNTER HYDROSAPIEN GODDESS ANGEL OF DIVINE ALIEN HUNTER HYDROSAPIEN GODDESS COSMIC MAELSTROM ALIEN HUNTER HYDROSAPIEN GODDESS ANGEL JUSTICE AND DIVINE ALIEN HUNTER HYDROSAPIEN GODDESS COSMIC MAELSTROM ALIEN HUNTER HYDROSAPIEN GODDESS ANGEL LOVE!

We were really amazed by Marina Kaimana's Super Angel-Alien Hunter-Hydrosapien Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Vendra Prog saw it, she went mad with rage and ran at her to kill her, but Marina Kaimana fired a massive and powerful barrage of neon aqua blue energy, stars, water, ocean waves, aliens, phoenixes, and angels at Vendra Prog, and they exploded as they hit her and she got severely burned, she got back up, but now, she was mega pissed off.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE ABOUT TO GET WILD!

Lincoln: You got that right, Nico. This is exactly what happens when you really get a Hydrosapien mad.

Marina Kaimana: (Divine Echoing Godly Voice of The Cosmic Water Maelstrom Alien Hunter Hydrosapien Goddess Angel and Divine Cosmic Water Maelstrom Alien Hunter Hydrosapien Goddess Angel Love) Yep, you make me or anyone of my race mad, you're going to drown, Now, let's wash this vile monster away, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious

Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Marina Kaimana.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not laying one hand on Ratchet and Clank, Vendra Prog. The only thing awaiting you is getting washed away by the tides.

Marina Kaimana and Lincoln went after Vendra Prog, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Vendra Prog and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Marina Kaimana also attack them with punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving her mad.

Vendra Prog tried to run at them, but Lincoln drove his massive greatsword into her stomach and he began sucking out her psychic powers and he made them his own. Then, with one massive swing, he sent Vendra Prog flying into the air, and Lincoln and Marina Kaimana formed two aqua blue energy balls with stars, water, ocean waves, aliens, phoenixes, and angels surrounding them, and to Vendra Prog, she was about to meet her end.

Marina Kaimana and Lincoln: HYDROSAPIEN WATER MAELSTROM MEGABLAST!

Marina Kaimana and Lincoln fired the two aqua blue energy balls with stars, water, ocean waves, aliens, phoenixes, and angels surrounding them, and they hit Vendra Prog and exploded, the combination of the resulting explosion and the water and ocean waves killed and reduced Vendra Prog's body to dust, and she was sent to The Black Gates forever. We cheered wildly for what Marina Kaimana and Lincoln did as they holstered their massive greatswords and powered down, and Marina Kaimana's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent.

Marina Kaimana: That'll teach you, Vendra Prog, to never ever mess with the galaxy nor with its inhabitants. Thanks for helping me get rid of Vendra Prog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Marina.

Suddenly, Marina Kaimana wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Marina Kaimana's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Hunter flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves raging behind them and we cheered wildly. Then, Lincoln and Marina Kaimana absorbed the elemental forces and ocean waves and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a watery fight between Hydrosapien Angel and Angel Warrior VS. Psychic Witch, Lincoln, Marina, you two really showed her no mercy, and that combo you used on her, that was really awesome.

Lincoln: She deserved it big time, and it was after I sucked out her psychic powers and made them my own.

Me: For her desire to bring back the Nethers, she deserved a horrible end and to sink into a watery grave.

Nico: You got that right. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Infernoble Knight Maugis.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Infernoble Knight Maugis, Mira Maugris, and you guys are going to love meeting her, Mira Maugris is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Mira Maugris is the descendant of Maugris.

We gasped in total shock.

Me: Maugris, one of the Twelve Peers of Charlemagne and member of Charlemagne's court.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Mira Maugris hates Lori with a very blazing passion. One day, Mira Maugris and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she'd brought with her an army of musclebound thugs she hired. Mira Maugris and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that farting control freak bitch into a blood-crazed fury, but before she could get after us, Lincoln and Mira Maugris fired chains of fire which bound that alpha bitch and tied her up.

Nico: Did he call his family and the rest of his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Lori tried to kill me many times in the past, but in the end, her plan failed, and not only did she get a severe beating from my sisters, but Mom and Dad also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Mira and I casted a spell to prevent her from coming after us.

Me: Yeah, messing with the descendant of Maugris and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, that animal really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble with her own family, yeesh.

Lincoln: Loei seriously didn't even know when to quit, and to make it worse, her plan earned them the vengeance of my nice sisters infinite-fold.

Billy Numerous: You hear that? Complete silence.

Deker: I couldn't agree more.

Nico: Yeah.

Mummy: At least now, that song stopped playing.

Me: Yep.

Sportsmaster: This calls for a celebration!

Diabolico: (to Musa) One where you can play a different song.

Musa: That is for sure.

Nico: Yep. Great job today guys. That's another one of Mordecai and Rigby's enemies that bit the dust.

Qin: Yeah!

Mordecai: (To the viewers) Control how many times you listen to a song.

Nico: Yep.

We went back home and had an awesome time playing video games and enjoyed the rest of the day and went to sleep.

And we're going to meet a gene-slammer for a Tibetan Mastiff and her name is Dawa. Also we're going to meet an Eternatus Gene-slammer and her name is Elaine Anderson and she is a strong and powerful girl from Nico's Physics classes.

The match-up scene is for Lenora Wicherek, Gene-Slammer of Alien Skull, and she and Lincoln are going to destroy Ace Hardlight, the secondary antagonist of Ratchet: Deadlocked, former Zordoom prisoner, champion of DreadZone, and Vox's right-hand man.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Auradon, and we got bad news: it appears that Brandon Skellington's old enemy from Halloween Town, Darryl Calderon, and one of the allies of Oogie Boogie, has come to Auradon, and he wants revenge on us for what we did giving Oogie Boogie The Black Gates, but Brandon Skellington's really going to teach him a lesson in the same way his father, Jack Skellington, had done to Oogie Boogie, and send him to The Black Gates forever. And we're going to meet the next Noble Knight Gene-Slammer, her name is Mira Maugris, Gene-Slammer of Infernoble Knight Maugis, she's Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Mira Maugris is the descendant of Maugris, one of the Twelve Peers of Charlemagne and member of Charlemagne's court. Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Mira Maugris hates Lori with a very blazing passion. One day, Mira Maugris and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she'd brought with her an army of musclebound thugs she hired. Mira Maugris and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that farting control freak bitch into a blood-crazed fury, but before she could get after them, Lincoln and Mira Maugris fired chains of fire which bound that alpha bitch and tied her up. Lincoln called his family and the rest of his sisters and told them what happened, and needless to say, everyone wanted her head on a pike! But, Lincoln wasn't surprised, Lori tried to kill him many times in the past, but in the end, her plan failed, and not only did she get a severe beating from his sisters, but Mom and Dad also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Mira and Lincoln casted a spell to prevent her from coming after them because messing with the descendant of Maugris and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Along with the next Elemental Alicorn Gene-Slammer, her name is Melora Pomona, Gene-Slammer of Applejack, The Apple Alicorn and Princess of Honesty, she's Lincoln's Guardian Angel from Equestria and she's a very hardworking and honest girl who loves working in the apple orchards and she's also a very powerful Apple Alicorn and very powerful master of apples and magic, and she taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave her a red neck choker, and to show her thanks, she kissed Lincoln on the lips, and when that happened, her orange horn on her head glowed with orange light and it was a sign of true love. Plus, she's also a dear friend of Applejack from long ago and their bond has remained strong to this day, and like

Applejack, she's an amazing and honest young girl and she's really hardworking not to mention, she's also really really strong, but she also hates Chandler with a blazing passion because Melora had seen what kind of deceitful and manipulative person Chandler is, and she saved Lincoln from getting ambushed by Lynn who went charging at him to kill him in another attempt at his life, but Melora charged in and she kicked Chandler into a nearby fence and he got knocked out because of just how strong she is. She called the cops and that lying snake was taken away to jail after she told him everything of what he tried to do to Lincoln.

Xenia: Me too.

Tecna: (British Accent) You got that right.

Laney: That is for sure.

Nico: Tecna, I want to thank you, Riddler, and the others for coming.

Xenia: Yeah no kidding.

Camie: That's for sure.

Qin: That was still fun though.

Laney: It sure was cool.

Juran: Is that a hot air balloon?

Me: It sure looks like it.

Pipp Petals: I wonder what's happening in Townsville?

Lincoln: I don't know, Pipp.

Suddenly, we saw that the people of Townsville were brutally mangled up.

Me: WHAT THE?!

Nico: WHAT THE HELL HAPPENED HERE?!

Eli: Looks like everyone was trampled by a bunch of elephants!

Suddenly, Lincoln saw a person struggling to get up, and he helped that person up and healed him.

Lincoln: Sir, tell me what happened to you?

Citizen: It's the Mayor, he's gone crazy and he's bashing people on the head, saying that we're just criminals that need to be punished.

We gasped.

Me: Oh no, not again!

Lincoln: Not this again! I thought The Mayor learned that lesson two years ago!

Me: That accursed Nighttime Cleaning Staff Woman!

Camie: This happened before?

We explained the events of that incident two years ago, and when we finished, those who weren't with us on that day were shocked!

Pipp Petals: Jeez, so we need to find The Mayor and stop him before he bashes other innocent people on the head.

Lincoln: Exactly, Pipp. So, not only are we going to stop The Mayor before he hurts more innocent people, but I sensed it. Pipp, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, and Sunny, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Pipp Petals: You know, you're right, Linky. I felt it for myself, and now, it's about to come out.

Me: This is going to be so awesome!

Lincoln: It sure is, now to find The Mayor. (Senses for The Mayor) AHA! Gotcha! He's 200 clicks north of our location and he's still bashing people on their heads. But heads up, gang, Pablo and Anderson have sent more musclebound thugs at us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on The Mayor.

Nico: Lets go!

May: Let's call Nanette first!

Nico: Right!

We did so.

Suddenly, we saw The Mayor heading right for us with a club and he was really crazy. He was about to attack us, but Lincoln made a powerful shield made of diamond to protect us all while The Mayor was still beating at the shield with his club, but eventually, his club broke and that made The Mayor go completely ballistic and started pounding on the shield with his fists, but he broke both of his hands! WHAT AN IDIOT!

Then, Lincoln fired a diamond ball at The Mayor and it hit him hard in the face and sent him crashing onto the ground and pushed him back. Lincoln deactivated the shield as The Mayor got back up and he was still out to bash us.

Nico: You're at this again?! I thought you'd learned your lesson, Mayor!

The Mayor went at me with another club he got out, but I formed a sapphire gem shield and that protected me from his attack, then, he tried to hit Lincoln, but he activated The Diamond Armor of Eden, and the armor protected him from The Mayor's attack, and then, Lincoln grabbed him by the collar of his shirt with one of his eleven massive and long white wolf tails and tossed him away, and he got back up and he was still on the rampage.

Nanette then appeared and kicked him square in the face!

Nanette: Boy the Mayor REALLY went bonkers!

Mayor: OH NO YOU DON'T YOU LITTLE GLORYHOGS! THIS IS MY PARADE! NOW GET THE FUCK OUT OF MY TOWN!

He went at us and was trying to kill us with a mace club he got.

I formed a diamond shield and shattered the mace club!

Nanette: Sorry I'm late!

Nico: No worries!

Qin: The Mayor went completely off the rails! He bashed all these peoples skulls in!

Varie: Yeah!

The Mayor then came at us!

Pipp kicked him down.

Pipp Petals: Okay, this has gone on long enough, Mayor.

Suddenly, Pipp Petals' kiwi green eyes turned neon kiwi green and she was surrounded by a violet energy aura with Equestrian Magic, Alicorns, stars, and music notes, she unholstered her massive Pipp Petals' Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice from her back, and as she approached The Mayor, she left violet energy, Equestrian Magic, Alicorns, stars, and music notes with every step.

Pipp Petals: Mayor, I can't believe that you're resorting to bashing people on the head, I thought you learned your lesson that you should leave this sort of thing to The Powerpuff Girls and us, but it looks like it didn't get through to you, so you've left me no other choice but to beat that lesson into you until you finally learn!

Suddenly, Pipp Petals was surrounded by a massive vortex of violet energy energy with Equestrian Magic, stars, and music notes surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an violet phoenix.

Nico: Sorry, Mayor, but Lincoln's right, you didn't your lesson the first time, now we have no choice but to resort to force to make you understand that what you're doing is plain out wrong.

Me: He's right, but fair warning: the pain that you've dealt unto the people will be nothing compared to the pain we've dealt unto many villains.

Then, they attacked him with their massive greatswords leaving tears on his outfit, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Pipp Petals attacked him with punches, kicks, and karate chops and they were mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving The Mayor madder than ever.

Nico: Sorry, Mayor. We'll try not to leave a scar

Then, Lincoln had unleashed a storm of Looney Tunes gags on The Mayor by throwing dynamite and bombs, dropping a piano on his head, bashing his head with a mallet, and many others. We laughed our heads off!

Lola: Whoa, that storm of Looney Tunes gags Lincoln unleashed, that enough would make Bugs and the rest of The Looney Tunes proud.

Luna: Valencia Nightingale did introduce him to the cartoons of Bugs and the Looney Tunes long ago, and he really mastered their tricks all too well.

Nico: Dang! Remind me to get Lincoln to unleash that kind of comedy on our resident jerks!

Me: Duly noted.

Pipp Petals: Oh man, now that was really hilarious, Linky. But, is the Mayor going to be okay?

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) He'll be okay. Besides, I made sure not to go all out on him.

Eli: Smart move.

I kicked the Mayor in the face.

Lola: Whoa, that storm of Looney Tunes gags Lincoln unleashed, that enough would make Bugs and the rest of The Looney Tunes proud.

Luna: Valencia Nightingale did introduce him to the cartoons of Bugs and the Looney Tunes long ago, and he really mastered their tricks all too well.

Nico: Dang! Remind me to get Lincoln to unleash that kind of comedy on our resident jerks!

Me: Duly noted.

Pipp Petals: Oh man, now that was really hilarious, Linky. But, is the Mayor going to be okay?

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) He'll be okay. Besides, I made sure not to go all out on him.

Eli: Smart move.

Suddenly, The Mayor couldn't take it anymore and he fainted to the floor exhausted but still okay, he learned his lesson alright. We all cheered wildly for what Pipp Petals and Lincoln did as they holstered their massive greatswords and powered down, and Pipp

Petals' new body, clothes, weapons, jewelry, Third Eye, longer magenta and pink tail with rainbow streaks, and massive white angel wings and purple horn are permanent.

Suddenly, Pipp Petals felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Pipp?

Pipp Petals: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln did awesome taking down The Mayor.

Nico: No kidding, and Lincoln, you really unleashed all sorts of comedic gags and pranks on The Mayor, you sure you haven't gone to Acme Looniversity with Valencia Nightingale before J.D. moved to Royal Woods?

Anna Anyanova: He didn't, if he did, Valencia would've told us about it, but no, he didn't go there.

Pipp Petals: Hopefully, The Mayor has learned his lesson.

Suddenly, Pipp Petals wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Pipp Petals' face, they kissed passionately as she moved her arms and she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Pipp Petals absorbed the elemental forces and they came back to us as the display vanished.

Sebastian Mendez then appeared.

Sebastian Mendez: Is the Mayor alright?

Nico: Yeah, and this wasn't any sort of mind control, The Mayor just has an empty brain.

Me: Yep.

Sebastian Mendez: I would've thought this would've been someone putting a chip in him.

Lincoln: We've already that sort of problem with Audrey Madison, Sergio, and Brad Buttowski, and it also didn't involve dark magic.

Sebastian Mendez: Yes, but I can't escape the feeling we're going to be dealing with something that involves dark magic on your rescue later on.

He had no idea of how right he was.

Nico: Nice job anyway, Nanette and you too Pipp!

Nanette: Thanks Nico.

We then turned to the Mayor with sour glares.

Nico: Geez, Mayor. Did you really think you're that inferior to us? Really?

He then felt guilty and then bursted into tears.

Mayor: (CRYING HARD) I'M SORRY GUYS! IT WAS THE NIGHTTIME CLEANING STAFF WOMAN! SHE TOLD ME THE SAME THING!

Nico: We should've done something about her!

May: We had other things to worry about. Like Trump.

Nanette: Yeah but I'll have Sheila and Tom go get her.

Nico: Good idea.

Nanette called Sheila.

Nanette: Sheila I got a good criminal for you.

Sheila and Tom then instantly came and they ran up to the night time cleaning staff woman and bashed her all over her head with their knightsticks and cuffed her.

The Nighttime Cleaning staff woman glared at us with intense BURNING HATRED!

Nico: Don't give us that look. The people who got injured is on your head!

Nighttime Cleaning Woman: I HATE YOU ALL SO MUCH!

Our auras exploded out and flared up with incredible force.

Nighttime Cleaning Woman: YOU MAKE ME SICK! YOU ALL HAVE HOGGED THE GLORY FOR FAR TOO LONG! THIS WORLD WAS DOING JUST FINE WITHOUT YOU AND THEN YOU CAME ALONG AND TOOK ALL THAT AWAY FROM US! YOU MAKE ME SICK! I HATE ALL OF YOU MORE THAN LIFE ITSELF! I WISH ALL OF YOU WOULD JUST DIE AND GET THE BLACK GATES!

THAT WAS A HORRIBLE THING TO SAY TO US!

We got a massive and powerful explosive burst of power.

Nico: Hold up. We're not glory hounds!

Albedo: Unlike my former team.

Nighttime Cleaning Woman: I DON'T FUCKING CARE!

She then grabbed Sheila's gun and then fired at me and I blocked all the shots with a diamond shield!

SHe ran out of ammo.

Sheila: Give me that!

She took the gun back.

Me: Get her outta here.

Sheila: You're looking at the death penalty for all you have done.

They loaded her and drove away.

Nico: Well, I didn't see that coming.

Me: I knew it was coming. She hated all heroes and everything.

Qin: Yep.

Lola: Good riddance.

Xenia: Yeah she deserves to die.

Nico: Yep.

Then barking was heard and we saw a Tibetan Mastiff!

Me: Hey a Tibetan Mastiff. I love those dogs.

Laney: She's cute and beautiful.

She came up to us and Nico petted her and it licked him.

Nico: Oh such a good doggie.

Tibetan Mastiff: (In a girls voice) (Tibetan Accent) That woman had it coming though.

Nico: (Gasp) Dawa! Wow!

Tibetan Mastiff: Awesome to see you again Nico.

Me: You know her?

Nico: I sure do. Met her in a Tibetan Monastery and she is a very spiritually powerful girl.

Tibetan Mastiff: I sure am.

May: Sorry you had to see that.

Tibetan Mastiff: No worries there. But she deserved it.

Lola: Yeah I hate that woman. She is such a jerk!

Maria: Do you have any hobbies?

Tibetan Mastiff: Just cooking awesome Tibetan Food.

Nico: Awesome.

Lola: Yeah.

Me: Lets revert you back now.

Tibetan Mastiff: Okay but I lost my clothes when I turned into this.

Nicole: Uh oh. No peeking or else!

I put on my blind man glasses.

Me: It's going to be painful.

Tibetan Mastiff: Don't worry I handled firewalking and I'm used to it.

Nico: Wow.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

She was reverting back.

She puked.

Me: Yuck.

She got up and had black hair and blue eyes and was naked.

Dawa: That did not feel good but I used a mantra to help. And goodness I do not look good naked.

Rarity: Don't worry darling, We can fix this.

The Fashion Brigade went and gave her new clothes and she had an orange Tibetan Monk outfit.

Dawa: Ahh much better there.

Me: Wow!

Lola: Awesome.

Nico: What were you doing before transforming?

Dawa: Meditating at a Buddhist Temple here in the city.

Lola: Geez!

Dawa: I'm the last member of the Dog Gene-slammers Kozac made.

Lola: Yeah. Wow!

Nico: Now for business.

Eli: And we have Another Terrorking, Infernalqueen, Shadowknight, Desrook, Darkbishop, Vilepawn and Annihilator Archfiend, Archfiend General, Mist Archfiend, Skull Archfiend of Lightning, Yzma and Riddler.

We gasped!

Me: Whoa The Chess fiends and more fiends that Titan would use.

Lola: Yep.

Nico: So Zinnia Ilena, Yvette Edmundton, Diana Darkus, Stellarfire, Neela Rose, and Beverly Bacchus will be called for the Chess Archfiends.

Me: And Denise Windfall, Zeras Twins, Tea Rhodes and Cleo Melody for the rest.

Nico: Nice!

Qin: They will love this.

Lola: Yep.

Maria: I'll call them in.

She did so.

They came.

Cleo Melody: Hey guys!

Neela Rose: Whoa man what happened here!?

The people are being loaded into ambulances.

Me: The Mayor went on a rampage and beat the skulls out of these people because of the Nighttime Cleaning Staff Woman.

Cleo Melody: Jerk!

Tea Rhodes: Are the people going to be okay?

Nico: One can hope.

Qin: She's getting the death penalty.

Nico: Yep.

Eli: And the Anothers minus Riddler are all one person.

Nico: Wow!

May: There they are!

Out came Another Terrorking, Infernalqueen, Shadowknight, Desrook, Darkbishop, Vilepawn and Annihilator Archfiend, Archfiend General, Mist Archfiend, Skull Archfiend of Lightning and Yzma!

Nico: WHOA!

Qin: This is gonna be awesome.

Another Terrorking: (In a girls voice) This will be fun.

Me: That voice!

They merged and she reverted back and was a girl with aqua blue hair and had blue eyes and had blue and aqua blue clothes and had aqua blue angel wings and had the symbol of the Crystron Monsters in the middle of her forehead and on her skirt. She also had a sword of crystal.

Me: Celine Crystron!

Celine Crystron: Awesome to see you again J.D.

Me: Same here. Celine is the gene-slammer of the Crystron Monsters.

Lola: Cool!

Rarity: That is really amazing darlings.

Nico: Sorry about the mess.

Celine Crystron: No worries. But to be honest I had my suspicions on that Nighttime Cleaning Lady from day one and she hates every kind of hero ever. She should have never been hired at any job ever.

Nico: Yeah what a jerk.

Me: By the way Celine is the Another Riddler friendly or hostile?

Celine Crystron: Friendly and this one is awesome.

Me: I have a feeling she will be.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD

FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

We fired waves of energry and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Celine Crystron: That was cool!

Qin: Yeah!

Nico: Now we wait.

Me: We don't have to wait long.

We saw ANOTHER RIDDLER!

Qin: Another Riddler!

Me: Whoa!

Another Riddler: (In a girls voice) The more there is of me, the less you see. What am I?

Me: That's easy! Darkness!

Riddler: Very good riddle.

Me: And I had a feeling it was you Agent Luna.

She reverted back and was a girl with green hair and had blue eyes and had a Question Mark in the middle of her forehead and she had green and gold clothes.

Agent Luna: Agent Evelyn Nygma Luna at your service J.D.

Me: Awesome to see you Evelyn. Evelyn uses the Riddler's riddles as her codephrases. She is also a CIA Agent as well as a powerful and awesome master spy.

Nico: Nice

May: Cool!

Nico: Wow! Wait a second. Agent Riddle it's good to see you again.

Evelyn Nygma Luna: Same to you Agent Chan. Its been a while.

Lola: Awesome.

Sougo: (gets out Grand Zi O Ridewatch) If you like riddles, maybe you can answer this simple one.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Evelyn Nygma Luna: Nothing. I used a tongue twister and short circuited his brain and knocked him down.

Me: What was the tongue twister?

Evelyn Nygma Luna: The peppy puppy the prince presented the princess produced piles of poop in the palace.

Nico: Crafty!

Sakura Knudson: Yeah Swartz always had a problem with tongue twisters.

Eli: That is crafty.

Me: Sorry we have to fight like this.

Evelyn Nygma Luna: No worries.

She turned into Another Riddler!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Qin: YEAH!

Nico: Riddle Me This, Riddle Me That, (gets out Riddler's Ridewatch) Time I use some of Riddler's Riddles for myself!

Nico activated it.

Nico: I Have Billions Of Eyes, Yet I Live In Darkness. I Have Millions Of Ears, Yet Only Four Lobes. I Have No Muscle, Yet I Rule Two Hemispheres. What Am I?

Another Riddler: That's an easy one! The Human Brain.

Me: That's one of my favorites.

Nico: Yep. (ACTIVATES YZMA'S RIDEWATCH)

He fired waves of energy and blasted her down.

Nico: What is every where, but no where, except where something is?

Another Riddler: That's an easy one. Nothing!

Nico: That's right!

Riddler: Boy she sure knows my riddles well.

Me: They sure are awesome.

May: Time for some water! (ACTIVATES THE CREEPY HEAP FROM THE DEEP AND MALARIA'S RIDEWATCHES)

She fired waves of darkness and smashed her down.

Maria: And me! (ACTIVATES ICE WORLD AND ASTRAL DROP CORNELIA'S RIDEWATCHES)

She fired waves of ice and leaves and slashed and blasted her all over.

Nico: YEAH!

Merida: Now here is this one now! (ACTIVATES YZMA'S RIDEWATCH)

She fired arrows of energy and smashed her down.

Nico: YEAH!

Then Count Vertigo, Wolfman, Julie Hinikawa, Phantoon, Ghost of Chef Pierre Goulash and Komodo Dragons came.

Nico: Nice team Count!

Count Vertigo: Thanks Nico.

Ghost of Chef Pierre Goulash: (French Accent) SACRE BOO!

Qin: Oh yeah!

Lola: Yeah!

Then an Eternatus appeared and it was a big one!

Me: WHOA! Eternatus!

Lola: WOW!

Xenia: That is cool!

Eternatus: (In a girls voice) Let me have some fun here.

Nico: Elaine Anderson!

She reverted back and was a girl with black hair and pink and black clothes and had pink angel wings.

Elaine Anderson: Awesome to see you again Nico. I got this.

She fired an energy blast and smashed down Another Riddler and I caught the Ridewatch and purified it and brought Evelyn over.

Nico: YEAH!

Merida: Ach what's your favorite memory of Nico lass?

Elaine Anderson: Mine is where Nico and me solved the Millennium Prize Problems and we won $1,000,000,000 each.

Nico: Yep.

Me: Whoa! That is amazing!

Lola: It sure is!

Lisa Loud: That is a most impressive feat all there for you two.

Nico: Yep.

Nico and Elaine hugged.

Nico: I've missed you.

Elaine Anderson: Me too Nico. Me too.

We went back home.

It appears that Brandon Skellington's old enemy from Halloween Town, Darryl Calderon, and one of the allies of Oogie Boogie, has come to Auradon, and he wants revenge on us for what we did giving Oogie Boogie The Black Gates, but Brandon Skellington's really going to teach him a lesson in the same way his father, Jack Skellington, had done to Oogie Boogie, and send him to The Black Gates forever.

Lincoln: Whoa, we're here in Auradon, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got bad news. Brandon, are you familiar with someone by the name of Darryl Calderon?

Brandon Skellington: (GASPS) Darryl Calderon, that miserable supporter and worshipper of Oogie Boogie, is here?! I should've known he'd come back!

Me: Whoa, it sounds like you know him all too well.

Brandon Skellington: And I wish I hadn't. Darryl Calderon is also another human who was born in Halloween Town, but he was raised by that bag of bugs, Oogie Boogie, and he also caused havoc in Halloween Town, along with Lock, Shock, and Barrel. I stopped Darryl long ago and had him banished to The Isle of The Lost as punishment, but now, he's escaped, and he wants revenge on all of you for sending Oogie Boogie to The Black Gates.

Mal (Descendants) And he's here in Auradon. Well, I'm not going to tolerate that.

Lincoln: Neither am I.

Hiita the Fire Charmer: Same with us.

Suddenly, we saw a golden-blonde haired girl, red hairband, red and green clothes with Applejack's cutie mark on the red skirt, red choker, white bridal gloves, orange unicorn horn on her head, and orange angel wings approach us.

Lincoln and Applejack: (GASPS) Melora Pomona?!

Me: You two know her?!

Lincoln: We do.

Applejack: I knew her from Equestria, and it was right before…

Melora Pomona: Before I moved to Royal Woods. Allow me to introduce myself, my name is Melora Pomona, Gene-Slammer of Applejack, The Apple Alicorn and Princess of Honesty, I'm Lincoln's Guardian Angel from Equestria. I'm a very hardworking and honest girl who loves working in the apple orchards and I'm also a very powerful Apple Alicorn and very powerful master of apples and magic. I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a red neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my orange horn on my head glowed with orange light and it was a sign of true love. Plus, I'm also a dear friend of Applejack from long ago and our bond has remained strong to this day, and like Applejack, I'm an honest young girl and I'm really hardworking not to mention, I'm also really really strong, but I also hate Chandler with a blazing passion because I'd seen what kind of deceitful and manipulative person Chandler is.

Nico: What did that prick do to earn your wrath?

Melora Pomona: That bastard went charging at Lincoln to kill him in another attempt at his life in an ambush, but I saved Lincoln from getting ambushed by Chandler by kicking him into a nearby fence and he got knocked out because of just how strong I am. I called the cops and that lying snake was taken away to jail after I told the cops everything of what he tried to do to Lincoln.

We gasped.

Me: Chandler's Dark Side was and always will be an asshole!

Laney: He was warned numerous times about this, but no, he refused to listen and had his head far up his butt.

Lincoln: He was lucky he didn't get sent to prison forever. And it's awesome to see you again, Melora.

Melora Pomona: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Applejack, you really have changed a lot since we last met.

Applejack: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Applejack showed Melora Pomona the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Applejack helped put her mouth back in.

Melora Pomona: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Melora Pomona in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with red gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Applejack: Hoowee, I knew that was coming! Now, you're part of his harem and are now his future wives. But, I'd save the kissing for later, let's get after that lowdown snake in the grass so Brandon can take him down in the same way his father took down Oogie Boogie.

Suddenly, we saw a beautiful and super sexy girl with long dark blue hair in the back with red hair in the front and red hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a white coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, knights, swords, magic, dragons, light, and angels on the coattails and on the back is Infernoble Knight Maugis, in her right hand is The Sword of Hope, and with her are the six girls.

Red and Blue-Haired Girl: I hope I'm not too late, but I got the girls away from Darryl Calderon before he could kill them.

Lincoln: No, you're not, Mira Maugris, you're just in time.

?: TEAM LOUD PHOENIX STORM, BRANDON SKELLINGTON, YOU WILL ALL PAY FOR WHAT YOU DID TO OOGIE BOOGIE!

We then saw our target: a long black-haired teen with pale skin, long long-sleeved black coat, black pants, black shirt, black jacket, and black boots, it was Darryl Calderon, Brandon Skellington's hated archenemy and supporter and worshipper of Oogie Boogie, and he was out for our heads.

Sylvester: Oogie paid the price for his crimes in Halloween Town, and now, you will suffer the same fate.

Darryl Calderon: No, no! THIS CAN'T BE HAPPENING! BAH!

Suddenly, a black smoke appeared around him, and we saw the maniacal face of Zixkle, Rita Repulsa and Lord Zedd's erased daughter: she tethered a fragment of her soul to Darryl Calderon, and she still wanted revenge on us.

Sebastian Mendez: Why, that little! Zixkle tethered a fragment of her soul to Darryl Calderon!

Lincoln: She's such a sore loser like her parents refusing to accept defeat!

Me: Well, now we're going to banish that last fragment of her to The Black Gates for good along with Darryl Calderon.

Then, we saw Darryl Calderon grow to a ten-story high giant, and he roared with rage!

Darryl Calderon: (Distorted Voice) Oh, Brandon, I'm just getting started!

Darryl Calderon smashed his fists onto the ground, and we all backed away from the assault on us: now, the finale was about to begin.

THE NIGHTMARE BEFORE CHRISTMAS: OOGIE'S REVENGE OST - A FILTHY FINALE PLAYS

Brandon Skellington walked towards the now giant Darryl Calderon, and we also saw the mark of Zixkle and her face appear from a cloud of smoke.

Darryl Calderon: It's payback time!

Brandon Skellington: Is that all you have to say?!

Darryl Calderon: (Singing) Well, well, well

What a pest you are! (Tries to hit Brandon, but he dodges)

Still around? Ooh, (Tries to hit Brandon, but he dodges)

Can't say I like that.

So why don't you just give up, you know, surrender?

Brandon Skellington: (Singing) It's over, It's over, your scheme was bound to fail. (Fires orange and black energy blasts from his Pumpkin Scepter which hit Darryl)

It's over. Your finished here. Your next stop will be jail! (Fires pumpkins which hit Darryl)

Darryl Calderon: (Singing) He mocks me. He fights me. I don't know know which is worse. (Tries yet again to hit Brandon, but misses as Brandon dodged)

I might just split a seam now if I don't die laughing first. (Suddenly glows with purple light and grows bigger and stronger)

Brandon Skellington: (Singing) What's this? A trick? I'm not impressed. You're bad and now your tall.

It makes it all the more worthwhile to see a giant fall.

Darryl Calderon: (Singing) Talk, talk, talk, but I'll tell you, this giant's goin' nowhere. (Summons steel girders as Brandon lands on the steel girders)

If I were you, I'd take a hike. There's danger in the air. (Darryl hits the girders, but Brandon dodges and lands)

Darryl Calderon and Brandon Skellington: (Singing) Whoa!

Whoa!

Whoa!

Whoa!

Whoa!

Darryl Calderon: Ha, ha, ha!

Brandon Skellington: (Singing) I'm the only Pumpkin King! (Fires pumpkins of fire which hit Darryl)

Brandon Skellington: (Singing) Well I'm feeling angry, and there's plenty left to do. (Fires orange and black energy blasts from his Pumpkin Scepter which hit Darryl)

I've fought your most unwelcome help, and know I'm after you! (Fires pumpkins of fire which hit Darryl)

Darryl Calderon: (Singing) Even if you catch me, you could never do me in! (Summons steel girders as Brandon lands on the steel girders)

I'm ten stories high and just as strong. Which means I'm gonna win! (Darryl hits the girders, but Brandon dodges and lands)

Brandon Skellington and Darryl Calderon: (Singing) Whoa!

Whoa!

Whoa!

Whoa!

Whoa!

Brandon Skellington: (Singing) I'm the only Pumpkin King. (Sends streams of Pumpkin Fire at Darryl which burns him bad)

Brandon Skellington: This ends now!

Darryl Calderon: I'm laughing to death!

Brandon Skellington: (Singing) It's over. You're finished. You'll never get away. (Fires orange and black energy blasts from his Pumpkin Scepter which hit Darryl)

You? The Seven Holidays King? That'll be the day! (Fires pumpkins of fire which hit Darryl)

Darryl Calderon: (Singing) How feeble! How childish! Is that the best you got? (Tries yet again to hit Brandon, but misses as Brandon dodged)

You think that you're a hero, Brandon. But I think you are not.

Darryl Calderon: I'm the king of Auradon and soon, I'll be the king of the world!

Brandon Skellington: You're the king of nothing!

Darryl Calderon: (Suddenly glows with purple light and grows bigger and stronger) Whoah!

Darryl Calderon: (Singing) Now it's time for you to see what it really means to scare. (Tries yet again to hit Brandon, but misses as Brandon dodged)

Cause I'm a gamblin' Boogie Man, although I don't play fair.

It's much more fun, I must confess, when lives are on the line. (Summons steel girders as Brandon lands on the steel girders)

Not mine of course, but yours old friend, now that'd be just fine.

(Darryl hits the girders, but Brandon dodges and lands)

Darryl Calderon and Brandon Skellington: (Singing) Whoa!

Whoa!

Whoa!

Whoa!

Whoa!

Whoa!

Brandon Skellington: (Singing) I'm the only Pumpkin King! (Fires flaming pumpkins, bats, cats, ghosts, and orange and black energy at Darryl)

The final barrage of attacks from Brandon Skellington caused tons of damage to Darryl Calderon as the song ends as Brandon takes a bow, and Darryl Calderon let out a scream of defeat.

Then, we saw a black smoke escape from Darryl Calderon: the soul fragment of Zixkle that tethered to Darryl Calderon, and it vanished as it was sent to The Black Gates forever thus ridding us of Zixkle forever. Then, Darryl Calderon shrank back to normal size, only for Lincoln to fire a rainbow energy blast that destroyed Darryl Calderon, and Brandon Skellington fired a blast of black energy which hit Darryl Calderon's soul as soon as it appeared, and he was sent to The Black Gates forever. We cheer as we holster our weapons and powered down.

Me: I LOVE THAT SONG!

Lincoln: We did it, we've gotten rid of Darryl Calderon, and we also got rid of the soul fragment of Zixkle, thus erasing Zixkle permanently. (To Mira Maugris) And it's so good to see you again, Mira Maugris.

Mira Maugris: You too, Linky, it's been a long time.

Lincoln went up to Mira Maugris and he hugged her, and Mira

Maugris is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Mira Maugris: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met

your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Mira Maugris, Gene-Slammer of Infernoble Knight Maugis, she's my Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Mira Maugris is the descendant of Maugris.

Me: One of the Twelve Peers of Charlemagne and member of Charlemagne's court.

Melanie Artorgius: The very one. Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Mira Maugris hates Lori with a very blazing passion. One day, Mira Maugris and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she'd brought with her an army of musclebound thugs she hired. Mira Maugris and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that farting control freak bitch into a blood-crazed fury, but before she could get after them, Lincoln and Mira Maugris fired chains of fire which bound that alpha bitch and tied her up. Lincoln called his family and the rest of his sisters and told them what happened, and needless to say, everyone wanted her head on a pike! But, Lincoln wasn't surprised, Lori tried to kill him many times in the past, but in the end, her plan failed, and not only did she get a severe beating from his sisters, but Mom and Dad also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Mira and Lincoln casted a spell to prevent her from coming after them because messing with the descendant of Maugris and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Me: Lori was a monster thanks to that alpha bitch, Dark Lori.

Nico: Honestly, Lori just didn't know when to quit!

Lincoln: We warned her many times about this, but no, Lori had way too much of an inflated sense of entitlement to even listen to our warnings.

Luna: We all said the same thing, dude, and we gave her a warning: if she didn't get her head out of her butt and stop trying to hurt our little bro, we wouldn't be coming to her aid, and we might even let your Guardian Angels who hated her so much to get after her.

Lincoln: But you do realize by letting them go after her, they'd kill her, right?

Nico: Lincoln's right about that. So many of his Guardian Angels hated Lori that much, they want to kill her and throw her dead body in a ditch.

Me: And we saw the pictures of Lori shredded and burned, it was proof of how much they hated Lori for her control freak attitude.

Lincoln: In every way possible, they hated Lori for it, and now that you're here, Mira.

Lincoln went up to and hugged Mira Maugris in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora

and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Mira Maugris: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Mira Maugris' neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Mira Maugris: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mira Maugris.

Mira Maugris had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the six girls, and when Lincoln saw who they were, they immediately recognized them. The six girls are Amane Tabuchi, Chizuko Kouno, Hagumi Tabuchi, Miki Fujito, Rinka Kouno, and Sanae Kouno from Mamasen.

Lincoln: Oh wow, it's Amane Tabuchi, Chizuko Kouno, Hagumi Tabuchi, Miki Fujito, Rinka Kouno, and Sanae Kouno from Mamasen.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Amane Tabuchi: Yes, we're okay, thanks to you.

Then, when Amane Tabuchi and the other five girls saw who it was that saved them from Darryl Calderon who finally fell under the control of the soul fragment of Zixkle, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe,

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amane Tabuchi, Chizuko Kouno, Hagumi Tabuchi, Miki Fujito, Rinka Kouno, and Sanae Kouno with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Brandon Skellington's old enemy from Halloween Town, Darryl Calderon, and one of the allies of Oogie Boogie, who escaped from The Isle of The Lost and came to Auradon wanting revenge on us for what we did giving Oogie Boogie The Black Gates last year, and even worse, he fell under the possession of the lone soul fragment of Zixkle, the daughter of Rita Repulsa and Lord Zedd whom we sent to The Black Gates when we went after the resurrected Dark Sebastian.

But, when Lincoln showed what we all did in beating him down, and Brandon Skellington singing the song that Jack Skellington sang in his final battle against Oogie Boogie which led to Zixkle's lone soul fragment getting permanently banished to The Black Gates thus forever erasing Zixkle from existence and Lincoln destroying Darryl Calderon and Brandon Skellington banishing him to The Black Gates for good thus permanently erasing the last traces of Oogie Boogie from existence, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Melora Pomona, and Mira Maugris have a lot of catching up to do now that they're back in town.

Maria: Man, Brandon is just like his father in every way, and I certainly didn't expect that Zixkle had a contingency plan in case she got sent to The Black Gates.

Brandon Skellington: Especially if it meant getting my hated archenemy involved.

Lincoln: Yeah, but in the end, we banished Darryl Calderon to The Black Gates and erased the last traces of Oogie Boogie from existence and permanently erased Zixkle from existence for good when her soul fragment was destroyed.

Me: And in the process, we've really pissed Lord Zedd off, along with Rita Repulsa who's trapped in her prison in The Warp.

---

After getting rid of Darryl Calderon and the soul fragment of Zixkle once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mira Maugris and Melora Pomona saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Mira Maugris: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Melora Pomona: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Mira Maugris: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melora Pomona: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Mira, we've already heard from Melora of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Mira Maugris: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a really loud banshee screech in the air, and we saw who it was coming after us: it was Lori, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lori, and we brutally thrashed her. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lori once again, and Leni, Luna, Luan, Laney, Lynn, Lucy, Lana, Lola, Lisa, and Lily pounced on Lori, and they brutally beat her farting butt into the ground.

Nico: Jeez.

Lincoln: Then, Lori got grounded for eighteen weeks and we threw her in a metal container.

Ellie Elsher: But, then, Lori screeched and pounded on the door trying to escape, and we proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lori off and she screeched like a monster again.

Raven Ghostrick: We were really getting sick and tired of that farting control freak always running loose and trying to kill Lincoln, but we always put her down like the moron that she is.

Me: That dark side of her was nothing more than trouble and she can never ever be forgiven.

We got a shower, and then, Lincoln, Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Alisa Stewart: Whoa, so this is Sirena Beach, it truly is beautiful.

Lincoln: It sure is, Alisa, and it's perfect for our first date. Shall we?

Lincoln,Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker and they hugged them in their abnormally massive and powerful muscular arms, and Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker are in your harem.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Vanessa, Alisa Stewart, Tyra Elson, Nathalie Neo, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, and Cyberverse Shadow Striker, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out

their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

After Lincoln's date in Sirena Beach, Sherlock Hound was heading back to Pentagram City, this time, it's The Ring of Gluttony to recruit Vortex's girlfriend, Beelzebub, to The Masters of Evil. The portal opened and Sherlock Hound stepped out.

Sherlock Hound: (British Accent) Ah, we're here in The Ring of Gluttony. Now, we must find Beelzebub and recruit her to The Masters of Evil.

Sparda: (Through the Red Jewel) She should be here somewhere, since Beelzebub is known as The Demon of Gluttony, one of The Seven Deadly Sins.

Sherlock Hound travelled through The Ring of Gluttony. Suddenly, he sensed a presence.

Sherlock Hound: (British Accent) I know you're here, Beelzebub, come on out.

Suddenly, a tall, fox-like demon with yellow and pink striped fur like a bee, and black markings that give a dripping appearance down her arms and legs, multiple arms, a pair of antennae attached to her ears, and a small pair of insect wings, and dressed in a pink sleeveless crop top with a heart-shaped cutout, white markings underneath turning into a paw with claws, and a white pair of short shorts appeared, it was Beelzebub, Vortex's girlfriend.

Beelzebub (Helluva Boss): That scent, it's that of a demon's. (GASPS) No, that scent, Sparda himself? Ah, so you're the one who caused quite the ruckus here in Hell killing the other Overlords and what you did in killing Andrealphus and Stella Ars Goetia the other day, good riddance to those pompous pricks.

Sherlock Hound: (British Accent) Yes, that's correct. I was the one who caused this sort of upset here and I'm here to recruit you to The Masters of Evil since Vortex is part of The Masters of Evil.

Beelzebub (Helluva Boss): Vortex told me everything. Alright, I'm in.

Beelzebub beamed herself to The Masters of Evil, and Sherlock Hound headed back to The World Tree Estate.

Lincoln: I can tell everything went well.

Sherlock Hound: (British Accent) Indeed, Beelzebub is now a member of The Masters of Evil.

Loona Silva Hound: Hell's still celebrating what you've done. No single person was able to wipe out the Three V's and the other Overlords and kill Andrealphus and Stella Ars Goetia, not to mention what you did in killing Crimson and his gang.

Me: When it comes to maintaining order in Hell, Sherlock Hound certainly doesn't mess around.

Sherlock Hound: (British Accent) True. I've solved many crimes in England and in the process, foiled many of Moriarty's plans in connection with those crimes, and I also achieved many more: last year, I'd killed Mundus' minions, along with Mundus himself, and avenged the death of Sparda's wife, Eva, and brought peace and order to Pentagram City by ridding it of some of its most irredeemable demons.

Nico: That's true, and don't forget about ending Sayer permanently.

Lincoln: Yeah, that snake got what he deserved.

---

Later it was time for Another awesome Super Mario Galaxy adventure.

Nico: This next Galaxy is gonna be spooky.

Nicole: Ghostly Galaxy?

Nico: Yep.

Brittney: Awesome. Me and the Goths of Darkness will definitely go with you guys on this one.

Lucy Loud: It will be wicked cool.

Shannon: I'll go too!

Nico: Okay.

Brittney: Cool.

Nico: Lets go.

They went in and Nicole activated the Simulator and they were at GHOSTLY GALAXY!

Nico: Here we are.

Lucy Loud: Wicked.

Brittney: Spooky and awesome. I like it.

Nico: Yep.

Shannon: This is my kind of place.

Brittney: Mine too.

Nico: It's a Haunted House Galaxy. And we're going after Bouldergeist.

Brittney: Awesome and he is definitely getting into the M.O.E.

Nicole: (On the radio) Okay you got to face Bouldergeist on that floating arena there at the end of the course behind the house.

Nico: That will be easy.

Brittney: Watch out for Boos.

Nico: Right. Lets roll.

Brittney: Time to bring darkness!

They were off and flew to the haunted house.

They saw how Scary the place was.

Nico: Thank goodness that Shaggy and Scooby aren't with us on this one.

Brittney: Yeah knowing those chickens they would be afraid of this place.

Lucy Loud: I Agree there.

Nico: Yeah.

They flew fast and got to the arena platform arena.

Nico: This is it.

?: Let me help you guys too.

Then a Urshifu came!

Nico: Cool an Urshifu.

Urshifu: (In a girls voice) Awesome to see you Nico.

Nico: Tsukasa Kimomoto!? Wow!

Brittney: Awesome!

Nico: Don't revert back yet. We need to finish this first.

Urshifu: Right!

They went onto the arena and boulders flew in and formed into BOULDERGEIST!

Nico: There he is!

He roared!

Urshifu: This is gonna be good!

Nico: Lets get him!

Brittney and Lucy fired waves of darkness and blasted Bouldergeist's rocks and smashed them all over.

Nico: (gets out Riddler and Cluemaster's Ridewatches) Now for some brainpower!

Nico activated it and fired a laser from his forehead and blasted Bouldergeist all over.

Urshifu blasted Bouldergeist all over.

Shannon fired waves of energy and darkness and smashed him all over!

Nico: YEAH!

Then Several of Goombas appeared.

Several Bois and Goombas appeared

Nico fired waves of energy and blasted them.

Then Bouldergeist exploded and then out came the Power Star!

Nico: YEAH! Goths go get that star!

Brittney: You got it!

They went and got it!

YOU GOT A STAR!

Urshifu reverted back and she was a girl with black hair and had a pink Kimono.

Tsukasa Kimomoto: That was so awesome!

Nico: Yeah!

They high five!

Shannon: What's your favorite memory of Nico?

Tsukasa Kimomoto: When me and Nico were in Japan and we were taught Elemental Kamehameha Waves. We learned, Crystal, Earth, Water, Wind, Fire, Lightning, Light, Darkness, Lava, Storm and energy Kamehameha Waves.

Nico: Yep.

Brittney: That is amazing!

Tsukasa Kimomoto: That is how I got the moniker Tsukasa Kimomoto The Master of The Elemental Kamehameha.

Nico: Yep.

Nico and Tsukasa hugged.

Nico: I've missed you.

Tsukasa Kimomoto: Same here Nico.

---

We were watching TV and we saw the mascots painting pictures.

Me: What are you doing guys?

Manaphy: Painting pictures.

We saw them painting pictures of Skeletal Glowing Alien Fish.

Velma: Jinkies! Are those fish?

Manaphy: Yep.

Poromon: They sure are.

Me: Wow! I remember seeing those kinds of fish before.

Varie: From our days as the Brave 12 we saw fish like those.

Nico: Those are cool.

Laney: Those are awesome fish.

Twilight Sparkle: Boy what kind of fish are those?

Nico: They are amazing.

Poromon: We don't know what kind of fish they are but they are awesome.

Shanan came.

Shanan: Those are awesome fish. Wait a second. Whoa those are Femurarian Skeleton Fish. Bioluminescent Translucent Skeleton Fish from the planet Femura.

Nico: Whoa!

Lola: That is what those fish were from when we were the Brave 12?

Nico: Cool!

Twilight Sparkle: You should be proud of yourselves

Horsea: We sure are.

Xenia: Yeah.

Undermine: Maybe we can make those fish appear.

Nico: Or find them and have them be put into the M.O.E.

Qin: Yeah.

Undermine: That works too.

Lola: Yep.

Nico: Yeah.

Camie: Yeah.

Windcharger: It would be cool if they were real though

Nico: It sure would be.

Me: Yep. Believe it or not they are real.

Qin: Cool!

?: That would be awesome!

A Dragapult came!

Me: Cool a Dragapult!

Nico: Neat!

Dragapult: (In a girls voice) Awesome to see you again Nico.

Nico: Zi Yuan Kurst!? Wow!

She reverted back and was a girl with black hair and had yellow Chinese clothes on and had the flower of Hong Kong in the middle of her Forehead.

Zi Yuan Kurst: That's right.

Maria: What's your favorite memory of Nico?

Zi Yuan Kurst: When me and Nico went to Shanghai and busted an evil Chinese Mafia gang and destroyed their entire operation.

Eli: That is awesome.

Qin: Yeah I remember that.

Nico: Yep.

Nico and Zi Yuan hugged.

Nico: I missed you.

Zi Yuan Kurst: Me too Nico.

Red Lantern Ratchet: Maybe one day, we'll see those fish.

Me: I know we will.

Lola: Yeah.

Xenia: This will be fun too.

Nico: Now to get ready for our mission.

The previous group came.

Mummy: Can me, Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Diabolico, and

Sportsmaster go with you guys?

Nico: Yes you all can come with us.

Qin: This will be fun.

Indigo Zap: Nico, which Gene SImmers do you think you'll meet next?

Nico: Zarude and Glastrier next.

Qin: Cool!

Lola: Yeah this will be fun.

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than another of Mystery Inc.'s old enemies, Zeke Zillion, Gibby Nortan, Eve De La Faye, and Jack Hunter, they've broken out of prison and they're causing trouble again. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got some big trouble, Nico, where are Mystery Inc.?

Nico: Over in a ski lodge in North Pole, Alaska.

Lincoln: I just had a vision and I saw who it was that we're going to confront today: the figures I saw in the vision were Zeke Zillion, Gibby Nortan, Eve De La Faye, and Jack Hunter, they've broken out of prison and they're causing trouble again.

We gasped!

Me: Oh no, not those horrible musicians! Wait Gibby Norton I haven't seen him in a long time!

Allie Wilde: Good old Gibby. I heard about what happened to him and all that.

Brittany Gresh: Me too. It'll be good to see him again though.

Sakura Knudson: It sure will.

Qin: They tried to kidnap and replace Simple Plan in a concert they were going to play in.

Nico: Sheesh.

Qin: Yep, the ones involved in this were Zeke Zillion, Eve De La Faye, Gibby Norton, and Jack Hunter, they tried to kidnap and replace Simple Plan in a concert they were going to play in.

Me: But, the truth is, they were terrible musicians, and we had them sent to jail after we rescued Simple Plan and trapped them.

Nico: So, we've got to deal with those terrible musicians once more.

Lincoln: Yep.

Nico: How do you guys know Gibby?

Me: Me, Allie, Brittany and Sakura knew Gibby back when we were in Elementary School. We formed our own band of School Protectors called The Phoenix Quintet.

Nico: That is awesome!

Me: Yep. Gibby was one of the brains of our group and he was the technogenius, inventor and strategist supreme for the group to bring down the schools many enemies. Including Red Herring.

Velma: Boy that is amazing and I remember that. Until I came and he developed a mad crush on me.

Me: Boy he has had that kind of a crush on Velma for as long as I can remember.

Xenia: Wow that is amazing.

Qin: Yep. After he moved we never saw him again.

Nico: Well maybe we'll see him again and recruit him into the

redemption squad.

Me: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ace Hardlight, the secondary antagonist of Ratchet: Deadlocked, former Zordoom prisoner, champion of DreadZone, and Vox's right-hand man, and he's come back for revenge on Ratchet and Clank. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ratchet, Clank, you're not going to like it: the figure we sensed was none other than Ace Hardlight, and he's come back for revenge on you two.

Ratchet: Now, Ace Hardlight is back, I thought we'd never have to see him again!

Clank: But, there was no doubt he'd come back for revenge on us.

Lenora Wicherek: Well, there's no way I'm going to let him get away with this, I'm going to blow him away and send him into Oblivion.

Ratchet: Yikes, why do I have the feeling things are about to get wild?

Nico: Uh oh, when you get a Aerosapien that mad, you better watch out! Alright, gang, let's go, we're heading off to take down The Invisible Madman.

Lincoln: No one dares to kidnap Simple Plan and gets away with it, and once we get done taking down The Invisible Madman, you're next, Ace Hardlight.

Leona Wicherek: You better be ready to be scattered into the winds, Ace Hardlight, now you're about to face the wrath of my entire race!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to rescue Simple Plan and take down The Invisible Madman, and once we got done rescuing Simple Plan and taking down The Invisible Madman, Lincoln and Leona Wicherek are going to destroy Ace Hardlight.

We got our fur Parka's on and we were off to North Pole, Alaska.

---

We were flying.

Wolf: If we're considering on Gibby being in the Redemption Squad, maybe we should extend that to the others as well.

Me: Well we'll have to cast a vote when we get there.

Nico: You're right. First we'll find out what's going on. If this Invisible Madman is out there then we're going to be in for a challenge.

Me: Nothing our Infrared Vision can flush out.

Nico: Yep.

We arrived in North Pole, Alaska and we saw that we were in an old Ghost Town right outside of the city and it was blistering cold.

Nico: We're here.

Me: I remember this old Ghost Town.

Xenia: Strange place.

Camie: Where are Mystery Inc?

Robin Food: Perhaps they're at a restaurant watching Shaggy and Scooby eat so much.

Nico: Hmm. Wait look.

We saw 3 people on the ground and they were brutally beaten up and they were Mystery Inc.! Scooby didn't get beaten up!

Nico: Oh no!

We went over and they were badly hurt.

Me: What happened!?

Fred Jones: (Groans)

Me: Lets get them to their hotel!

We teleported back to the hotel and got them into their room.

Me: Boy something did a number on them!

Velma: Boy no kidding!

Allie Wilde: Yeah.

Crimson Dynamo: (Russian Accent) What happened?!

Shaggy: Like we don't know. We got ambushed by the Invisible Madman.

Daphne: Whoever did this really caught us off guard.

Velma: Jinkies someone did a brutal job on you.

Scooby Doo: Reah!

Fred Jones: (Dazed talk) Mommy read me the story about the bunny.

Varie: I think one of those punches gave you a concussion.

We healed them up.

Brimstone: How come Scooby got lucky?

Daphne: I think because the Invisible Madman would never harm any dogs.

Scooby Doo: Rog! Where?

Me: At least he has a heart for that.

Nico: Yeah.

Billy Numerous: Did you guys get any clues before that happened?

Shaggy: Like yeah. This.

He pulled out a piece of plastic.

Me: Hmm.

I looked at it and saw that it was experimental invisibility plastic!

Me: Well I'll be! Bruce does this ring any bells for you?

Batman looked at the plastic.

Batman: The same Invisibility plastic that Ventrix used.

Nico: Boy that brings back memories.

Me: It sure does.

Gus Grav: You think he supplied it to him before his capture?

Vulcan: Or it was stolen.

Me: I'm hoping for the second option. Because after we captured Ventrix the first time all the plastic he had was confiscated and put in storage never to be touched.

Nico: Wow.

Me: Yeah.

Camie: How does this plastic work?

Me: It's really interesting and amazing. Watch.

I channelled lightning in it and the plastic vanished! It was completely invisible!

Camie: Whoa! That is cool!

Me: Yep. It bends light and turns completely invisible. But it's not invisible to Infrared Vision or heat.

Nico: Yep. But in the process the plastique becomes toxic.

Camie: Toxic? How?

Me: That's just it. We don't know.

Nico: Yeah

Me: Only one person we knew back then did all that with this. Lloyd Ventrix was his name.

I went over his history.

---

Lloyd Ventrix, is a minor villain in Batman the Animated Series being the main antagonist of the episode See No Evil. He's also known as Mojo. Years ago, Lloyd was a con artist who after being paroled came to possess a suit that allowed him to turn invisible. He uses the suit so he can see his daughter; Kimberly. He pretend to be his daughter's imaginary friend and brings her all sorts or jewels and anything she wanted.

He is voiced by Michael Gross.

Lloyd Ventrix was a con artist who was arrested for one of his crimes. As a result, his ex-wife named Helen had a restraining order issued, and he wasn't allowed within 100 feet of either her or his daughter Kimberly. However, Lloyd, wasn't about to be stopped by the law.

After being paroled and finding work with a scientist Sam Giddell as his errand boy, Ventrix stole some samples of a plastic that grants is allowed Ventrix to see his daughter but in the process, the material becametoxic to both the mind and body. Ventrix made a suit out of the material; using it, he acquired both the means to steal anything without detection and the ability to visit his daughter without being detected. Using the name "Mojo", Ventrix became Kimberly's "imaginary friend".

While the suit prevented him from visible detection, he could still be heard and physically interacted with. Robbing a jewel exposition in Gotham City while the day was young, he attracted the attention of Batman. The Dark Knight investigated, and discovered the link between the material, Giddell, and the Ventrixes. Lloyd Ventrix deactivates the invisibility suit. Ventrix kidnapped his daughter after learning Helen had planned to move from Gotham. Taking her to an abandoned station, Ventrix had planned to escape the city with his daughter. However, Kimberly became hesitant, and attempted to flee when Ventrix revealed his identity to her. Batman arrived, and a skirmish ensued in which Kimberly escaped back to her mother. Ventrix attempted to flee in his invisible car, but Batman held on and the chase eventually led them to a rooftop with a water tower. In a crazed fury, Ventrix began beating Batman severely and ignored his pleas to remove the suit before it poisoned him fatally, but Batman manage to punctured a water tower nearby. This caused Ventrix to be revealed, Batman quickly defeated Ventrix by pummeling him into unconsciousness with one punch and a couple kicks and apprehended him. Ventrix was sent back to prison and hasn't been seen since.

Lloyd Ventrix doesn't have any superhuman abilities. His only piece of equipment was a suit fashioned from an experimental plastic that, when electrically charged, bent light instead of absorbing it. This allowed the suit (and its contents) to become invisible. When charged, however, the plastic became toxic to both the body and the mind. He also has a car that contains the same material that Ventrix's costume has, grant the car invisibility.

* * *

When it was done Camie and those that haven't heard about it were shocked!

Camie: Whoa that is bad.

Me: Yep.

Lana: And his daughter Kimberly is a very awesome friend of ours.

Lola: She sure is. And she is training very hard to make sure her so-called father meets his match.

Camie: That is awesome.

Nico: Yep.

Fred Jones: Wow! I remember that.

Daphne: But how did he get the drop on us minus Scooby?

Sportsmaster: We also have reason to believe that the Invisible Madman is more than one person.

Me: And I know who they are. Zeke Zillion, Gibby Norton, Eve De La Faye, and Jack Hunter.

Nico: Yep.

Fred Jones: Gibby?!

Me: Yep.

Magma: Luckily, our infrared can spot him.

Me: Yep. The plastic may make you invisible. But not your heat.

But then the door opened and no one was there!? What the!?

Me: Uh oh.

I turned on my infrared vision. I saw a figure come in and it was invisible but not its heat!

Me: Gotcha!

I grabbed the Invisible figure!

Nico: What the!?

Camie: I can't see anything!

Diabolico put a tracer on what you were holding.

Diabolico: Throw him far, J.D. Now, we'll be able to find him.

Figure: Whoa whoa whoa! Wait! I mean no harm! It's me J.D.

Me: That voice! Gibby?

I took off the invisible mask. And sure enough it was Gibby Norton!

Gibby Norton: Boy J.D. you are looking amazing!

Me: Boy so I have been told. Gibby you are looking good.

Me and Gibby hugged!

Me: Boy it has been a while.

Allie Wilde: Long time no see Gibby!

Sakura, Allie and Brittany hugged him too.

Velma: J.D, Sakura, Allie and Brittany were a group back in our school days.

Fred Jones: Right! I remember that.

Shaggy: Like those were fun times.

Gibby Norton: They sure were.

Nico: (LAUGHS) Your voice sounds a lot like Mandark's.

Diabolico: And Ped's too.

Gibby Norton: (LAUGHS) It sure does doesn't it.

Nico: Yeah.

Gibby Norton: That is true. Boy J.D. you look awesome too.

Me: I know. I've had a massive growth spurt as well as an evolutionary change.

Nico: Yep.

Princess Rose: That's one down. Three to go.

Gibby Norton: Yep and Velma. I'm so sorry I was trying all those attempts to get your heart. Looking back I was a fool because of a crush. Gustano Grande, The Invisible Madman and the Wild West Robot town and all that. I can't believe I was so blinded by my love for you. So I say this. I'm so sorry for everything I did to you.

Me: That was a really heartfelt apology Gibby. What do you think Velma?

Velma: Apology accepted. But I'm not the only one you should apologize to.

Deker: You DID beat up the rest of Mystery Inc except for Scooby.

Gibby Norton: Actually believe it or not I was not involved in that. Because I would never hurt Velma's friends.

Eli: He's telling the truth. Since he knows J.D. and friends and Mystery Inc. He would never stoop low as to hurt the ones he calls his friends.

Deker: That does make sense.

Fred Jones: But we accept your apology Gibby.

Daphne: Yeah we sure do.

Me: I know it's gonna take a while for you guys to forgive him but he deserves a chance.

Qin: Yeah.

Gibby Norton: Thank you guys. And I will do my best.

Me: The Phoenix Quintet is back together!

Sakura Knudson: It sure is!

Lady Deathstrike: (Japanese Accent) It was one of the others then.

Gibby Norton: Yeah it's Zeke, Eve and Jack.

Eli: Wait I sense something.

Eli went over to the window and we looked too and saw a bunch of figures making invisible footprints in the snow.

Nico: Look at that!

I turned on my infrared vision and I saw that it was them.

Me: That's them.

Laney: Wow! That is amazing Invisibility plastic.

Nico: Yep.

Lady Shiva: I can't see them.

Me: Here.

I gave her Infrared vision goggles and she saw them and put tracers on them.

Shiva: Got them!

Nico: Perfect. Now we can follow them to face them.

Lady Shiva: I don't have Infrared vision like some of you do.

Nico: No worries.

Qin: Yeah.

Nico: If my hunch is correct we are going to battle them in that ghost town.

Eli: Yeah.

Plitheon: Got that right.

Jesse Glenn: How clever for multiple cast members to play the same role.

Me: Yeah but soon they will be back in prison.

Gibby Norton: I agree there.

Xenia: Yeah.

Sebastian Mendez: And I'm going to make sure they stay there.

Nico: Cool.

Captain Boomerang: (Australian Accent) Let's not lose sight of them.

Nico: Right.

We flew after them and kept watch on them with Infrared goggles and cameras and our vision.

Just like we surmised we saw them enter the ghost town.

Nico: They are heading for the Ghost Town.

Lola: Yep.

Nico: Lets get them. Entrance time.

We went at them.

The Invisible Madmen were laughing. Then the spirits of the Mystery Inc. Monsters appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard! We came out.

Me: Okay Invisible Madmen! The jig is up!

They laughed and went at us and I dodged a punch and kicked him in the face and smashed him down.

Zeke: Impossible!

Me: You can drop the act Zeke!

Octopunch: Same goes for your playmates!

Nico: That's right Eve and Jack!

Eve and Jack revealed themselves.

Eve: How did you know it was us?

Lincoln: Because I foresaw that you were causing trouble!

Me: And you want to what your music sounds like?

I put on Noise cancelling earmuffs and got out a chalkboard and turned my fingernails into sharp claws.

I then started grinding my nails on the chalkboard!

EARSHATTERING GRINDING NOISE!

Zeke, Eve and Jack screamed in agony as they were being overwhelmed by the most horrible sound in the world!

Killer Shrike: That's the least of your problems!

He fired a sonic blast and they screamed more!

Timon: Take that you bunch of mooks!

Nico: YEAH!

Eli: And you know what's more annoying than that!?

Zeke got up and wiped blood from his mouth. But then he plunged his hand into my chest and then…

RIP!

HE RIPPED OUT MY BEATING HEART! BIG MISTAKE!

Me: (SMIRKS) Boom!

Then I got out of there and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The heart exploded with immense fiery power and my heart regrew and my wound closed.

Me: Never underestimate the power of someone immortal and invincible.

Zeke was badly burned and charred from the explosion!

Nico: Bad move!

Eli: BIG TIME!

Qin: (LAUGHS) That was so funny! I loved that restaurant fight scene from Dumb & Dumber! That always cracks me up!

Nico: (LAUGHS) That was awesome!

Xenia: (LAUGHS) YEAH!

Nico: (LAUGHS) YEAH! Wait here's one!

Nico pulled out a jar full of Atomic peppers.

Nico: Eve, Jack, want an atomic pepper?

Eve: Sure.

They took one and ate them.

Eve: It's not so bad.

Jack: More tingly than hot.

Me: (In my head) Wait for it.

But then…

Eve: (SPITS) AHHH!

Jack: (BLUBBERS)

Eve and Jack: (GROANS, COUGHS, GAGS AND SCREAMS)

THEY HAD FIRE COMING OUT OF THEIR MOUTHS AND IT WAS FUNNY SEEING THEM IN AGONY!

WE LAUGHED HYSTERICALLY AT THAT ONE!

Qin: (LAUGHS HYSTERICALLY)

Camie: (LAUGHS) THAT WAS FUNNY!

Eddy: (LAUGHS) THAT WAS SO FUNNY AND AWESOME!

Sebastian Mendez: (YELLING AT THE TOP OF HIS LUNGS) NOW, STUPID HEAD! (ROARS AND SNAKES CAME OUT OF HIS MOUTH)

The color drained from all three of their bodies and they were screaming like little girls into the police car paddy wagon!

Nico and me were hugging and shaking in fright!

Me: I THINK I'M GOING TO NEED THERAPY FOR THE REST OF MY LIFE!

Nico: ME TOO!

Me: When will you, Jack, and Eve ever learn, Zeke. You guys are nothing but terrible musicians.

Lincoln: And when you kidnap a popular band so you can replace them, you're going to be in trouble with us.

Nico: Hope you learn that lesson the hard way back in jail. Awesome job, gang.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Ace Hardlight.

Ratchet: Oh great, I knew there was no mistaking that voice from anywhere. You better get out her right now, Ace Hardlight, before someone blasts you out!

A figure came out, and it was none other than Ace Hardlight.

Ratchet: You've got some nerve showing your face again, Ace Hardlight. You just don't even know when to quit!

Ace Hardlight: I'll have your head for this, Lombax!

Leona Wicherek fired a powerful wind blast which hit Ace Hardlight and sent him crashing into a tree.

Leona Wicherek: If anyone's dying here today, it's going to be you.

Suddenly, Leona Wicherek's green eyes turned neon green and she was surrounded by a green energy aura with stars, winds, aliens, phoenixes, and angels, she unholstered her Alien Skull-themed greatsword from her back, and as she approached Ace Hardlight, she left green energy, stars, winds, aliens, phoenixes, and angels with every step.

Leona Wicherek: You really really make me sick, you took great delight in putting so many innocent humans and creatures just so you can slake your thirst for killing innocent people, but what makes you truly sick and twisted is that you also get a sick kick in killing heroes. You really are nothing more than a monster who deserves a horrible and gruesome death, Ace Hardlight, as the Gene-Slammer of Alien Skull and warrior of the Aerosapien race, I hereby sentence you to death for everything that you've done!

Suddenly, Leona Wicherek was surrounded by a massive vortex of aqua blue energy with stars and winds surrounding the vortex, there are aliens, phoenixes, angels, and Alien Skull flying around the vortex, and in the vortex is am emerald green phoenix with blood red eyes glaring at Ace Hardlight: the red eyes of eternal death. Then, as the vortex faded, Leona Wicherek emerged, but she was changed forever.

Leona Wicherek grew from 7'0" to 7'9" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her long green hair, she has neon green eyes and a green energy aura with stars, winds, aliens, phoenixes, and angels surrounding her, she has the Wind Kanji in the hands of Alien Skull emblazoned on her forehead and Third Eye with green iris, she has on alien earrings with emerald gems for eyes and holding the Wind, Star, and Eternity Kanjis in its hands, she also has Alien Skull with emerald gems for eyes and holding the Wind, Star, and Eternity Kanjis in her hands on the bottom of her green alien-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with emerald green crystal links from her merged Crystal Necklace of the Buddha and emerald green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Leona Wicherek has on a sleeveless green crop top, green skirt, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, winds, aliens, phoenixes, and angels on the coattails, and on the back is Alien Skull surrounded by stars and winds. Suddenly, Leona Wicherek felt a sharp pain on her back, and then, her massive green angel wings with sky blue tips on the large green feathers grew much bigger for her new body and she now has eleven massive and long green wolf tails with sky blue tips and sky blue markings, she has on a Ring of The Phoenix with emerald green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Leona Wicherek's massive Alien Skull-themed greatsword and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, stars, winds, aliens, phoenixes, and angels, and when it emerged, it was transformed into Leona Wicherek's Aerosapien Galactic Wind Hurricane Alien Skull Greatsword of Eternal Aerosapien Galactic Wind Hurricane Alien Skull Angel Justice, it's a brand-new massive greatsword with embedded sky blue gems and Alien Skull etched on the 7'6" massive, wide, double-edged green blade, large green alien heads for the crossguard, large white angelic faces built into both sides of the hilt with large green gems embedded in the foreheads, longer midnight black handle, four large green alien heads and below the green alien heads is a large white angel head with sky blue gems for eyes and green gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold versions of Alien Skull's head with emerald green gems for eyes and large sky blue gem in it's mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a green kanji below Alien Skull that said, "Leona Wicherek, Gene-Slammer of Alien Skull, Very Powerful, Sexy, and Immortal Aerosapien from

Planet Aeros, Powerful Warrior and Tactician, Powerful Wind Master, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Lincoln's Many Enemies, Destroyer of Ace Hardlight, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Wind, Stars, Angels, Phoenixes, and Aerosapiens"

Suddenly, Leona Wicherek's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she'd transformed into her most powerful and and most incredible transformation ever!

Leona Wicherek has transformed into SUPER ANGEL-ALIEN SKULL-AEROSAPIEN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ALIEN SKULL AEROSAPIEN GODDESS COSMIC HURRICANE ALIEN SKULL AEROSAPIEN GODDESS ANGEL OF DIVINE ALIEN SKULL AEROSAPIEN GODDESS COSMIC HURRICANE ALIEN HUNTER AEROSAPIEN GODDESS ANGEL JUSTICE AND DIVINE ALIEN SKULL AEROSAPIEN GODDESS COSMIC HURRICANE ALIEN SKULL AEROSAPIEN GODDESS ANGEL LOVE!

We were really amazed by Leona Wicherek's Super Angel-Alien Skull-Aerosapien Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ace Hardlight saw it, he went mad with rage and ran at her to kill her, but Leona Wicherek fired a massive and powerful barrage of green energy, stars, winds, aliens, phoenixes, and angels at Ace Hardlight, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE ABOUT TO GET WILD!

Lincoln: You got that right, Nico. This is exactly what happens when you really get a Aerosapien mad.

Leona Wicherek: (Divine Echoing Godly Voice of The Cosmic Wind Hurricane Alien Skull Aerosapien Goddess Angel and Divine Cosmic Wind Hurricane Alien Skull Aerosapien Goddess Angel Love) Yep, you make me or anyone of my race mad, you're going to be blown away, Now, let's blow this vile monster away, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Leona Wicherek.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not laying one hand on Ratchet and Clank, Ace Hardlight. The only thing awaiting you is death by our hands.

Leona Wicherek and Lincoln went after Ace Hardlight, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ace Hardlight and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Leona Wicherek also attack them with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

Ace Hardlight tried to run at them, but Lincoln drove his massive greatsword into his stomach and he began sucking out his muscle mass and he absorbed his weapons. Then, with one massive swing, he sent Ace Hardlight flying into the air, and Lincoln and Leona Wicherek formed two green energy balls with stars, winds, aliens, phoenixes, and angels surrounding them, and to Ace Hardlight, he was about to meet his end.

Leona Wicherek and Lincoln: AEROSAPIEN WIND HURRICANE MEGABLAST!

Leona Wicherek and Lincoln fired the two green energy balls with stars, winds, aliens, phoenixes, and angels surrounding them, and they hit Ace Hardlight and exploded, the combination of the resulting explosion and the winds killed and shredded Ace Hardlight's body to shreds, and he was sent to The Black Gates forever. We cheered wildly for what Leona Wicherek and Lincoln did as they holstered their massive greatswords and powered down, and Leona Wicherek's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, and massive green angel wings are permanent.

Leona Wicherek: That'll teach you, Ace Hardlight, to never ever mess with the galaxy nor with its inhabitants. Thanks for helping me get rid of Ace Hardlight, Linky.

Lincoln: (Smiles Warmly) You're welcome, Leona.

Suddenly, Leona Wicherek wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Leona Wicherek's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Skull flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and winds blowing behind them and we cheered wildly. Then, Lincoln and Leona Wicherek absorbed the elemental forces and winds and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a fight of Aerosapien Angel VS. Remorseless Murderer, Lincoln, Leona, you two really showed him no mercy, and that combo you used on him, that was really awesome.

Lincoln: He deserved it big time, and it was after I sucked out his muscle mass and absorbed his weapons. He was a remorseless murderer who has no remorse for the lives he'd taken in cold blood.

Me: You got that right.

Nico: Yeah, he was a monster. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Infernoble Knight Ogier.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Infernoble Knight Ogier, Olivia Ogier, and you guys are going to love meeting her, Olivia Ogier is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Olivia Ogier is the descendant of Ogier the Dane.

We gasped in total shock.

Me: Ogier the Dane, one of the Twelve Peers of Charlemagne and member of Charlemagne's court.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Olivia Ogier hates Lola with a very blazing passion. One day, Olivia Ogier and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lola, and she'd brought with her an army of musclebound thugs she hired. Olivia Ogier and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that rampaging rage-crazy monster into a blood-crazed fury, but before she could get after us, Lincoln and

Olivia Ogier fired chains of fire which bound that alpha bitch and tied her up.

Nico: Did he call his family and the rest of his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Lola tried to kill me many times in the past, but in the end, her plan failed, and not only did she get a severe beating from my sisters, but Mom and Dad also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Olivia and I casted a spell to prevent her from coming after us.

Me: Yeah, messing with the descendant of Ogier the Dane and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, that animal really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble with her own family, yeesh.

Lincoln: Lola seriously didn't even know when to quit, and to make it worse, her plan earned them the vengeance of my nice sisters infinite-fold.

2003 Don: This actually reminded me of the Foot Tech Ninjas.

Titanium Toenail: Really?

2003 Leo: They had the ability to turn invisible as well.

Red X: Did they beat you up badly?

2003 Raph: A little bit.

Qin: Wow!

Taskmaster: We did good either way today.

Kite Man: This calls for a celebration.

Top: What do we have for food?

2003 Mikey: I'll get the pizzas!

Shaggy: Like oh boy!

Qin: Wow!

Velma: (To the viewers) This was truly a great mystery for all of us.

Nico: It sure was.

We went back home and enjoyed the rest of the day by going to Lynn's Table and ate lots of pizza. Then we went back home and enjoyed the rest of the day and went to sleep.

Nico: Yep. Boy yesterday was a goofy mystery.

Me: No kidding there.

Nico: Did it really remind the 2003 Turtles of the Foot Tech Ninjas

Me: That's what they said.

Qin: That was cool.

Laney: It sure was.

Me: And the best part is that Gibby is back with us.

Sakura Knudson: It sure is awesome!

May: I really am glad he got over his obsession with Velma.

Me: Yeah me too.

Nico: Yeah.

Maria: According to Velma, this isn't the only mystery featuring Gibby.

Nico: Nope. He appeared in 4 of them. I think.

* * *

Me: That is awesome.

Nico: Everything seems peaceful so far.

Lincoln: Okay, guys, I wound up getting some bad news from Dad. It appears that Edward's four older brothers, Cheesly, Alpine, Fancy Pants, and Phillip have escaped from Lynn's Table.

We gasped.

Me: Those four douchebags have escaped?!

Nico: Not those freaks again! Those beavertailed duckbilled buttfaces!

We then took a look at the footage that Lincoln pulled up, and we saw it: Edward's four older brothers have escaped from Lynn's Table, and we soon saw that Schnozmo was the one who did it. We were so pissed off now.

Eli: Why, that big-nosed good-for-nothing con artist!

Nico: We warned Schnozmo yesterday that he was on thin ice, and that if he ever did this again, he was fired and he was going straight to Abracatraz Prison.

Rita: I better warn Lynn about this along with Timmy, Cosmo, Wanda, Poof, and Sparky.

Lincoln: I already did so, Mom, and while they're busy going to capture Schnozmo, we'll handle those four Platypus jerks, and this is going to be so awesome, not only are we going to pulverize those dumb jerks once again, but I sensed it. Zipp, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, Sunny, Izzy, and Pipp, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Zipp Storm: You know, you're right, Linky. I felt it for myself, and now, it's about to come out.

Me: This is going to be so awesome!

Lincoln: But, I also sensed Sheila is also going to transform. Now, let's go find Cheesly, Alpine, Fancy Pants, and Phillip and pulverize them. (Senses for Cheesly, Alpine, Fancy Pants, and Phillip) AHA! Gotcha! They're just up ahead to the north of our location and they're heading right for us. But heads up, gang, Pablo and Anderson have sent more musclebound thugs at us again!

Anna Anyanova: (GROWLS) I'M GONNA BEAT THOSE TWO STUPID BUTTFACES INTO A BLOODY PULP WHEN WE GET

BACK!

Lincoln: Easy, Anna. I got this.

Lincoln concentrated on Pablo and Anderson's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy then flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were left as desiccated corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Cheesly, Alpine, Fancy Pants, and Phillip.

We went at them.

And went to find them and then…

?: YOU JERKS ARE GOING TO PAY FOR HUMILIATING US!

Suddenly, we saw Cheesly, Alpine, Fancy Pants, and Phillip heading right for us with clubs in their hands and they were really crazy. They were about to attack us, but Lincoln made a powerful shield made of diamond to protect us all while Cheesly, Alpine, Fancy Pants, and Phillip were still beating at the shield with their clubs, but eventually, their clubs broke and that made them go completely ballistic and started pounding on the shield with their fists, but they broke both of their hands! WHAT A PACK OF IDIOTS!

Then, Lincoln fired four diamond balls at Cheesly, Alpine, Fancy Pants, and Phillip and it hit them hard in the face as gold, jewels, gems, and currencies exploded out of them and they sent them crashing onto the ground as they were pushed back. Lincoln deactivated the shield as Cheesly, Alpine, Fancy Pants, and Phillip got back up and they were still out to pulverize us.

Me: Should've known you four jackasses would also break out!

Cheesly: YOU SHUT YOUR MOUTHS! YOU'VE RUINED US!

Lincoln: YOU DID THAT TO YOURSELVES, YOU MORONS!

Lincoln punched Cheesly hard in the face, and sent him flying into the others and they crashed into a wall. Just then, Lynn Sr. and Timmy Turner arrived with Schnozmo beaten and mangled up and all tied up in a rainbow energy straitjacket and Neutronium Chains liked with rainbow energy.

Lynn Sr.: We already captured Schnozmo, and we arrived just in time to see those four get pummeled once more.

Timmy Turner: We'll save firing him after we take care of Cheesly, Alpine, Fancy Pants, and Phillip.

Sheila: You guys are under arrest!

Me: And another thing, Edward is a much better platypus then you mutant beavers ever could be!

Fancy Pants: We're platypuses you fucker!

Nico: You guys are bad brothers!

Eli: YEAH! You give all brothers EVERYWHERE a bad name!

Nico: YEAH!

Lola: You make me sick!

Lola fired waves of fire and burned them.

Alpine: (laughs evilly) Wait until you find out what Lumpis has planned!

Nico: Whatever it is, we'll just foil him again!

Lincoln: I've had enough of that moose!

Me: Me too!

POW!

I punched Alpine in his face.

Eddy fired his blaster and blasted Alpine and Fancy Pants.

Leni and Ed bashed and pulverized Cheesly and Phillip.

Xenia: And this!

She fired arrows and skewered their legs!

Nico gave Cheesly a wet willie.

SPLAT!

Cheesly: EW! GROSS!

Lola: YEAH!

Lana: AWESOME!

I gave Alpine a nasty noogie!

Eli kicked Fancy Pants in the balls and Sheila legswept and kicked Phillip into a trash can!

Zipp Storm: Right, and I've had enough of those brain-dead jerks!

Suddenly, something within Zipp Storm's mind really snapped as memories of Cheesly, Alpine, Fancy Pants, and Phillip's crimes rushed through her head and her turquoise eyes turned neon turquoise and she was surrounded by a raspberry, rose, and cyan energy aura with Equestrian Magic, Alicorns, stars, and lightning bolts, she unholstered her massive Zipp Storm's Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice from her back, and as she approached Cheesly, Alpine, Fancy Pants, and Phillip, she left raspberry, rose, and cyan energy, Equestrian Magic, Alicorns, stars, and lightning bolts with every step.

Zipp Storm: You four jerks absolutely make me sick, it's bad enough you jerks enjoyed tormenting and torturing your little brother, but you also enjoy making the lives of everyone around you a living nightmare with your stupid antics, and that's something I can't stand! (SUDDENLY GETTING EXTREMELY PISSED OFF) But, it's quite obvious that you refuse to change and still want to remain the jerks that you are, and Schnozmo had some goddamn nerve to break you jerks free, in the same way he freed Mandy and Icky Vicky, just so he could also get revenge on us too for ruining his con-artist scams… , THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU FOR THE FINAL TIME, CHEESLY, ALPINE, FANCY PANTS, AND PHILLIP! AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP, I REFUSE TO LET YOU RUN FREE A SINGLE SECOND FURTHER, YOU FOUR ARE ABOUT TO GET THE BEATING OF YOUR MISERABLE LIVES!

We gasped at the sheer extent of Zipp Storm's fury: Edward's four older brothers were literally done for!

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! YOU'RE DEAD FOR SURE, PRICKS!

Lincoln: The last time Zipp Storm's fury was unleashed, it was when we dealt with The Imperium Horde, now her rage is about to be unleashed once again, and this time on Edward's four older brothers! STAND YOUR GROUND, EVERYONE, SHE'S GOING TO BLOW!

We stood our ground as Zipp Storm screamed like a madwoman and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive and incredibly powerful explosion and she was surrounded by a massive vortex of raspberry, rose, and cyan energy with Equestrian Magic, stars, and lightning bolts surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an violet phoenix with red eyes glaring at Cheesly, Alpine, Fancy Pants, and Phillip: the red eyes of death.

Sheila: That's a definite, those jerks have no respect for their younger sibling at all, so it's up to the responsible and respectable siblings to knock some sense into their skulls. And don't think you're getting out of this, Schnozmo, after we get done dealing with those jerks, you're in massive trouble, and I even called your Mama!

Wanda: You called Mama Cosma?! Oh boy, she really didn't like Schnozmo and his con artist ways, he caused so much trouble, and as a result, she kicked him out of the house. When she finds out about this, sparks are going to fly!

Lincoln: He's going to get told off in a big way!

Rita: And wait 'til my husband also gets through with you, you big-nosed con-artist dirtbag!

Lincoln went at The Platypus Brothers, and he then literally laid down a really really nasty beatdown on them, and it was horrific. LINCOLN SMASHED THEIR BEAKS IN, SMASHED THEIR TEETH OUT OF THEIR MOUTHS WITH SUPER HARD PUNCHES, HE BROKE EVERY LAST BONE IN THEIR BODIES, HE TIED THEIR TAILS TOGETHER, AND GAVE THEM EACH TWO BLACK EYES!

Me: WHOA!

Nico: YOU DESERVE IT, YOU MORONS!

Nico grabbed Alpine and slammed him into the ground.

Qin then grabbed Fancy Pants and smashed him all over the place and right into a fire hydrant!

Then, Lincoln fired a massive barrage of extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Platypus Brothers and they exploded with incredible power as they hit them.

And thanks to the curse still on them, massive tons of gold coins, gems, jewels, and other currencies exploded out of her in massive quantities and even more came out of her thanks to the thrashings we gave them, and then, Lincoln grabbed The Platypus Brothers by the collars of their shirts, wound his right arm back, and he then clenched his fist tight as his abnormally massive muscles bulged, and then… !

POW!

Lincoln punched The Platypus Brothers hard in the face and sent them flying and they crashed into a wall, and they were knocked out for good. Then, he tied them up in four superpowerful rainbow energy straitjacket and he tied them back up to their posts with

Neutronium rainbow energy-lined chains. We all cheered wildly for what Zipp Storm and Lincoln and Sheila Castille and Eric Loud did to The Platypus Brothers as they holstered their massive greatswords and powered down, and Zipp Storm's new body, clothes, weapons, jewelry, Third Eye, longer hot pink tail with cyan blue streaks, massive white and multicolored angel wings and white horn are permanent, and Sheila's new body, clothes, weapons, jewelry, Third Eye, and massive green angel wings are permanent.

Suddenly, Zipp Storm felt wobbly and almost fainted, but Lincoln caught her in his abnormally massive and powerful muscular arms.

Lincoln: Are you okay, Zipp?

Zipp Storm: I'm a little dizzy, but I'm okay.

Me: Now, you know how we felt when we went through that, but that was so awesome! You and Lincoln along with Sheila and Eric did awesome in laying that beatdown on those four jerks.

Nico: No kidding, and Lincoln, you really laid quite the nasty beatdown on them!

Zipp Storm: They're nothing but bad siblings to Edward, and I'm not surprised he disowned them, the same went with their parents.

Me: Yeah, and Lincoln would never show those who hurt his family and friends any mercy.

Suddenly, Zipp Storm wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Zipp Storm's face, they kissed passionately as she moved her arms and she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Zipp Storm absorbed the elemental forces and they came back to us as the display vanished.

That was an awesome display!

Me: Boy that was so awesome!

Xenia: Yeah!

Nico: Edward already disowned them a long time ago.

Me: I know. I was just telling them all that to get under their skins.

And with Schnozmo, he was really furious.

Schnozmo: Curses! Curses! Curses! You all have triumphed once more, and my revenge has been foiled! Can this get any worse!?

Suddenly, we gathered around Schnozmo, and we had sinister smirks on our faces, and many of us cracked our knuckles: NOW, IT WAS ABOUT TO GET WORSE!

Schnozmo: (GULPS)

Then, we pounced on Schnozmo, and WE PROCEEDED TO GIVE HIM A VERY NASTY BEATDOWN THAT WAS REALLY HORRIFIC! LYNN SR. AND LINCOLN BROKE HIS ARMS AND LEGS, PUNCHED HIM HARD IN HIS BIG NOSE, AND GAVE HIM TWO BLACK EYES!

When we got off him, Schnozmo was now even more mangled up. Then, Mama Cosma appeared, and she had her arms crossed and she was glaring at Schnozmo.

Schnozmo: AAH! (Nervously) Uh… , hi, Mama.

Mama Cosma: Schnozmo Cosma, of all the irresponsible things you've ever done, this is the lowest you've ever sunken into. Jorgen and Mr. Lynn told me of what you did in freeing Mandy, Icky Vicky, and The Platypus Brothers, so that you could still get revenge on Team Loud Phoenix Storm. This is why I kicked you out of the house, you have and always will be a con artist who never takes any sort of responsibility for anything. I would've thought that your eternal banishment from Fairy World and working for the rest of your life as a busboy at Lynn's Table would teach you some basic manners and discipline, but it looks like I was wrong, you went behind Lynn Sr.'s back and decided to free Mandy, Icky Vicky, and The Platypus Brothers to cause havoc once more.

Timmy Turner: You've gone and crossed too many lines. We thought of sending you to Abracatraz to serve a sentence of fifty years, but I think I've got a worse punishment for you. Schnozmo Cosma, as punishment for what you did in freeing Mandy, Icky Vicky, and The Platypus Brothers, so that you could still get revenge on Team Loud Phoenix Storm, I hereby sentence you to eternity as humiliation fodder at Lynn's Table!

Schnozmo: WHAT?!

Lynn Sr.: And by the way, you're fired!

Schnozmo: Mama, you can't let them do this to me! I'm your son!

Mama Cosma: And I've been meaning to also say this. I'm also disowning you forever and I'm cutting all ties with you, Schnozmo. I don't want to know anything of you ever.

Timmy Turner tied Schnozmo up to his new post in Neutronium Chains lined with rainbow energy, and now, he's been condemned to be humiliation fodder at Lynn's Table for eternity, and to also add more salt to his wounds, Mama Cosma disowned him and cut all ties with Schnozmo for good.

Me: That was well deserved!

Mama Cosma: Oh thank you J.D.

Me: You're welcome.

Nico: There are no more Dog Gene Slammers. So, onto business.

Me: I know but they were all so cute.

Qin: They sure were.

Eli: We have a lot of Anothers. Most of them are monsters from the world of Dungeons & Dragons. We have Another Black Rock Triskelion, Holocaust Disciple, Cyclonic Ravager, Waterveiled Assassin, Hellfire Wyrm, Bloodfire Ooze, Fiendwurm, Megapede, Nightmare Beast, Wyste, Hysteria (Aurelia), Wolfman and Count Vertigo.

We gasped!

Shanan: Aurelian Hysteria in the M.O.E.!? That is amazing!

Xenia: WOW!

Me: And I know all those monsters! Shiv and Teresa showed them to me as I was playing.

Nico: That is amazing!

May: Who do we call for that?

Me: Boy most of those DON'T HAVE ARCHENEMIES yet.

Nico: Yeah.

Me: Let me do some thinking on that.

I got to thinking.

Me: I got it! I summon TETHYS, GODDESS OF LIGHT, ATHENA, VICTORIA, ICE QUEEN, CRYSTAL SEER, BLAST MAGICIAN, GUARDIAN DREADSCYTHE, GUARDIAN KAY'EST, MIRROR FORCE DRAGON, DOOM VIRUS DRAGON AND BLUE-EYES TYRANT DRAGON!

I summoned said monster!

Nico: WHOA! Awesome choices!

Tethys: This is gonna be fun.

Ice Queen: I'm looking forward to this one.

Victoria: Me too.

Eli: And I sense that the Anothers minus Count Vertigo are all one person too.

Qin: Cool!

Nico: There they are!

We saw 12 figures coming and they were Another Black Rock Triskelion, Holocaust Disciple, Cyclonic Ravager, Waterveiled Assassin, Hellfire Wyrm, Bloodfire Ooze, Fiendwurm, Megapede, Nightmare Beast, Wyste, Hysteria (Aurelia) and Wolfman.

Nico: WHOA!

Qin: This is gonna get nasty!

Lola: Yep!

Another Black Rock Triskelion: (In a girls voice) It sure is going to be fun though.

Me: That voice!

She reverted back and was a girl with aqua blue hair and had blue eyes and blue and purple clothes and had blue angel wings and had a blue eel tail surging with intense electricity and lightning coming out of her butt and she had the symbol of the Marincess monsters in the middle of her forehead and on her skirt and she had a sword of lightning in her hands.

Me: (GASP) Elsa Marincess!

Elsa Marincess: Awesome to see you again J.D.

Me: Same to you. Elsa is the gene-slammer of the Marincess Monsters and is a powerful master of the water and she can breathe underwater, talk to fish and even live and fight underwater.

Camie: COOL!

Qin: That is amazing!

Elsa Marincess: It sure is.

Me: Yeah.

Qin: That is awesome.

Girl Jordan: I agree.

Me: By the way is the Another Count Vertigo friendly or hostile?

Elsa Marincess: Friendly but this one has a lot of problems. She has REALLY BAD Vertigo. Literally.

Varie: Oh boy.

Camie: Sorry we have to fight like this.

Victoria: Yeah it's our job.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Victoria: Lets get them!

They fired waves of energy and elements and blasted the monsters and I caught the Wonder Ride Books.

Nico: AWESOME!

Maria: Time for backup! (TURNS DIAL) CLUE FORCE 6!

She summoned Cluemaster, Bradford Buzzard, Anvil, Xu·Goma·Gu, Anvil (RID) and Babyman Gang!

Nico: YEAH!

Qin: This is gonna be awesome.

Lola: Yep.

Nico: Now, we wait.

Me: We don't have to wait long!

We saw a figure wobbling and dizzy coming towards us and it was ANOTHER COUNT VERTIGO!

Me: Whoa!

Nico: This one looks like it has a concussion.

Me: Are you okay?

Another Count Vertigo: (In a girls voice) I would be better if my condition was cured!

Me: That voice!

She reverted back and was a girl with blond hair and blue eyes and had brown clothes and she was wobbling big time.

Me: (GASP) Courtney Virithria!

She was really wobbling and I ran fast with Rainbow Dash's speed and I caught her.

Me: I got you. Lets sit you down.

I got out a chair and we sat her down.

Nico: Boy she is really dizzy.

Me: Yeah she can't help it. She has really bad vertigo and is constantly dizzy all the time. Doctors tried everything they could do for her but this is the worst vertigo case they ever have seen.

Count Vertigo: Boy no kidding.

Courtney: Poor girl.

Qin: I think it's obvious that she wanted her condition cured.

Kaito: (gets out Hurricanger gear) Is that true?

Zocks: (Gets out Gaoranger gear) Correct us if we're wrong.

Kaito got a Ninja Storm sword and Zocks got a Wild Force Sword.

Courtney Virithria: Yes it's true. I don't know what is causing my Vertigo but it has something to do with my ear itching.

Me: Let me see.

I looked at her ear and I SAW SOMETHING MOVING IN IT!

Me: WHAT THE FUCK!?

Nico: What the fuck is that!?

Me: Hold still. This will hurt a bit.

I took a pair a tweezers and grabbed it and they I pulled it out and it was a Jade Beetle!

Me: Got it!

Nico: WHAT THE FUCK IS THAT!?

Lisa Loud: That appears to be a Dendroctonus ponderosae.

Me: The mountain pine beetle? How the fuck did this get into your ear!?

Courtney Virithria: That was inside my ear!? This whole time!?

Me: That is freaky! I saw something like this on a documentary at one time. I think this beetle here was causing your Vertigo.

Courtney Virithria: That explains why I was so itchy there all the time and why I was getting Vertigo.

Xenia: How freaky! Not even Swartz could see that!

Sougo: (gets out Ninja Storm Ridewatch) Do I even want to know how that got in there?!

Geiz: (gets out Wild Force Ridewatch) Sougo, some things are better left unsolved.

Courtney Virithria: It must've happened when I was out on a hike at one time.

Nico: Weird!

Lincoln: Lets separate you and then fight your Another. You're in no condition to fight us with your ear injured.

Courtney Virithria: Good idea.

Lincoln fired a wave of light and separated her from the Another.

Me: Lets get him!

Nico: (gets out Count Vertigo's Ridewatch) Time to cause vertigo ourselves!

Nico activated it and used an eye glare and made Another Count Vertigo EXTREMELY DIZZY! He threw up!

Nico: Yuck!

Nico activated Wolfman's Ridewatch and turned into NICO THE NOCTURNAL!

Nico: (HOWLS)

Nico slashed Another Count Vertigo all over!

May: (Gets out Julie Hinikawa's Ridewatch) Let's rock!

She activated it and got an axe and rocked hard and Another Count Vertigo screamed in agony as his vertigo monocle shattered and then giddy fan girls jumped May squealing!

Me: Okay ladies she needs to finish our battle.

Girl: Oh sorry J.D. Sorry Nico we love good songs from rock.

Nico: No worries girls.

May got up.

May: (Gets out Phantoon's Ridewatch) Now for this!

She activated it and fired blue eye fireballs and smashed her down.

Nicole: Awesome job May!

Maria: (gets out Ghost of Chef Pierre Goulash's Ridewatch) Time to cook!

Maria activated it.

Maria: (French Accent) SACRE BOO!

Count Vertigo: (HONK HONK HONK HONK)

He screamed in fright and Maria got out a cleaver and slashed him all over!

Maria: I WILL COOK YOU FOR DESSERT!

Me: YUCK! We are NOT cannibals! (To the viewers) Although eating Lumpus again would be an awesome idea.

Maria: (Gets out Komodo Dragons Ridewatch) Dragon up!

Maria activated it and fired energy blasts and smashed him down.

Froze: Time for some wolf power! (ACTIVATES WOLFMAN'S RIDEWATCH)

She fired waves of energy and blasted him down.

Then Top, Lord Stratosfear, Spinner, Nefarious, Piedmon and Y2K Bug came.

Nico: Nice team Top!

Top: Thank you Nico.

Camie: Wait Y2K Bug? That was a figure of speech from the Year 2000.

Me: Yep one of the biggest celebrations ever back then.

Xenia: Yep.

?: Let me face him guys.

A Glastrier came!

Me: Cool! A Glastrier!

Nico: Awesome!

Glastrier: (In a girls voice) I think this is awesome too.

Nico: Lara Virerella! Wow!

She reverted back and it was a girl with blue hair and blue eyes and had a brown cowboy hat and had blue clothes and blue angel wings.

Lara Virerella: Awesome to see y'all again Nico. I got this.

She fired waves of ice and smashed down Another Count Vertigo and he exploded and I caught the Ridewatch and purified it.

Me: Oh yeah!

Lara Virerella: YEEHAW! That was great!

Froze: Yeah it was! What's your favorite memory of Nico?

Lara Virerella: When me and Nico were on my family's ranch and we stopped a bunch of cow rustlers.

Me: Cool!

Qin: That was awesome.

Lola: Yeah!

Nico: It sure was. They were trying to take them to a slaughterhouse.

Xenia: WHOA!

Me: Oh boy.

Nico: Yep.

Nico and Lara hugged.

Nico: I've missed you.

Lara Virerella: Same to y'all Nico.

We went back home.

Me: Whoa, where are we? This place sure is really hot and fiery!

Lincoln: (GASPS) Oh man, I know where we are, we're on Selina Almenara's home planet, Pyros, and I know what we're going to do here, not only am I going to rescue the three girls here, but I'm also going to meet Selina Almenara's parents and destroy Azar from Genshin Impact.

Selina Almenara: This is going to be so awesome, you're going to meet my parents, Linky. But, you should watch out, my older brother, Marcus, and my younger sister, Melanie, will try to start trouble with you and they've been threatening to break us up and/or kill you.

Sebastian Mendez: If your siblings so much as lay one hand on Lincoln, I will kill them!

We gasped!

Me: Selina, are they really like that?

Selina Almenara: Yeah, Marcus and Melanie are literally huge troublemakers and bringers of chaos, all they want is chaos and destruction.

Nico: Well, in that case, if they so much as threaten to break you two up and/or try to kill Lincoln, then, we'll leave them to Sebastian's wrath.

Megan: Please, tell me you're kidding, Nico.

Lincoln: Megan's right, please just say you're kidding about that one!

Darren Arcangela: Have you forgotten about Dark Sebastian who was lurking inside him before Nyx intervened and got rid of that goddamn demon? The very demon that made him into the violent and dangerous person that he was?

Nico: I haven't forgotten, and since Lincoln's going to be meeting the parents of his Alien Guardian Angels, it may require the violent and dark hand of Sebastian to keep their troublemaking siblings in their place.

Selina Almenara: Yeah. Come on, let's head for the castle.

We arrived at the royal palace of Selina Almenara's parents, and we headed for the throne room, and we were greeted by Selina Almenara's parents: her dad, Cyrus Almenara, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, crimson red hair, crimson red sclera, crimson red eyes, massive crimson red angel wings, and he has on black shorts with red flames, red loincloth around the waist with gold belt and red gem for the buckle, and he has a massive greatsword holstered on his back, and her mother, Solana Almenara, a 7'9" beautiful woman with the body of a goddess, crimson red hair, crimson red sclera, crimson red eyes, massive crimson red angel wings, and she has on a red crop top and red shorts.

Selina Almenara: Mom, Dad.

Cyrus Almenara: Selina, it's so good to see you here. And you've also brought Team Loud Phoenix Storm with you along with your future husband, Lincoln, right?

Lincoln: Yes, that's correct, Mr. Almenara.

Solana Almenara: You're indeed everything my daughter says you are, Lincoln, and we can already guess she marked you when you both met again.

Me: Yes, that's right.

Nico: And Selina told us about your other children, her older brother, Marcus, and her younger sister, Melanie, who are going to try to start trouble with him and they've been threatening to break them up and/or kill Lincoln.

Solana Almenara: Yes, that's correct. Selina's also right about calling them bringers of chaos. For so many years, those two have started trouble and caused so much havoc on Pyros, it's not funny, and threatening to ruin the relationship of Lincoln and Selina and even threatening Lincoln's life, that is truly unforgivable.

Cyrus Almenara: Indeed.

Suddenly, the doors burst open, and we saw the two people who Selina talked about: her older brother, Marcus Almenara, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, crimson red hair, crimson red sclera, crimson red eyes, massive crimson red angel wings, and he has on black shorts with red flames, red loincloth around the waist with gold belt and red gem for the buckle, and he has a massive greatsword holstered on his back, and her younger sister, Melanie Almenara, a 7'9" girl with the body of a goddess, crimson red hair, crimson red sclera, crimson red eyes, massive crimson red angel wings, and she has on a red crop top and red shorts.

Melanie Almenara: You goddamn stupid white-haired freak, so you're still together with our idiot sister?!

Marcus Almenara: We'll kill you, and we'll make that stupid bitch learn her place like the dog that she is!

Melanie and Marcus Almenara marched towards Lincoln with murderous intent to kill him, but then, Sebastian slashed at them with his right hand's nails that he turned into claws!

Melanie Almenara: WHAT THE?!

Then, Sebastian fired black energy blasts at them and sent them crashing into a wall!

Marcus Almenara: Dad, Mom, do something about this insect!

Solana Almenara: No. We've had it up to hear with you two little parasites.

Cyrus Almenara: Your mother, Selina, and I have had it up to hear with you two for the last time. For years, you two have caused a ton of trouble with you two running wild and causing havoc. Lincoln is a wonderful young man and we're proud of Selina getting together with him, and over our dead bodies will we ever let you two get any closer to hurt him!

Marcus and Melanie were really panicking now: their parents have seriously got them on the ropes now!

Melanie Almenara: W-what are you and Mom talking about, Dad? If that white-haired freak marries that bitch, Selina, he'll be part of our family, and we don't want it!

Solana Almenara: We've already seen just what kind of man Lincoln is: he's smart, extremely strong, brave, courageous, manly, and not afraid to stand up for everyone around him. He's already proven himself many times to Selina, and she's always protected him from danger. We already approved of Lincoln even before they came here to Pyros while you two have been running wild without a care in the world and are still causing mayhem and chaos on Pyros. The hell you mean Bringer of Chaos, the only two people worthy of that dirty shameful title are you and Marcus, Melanie.

Solana Almenara: N-no way!

Cyrus Almenara: We held you both in the same high regard as Selina as part of our family, but what with the chaos and mayhem you've caused on Pyros, and the constant planning of trying to break Selina and Lincoln up and/or kill Lincoln so Selina could suffer from heartbreak of losing the man she loves, you two will never be forgiven! You hear me?

Melanie and Marcus were in shock!

Solana Almenara: And we've also decided on this: you two will forever be disowned and we're cutting ties with you both forever!

Selina Almenara: Same with me. You two bringers of chaos have caused me enough trouble to last an eternity. Lincoln, would you be so kind?

Lincoln: Gladly.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and then, we saw the sclera of his eyes turn crimson red, his deep sapphire eyes turn deep red, and the rainbow iris of his Third Eye turn crimson red, and he also has red flame tattoos on his massive muscular forearms: Lincoln's turned into his own Pyrosapien form.

Nico: WHOA!

Cyrus Almenara: This was due to him marking her, and he now has his own Pyrosapien form, that's quite impressive.

Marcus Almenara: YOU'VE GOT TO BE FUCKING KIDDING ME! YOU'RE CHOOSING THAT FREAK OVER US!

Cyrus Almenara, Solana Almenara, and Selina Almenara: WITHOUT HESITATION!

Marcus and Melanie Almenara: NOOOO!

Lincoln then grabbed Cyrus Almenara's neck with his large left hand and he sucked out his incredibly strong cosmic fire powers, immense body heat, and massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Cyrus Almenara was now thin as a rake and he didn't have any of his fire powers anymore nor his immortality.

Then, Lincoln turned and grabbed Melanie Almenara's neck with his large left hand and he sucked out her incredibly strong cosmic fire powers, and immense body heat, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Melanie Almenara didn't have any of her fire powers anymore nor her immortality.

Selina Almenara: And not only did you two get stripped of your incredibly strong cosmic fire powers, immense body heat, and massive muscle mass, but also, you've been stripped of your immortality since you two were nothing but pure evil.

Melanie Almenara: YOU BITCH! WE'LL KILL YOU BOTH!

Suddenly, we saw a multi-colored haired girl, purple hairband, multi-colored clothes with Rainbow Dash's cutie mark on the blue skirt, rainbow choker, white bridal gloves, blue unicorn horn on her head, and blue angel wings fly in and she blasted the two moronic ex-siblings to dust, and Lincoln banished them to The Black Gates.

Lincoln and Rainbow Dash: (GASPS) Serena Amariah?!

Me: You two know her?!

Lincoln: We do.

Rainbow Dash: I knew her from Equestria, and it was right before…

Serena Amariah: Before I moved to Royal Woods. Allow me to introduce myself, my name is Serena Amariah, Gene-Slammer of Rainbow Dash, The Rainbow Alicorn and Princess of Loyalty, I'm Lincoln's Guardian Angel from Equestria. I'm a very loyal and strong athletic girl who loves playing sports and I'm a very powerful Rainbow Alicorn and very powerful master of rainbows and magic, and I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a rainbow neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, her blue horn on her head glowed with blue light and it was a sign of true love. Plus, I'm also a dear friend of Rainbow Dash from long ago and our bond has remained strong to this day, and like Rainbow Dash, I'm a loyal girl and also really really strong, and I'm one of the most loyal of Lincoln's Guardian Angels, but I also hate Lola with a blazing passion because I'd seen what kind of deceitful and disloyal person Lola is.

Nico: What did Lola do to earn your wrath?

Serena Amariah: That rampaging little monster was waiting for Lincoln in an ambush, and then, she'd come charging at him to kill him in another attempt at his life, but I charged in and kicked Lola into a nearby fence and she got knocked out because of just how strong I am. I dragged Lola back home and I told Mr. and Mrs. Loud of what Lola tried to do to Lincoln, and Lola got thrown into a titanium cage in her room for ten weeks.

We gasped.

Me: Lola's dark side made her a rampaging sociopathic homicidal little monster!

Laney: We warned her numerous times about this, but no, she refused to listen and she was acting all high and mighty. Sometimes, I wanted to see Lola get permanently knocked off her high horse and put in her place!

Lincoln: That task was always left to my Guardian Angels to put Lola in her place. And it's awesome to see you again, Serena.

Serena Amariah: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Rainbow Dash, you really have changed a lot since we last met.

Rainbow Dash: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Rainbow Dash showed Serena Amariah the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Rainbow Dash helped put her mouth back in.

Serena Amariah: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Serena Amariah in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rainbow Dash: Whoa, I knew that was coming! Now, you're part of his harem and are now his future wives. But, I'd save the kissing for later, let's get after Azar and destroy him.

Cyrus Almenara: He's been sighted 200 clicks from the palace.

Lincoln: Whoa, that was quick!

Solana Almenara: When trouble arises because of any attacking enemies or Marcus and Melanie, you always have to be ready for anything.

Suddenly, we saw a beautiful and super sexy girl with long blonde hair and red hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a white coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, knights, swords, magic, dragons, light, and angels on the coattails and on the back is Infernoble Knight Ogier, in her right hand is The Sword of Hope, and with her are the three girls.

Blonde-Haired Girl: I hope I'm not too late, but I got the girls away from Azar before he could kill them, and they were dragged there by Marcus and Melanie. Honestly, Selina, your siblings are scum.

Lincoln: You're just in time, Olivia Ogier, and I already took care of those two.

?: You shall all be destroyed!

We then saw our target, Azar, and he was out for blood.

Sylvester: Well, we already got rid of Selina's two troublemaking siblings, now we got to get rid of the heretic himself.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness

Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: If there's one thing we can't stand, it's a heretical traitor to mankind. Come on, gang, let's send this bastard to Hell!

Then, Lincoln fired crimson red fire blades from his massive greatsword and they pierced Azar and he exploded in flames and he was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Nico: This is indeed our first time coming here to Pyros, and this planet sure is amazing.

Selina Almenara: Glad you all think so.

Solana Almenara: And we're so glad you and Lincoln are together, Selina, and Lincoln's definitely going to be making sure you're never hurt by any perverts.

Lincoln: I'll smash their teeth in if they so much as do anything perverted to her.

Cyrus Almenara: (Laughs) Spoken like the true man that you are. And we also have another surprise.

Suddenly, Pyros was beamed to our solar system and is close by to The World Tree Estate.

May: Whoa!

Solana Almenara: We did have that talk with Selina, she knew that one day Lincoln would meet us, and he was going to move our planet to your solar system, so we came up with this plan, once our meeting was complete, we'd beam Pyros to your solar system, so we'd be close by.

Lincoln: Wow! That was definitely an awesome plan and something I was going to do after we met, but at least, now that's our exploration of Pyros, and Hydros, Aeros, Umbras, Lucius, and Geos to go. (To Olivia Ogier) And it's so good to see you again, Olivia Ogier.

Olivia Ogier: You too, Linky, it's been a long time.

Lincoln went up to Olivia Ogier and he hugged her, and Olivia Ogier is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Olivia Ogier: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Olivia Ogier, Gene-Slammer of Infernoble Knight Ogier, she's my Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Olivia Ogier is the descendant of Ogier the Dane.

Me: One of the Twelve Peers of Charlemagne and member of Charlemagne's court.

Melanie Artorgius: The very one. Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Olivia Ogier hates Lola with a very blazing passion. One day, Olivia Ogier and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lola, and she'd brought with her an army of musclebound thugs she hired. Olivia Ogier and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that rampaging rage-crazy monster into a blood-crazed fury, but before she could get after us, Lincoln and Olivia Ogier fired chains of fire which bound that alpha bitch and tied her up. Lincoln called his family and told them, and needless to say, everyone wanted her head on a pike! But, Lincoln wasn't surprised, Lola tried to kill Lincoln many times in the past, but in the end, her plan failed, and not only did she get a severe beating from his sisters, but the parents also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Olivia and Lincoln casted a spell to prevent her from coming after them because messing with the descendant of Ogier the Dane and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, Lola was such a rampaging little monster!

Me: And like Laney said, she refused to listen and she acted all high and mighty on her high horse.

Luna: It was a major headache to all of us, dude.

Luan: Someone needed to teach Lola a lesson, but no one would because you know what happens when Lola gets mad!

Lana: We all said the same thing, and we gave that spoiled princess a warning: if she didn't get her head on straight and stop trying to hurt Lincoln, we wouldn't be coming to her aid, and we might even let his Guardian Angels who hated her so much to get after her.

Lincoln: But you do realize by letting them go after her, they'd kill her, right?

Nico: Lincoln's right about that. So many of his Guardian Angels hated Lola that much, they want to kill her and throw her dead body in a ditch.

Me: And we saw the pictures of Lola shredded and burned, it was proof of how much they hated Lola for her control freak attitude.

Lincoln: In every way possible, they hated Lori for it, and now that you're here, Olivia.

Lincoln went up to and hugged Olivia Ogier in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Olivia Ogier: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Olivia Ogier's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Olivia Ogier: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Olivia Ogier.

Olivia Ogier had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the three girls, and when Lincoln saw who they were, they immediately recognized them. The three girls are Hana Koishikawa, Meiko Hazuki, and Yuka Torikaze from Akujo no Eikan.

Lincoln: Oh wow, it's Hana Koishikawa, Meiko Hazuki, and Yuka Torikaze from Akujo no Eikan.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hana Koishikawa: Yes, we're okay, thanks to you.

Then, when Hana Koishikawa and the other two girls saw who it was that saved them from Azar and his co-conspirators, Melanie and Marcus Almenara The Bringers of Chaos, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf

Hana Koishikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hana Koishikawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hana Koishikawa, Meiko Hazuki, and Yuka Torikaze with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villain we went after was Azar from Genshin Impact, and even worse, he had help from Selina Almenara's Bringer of Chaos siblings, Melanie and Marcus

Almenara.

But, when Lincoln showed what he did in sucking out Marcus Almenara's muscle mass, incredibly strong cosmic fire powers, immense body heat, and immortality, and Melanie Almenara's incredibly strong cosmic fire powers, immense body heat, and immortality and sent them to The Black Gates, and then, we laid the beatdown on Azar and Lincoln fired crimson red fire blades that killed Azar and sent him to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Serena Amariah, and Olivia Ogier have a lot of catching up to do now that they're back in town.

Maria: Oh man, I can't believe Selina's Bringer of Chaos ex-siblings crossed a huge line so that way they could try and kill Lincoln and make Selina suffer from heartbreak.

Lincoln: Selina's parents made the right choice to cut their ties with those two and they got what they'd deserved.

Selina Almenara: Those two were never my siblings, they were so stuck up, stupid, idiotic, moronic, and selfish, they didn't want me to be happy and delighted in seeing me miserable, but what they'd tried to do in trying to make us break up and/or kill you, that really did it! Those two ugly pigs with no manners deserved to get their ties cut by Mom and Dad.

Marina Kaimana: We'll have trouble with my siblings on Hydros tomorrow.

Lincoln: I'll handle them, Marina, after your parents cut their ties with them as well.

---

After getting rid of Azar, along with The Bringers of Chaos, Melanie and Marcus Almenara, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Olivia Ogier and Serena Amariah saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Olivia Ogier: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Serena Amariah: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've

also gotten smarter as well.

Olivia Ogier: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Serena Amariah: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Olivia, we've already heard from Serena of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Olivia Ogier: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a really loud screech in the air, and we saw who it was coming after us: it was Lola, and she had a massive army of thugs with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs, then, we turned our attention to Lola, and we brutally thrashed her. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud were absolutely livid at Lola once again, and Lori, Leni, Luna, Luan, Laney, Lynn, Lucy, Lana, Lisa, and Lily pounced on Lola, and they brutally beat her butt into the ground.

Nico: Jeez.

Lincoln: Then, Lola got grounded for eighteen weeks and we threw her in a metal container.

Ellie Elsher: But, then, Lola screeched and pounded on the door's bars with a cup demanding to see a lawyer, and we proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lola off and she screeched like a monster again.

Raven Ghostrick: We were really getting sick and tired of that rampaging pageant demon always running loose and trying to kill Lincoln, but we always put her down like the monster that she is.

Me: That dark side of her was nothing more than trouble and she can never ever be forgiven.

We got a shower, and then, Lincoln, Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Arcanite Magician: Whoa, so this is Lake Lamode, it truly is beautiful.

Lincoln: It sure is, Arcanite Magician, and it's perfect for our first date. Shall we?

Lincoln,Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty and they hugged them in their abnormally massive and powerful muscular arms, and Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty are in your harem.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Arcanite Magician, Future Samurai, Fiona, Momoko Momoi, Kraken, Scylla, Tiamat, Attea, Naomi, Lass, Punk Girl, Rising Star, and Beauty, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

---

Walking to the movie theaters was all of us and I had Nico blindfolded and Varie had Aadarshini Venkatanarasimharajuvaripeta the Copperajah Gene-slammer blindfolded.

Applejack: You'll love where you're going.

Aadarshini Venkatanarasimharajuvaripeta: (Hindu Accent) I have a feeling this will be amazing.

Me: You're going to love it.

We got to the movie theater and took off their blindfolds.

Me: Tadah!

Aadarshini Venkatanarasimharajuvaripeta: We're in the theater.

Nico: Aadarshini!?

Aadarshini Venkatanarasimharajuvaripeta: Nico!?

Both: YOU'RE MY BLIND DATE!?

Nico: COOL! (In his head) J.D. you better prepare for the running of your life.

Me: We're going to see the movie Elemental.

Nico: AWESOME!

Ember: This will be awesome seeing what the movie we did was like.

Me: Yep.

We went into the theater.

Elandra Laval: We should do a mission on that one of these days

Me: Oh I have one planned for it. But it's in the development stages.

Nico: You'll think of something.

We got popcorn and snacks and went in and got to watching the movie

***SPOILER ALERT***

---

Fire elements Bernie and Cinder Lumen immigrate to Element City, where they face xenophobia from other elements and struggle to find a home. They have a daughter, Ember, and eventually establish a convenience store called the Fireplace, setting up a Blue Flame that represents their heritage and traditions and attracting many fire element patrons over time. Bernie intends to give the store to Ember when he retires, but first she must control her fiery temper. When Bernie allows Ember to run the shop on her own, she becomes overwhelmed by the customers and rushes to the basement. Her fiery outburst breaks a water pipe, flooding the basement and summoning Wade Ripple, a water element and city inspector. Wade notes the faulty plumbing and reluctantly leaves for City Hall to send the violation report to his air element employer, Gale Cumulus, who will have the Fireplace shut down. Ember pursues Wade but is too late.

Taking pity on Ember, Wade brings her to Cyclone Stadium to convince Gale to reconsider the shutdown of her father's store. When Wade mentions he was investigating recurrent floods before ending up at the Fireplace, Gale gives the duo a tight deadline to find the source. If they are able to seal the leak, then the violations will be forgiven. While searching the canals for the source of the leak, Wade surmises that Ember's temper derives from her trying to tell herself something that she is not ready to accept, but Ember denies this. They then discover a hole in a dam that allows wave runoff from ships to flood the city's plumbing, so they close the hole with sandbags. Meanwhile, Bernie deals with water leaks all over the Fireplace.

Wade and Ember spend time together in the city and learn more about each other. Later, Wade informs Ember that the sandbags did not hold, so Ember uses her glassmaking ability to create a sturdier seal for the hole in the dam. Meanwhile, Cinder suspects Ember is seeing someone and follows her. Ember visits Wade's family at a luxury apartment, where she uses her fire to fix a broken glass pitcher, impressing Brook, Wade's mother, who recommends her for a glassmaking internship. Ember also plays the crying game with Wade, in which he successfully makes her cry when he admits he has feelings for her. Gale then calls Wade and gives her approval of Ember's glass seal, thus saving the Fireplace from closure. Ember then realizes that she does not want to take over the store.

Bernie announces his intention to retire and hand the Fireplace to Ember. He tells his daughter how, when leaving his homeland, he bowed to his father but his father refused to bow back. Wade takes Ember to Garden Central Station to see Vivisteria flowers, which she was denied seeing in childhood. With the station now flooded, Gale provides Ember with an air bubble for safety while Wade pushes her underwater through the station. Afterward, Wade and Ember find out they are able to touch without harming each other and share a romantic dance, but Ember reminds herself of her duty to the Fireplace and her family's prejudice against water elements, and leaves, upsetting Wade.

As Ember is about to take over the Fireplace, Wade appears and professes his love for her, while also letting it slip that she caused the broken pipes. Ember rejects Wade, but Cinder senses genuine affection. Disappointed, Bernie decides not to retire and denies Ember the store. When the new seal on the dam breaks, the fire district floods. After saving the Blue Flame, Ember and Wade become trapped in a room in the Fireplace, causing Wade to evaporate from the enclosed heat.

When the flood recedes, a grief-stricken Ember confesses to Bernie that she does not want to run the Fireplace and expresses her love for Wade. Realizing Wade has seeped into the stone ceiling, Ember plays the crying game to get him to drip back into his normal form. Ember reciprocates Wade's affection and they kiss.

Months later, Wade and Ember, now a couple, leave Element City so Ember can study glassmaking far away and travel the world together. Before she boards the ship, Ember bows to Bernie who returns the gesture.

When the movie was done we cheered wildly.

Me: Boy that was an awesome movie!

Ember: Boy that brings back so many memories!

Wade Ripple: I agree there! That was awesome!

Me: I agree too guys and believe it or not ELEMENTS CAN MIX. It takes earth and wind to form dust devils, water and fire to make steam, water and wind to make waves on the ocean and so much more.

Xenia: Yeah.

7m agoMe: And Wade that was so funny seeing you boil like that.

Wade Ripple: (LAUGHS) That was awesome!

Xenia: (LAUGHS) Yeah!

Me: Now if you'll excuse me!

POOF!

I vanished and got a head start!

Nico: Aw man! J.D. got a head start!

Sideways: You know it's Father's Day, right?

Nico: I sure do.

Mascots: HAPPY FATHERS DAY EVERYONE!

Nico: Thank you!

Lincoln: Thanks guys.

Videl Chan: Here daddy.

She gave him a beautiful card she made. It was one that showed Nico and his kids all together.

Nico: Aww Thank you Videl.

Videl Chan: You're welcome.

Lola: Awesome!

Nico: Come on guys lets go find J.D. (SINISTER SMILE) and give him his just rewards. (SINISTER LAUGHTER)

Poromon flew after me!

Poromon: GET BACK HERE AND TAKE YOUR PUNISHMENT LIKE A MAN!

Me: YOU'LL NEVER TAKE ME ALIVE!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit me and knocked me down!

Poromon: Now for…

POOF!

But it was just a clone!

Poromon: WHAT!?

Then they saw a massive ARMY OF CLONES OF ME!

Me's: TRY AND GET US!

We scattered!

Poromon flew after me!

Poromon: GET BACK HERE AND TAKE YOUR PUNISHMENT LIKE A MAN!

Me: YOU'LL NEVER TAKE ME ALIVE!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit me and knocked me down!

Poromon: Now for…

POOF!

But it was just a clone!

Poromon: WHAT!?

Then they saw a massive ARMY OF CLONES OF ME!

Me's: TRY AND GET US!

We scattered!

Elsewhere in a secret location, the real me was watching TV in a cave and I had plenty of snacks and supplies.

Me: J.D. you are one crafty guy.

I had someone else with me on the sofa.

Girl: You sure are.

It was a girl with red hair and orange eyes, yellow shirt, green vest, blue skirt, indigo pants and purple shoes and had red angel wings and a rainbow sword and she had the symbols for the Knightmare on her skirt and in the middle of her foreh.

Me: (GASP) Kira Knightmare! Wow!

Kira Knightmare: Awesome to see you again J.D. Nico will think twice before going down to a cave here at the bottom of the Mariana trench.

Me: Yeah no kidding. The water pressure down here is incredible.

Kira Knightmare: It sure is. Want to make out?

Me: Sure.

We kissed all over.

Nico and the rest of the team were done battling the last of my clones.

Qin: DRAT! J.D. hid himself too good!

Nico: No kidding!

Eli: He really pulled a super fast one on us!

Nico: Where could he have gone!? He couldn't have possibly vanished off the face of the Earth!

?: He's on the bottom of the Mariana Trench!

Nico: Huh?

They saw a Zarude!

Nico: Cool a Zarude!

Zarude: (In a girls voice) I know where to find him too.

Nico: Rina Xavier! Wow!

She reverted back and it was a girl with green hair and green eyes and had a black dress on.

Rina Xavier: Awesome to see you Nico. Follow me guys.

They followed her.

Poromon flew onto her head.

Rina Xavier: Awesome to see you Poromon.

Poromon: You too Rina.

Rina Xavier lead them to a portal machine and it was in an alley.

Rina Xavier: I saw this here.

Nico: A portal machine. Very clever.

They turned it on and saw a me and Kira Knightmare making out while watching Nutty Professor.

Nico: Aww so cute.

Eli: Aww bro.

Nico: Shh.

They went through the portal and snuck through the cave and hid behind the sofa.

Then Nico and Eli popped out.

Nico: SURPRISE!

Gears: There you are!

Me: UH OH!

Kira Knightmare: WHAT THE!?

Nico and Eli tickled me!

Nico: COOCHY COOCHY COO!

Me: (LAUGHS HYSTERICALLY!) HAHAHAHAHAHAHAHAHAHAHA!

Nico: SAY IT!

Me: (LAUGHS HYSTERICALLY) HAHAHAHAHAHAHAHAHAHAHAHAHA!

Nico: SAY IT!

Me: (LAUGHS HYSTERICALLY) HAHAHAHAHAHAHAHAAHAHA! OKAY OKAY! UNCLE UNCLE!

We went back home.

---

We arrived back home.

Bugly: Okay. The Platypus Brothers were probably trying to mess with our heads earlier.

Killowatt: They probably were. I ended up shocking Lumpus badly while you guys were gone.

Nico: I remember that.

Me: Hmm. I'm not so sure.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than our old enemy, the fraudulent deranged moose, Lumpus, he's broken out of prison and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I just had a vision and saw who it was that we're going to confront today: the figure I saw in the vision was none other than our old enemy, the fraudulent deranged moose, Lumpus, he's broken out of prison again and he still wants revenge on us.

We gasped. Then, Lincoln checked the computer and looked at some footage from The Saturn Insane Asylum, and we saw it for ourselves: Lumpus has indeed broken out of prison again.

Me: That stupid ugly moose! He's such a glutton for punishment!

Nico: No kidding, we're already losing track of how many times that dumb moose has broken out of prison to come after us for revenge. But, in any case, if that moron wants another asskicking, we're more than happy to give it to him!

Lincoln: After we capture him again, we're going to need to increase and buff up security in his cell, so he never tries that dumb stunt again.

Me: We sure will!

Nico: That moose is getting put on ice this time!

Lincoln: Oh god I hate knowing everything!

The previous group came.

Taskmaster: Can me, Heatwave, Stinky Butt, Touch and Go, Po Kong, Melter, Titanium Toenail, Red X, Kite Man, and Top go with you guys?

Mr. Touch: (to Nico) How was your date?

Nico: It was really fun!

Me: We went and saw the movie Elemental.

Heatwave: That's a great movie!

Qin: It sure was!

Nico: Yep and to answer your question yes you can come with.

Me: Lumpus is at it again.

Heatwave: What is up with that moose! He is always causing problems!

Nico: No kidding!

Me: We should just give him the black gates and end him forever.

Xenia: Yeah.

Nico: As much as we want to we can't. So we'll send him to the Neptune Cryo Prison. I got something special for him.

Qin: Okay.

Thunder: Nico, which Gene Slammers do you think you'll meet next?

Nico: Spectrier, Calyrex and Wyrdeer next.

Me: Cool!

Bambi: The Wyrdeer would be cool to meet in my area.

Lola: It sure would.

Xenia: Yeah.

Computer: Alert. Temporal Anomaly in progress.

Me: Uh oh.

Then a flash of light came and Professor Paradox came.

Professor Paradox: Hello everyone.

Me: Professor Paradox. Awesome to see you again.

Professor Paradox: I take it you heard about Lumpus escaping right?

Me: We sure did. Do you know where he is?

Professor Paradox: I sure do. But it's not Where. It's When.

We gasped.

Me: Oh god! He used time travel!?

Loki: What time peroid is he at right now?!

Professor Paradox: He is in October 1st, 2005.

Me: That's almost 18 years ago!

Lazlo: That date is very familiar. (GASP) He's going to kill those meat clones of me, Raj and Clam when Meatman was going on a Rampage.

Me: (LAUGHS) He sure is a stupid one.

Nico: Yep. But either way we got a deranged moose to stop and bring down before the time stream is damaged.

Professor Paradox: Indeed.

Nico: What are we waiting for guys!?

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Ivan Von Shellshockstonberg, better known as Shellshock, the villain from the video game Ratchet: Deadlocked, and he's come back for revenge on Ratchet and Clank. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ratchet, Clank, you're not going to like it: the figure we sensed was none other than Ivan Von Shellshockstonberg, better known as Shellshock, and he's come back for revenge on you two.

Ratchet: Now, Shellshock is back, I thought we'd never have to see him again!

Clank: But, there was no doubt he'd come back for revenge on us.

Adreana Metrodora: Well, there's no way I'm going to let him get away with this, I'm going to send his miserable body into the depths of darkness for all eternity!

Ratchet: Yikes, why do I have the feeling things are about to get dark?

Nico: Uh oh, when you get an Umbrasapien that mad, you better watch out! Alright, gang, let's go, Lumpus is about to get the asskicking of a lifetime once again!

Lincoln: And he's getting another one-way trip back to The Saturn Insane Asylum, this time, he'll be put under Quintuple Maximum Security Solitary Confinement where he'll never ever escape, and once we get done with Lumpus, you're next, Shellshock.

Adreana Metrodora: You better be ready to be dragged into darkness for eternity, Shellshock, now you're about to face the wrath of my entire race!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to confront Lumpus once again and take him down, and once we got done with Lumpus once again, Lincoln and Adreana Metrodora are going to destroy Shellshock.

We went back in time to October 1st, 2005.

## CAMP KIDNEY - OCTOBER 1ST, 2005!

We arrived.

Pam: Here we are.

Me: Boy I was only 3 years old when all this happened.

Raj: (Hindu Accent) Now that you mention it, the 3 of us don't remember how Meatman was defeated the first time or how the 3 of us got free from his meat.

Me: That's what we need to find out.

We saw Camp Kidney and it was looking good. All the campers were having fun around a campfire and of Course the Lumpus of that timeline was being a total jerk and Slinkman was catering to his every whim.

Me: It's quiet. Too quiet.

Nico: It's nighttime. We need to find out where the real Lazlo, Raj, and Clam are.

Po Kong: All this talk about meat is making me hungry!

Me: Shh. We can't let them know we're here.

Po Kong: Sorry.

Eli: Maybe I can sense where the real Lazlo, Clam and Raj are.

Laney: Go for it.

Eli concentrated and he found them in a cave that was on the western side of Leaky Lake.

Eli: Found them. In a cave right there on the western side of Leaky Lake.

Nico: I see it.

Bludgeon: Wait. I see Lumpus going into that cave.

Lumpus went into the cave, where it's revealed that the real Lazlo, Raj, and Clam were stuck to the wall by MEatman's meat.

Past Lazlo: Scoutmaster Lumpus! Are you here to get us out?

Lumpus: No. I'm here to end your lives!

Past Raj: What?! Why?!

Past Clam: Crazy moose!

Lumpus: Because I want my camp back! You 3 proved important to me losing it. So. by killing you 3, I'll get Camp Kidney back! Now, say goodbye!

Lumpus slashed at them with a knife but all that did was free them and they ran away.

Me: (Chuckles) That stupid moose.

But then around the campfire we saw the three meat clones melt.

Nico: Whoa.

Me: Lumpus you backstabbing Ignoramoose. (Snickers) Hey that's funny. Ignoramoose.

Nico: (LAUGHS) I get it. Good pun.

Eli: Like ignoramus but with Moose.

Titanium Toenail: Wait. Where's Meatman?

Eli: I sense him. He's heading to the Campfire.

We saw Meatman.

Cybertron Menasor: (Irish Accent) There he is!

Nico: Shh.

Me: What's the plan Nico?

Eli: Allow me.

Eli used the Force and hurled Meatman into Leaky Lake.

KRASPLASH!

He dissolved into nothing.

Nico: Nice job Eli.

Qin: Now we just got to subdue him long enough for us to get him back to our time and battle him there.

Nico: Yep.

Me: Easier said than done. But we got to stop Lumpus or else.

Top: Alright. Now, all we have to do is-

Past Skip: Hey. Who are you guys?

Past Chip: And why are there clones of us?

Nico: Well, fuck.

Me: (Whispering) Think of something fast.

Eli: Look it's a mud avalanche!

Past Chip: Where!?

Past Skip: Where!?

ZOOM!

We ran fast and went hid somewhere.

But then, we bumped into Lazlo, Raj, and Clam. The past ones.

Maria: Oh boy.

Past Lazlo: Who are you guys? And why are there more versions of us.

Power Girl: Okay. To make a long story short, we're from the future.

Me: Yeah I guess there's no hiding it. We're from 18 years into the future.

Past Lazlo: Wow!

Nico: I know.

Me: Listen. That moose that tried to kill you is from our time.

Past Lazlo: But he is Lumpus isn't he?

Me: Yes that is Lumpus but he is a really nasty deranged lunatic.

Nico: Yep.

The other Bean Scouts came.

Past Lazlo: (to Lazlo) It's like having a brother!

Past Raj: (to Raj) It's like looking in a mirror.

Past Clam (to Clam) Second Clam!

Past Edward: (to Edward) What're you looking at?

Kite Man: Almost like seeing your reflections, huh?

Nico: It sure does.

Me: Now that we're here we have a lot to tell you.

Past Lazlo: Yeah like why is Scoutmaster Lumpus acting crazy.

Me: Well we have a lot to tell you. This may seem weird but are not from this time. We came here from 18 years into the future and we came here to stop our timeline's version of Lumpus from killing

Lazlo, Clam and Raj of this time.

Past Dave: What!?

Past Ping Pong: What!? But why would Scoutmaster Lumpus want to do such a thing?

Gilda: Have you ever wondered why Lumpus seems so irresponsible for a Scoutmaster?

Past Edward: Now that you mention it… Yeah.

Past Samson: He's a terrible scoutmaster.

Me: Well it's a really crazy reason.

Nico: And you guys are going to not like it one bit.

Red X: Ok, we're not going to hide it any longer. Lumpus isn't the real scoutmaster.

Heffer: Nope. I am.

Me: Lumpus is a total fraud and a fake.

I went over what happened and what was discovered on March 27th, 2008 - 2 and a half years from that timeline and it was crazy horrible!

Past Edward: SAY WHAT!?

Me: SHH!

Past Edward: Sorry. That is crazy.

Lola: It is.

Me: That Lumpus that chased Lazlo, Clam and Raj now, is the result of him losing everything. Including his own mind.

Nico: Yep.

Me: I know it's hard to believe but it's all true.

Edward: (to Past Edward) And word of advice? Your true friends are really Lazlo and the others.

Elena: You just don't know it yet.

Past Edward: Wow.

Nico: Yep.

Past Lazlo: We're not gonna remember any of this, will we?

Melter: Sorry. But we can't risk the timeline.

Nico: Yeah sorry.

Past Lazlo: Okay.

Past Raj: We understand.

Nico: But either way we have a deranged Moose out there that is nothing but trouble.

Xenia: And we can't let him get away with everything he did.

Paradox: I'll teleport Lumpus to the Camp Kidney of the present.

Search Man: (to Past Lazlo) Here's some advice: You don't stay young forever. So, you should enjoy summer camp while it lasts.

Past Lazlo: I will remember that.

Eli: Great.

Me: I do have a plan.

Nico: What is it?

I whispered.

Past Lazlo, Raj and Clam will stand in the middle of the camp and then Lumpus will come after them and Paradox will open his portal back to our time to Camp Kidney and then we'll have our battle with him there in 2023.

Nico: Brilliant.

Me: Awesome.

Sandman: Let's do our entrance after we go through the portal.

Nico: Right!

Patsy: (to Past Lazlo) Since you won't remember this, I have something to give you. (kisses him)

Lazlo tooted like a steamwhistle and we went through. All of us did and then Paradox erased their memories of what happened and the portal closed.

We flew through the Space Time Continuum and saw the portal to our time.

Qin: There!

Nico: Entrance time!

We flew fast.

Lumpus was back in our Camp Kidney!

Lumpus: NO! I was so close!

Then a portal opened and then the spirits of clocks appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from the portal and then a phoenix cry was heard and then we came out!

Me: Algonquin C. Lumpus you are under arrest!

Lumpus: You ruined everything! I was so close to getting my camp back!

Heatwave: You were. But you know the ironic part? You went back in time to try and kill the Bean Scouts. But doing so freed them from

Meatman.

Lumpus: Huh? Meatman? What are you talking about?

Me: Oh haven't you seen?

?: Why see when I can show you!

Lumpus looked back and saw MEATMAN!

Meatman: NOT A VERY SMART MOVE TO GO BACK IN TIME MOOSEBOY!

Lumpus screamed like a little girl seeing the sight of Meatman!

Nico: Where'd you come from?

Meatman: Vypra filled me in and I decided to show Lumpus that I was there before.

Nico: Nice.

Meatman formed a hammer fist of meat and smashed Lumpus all over.

Xenia: Yeah!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Lola: OH YEAH!

Lola fired a fireball and blasted Lumpus in the back and burned him!

Poromon pecked him.

Lumpus: OUCH OUCH OUCH OUCH OUCH OUCH!

Poromon: You like that!? HUH!

Ben turned into Rath!

Ben: RATH!

Rath went up to him.

Rath: LEMME TELL YA SOMETHING ALGONQUIN C. LUMPUS! YOU NEVER GO BACK IN TIME TO MESS WITH OUR FRIENDS! NOT WHEN RATH IS ON THE JOB!

Rath bashed and pulverized Lumpus all over!

WHAMWHAMWHAM WHAM WHAMWHAMWHAMWHAMWHAMWHAM! SMASH SMASH SMASH SMASH!

Lumpus WAS REALLY THRASHED ALL OVER THE PLACE!

Kevin Levin: You know, Rath the only alien that makes me want to grab a box of popcorn sit back and watch.

Mevya: That is too true there!

Qin: Yeah!

Rath stopped and then FLUTTERSHY USED HER SUPER ENHANCED STARE ON LUMPUS!

SUPER WARBLING NOISE!

Fluttershy: Just who do you think you are!? All this just so you can get a camp that doesn't belong to you back! You should be ashamed of yourself! Doing all sorts of terrible things just to make the scouts lives so miserable when they are at camp! And be completely irresponsible about all of it and not give a flying feather what you thing!? You're not a scoutmaster at all! YOU'RE JUST A BIG! FAT! MEANIE!

WE GASPED AND I JUMPED INTO NICO'S ARMS IN FRIGHT AND LUMPUS SCREAMED LIKE A LITTLE GIRL AS HE TURNED WHITE AS A SHEET!

Nico: WHOA! THAT IS SCARY!

Mevya: Yay, Fluttershy!

Lincoln: Awesome job Flutters!

Spitfire: Wow! Fluttershy is awesome! How did she do that?

Eli: When she transformed it strengthened her stare big time.

Varie: You know how Toepick's nightmare face would scare you bad?

Nico: Think of that times 100,000,000,000,000,000.

Spitfire: Wow! That is awesome!

Nico: Yep. Uh can you get out of my arms J.D.? I'm getting a cramp.

Me: Oh uh sorry.

I got out of Nico's arms.

Poliwag slapped him with his tail.

SLAP SLAPSLAPSLAPSLAPSLAPSLAPSLAPSLAPSLAPSLAP!

Lumpus: OWOWOWOWOWOWOWOWOWOWOWOWOWOWW!

Poliwag: YOU LIKE THAT!? HOW ABOUT THIS!?

Xenia: Take this!

She fired arrows and skewered his legs!

Horsea squirted ink at him and drenched him.

Yakumo: I have an idea!

She used a genjutsu and made it look like that he was stealing all of May's food!

May then saw this and then… SHE WENT APESHIT CRAZY!

She had a flaming red fire aura and her eyes were glowing red with extreme rage, hatred and fury!

May: (IN EXTREME RAGE AND FURY!) NO ONE STEALS MY FOOD AND GETS AWAY WITH IT!

Nico: (SCREAMS)

He jumped into my arms in fright!

Me: OOF! YOU'RE GIVING ME A HERNIA NICO!

Nico: MAY SCARES ME LIKE THIS!

WHAMWHAMWHAMWHAMWHAMWHAM SMASHSMASHSMASHSMASHSMASH!

She was REALLY SMASHING HIS BRAINS OUT!

Lola: YEAH!

Nico: YEAH!

Me: Uh Nico can you get out of my arms? I'M the one getting a cramp now.

Nico: Oh sorry.

The jellyfish stopped and he was burned bad.

Jirachi: (to Tentacool) I didn't know you could do that.

Tentacool: Well I am a Jellyfish Pokemon so that makes me one of them.

Qin: That makes sense.

Missy Rodgers: Watch this one.

She used her telekinetic powers and lifted him into the sky and Lumpus fell towards the ground.

But then…

KRASPLAT!

HE FELL RIGHT INTO A GIANT SWIMMING POOL FULL OF CHOCOLATE PUDDING!

Samson: PEANUT BUTTER SHORTCAKE!

We laughed hysterically!

Samson: And my brain isn't fried right now.

Edward: (LAUGHS) That is still funny though!

We laughed!

Xenia: YEAH!

Eddy threw a stink bomb at him.

Eddy: SNIFF ON THIS!

But then…

LOUD EXPLOSION AND SUPER MASSIVE FART NOISE!

Edd: I CAN'T BREATHE!

Me: OH GOOD GOD! THAT SMELLS HORRIBLE!

Lumpus smelled it and then HE STARTED HURLING HIS GUTS OUT!

Ed: Mmm something smells good!

Edd: Any scent that's sent is a gateway to one's true inner essence.

Eddy: Yes. I stink therefore I am!

Me: Jirachi, I wish he was force fed a massive truckload of Raw Chum.

Jirachi: You got it!

A funnel was put in his mouth and then a giant gas tanker full of RAW CHUM WAS POURED DOWN HIS THROAT!

Nico: Uh oh.

He threw up.

Lumpus hurled his guts out by the shipload!

Nico: OH SICK!

Qin: YUCK!

Xenia: YUCK!

I got a massive power increase unlike anything I've ever felt! My aura now looked like intense rainbow fire.

Suddenly, Adreana Metrodora was surrounded by a massive vortex of purple and black energy with stars and darkness surrounding the vortex, there are aliens, phoenixes, angels, and Alien Mother flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at Ivan Von Shellshockstonberg A.K.A. Shellshock: the red eyes of eternal death. Then, as the vortex faded, Adreana Metrodora emerged, but she was changed forever.

Adreana Metrodora grew from 7'0" to 7'9" in height, she has the body of a goddess, she has black highlights in the bangs of her long purple hair, she has neon pink eyes and a purple and black energy aura with stars, darkness, aliens, phoenixes, and angels surrounding her, she has the Dark Kanji in the hands of Alien Mother emblazoned on her forehead and Third Eye with purple iris, she has on alien earrings with purple gems for eyes and holding the Dark, Star, and Eternity Kanjis in its hands, she also has Alien Mother with purple gems for eyes and holding the Dark, Star, and Eternity Kanjis in her hands on the bottom of her purple alien-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Adreana Metrodora has on a sleeveless purple crop top, purple skirt, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, aliens, phoenixes, and angels on the coattails, and on the back is Alien Mother surrounded by stars and darkness. Suddenly, Adreana Metrodora felt a sharp pain on her back, and then, her massive purple angel wings with black tips on the large purple feathers grew much bigger for her new body and she now has eleven massive and long purple wolf tails with black tips and black markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Adreana Metrodora's massive Alien Mother-themed greatsword and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple and black energy, stars, darkness, aliens, phoenixes, and angels, and when it emerged, it was transformed into Adreana Metrodora's Umbrasapien Galactic Darkness Alien Mother Greatsword of Eternal Umbrasapien Galactic Darkness Umbrasapien Alien Mother Angel Justice, it's a brand-new massive greatsword with embedded black gems and Alien Mother etched on the 7'6" massive, wide, double-edged purple blade, large purple alien heads for the crossguard, large white angelic faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large purple alien heads and below the purple alien heads is a large white angel head with purple gems for eyes and purple gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold versions of Alien Mother's head with purple gems for eyes and large purple gem in it's mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a purple kanji below Alien Mother that said, "Adreana Metrodora, Gene-Slammer of Alien Mother, Very Powerful, Sexy, and Immortal Umbrasapien from Planet Umbras, Older Sister of Arianna Metrodora, Powerful Warrior and Tactician, Powerful Darkness Master, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Lincoln's Many Enemies, Archenemy of Metroid Hatcher, Destroyer of Ivan Von Shellshockstonberg Also Known as Shellshock, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Stars, Angels, Phoenixes, and Umbrasapiens"

アドリアナ・メトロドーラ、エイリアンの母のジーン・スラマー、惑星アンブラス出身の非常に強力でセクシー、そして不滅のウンブラサピエン、アリアナ・メトロドーラの姉、強力な戦士であり戦術家、強力な闇の使い手、愛情深い守護天使でリンカーンの将来の妻、ラウド、リンカーンの粉砕者多くの敵、メトロイドハッチャーの大敵、イワン・フォン・シェルショックストンベルグの破壊者、シェルショックとしても知られる、破壊者であり悪の殺戮者、狂った、殺人的、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そして闇のマスター、スターズ、天使、フェニックス、アンブラサピエンス

Suddenly, Adreana Metrodora's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Adreana Metrodora has transformed into SUPER ANGEL-ALIEN MOTHER-UMBRASAPIEN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA ALIEN MOTHER UMBRASAPIEN GODDESS COSMIC DARKNESS ALIEN MOTHER UMBRASAPIEN GODDESS ANGEL OF DIVINE ALIEN MOTHER UMBRASAPIEN GODDESS COSMIC DARKNESS ALIEN MOTHER UMBRASAPIEN GODDESS ANGEL JUSTICE AND DIVINE ALIEN MOTHER UMBRASAPIEN GODDESS COSMIC DARKNESS ALIEN MOTHER UMBRASAPIEN GODDESS ANGEL LOVE!

We were really amazed by Adreana Metrodora's Super Angel-Alien Mother-Umbrasapien Goddess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Shellshock saw it, he went mad with rage and ran at her to kill her, but Adreana Metrodora fired a massive and powerful barrage of purple and black energy, stars, darkness, aliens, phoenixes, and angels at Shellshock, and they exploded as they hit him and he got blown into a wall, he got back up, but now, he was mega pissed off.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE ABOUT TO GET WILD!

Lincoln: You got that right, Nico. This is exactly what happens when you really get a Umbrasapien mad.

Adreana Metrodora: (Divine Echoing Godly Voice of The Cosmic Darkness Alien Mother Umbrasapien Goddess Angel and Divine Cosmic Darkness Alien Mother Umbrasapien Goddess Angel Love) Yep, you make me or anyone of my race mad, you're going to be dragged into darkness, Now, let's destroy this robotic monster, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Adreana Metrodora.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not laying one hand on Ratchet and Clank, Shellshock. The only thing awaiting you is death by our hands.

Adreana Metrodora and Lincoln went after Shellshock, and they fired extremely powerful blasts of rainbow energy, purple and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Shellshock and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Adreana Metrodora also attack them with punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really driving him mad.

Shellshock tried to run at them, but Lincoln teleported right behind him, and he placed his left hand on Shellshock's back. Suddenly, Ivan Von Shellshocktonberg glowed with blue light, and then, Lincoln absorbed the omega series cyborg into his body and he also gained his weapons and brute strength. Then, an energy card with Shellshock's soul imprisoned inside appeared in Lincoln's left hand, and as soon as the Judgement Kanji appeared on his forehead, Ivan Von Shellshocktonberg was then sent to The Black Gates forever. We cheered wildly for what Adreana Metrodora and Lincoln did as they holstered their massive greatswords and powered down, and Adreana Metrodora's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Adreana Metrodora: That'll teach you, Ivan Von Shellshocktonberg, to never mess with the galaxy nor with its inhabitants. Thanks for helping me get rid of Ivan Von Shellshocktonberg, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adreana.

Suddenly, Adreana Metrodora wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adreana Metrodora's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alien Mother flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Adreana Metrodora absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a epic fight of Umbrasapien Angel VS. Musclebound DreadZone Cyborg, Lincoln, Adreana, you two really showed him no mercy, and that was one slick move you made appearing behind him, and as soon as you put your hand on him, you absorbed him and gained his weapons and brute strength, Lincoln.

Lincoln: Yep. No evil cyborg and robot's safe from me.

Me: You got that right.

Nico: Yeah, he was a monster. So, Lincoln, which Noble Knight Gene-Slammer are you going to meet tomorrow?

Lincoln: I know just the one: A Gene-Slammer for Infernoble Knight Oliver.

Melanie Artorgius: (GASPS) That's awesome, and there's only one person who'd be Gene-Slammed into Infernoble Knight Oliver, Odelia Olivier, and you guys are going to love meeting her, Odelia Olivier is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and magic, and he became a very powerful swordsman and master of magic, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Odelia Olivier is the descendant of Olivier de Vienne.

We gasped in total shock.

Me: Olivier de Vienne, one of the Twelve Peers of Charlemagne and member of Charlemagne's court.

Katara Chevalierflamboyant: (French Accent) That's right, plus, Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Odelia Olivier hates Lisa with a very blazing passion. One day, Odelia Olivier and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lisa, and she'd brought with her an army of musclebound thugs she hired. Odelia Olivier and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that heartless, cold, unfeeling mad scientist monster into a blood-crazed fury, but before she could get after us, Lincoln and Odelia Olivier fired chains of fire which bound that mad scientist and tied her up.

Nico: Did he call his family and the rest of his sisters for this?

Lincoln: Yep, and needless to say, everyone wanted her head on a pike!

Me: Should've known she would do something like this.

Lincoln: I know, but I wasn't surprised, Lisa tried to kill me many times in the past, but in the end, her plan failed, and not only did she get a severe beating from my sisters, but Mom and Dad also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Odelia Olivier and I casted a spell to prevent her from coming after us.

Me: Yeah, messing with the descendant of Olivier de Vienne and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, that mad scientist really hated that her greatest "plan" was foiled once again, and she got into even more serious trouble with her own family, yeesh.

Lincoln: Lisa seriously didn't even know when to quit, and to make it worse, her plan earned them the vengeance of my nice sisters infinite-fold.

We then went to the Neptune Prison where Lumpus was sentenced to Eternity frozen in ice

Saix: Can we agree that Lumpus went too far this time.

Spot: Oh, I agree with you.

Electro: But now, he's a moosesicle!

Evil Star: Let's celebrate!

Shiv: With that promised steak!

Nico: To Beef Lumberjacks!

We had an awesome steak dinner!

Me: Ahh! (LOUD BELCH) Oh pardon.

Xenia: That was delicious.

Lola: Yeah.

Nico: Great job everyone. Now Lumpus will never cause problems again.

Lincoln: That barrier that I put for magic and dark orbs will keep him frozen forever.

Camie: Good riddance.

Lazlo: (To the viewers) But this was an awesome and funny adventure.

Lola: You got that right Lazlo.

Camie: Yeah.

We later went back home and enjoyed the rest of the day and went to sleep.

This chapter is based on the Batman Beyond episode Sneak Peek.

---

In the early morning hours at 2:00 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Oakland, California. But, they were no three figures, they were Teddy and Mira Yukiko, adopted children of Lincoln's future wife, ROTB Arcee. Red Aid, daughter of Lincoln's future wife, Reaper Nurse. and Oreline, adopted daughter of Lincoln's future wife, Crumbelina DiCaramello. Lincoln woke up from the dream, but he wasn't the only one, ROTB Arcee, Bright Eyes Loud, Starburst, Nyx Midnight, Reaper Nurse, Crumbelina DiCaramello, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

ROTB Arcee: And not only that, it also means that we found out where our kids are at.

Reaper Nurse: Any ideas where are they at?

Me: They're at Oakland, California.

Nico: Oh man, that's not good. I mean sure, Oakland, California, is a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, ROTB Arcee (who has a human disguise), Bright Eyes Loud, Starburst, Nyx Midnight, Reaper Nurse, Crumbelina DiCaramello, Me, and Nico were heading to Oakland, California. Lincoln saw a big and tough 13-years-old boy who has cauliflower skin, blue eyes, white freckles, and dark orange mohawk-like hair with orange streaks. He wore a dark green long sleeved shirt with a picture of a comb, black sleeveless vest, gray pants, and red sneakers. He wields a war hammer. A slender and athletic 12-years-old girl who has light fair skin, maroon eyes, and shoulder-length maroon hair. She wears a ripped-sleeved white shirt that exposed her stomach with a autobot logo on it, black sleeveless vest, black fingerless long gloves, maroon shorts with black belt and silver buckle, black thigh high socks, and maroon & white sneakers with black soles. She wields two cybertronian sword-like blasters. A slim 12-years-old girl who has light skin, blue eyes, and long red hair that she tied into a ponytail with a white bow. She also has a gray mechanical left arm with red medical tool-like blaster equipment. She wears a white medical coat with the left side is sleeveless, red blouse, red glove on her right hand, red skirt, white stockings, red Mary Janes. And a young 9-years-old girl who has fair skin, cyan eyes, long cyan curvy hair that she tied into a ponytail with a oreo-like hairband. She wears black and white hoodie, cyan skirt, white stockings, and black flats with oreo and cyan wrapper on the side. Lincoln saw who they are, they were Teddy, Mira Yukiko, Red Aid, and Oreline.

Lincoln: Excuse me, are you Teddy, Mira Yukiko, Red Aid and Oreline?

Mira Yukiko yes we are.

Teddy: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, ROTB Arcee (who's human disguise is a slightly taller and thin yet athletic young 16-years-old girl who has fair skin, rosy cheeks, blue eyes, and short white hair with red and maroon stripes. She wears a pink sport bra, red jacket with pink short sleeves, red gloves, maroon leggings, black socks, and red & pink sneakers.), Reaper Nurse, and Crumbelina DiCaramello came out, and when Teddy, Mira Yukiko, Red Aid, and Oreline saw them, they were stunned. and when Lincoln see ROTB Arcee's human disguise, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Oreline: Mother?

Crumbelina: I'm here, my little cookie.

Teddy, Mira Yukiko, Red Aid, and Oreline, ran up to ROTB Arcee, Reaper Nurse, and Crumbelina DiCaramello, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Bright Eyes Loud, Starburst and Nyx Midnight.

Lincoln: And there's something you two should know, Arcee, Reaper Nurse, Crumbelina, your mothers are many of my many future wives.

Teddy, Mira Yukiko, Red Aid and Oreline: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Teddy, Mira Yukiko, Red Aid and Oreline with joy, Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

ROTB Arcee: Oh, and by the way, Linky, Thanks for helping me find a human disguise. I look like a real athletic girl.

Lincoln: (Smiles Warmly) You're welcome, Arcee.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around ROTB Arcee and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but ROTB Arcee still had a red blush on her face with steam coming out of her ears.

ROTB Arcee: (In Heaven) I'm… starting… to like… this man.

Reaper Nurse and Crumbelina: (Chuckles in a good goofy mood) That's our Linky.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Teddy, Mira Yukiko, Red Aid and Oreline to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting ROTB Arcee, Reaper Nurse, and Crumbelina DiCaramello, and with their kids, and Teddy, Mira Yukiko, Red Aid and Oreline now has a loving, strong, brave, and caring father in their life.

Camie: Yeah this will be good!

Ant Man: I'm going to squish them flat.

Top: Me too!

Nico: Ant Man, I want to thank you, Top, and your teams for coming.

Ant Man: Anytime Nico. This will be so fun and cool.

Lola: Yeah it sure will!

Andrea Davenport: You got that right.

Nico: Andrea, sorry about when we first met.

Andrea: It's no problem Nico. All water under the bridge.

Xenia: Good.

Nico: That's a relief.

Eli: Yeah.

Juran: What DID happen when you first met anyway?

Me: Well Kushina laid down the law on her.

FLASHBACK - CHAPTER 1576.

?: Well looks like you two have Team Loud Phoenix Storm helping you out.

We saw a girl with neon aqua blue hair and she had purple clothes. It was ANDREA DAVENPORT!

Molly McGee: (Snarling) Andrea!

Me: Oh boy.

Andrea: You all are losers and it's best you stay out of my way.

She left.

Nico: That girl is a nightmare

Glumshanks: Someone should teach her a lesson!

Eli: I think I have an idea.

He pulled out The Mask of The Beast.

Me: I don't think so bro. Last time we used the Mask of The Beast, Lynn used it and she was going to turn into someone she is not.

Kushina: I have an idea. Let me work my magic.

We went to the cafeteria.

Kaos: You're right, Glumshanks. Davenport IS about to be taught a lesson!

Me: Watch.

Andrea Davenport: And that's why you all love me because I'm the most popular and most pretty and beautiful girl in the school and always will…

Kushina yanked an invisible chakra rop and then…

RIP!

Kushina ripped Andrea's skirt off and everyone saw Andrea in her underwear and they had bunnies and leprechauns on them and Andrea gasped and Lori snapped a photo of her underwear and posted it on social media and then everyone in the school laughed at Andrea and pointed and humiliated her to the brink!

Fangry: You know that underwear for women is a bra and panties, right?

Nico: (Snickering)

May: (Snickering) Obviously not.

Edward the Platypus: (Laughs) WHAT A LOSER!

Myotismon: What do you have to say for yourself now?!

Andrea ran away crying.

Nico: HA!

Molly McGee: That was so awesome!

Scratch: OH YEAH!

Laney: Serves her right!

Kushina: Chalk up an awesome victory for Kushina Uzumaki, Master Prankster of The Hidden Leaf.

Libby: That felt really awesome!

Rainbow Dash: That was AWESOME!

Naruto: Mom is an amazing prankster.

Kushina: Never mess with the Red Hot Habanero.

Krankenstein: Monster thought that was funny!

Nico: It sure was funny!

Eli: Next time we'll use the Mask of The Beast.

Nico: Good idea. Kushina called it first so we'll do the Mask of The Beast next.

FLASHBACK ENDS

Juran: GEEZ!

Qin: Yeah but Drakus got her to realize the error of her ways.

Camie: That's good.

Lola: Yeah it sure is.

Camie: I agree.

Nico: I think we can all agree that yesterday was crazy.

Me: You're not kidding! But it was awesome still.

Qin: (LAUGHS) Yeah it sure was. But it was awesome doing all those funny gags on Lumpus.

Camie: It sure was.

Maria: And Tentacool called all those cool Freshwater Jellyfish to help out.

Nico: That was awesome. I didn't know that Tentacool could do that.

Varie: Well Tentacool is a Jellyfish Pokemon so that fits perfectly.

Nico: True. But Lumpus ended up showing us how Lazlo, Raj and Clam were freed from Meatman.

May: Now we know why Lazlo, Raj, Clam, and the others couldn't remember how Meatman was defeated the first time. Because WE were the ones that helped cause that.

Me: Boy Talk about Ironic.

Qin: Yeah no kidding!

Xenia: A massive case of unexpected irony.

Maria: What Lumpus did crossed the line.

Nico: You got that right.

Lincoln: Yeah but the magic and dark orb barriers I put up will make sure he stays on ice forever.

Qin: Great.

Lola: Yeah no kidding.

Laney: He had it coming.

Top: So, where are we again?

Eli: In the Simulator.

Nico: Here we are in Royal Woods in The Simulator, and Lincoln, Sabrina, Anna, you're going to love this: for today's rescue, we're going to destroy the Dark Sides of Lori, Luan, Lynn, Lola, Lisa, and Chandler.

Lincoln: (Really Surprised) Wait, what?!

Anna Anyanova: (Really Surprised) Nico, tell me those words you said were true!

Sabrina Lorelai: (Really Surprised) If they're all true, then, that means… !

Nico: Yep, it's all true.

Me: Aw sweet!

Lincoln: Oh man, I've been waiting for this opportunity for seven years. Let me get the rest of my Guardian Angels for this, they've been wanting to exact seven years of retribution on those dark side monsters.

Qin: This is gonna be great!

Lincoln called the rest of his Guardian Angels here along with his entire harem, and he told them the news, and they cheered all wildly, and they got out their massive greatswords: they were ready to exact seven years of revenge on the Dark Sides of Lori, Luan, Lynn, Lola, Lisa, and Chandler.

Selene Arcangela: Do you have any idea how long we've been waiting for this opportunity? Finally, we get to exact brutal and bloody revenge on those six dark side bitches and the dark side of that little asshole!

Nico: I can tell you have been wanting some ultimate payback.

Lincoln: You got that right, Selene, and I sensed it. Hitch, just like Twilight, Applejack, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight, Sunset, Princess Celestia, Princess Luna, Sunny, Izzy, Pipp, and Zipp, you're also going to transform into your most powerful and ultimate transformation, just like when J.D. and I ascended.

Hitch Trailblazer: Yeah, I felt it for myself.

Me: This is going to be so awesome!

Lincoln: But, I also sensed Georgina is also going to transform too. But, before we go after them, I have a few words to say.

Lincoln turned to his harem and Guardian Angels.

Lincoln: Guardian Angels, everyone, our time for payback on the Dark Sides of Lori, Luan, Lynn, Lola, Lisa, and Chandler has finally arrived. We shall show them all no quarter, we will tear them to shreds, they shall pay for causing us and all of Michigan nothing but pain and suffering, and before the day's end, the streets of Royal Woods will run red with their blood! (Unholsters and raises his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds into the air)

Lincoln's Guardian Angels and harem cheered wildly as they all raised their greatswords high into the air!

Nico: YEAH!

Me: Oh man, he's rallied his Guardian Angels and his entire harem!

Nico: The Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler are so done for now!

Eli: They are going to be assed up in their graves!

Lincoln: Now, let's get after those six dark side bitches and that dark side sewage bastard and rip them to shreds! (Senses for The Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler) Aha! Got you, you dumbass snakes! They're 200 clicks north of our location and they're also going after my Simulator counterpart along with his sisters, parents, and friends!

Nico: Lets go!

We headed off to the location of Simulator Lincoln, his sisters, parents, and friends, and they were all being pursued by the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler who were out for blood!

?: YOUR TIME HAS FINALLY COME, DARK SIDE BITCHES AND DARK SIDE SEWAGE RAT!

Suddenly, the spirits of Lincoln's Guardian Angels and his entire harem appeared from nowhere and they flew at them, and they fired powerful blasts of energy and elements at the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler, and they really hurt like Hell, and then, the spirits converged and a massive explosion erupted and a Thunderbird and Phoenix Cry erupted from nowhere, and then, we appeared, and the attack allowed Simulator Lincoln, his sisters, parents, and friends to get to safety behind us.

Me: Your time of reckoning has come!

Simulator Dark Lynn: STTTTTIIIIIIIINNNNNNNKKKKKOOOOOOOOLLLLLLLLLNNNNNNNN!

Simulator Dark Lynn belched and ran at Lincoln to attack him only for him to grab her by her ponytail and he lifted her up so that her eyes met his, and he glared at her ferociously with rage, and that glare made her pee her shorts in fright. We snickered at that sight. Then, he threw her at Simulator Dark Lori, Dark Luan, Dark Lisa, and Dark Chandler and they crashed into each other.

KRASMASH!

Simulator Dark Lola: GET OFF ME, YOU FARTY GYMBAG!

Simulator Dark Lori: WHEN WE GET OUT OF THIS, I'M GOING TO LITERALLY TURN YOU INTO AN OVERGROWN HUMAN PRETZEL, YOU FUCKING TWERP!

Simulator Dark Lori, Simulator Dark Luan, Simulator Dark Lola, Simulator Dark Lynn, Simulator Dark Lisa, and Simulator Dark Chandler: WE ALL HATE YOU AND YOUR FUCKING GUTS MORE THAN LIFE ITSELF!

Suddenly, Lincoln's rainbow aura exploded with such intensity and fury as he gained an astronomical and massive power boost of astronomical proportions!

Me: WHOA!

Lincoln: Why don't the six of you shut your traps! You've had this coming for a very long time!

Me: Big time!

Lincoln fired six massive rainbow fireballs at Simulator Dark Lori, Simulator Dark Luan, Simulator Dark Lola, Simulator Dark Lynn, Simulator Dark Lisa, and Simulator Dark Chandler, and they exploded with such incredible power and they all got badly burned, and this pissed them off big time.

Me: AW YEAH, THAT SHOULD SHUT YOUR TRAPS!

Nico: YEAH! FUCK YOU, YOU HARPIES AND ASSHOLE!

Simulator Lincoln: (to Lincoln) Who are you?!

Maria: (sighs) Not this again!

Me: Just a bunch of people passing through here to kick your evil sisters asses!

Dark Lori came at me and I ducked and punched her in her face and punched her in her face 5 times!

BLAM BLAM BLAM BLAM BLAM!

I kicked her in the stomach and bashed her on her head with a club!

Dark Lynn came at Nico and he punched her SQUARE IN THE FACE And broke her nose and that sent her crashing into a fire hydrant!

Top ran at Dark Lynn.

And he kicked her square in the face and Camie kicked her right in the crotch!

OOOH! THAT IS GONNA FEEL BAD!

Qin: NICE ONE!

Xenia fired an arrow and it skewered Dark Chandler's legs!

Hitch Trailblazer: Alright, that's it, I've had it up to hear with you five good-for-nothing dark side misandrists along with you, you heartless murderous sewage little prick!

Suddenly, something in Hitch Trailblazer's mind really snapped as memories of the seven years of pain and suffering that Lincoln went through because of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler rushed through his head and it also reminded him of Queen Opaline's evil deeds, and his amber eyes turned neon amber and he was surrounded by an amber and aqua green energy aura with Equestrian Magic, Alicorns, stars, and Sherriff's badges, he unholstered his massive Hitch Trailblazer's Law Justice Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice from his back, and as he angrily approached the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler, he left amber and aqua green energy, Equestrian Magic, Alicorns, stars, and Sherriff's badges with every step.

Hitch Trailblazer: You six absolutely make me sick to no end, what you six have done to Lincoln is just absolutely disgusting, you treated your own little brother as an enemy and wanted to abuse and kill him to slake your thirst for blood, and you're too stupid to realize that Lincoln is an awesome friend and brother, and if there's one thing none of tolerate is a heartless bullying murderous psychopathic sadistic prick like you, Dark Chandler, nor misandrist heartless girls who think they're better than their little brother, Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan. (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) But, what you six have constantly tried to do in trying to kill Lincoln for too many times has really really gone off the deep end, you were willing to throw away your family bonds just to slake your thirst for blood… , YOU'VE CROSSED ONE LINE FAR TOO MANY, I WILL NEVER EVER FORGIVE YOU SIX COLD-BLOODED SNAKES FOR WHAT YOU'VE TRIED TO DO TO LINCOLN IN THE PAST, AND FOR THAT, I WILL SEE TO IT THAT YOU RECIEVE THE ULTIMATE PUNISHMENT FOR YOUR MISDEEDS!

We gasped at the sudden extent of Hitch Trailblazer's fury and rage: Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler were done for!

Me: OH MAN!

Eli: UH OH!

Nico: OH SHOOT! YOU'RE DEAD FOR SURE, DARK SIDE BITCHES AND SEWAGE RAT ASSHOLE!

Lincoln: The last time Hitch's fury was unleashed, it was on that brat, Madame Margaret, and now, his fury's been unleashed, this time on Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler and it's going to get ugly! STAND YOUR GROUND, EVERYONE, HE'S GOING TO EXPLODE!

We stood our ground as Hitch Trailblazer screamed like a madman and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive and incredibly fiery explosion of power and he was surrounded by a massive vortex of amber and aqua green energy with Equestrian Magic, stars, and Sherriff's badges surrounding the vortex, there are Alicorns flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler: the red eyes of death.

(RAINBOW ENERGY AURA FLARES UP AS HIS ABNORMALLY MASSIVE UPPER AND LOWER BODY MUSCLES BULGE) And now, I have a lot of pent up anger and rage I've built up because of you six parasites, and you've had this coming for a very long time!

Serenity Lexington: You got that right, Linky. You moth-munching leeches have had this coming for a long time!

All of Lincoln's Guardian Angels and Harem: AND NOW, IT'S TIME FOR YOU SIX LEECHES TO PAY THE PRICE FOR YOUR VIOLENCE AGAINST OUR MAN AND YOUR LITTLE BROTHER!

That really really set the Simulator versions of Dark Lori, Dark Luan, Dark Lynn, Dark Lola, Dark Lisa, and Dark Chandler as they went absolutely ballistic, the bravery and courage that Lincoln had really pissed them off in a huge way, but they had it coming: SEVEN YEARS OF RETRIBUTION FOR WHAT THE SIX OF THEM DID TO LINCOLN HAVE FINALLY ARRIVED, AND NOW, THEIR BLOOD IS ABOUT TO BE SPILLED!

Lincoln, his Guardian Angels and harem, Hitch Trailblazer, and Georgina Montgomery went after the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler who have absolutely gone Nth-Degree ballistic and insane, and they fired extremely powerful blasts of rainbow energy, aqua green and amber energy, brown and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler and they exploded with incredible power as they hit them.

IT WAS SAVAGE AND BRUTAL!

Then, they attacked them with their massive greatswords leaving scars on them, Lincoln left many more with his claws and firing energy slashes from his claws and he, his Guardian Angels and harem, Hitch Trailblazer, and Georgina attacked them with punches, kicks, and karate chops and they're mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler madder than ever.

Simulator Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler: WE'LL FUCKING KILL EVERY LAST ONE OF YOU! NO ONE DEFIES US AND FUCKING LIVES! WE'LL BURN THIS ENTIRE TOWN AND THE ENTIRE WORLD TO ASHES FOR DEFYING US, YOU FUCKERS! (LAUGHING LIKE NTH-DEGREE FUCKED UP LUNATICS)

THE SIMULATOR VERSIONS OF DARK LORI, DARK LUAN, DARK LYNN, DARK LOLA, DARK LISA, AND DARK CHANDLER HAVE ABSOLUTELY LOST IT, AND THEY'VE GONE NTH-DEGREE FUCKED UP CRAZY AND INSANE!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Like Hell am I going to let you six parasites get away with whatever you want.

Lincoln went at the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler, and he literally laid down a really really nasty beatdown on them, and it was horrific. LINCOLN SMASHED THEIR TEETH OUT OF THEIR MOUTHS WITH SUPER HARD PUNCHES, HE BROKE EVERY LAST BONE IN THEIR BODIES, HE TORE DARK LYNN'S PONYTAIL OFF, HE TORE DARK LOLA'S DRESS AND BROKE HER TIARA, HE BROKE DARK LISA'S GLASSES, HE BROKE AND DENTED DARK LUAN'S BRACES, HE SMASHED DARK LORI IN THE HEAD, AND HE PUNCHED DARK CHANDLER HARD IN THE CROTCH AND DESTROYED HIS REPRODUCTIVE SYSTEM, AND GAVE THEM EACH TWO BLACK EYES!

Me: OH DAMN! NICE ONE, LINCOLN, AND FUCK YOU, YOU PARASITES!

Nico: YOU DESERVE IT, YOU CHAOTIC LEECHES!

Then, Lincoln fired a massive barrage of extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler and they exploded with incredible power as they hit them.

Lincoln's Guardian Angels and harem also violently attacked the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler with energy blasts, and they even did the same thing Lincoln did to them, and they really screamed and howled in extreme agony.

Me: DAMN!

Nico: JEEZ! NOW, THAT'S UGLY!

Georgina punched Dark Lisa.

And bashed her brains out and sent her crashing into Dark Luan and Hitch kicked Dark Luan in the face.

Lincoln punched Dark Luan in the face and knocked out all her teeth!

Lincoln: That's for all the pranks you did you not funny comedy has been!

WE GASP!

Eddy: WOOHOHOHO! You tell that evil version of my girlfriend Lincoln!

Georgina grabbed Dark Lola and smashed her fist into her mouth and knocked out ALL OF HER TEETH!

Xenia: TAKE THAT!

Georgina then grabbed Dark Lynn and ripped her Ponytail off and then formed rock claws she slashed her and DISEMBOWELED HER!

Nico: YUCK!

Xenia: YUCK!

Georgina then slashed Dark Luan and formed a pair of rock tweezers!

Georgina: Lets play dentist!

She then ripped out all of her teeth one by one and she was SCREAMING IN EXCRUCIATING PAIN!

Nico: You go, Georgina!

Qin: YEAH!

I then formed a massive bunch of bananas and then bashed Dark Chandler in the head with them.

KRABLAM!

Camie: OH YEAH!

Xenia: YEAH!

Georgina grabbed Dark Chandler.

And then she ripped his crotch off and disemboweled him brutally!

Blood was pouring out of all the Dark Louds and Chandler.

Nico: Lincoln, I think you better put them out of their misery.

Lincoln grabbed the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler by the collars of their shirts with six of his eleven massive and long white wolf tails, wound his left arm back, and he then clenched his left fist tight as his abnormally massive muscles bulged, and then… !

POW!

Lincoln punched the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler hard in the face and sent them flying, and then, he fired six rainbow energy blasts that hit them, and they were destroyed and sent to The Black Gates forever. We cheered wildly for what Hitch Trailblazer, Lincoln, his Guardian Angels and harem, and Georgina did to the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and Dark Chandler as they holstered their massive greatswords and powered down, and Hitch Trailblazer's new body, clothes, weapons, jewelry, Third Eye, longer aqua green tail, massive amber angel wings and longer horn are permanent, and Georgina's new body, clothes, weapons, jewelry, Third Eye, and massive black angel wings are permanent.

Nico: Damn, now that was one really really nasty battle you all fought against those moth-munching parasites.

Lincoln: Yeah, but I got payback on those six once again for all the pain and suffering that they put me through.

Me: You got that right.

Hitch Trailblazer: If the police wound up getting involved, those six would've been thrown in prison for the rest of their lives.

Georgina: But, knowing that the Dark Sides are way too dangerous and too insane, they would've broken out and tried again, so they needed to be put down forever.

Lincoln: That's right.

Nico: Yeah that is for sure!

Qin: Yep.

Camie: Either way that was good.

Lincoln: Yep.

Nico: Nice job, Georgina!

Me: (LAUGHS) GOOD SHOW EVERYONE!

Anna Anyanova: You have no idea how long we have been wanting to do that!

Tanya Anyanova was watching her sister from the control room and she was cheering wildly!

Lori: (LAUGHS) THAT WAS LITERALLY AMAZING!

Nico patted Georgina on the back.

Nico: That was so awesome

Georgina: Thanks Nico.

Nico: You're welcome. I can't believe I'm saying this but Lola, Lori, Lisa, Luan, Lynn and Chandler, you 6 have failed this city!

Lola: They sure have!

Lisa Loud: Indeed they have.

Eddy: That was so awesome though!

Nico: There they are!

We saw Another Warthog Dragon (Timon and Pumbaa), Dagger, Shriek, Aracula, Cosmic Mario, Feo the Alien (Courage the Cowardly Dog) and Lord Stratosfear!

Nico: Whoa!

Qin: Another Warthog Dragon (Timon and Pumbaa), Dagger, Shriek, Aracula, Cosmic Mario, Feo the Alien (Courage the Cowardly Dog) and Lord Stratosfear.

Nico: Uh oh.

Another Dagger: (In a girls voice) I saw the whole battle and it was awesome.

Me: That voice!

They merged and she reverted back and it was a girl with orange hair and orange eyes and had brown clothes and orange angel wings and she had the symbol of the Megalith Monsters in the middle of her forehead and on her Skirt and she had a rock sword!

Me: (GASP) Megan Megalith!

Megan Megalith: Awesome to see you again J.D.

Me: Same here. Megan is the gene-slammer of the Megalith monsters.

Xenia: That is cool!

Lola: Yeah!

Me: Yep. By the way is the Another Top friendly or hostile?

Megan Megalith: Friendly and she is really amazing at what she can do.

Me: Awesome.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers.

Me: Lets get them!

Celine Crystron: Yeah!

We fired waves of energy and elements and blasted them and I caught the Wonder Ride Books.

Lola: OH YEAH!

Qin: Take that!

Nico: Now, we wait.

Me: We don't have to wait long.

We saw a figure and it was ANOTHER TOP!

Me: Another Top!

Qin: Whoa!

Lola: This will be awesome.

Another Top: (In a girls voice) It sure will.

Me: That voice!

She reverted back and it was a girl with black hair and had a pink and blue circus outfit on and she was standing on a hovering spinning top. She had pink angel wings and had the symbol of the Ojama in the middle of her forehead and on her leotard.

Me: (GASP) Olivia Ojama!

Qin: WHOA!

Nico: Whoa the famous Top Hovering Circus Star.

Olivia Ojama: That's right and also the gene-slammer of the Ojama Monsters.

Me: Boy Chazz Princeton would love meeting you. His deck is centered around the Ojama monsters.

Nico: He sure does.

Olivia Ojama: That is cool!

Lola: Yep.

Kaito: (gets out Shinkenger gear) Did Swartz promise you anything?

Zocks: (gets out Goseiger gear) Because we can grant it instead.

Kaito got a Samurai Sword and Zocks got a Megaforce Sword.

Olivia Ojama: Just to bring my family's circus back.

Me: Her family's circus was very well loved. Unfortunately however it burned to the ground because of an evil woman that hated it and the circus was in the process of building it back up. But it was forced to declare Chapter 7 Bankruptcy because of that woman.

Nico: That's insane!

Qin: Yeah!

Me: That woman was Valerie Richardson.

Nico: Wait I've heard of her! She was a very rich attorney.

Me: Yep and I exposed a massive and huge corruption ring in her. I busted her and got her sent to prison and she was ordered to pay billions in restitution and damages.

Nico: Oh man.

Olivia Ojama: Yep.

Me: Sorry we have to fight like this.

Olivia Ojama: No worries.

She turned into Another Top.

Sougo: (gets out Samurai Ridewatch) She's bound to appear sooner or later.

Geiz: (gets out Megaforce Ridewatch) If she does, she's gonna get it!

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArmor.

Me: You got that right!

Nico: Time for some spinning lightning! (ACTIVATES TOP AND LORD STRATOSFEAR'S RIDEWATCHES)

He spun and fired lightning and blasted her down.

May: And this! (ACTIVATES SPINNER AND NEFARIOUS' RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: Time for some swords of the Year 2000! (ACTIVATES PIEDMON AND Y2K BUG RIDEWATCHES) (ECHOING) 2,000 TRUMP SWORDS!

She threw 2,000 swords and smashed her down!

Kurumu: OH YEAH!

Andrea Davenport: Now for me! (ACTIVATES LORD STRATOSFEAR'S RIDEWATCH)

She fired waves of lightning and electrocuted her.

Then Grodd, Constructicon Devastator, Thumbskull, Universe 666 2007 Venom. Universe 666 Blight and Steel Bulwark came.

Nico: Nice team Grodd!

Grodd: Thanks Nico. This will be fun.

Qin: Awesome!

Then a Spectrier came!

Me: Cool a Spectrier!

Xenia: Awesome!

Spectrier: (In a girls voice) Awesome to see you all here.

Nico: Ninnia! Wow!

She reverted back and it was a Centaurette! She had black hair and blue eyes and had a blue bikini top and she had a black horse body and had a Moon Cutie Mark.

Ninnia: Awesome to see you again Nico. And you too Qin.

Qin: Same here.

Ninnia: I got this.

She fired waves of energy and smashed down Another Top and I caught the Ridewatch and purified it and I brought over Olivia.

Me: That was awesome!

Ninnia: It sure was!

Andrea: What's your favorite memory of Nico?

Ninnia: When me and Nico and Qin were in school and I bucked a bully into a trash can and we told the teachers and got him expelled.

Nico: Yep.

Me: Awesome!

Nico: Yep.

Nico and Ninnia hugged.

Nico: I've missed you Ninnia.

Ninnia: Same here Nico.

We went back.

Me: Whoa, where are we? This is one awesome ocean planet!

Lincoln: (GASPS) Oh man, I know where we are, we're on Marina Kaimana's home planet, Hydros, and I know what we're going to do here, not only am I going to rescue the five girls here, but I'm also going to meet Marina Kaimana's parents, and we're also going to destroy Marina Kaimana's Bringer of Chaos siblings, her younger sister, Cordelia, and her older brother, Kai.

Marina Kaimana: This is going to be so awesome, you're going to meet my parents, Linky, and I should've known Cordelia and Kai would be our targets. Years ago, those two wild troublemakers had tried to start trouble with you and they've threatened to break us up and/or kill you.

Selina Almenara: Same with Marcus and Melanie.

We gasped!

Me: Marina, are they really like that?

Marina Kaimana: Yeah, Cordelia and Kai are literally huge troublemakers and bringers of chaos, all they want is chaos and destruction.

Jessica Shannon: So, we got more dumbass relatives of your Guardian Angels to deal with.

Lincoln: Yep. There's the castle, let's head in to meet Marina's parents, and then, we get after her vile siblings.

We arrived at the royal palace of Marina Kaimana's parents, and we headed for the throne room, and we were greeted by Marina Kaimana's parents: her dad, Adrian Kaimana, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, aqua blue hair, aqua blue sclera, aqua blue eyes, massive aqua blue angel wings, and he has on black shorts with ocean waves, blue loincloth around the waist with gold belt and blue gem for the buckle, and he has a massive greatsword holstered on his back, and her mother, Brooke Kaimana, a 7'9" beautiful woman with the body of a goddess, aqua blue hair, aqua blue sclera, aqua blue eyes, massive aqua blue angel wings, and she has on an aqua blue crop top and aqua blue shorts.

Marina Kaimana: Mom, Dad.

Adrian Kaimana: Marina, it's so good to see you here. And you've also brought Team Loud Phoenix Storm with you along with your future husband, Lincoln, right?

Lincoln: Yes, that's correct, Mr. Kaimana.

Brooke Kaimana: You're indeed everything my daughter says you are, Lincoln, and we can already guess she marked you when you both met again.

Me: Yes, that's right.

Nico: And Marina told us about your other children, her older brother, Kai, and her younger sister, Cordelia, who are going to try to start trouble with him and they've been threatening to break them up and/or kill Lincoln.

Brooke Kaimana: Yes, that's correct. Marina's also right about calling them bringers of chaos. For so many years, those two have started trouble and caused so much havoc on Hydros, it's not funny, and threatening to ruin the relationship of Lincoln and Marina and even threatening Lincoln's life, that is truly unforgivable.

Adrian Kaimana: Indeed.

Suddenly, we saw a beautiful and super sexy girl with long orange hair and red hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a red coat with a coat of arms on it, white short-sleeved shirt, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, knights, swords, magic, dragons, light, and angels on the coattails and on the back is Infernoble Knight Oliver, in her right hand is The Sword of Hope and a pink haired girl, pink hairband, pink clothes with Pinkie Pie's cutie mark on the pink skirt, pink choker, white bridal gloves, pink unicorn horn on her head, and pink angel wings fly and they had the five girls with them.

Lincoln: (GASPS) Odelia Olivier.

Odelia Oliver: Yep, and we got the girls away from Marina's chaotic siblings. Honestly, those two are a bunch of chaos-bringing assholes.

Pinkie Pie: (GASPS) And that second girl with you, it's… !

Lincoln and Pinkie Pie: Melanie Gelasia.

Me: You two know her?!

Lincoln: We do.

Pinkie Pie: I knew her from Equestria, and it was right before…

Melanie Gelasia: Before I moved to Royal Woods. Allow me to introduce myself, my name is Melanie Gelasia, Gene-Slammer of Pinkie Pie, Alicorn Princess of Laughter, I'm Lincoln's Guardian Angel from Equestria. I'm a funny girl who loves making people laugh and I'm also a very powerful Alicorn and very powerful master of laughter and magic. I taught Lincoln how to cast some very powerful spells and how to dispel dark curses. Lincoln gave me a pink neck choker, and to show my thanks, I kissed Lincoln on the lips, and when that happened, my pink horn on my head glowed with pink light and it was a sign of true love. Plus, I'm also a dear friend of Pinkie Pie from long ago and their bond has remained strong to this day, and like her, I'm an amazing girl who loves making people laugh, but I also hate Luan with a blazing passion because I'd seen what kind of person Luan is.

Nico: What did Luan do to earn your wrath?

Melanie Gelasia: That homicidal deranged clown was waiting for Lincoln in an ambush, and then, she'd come charging at him to kill him in another attempt at his life, but I saved Lincoln as I charged in and kicked Luan into a nearby fence and she got knocked out because of just how strong I am. I dragged her home and told the family of what Luan tried to do to Lincoln, and she got grounded for a month.

We gasped.

Me: Luan's dark side made her an evil deranged monster!

Laney: We warned her numerous times about this, but no, she refused to listen and she was really really crazy. Sometimes, I wanted to see Luan get a taste of her own medicine and put in her place!

Lincoln: That task was always left to my Guardian Angels to put Luan in her place. And it's awesome to see you again, Melanie.

Melanie Gelasia: You too, Lincoln. And whoa! You've really had quite a growth spurt, not to mention you've still been hitting the gym like crazy, look at those massive upper and lower body muscles and eight-pack abs! And Pinkie, you really have changed a lot since we last met.

Pinkie Pie: I sure have, and I'm not only among his many future wives, but I'm also a loving mother of many kids.

Pinkie Pie showed Melanie Gelasia the pictures of hers and Lincoln's kids and newborns and her jaw hit the floor.

CLANG!

Pinkie Pie helped put her mouth back in.

Melanie Gelasia: Whoa, Lincoln's now a father?! Well, his dad did have a lot of kids, so I guess it's no surprise though. And given the huge combo of the diet we gave him, his hyperpuberty, genes, and many others, Lincoln really grew into the type of man that any girl would want for a husband: extremely strong, handsome, super brave, courageous, and always stands up to injustice.

Suddenly, Lincoln went up to and hugged Melanie Gelasia in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the

puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Pinkie Pie: Wow, I knew that was coming! Now, you're part of his harem and are now his future wives. But, I'd save the kissing for later, let's get after Marina's siblings before they get after us.

Adrian Kaimana: They've been sighted 200 clicks from the palace.

Lincoln: Whoa, that was quick!

Brooke Kaimana: When trouble arises because of any attacking enemies or Cordelia and Kai, you always have to be ready for anything.

We headed outside to hunt down our targets: Cordelia and Kai Kaimana.

Suddenly, we saw the two people who Marina talked about: her older brother, Kai Kaimana, a 8'3" giant muscular man with abnormally massive and powerful upper and lower body muscles and eight-pack abs, aqua blue hair, aqua blue sclera, aqua blue eyes, massive aqua blue angel wings, and he has on black shorts with ocean waves, blue loincloth around the waist with gold belt and blue gem for the buckle, and he has a massive greatsword holstered on his back, and her younger sister, Cordelia Kaimana, a 7'9" girl with the body of a goddess, aqua blue hair, aqua blue sclera, aqua blue eyes, massive aqua blue angel wings, and she has on an aqua blue crop top and aqua blue shorts.

Cordelia Kaimana: You goddamn stupid white-haired freak, so you're still together with our idiot sister?!

Kai Kaimana: We'll kill you, and we'll make that stupid bitch learn her place like the dog that she is!

Cordelia and Kai Kaimana marched towards Lincoln with murderous intent to kill him, but then, Sebastian slashed at them with his right hand's nails that he turned into claws!

Cordelia Kaimana: WHAT THE?!

Then, Sebastian fired black energy blasts at them and sent them crashing into a wall!

Kai Kaimana: Dad, Mom, do something about this insect!

Brooke Kaimana: No. We've had it up to hear with you two little parasites.

Adrian Kaimana: Your mother, Marina, and I have had it up to hear with you two for the last time. For years, you two have caused a ton of trouble with you two running wild and causing havoc. Lincoln is a wonderful young man and we're proud of Marina getting together with him, and over our dead bodies will we ever let you two get any closer to hurt him!

Kai and Cordelia were really panicking now: their parents have seriously got them on the ropes now!

Cordelia Kaimana: W-what are you and Mom talking about, Dad? If that white-haired freak marries that bitch, Marina, he'll be part of our family, and we don't want it!

Brooke Kaimana: We've already seen just what kind of man Lincoln is: he's smart, extremely strong, brave, courageous, manly, and not afraid to stand up for everyone around him. He's already proven himself many times to Marina, and she's always protected him from danger. We already approved of Lincoln even before they came here to Hydros while you two have been running wild without a care in the world and are still causing mayhem and chaos on Hydros. The hell you mean Bringer of Chaos, the only two people worthy of that dirty shameful title are you and Kai, Cordelia.

Cordelia Kaimana: N-no way!

Adrian Kaimana: We held you both in the same high regard as Marina as part of our family, but what with the chaos and mayhem you've caused on Hydros, and the constant planning of trying to break Marina and Lincoln up and/or kill Lincoln so Marina could suffer from heartbreak of losing the man she loves, you two will never be forgiven! You hear me?

Kai and Cordelia were in shock!

Brooke Kaimana: And we've also decided on this: you two will forever be disowned and we're cutting ties with you both forever!

Marina Kaimana: Same with me. You two bringers of chaos have caused me enough trouble to last an eternity. Lincoln, would you be so kind?

Lincoln: Gladly.

We saw the sclera of Lincoln's eyes turn aqua blue, his deep sapphire eyes turn deep aqua blue, and the rainbow iris of his Third Eye turn aqua blue, and he also has aqua blue ocean wave tattoos on his massive muscular forearms: Lincoln's turned into his own Hydrosapien form.

Nico: WHOA!

Adrian Kaimana: This was due to Marina marking Lincoln and Lincoln marking Marina, and he now has his own Hydrosapien form, that's quite impressive.

Kai Kaimana: YOU'VE GOT TO BE FUCKING KIDDING ME! YOU'RE CHOOSING THAT FREAK OVER US!

Adrian Kaimana, Brooke Kaimana, and Marina Kaimana: WITHOUT HESITATION!

Kai and Cordelia Almenara: NOOOO!

Sylvester: All the same, now no one's going to say a kind word to you two moth-munching parasites.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune

Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: And for what you two tried to do to me and Marina, you deserve the same punishment that I gave Melanie and Marcus Almenara yesterday. Let's get them!

Lincoln then grabbed Kai Kaimana's neck with his large left hand and he sucked out his incredibly strong cosmic water powers and massive muscle mass, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Kai Kaimana was now thin as a rake and he didn't have any of his water powers anymore nor his immortality.

Then, Lincoln turned and grabbed Cordelia Kaimana's neck with his large left hand and he sucked out her incredibly strong cosmic water powers and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. When Lincoln let go, Cordelia Kaimana didn't have any of her water powers anymore nor her immortality.

Marina Kaimana: And not only did you two get stripped of your incredibly strong cosmic water powers and massive muscle mass, but also, you've been stripped of your immortality since you two were nothing but pure evil.

Cordelia Kaimana: YOU BITCH! WE'LL KILL YOU BOTH!

Lincoln fired aqua blue water blades from his massive greatsword and they pierced Cordelia and Kai Kaimana and they exploded and they were both sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Then, Hydros was suddenly beamed to our solar system and is also close by to the World Tree Estate.

Nico: Same plan as Cyrus and Solana Almenara's?

Adrian Kaimana: (Smirks) Yep.

Lincoln: Well, at least, those two moth-munching parasites will never be part of our family ever. (To Odelia Olivier) And it's so good to see you again, Odelia Olivier.

Odelia Olivier: You too, Linky, it's been a long time.

Lincoln went up to Odelia Olivier and he hugged her, and Odelia Olivier is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Odelia Olivier: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to

measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Odelia Olivier, Gene-Slammer of Infernoble Knight Oliver, she's my Guardian Angel from Michigan and she's a very powerful wielder of fire magic and a very powerful swordswoman and a member of The Royal Woods Knights of The Michigan Table. She trained me both in the art of swordsmanship and magic, and I became a very powerful swordsman and master of magic, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Odelia Olivier is the descendant of Olivier de Vienne.

Me: One of the Twelve Peers of Charlemagne and member of Charlemagne's court.

Melanie Artorgius: The very one. Lincoln made her a red coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Odelia Olivier hates Lisa with a very blazing passion. One day, Odelia Olivier and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lisa, and she'd brought with her an army of musclebound thugs she hired. Odelia Olivier and Lincoln went out there along with the rest of us, and she slays them with her greatsword. It drove that heartless, cold, unfeeling mad scientist monster into a blood-crazed fury, but before she could get after us, Lincoln and Odelia Olivier fired chains of fire which bound that mad scientist and tied her up. Lincoln wasn't surprised, Lisa tried to kill him many times in the past, but in the end, her plan failed, and not only did she get a severe beating from his sisters, but the parents also had her grounded for fifteen weeks and threw her in a cage, and to make sure she didn't try to get revenge, Odelia Olivier and Lincoln casted a spell to prevent her from coming after them because messing with the descendant of Olivier de Vienne and one of the members of The Royal Woods Knights of The Michigan Table will have dire and disastrous consequences.

Nico: Jeez, Lisa was such a rampaging little monster!

Me: And like Laney said, she refused to listen and she acted so condescending and she acted like a know-it-all.

Luna: It was a major headache to all of us, dude.

Luan: Someone needed to teach Lisa a lesson, but no one would because Lisa was crafty!

Lana: We all said the same thing, and we gave Lisa a warning: if she didn't get her head on straight and stop trying to kill Lincoln with her experiments and that also went for us, we wouldn't be coming to her aid, and we might even let his Guardian Angels who hated her so much to get after her.

Lincoln: But you do realize by letting them go after her, they'd kill her, right?

Nico: Lincoln's right about that. So many of his Guardian Angels hated Lisa that much, they want to kill her and throw her dead body in a ditch.

Me: And we saw the pictures of Lisa shredded and burned, it was proof of how much they hated Lisa for her control freak attitude.

Lincoln: In every way possible, they hated Lisa for it, and now that you're here, Odelia.

Lincoln went up to and hugged Odelia Olivier in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Odelia Olivier: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Odelia Olivier's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Odelia Olivier: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Odelia Olivier.

Odelia Olivier had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the five girls, and when Lincoln saw who they were, they immediately recognized them. The five girls are Gawain, Kay, Lancelot, Merlin, and Tristan from 12 Twelve Plus.

Lincoln: Oh wow, it's Gawain, Kay, Lancelot, Merlin, and Tristan from 12 Twelve Plus.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Gawain: Yes, we're okay, thanks to you.

Then, when Gawain and the other four girls saw who it was that saved them from Kai and Cordelia Kaimana The Bringers of Hydros' Chaos, their faces turned atomic red upon seeing the 18-year-old

8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Gawain: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Gawain: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gawain, Kay, Lancelot, Merlin, and

Tristan with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate and the rest of the team was shocked to find out the villains we went after were Marina Kaimana's Bringer of Chaos siblings, Cordelia and Kai Kaimana.

But, when Lincoln showed what we did in viciously beating those moth-munching mongrels down, then, Lincoln grabbed and sucked out Kai Kaimana's muscle mass, incredibly strong cosmic water powers, and immortality, and Cordelia Kaimana's incredibly strong cosmic water powers and immortality and sent them to The Black Gates, everyone cheered as they hugged us and Lincoln's harem kissed him and he had steam whistling from his ears. Lincoln, Melanie Gelasia, and Odelia Olivier have a lot of catching up to do now that they're back in town.

Maria: That'll teach those two moth-munching parasites. Aw man, I should've gone with you guys to Hydros.

Lincoln: Don't worry, the planet was brought here to our solar system, so you can visit it anytime.

Maria: Yes!

Marina Kaimana: Those two were never my siblings, they were so stuck up, stupid, idiotic, moronic, and selfish, they didn't want me to be happy and delighted in seeing me miserable, but what they'd tried to do in trying to make us break up and/or kill you, that really did it! Those two ugly pigs with no manners deserved to get their ties cut by Mom and Dad.

Leona Wicherek: We'll have trouble with my siblings on Aeros tomorrow.

Lincoln: I'll handle them, Leona, after your parents cut their ties with them as well.

After getting rid of Hydros' Bringers of Chaos, Cordelia and Kai Kaimana, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Odelia Olivier and Melanie Gelasia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Odelia Olivier: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Melanie Gelasia: He's definitely been bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Odelia Olivier: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melanie Gelasia: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Odelia, we've already heard from Melanie of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Odelia Olivier: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a really loud screech in the air, and we saw who it was coming after us: it was Lisa, and she had a massive army of thugs and her army of robots with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs and robots, then, we turned our attention to Lisa, and we brutally thrashed her. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and Mr. and Mrs. Loud were absolutely livid at Lisa once again, and Lori, Leni, Luna, Luan, Laney, Lynn, Lucy, Lana, Lola, and Lily pounced on Lisa, and they brutally beat her butt into the ground.

Nico: Jeez.

Lincoln: Yep, then, Lisa got grounded for eighteen weeks and we threw her in a metal container.

Ellie Elsher: But, then, Lisa screeched and pounded on the door's bars with a cup and she screamed vengeance against us, and we all proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lisa off and she screeched like a monster again.

Raven Ghostrick: We were really getting sick and tired of that cold-hearted emotionless mad scientist always running loose and trying to kill Lincoln, but we always put her down like the monster that she is.

Me: That dark side of her was nothing more than trouble and she can never ever be forgiven.

We got a shower, and then, Lincoln, Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula are heading to Waikiki Beach, Hawaii

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Pablo and Anderson hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Rinko Nikaido: Whoa, so this is Waikiki Beach, Hawaii, it truly is beautiful.

Lincoln: It sure is, Rinko, and it's perfect for our first date. Shall we?

Lincoln, Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula and they hugged them in their abnormally massive and powerful muscular arms, and Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like someone really had a good time at Waikiki Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula are in your harem.

Courtney: We were surprised to find out the Simulator versions of Ella and Dawn had feelings for Lincoln, and they sure do make an awesome couple, and we knew Kitten had feelings for him for years now, the same with Rinko and Edith, and I was surprised your Universe 666 counterpart fell in love with him, Azula.

Azula: Same here. And if I'm not mistaken, your world's Zuko along with Ty Lee and Mai are evil, right?

Universe 666 Azula: Sadly, it's true. They've thrown in their lot with Evil Nico and the rest of those monsters.

Lincoln: We'll deal with them in the future.

Jenna: And Pablo and Anderson had some nerve trying to kill them, those two are just making things much worse for themselves.

Serena Logan: I always knew those heartless murderous buttfaces were and always will be nothing but fucking trouble, and they're just making things worse for themselves.

Rarity: And trying to kill Rinko Nikaido, Edith Harrison, Kitten, Simulator Dawn, Simulator Ella, and Universe 666 Azula, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream and bellow with extreme hatred and rage and cursing right at us, and now, the morons have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, you buttface morons!

Nico: Even after we kicked Pablo and Anderson's miserable hides, those bastards still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Icky Vicky, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU HEARTLESS BUTTFACES!

Suddenly, the Beads of Subjugation on Pablo and Anderson's necks and on the necks of the jerks glowed and the amplified gravity forced the jerks to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand them if they so much as get anymore dumb ideas again. Remind me to add more punishments to them.

Me: We'll do just that.

Later we were getting ready for an awesome Super Mario Galaxy adventure.

Nico: Next is Buoy Base Galaxy.

Me: Awesome!

Luna: Me and Sam will go on this one dude!

Me: Cool!

Nico: Perfect for Pride Month girls.

Vinyl: I'll come too

Nico: Gnarly!

Lincoln: Go get them guys!

They went in and Nicole activated it and they were at BUOY BASE GALAXY!

Nico: Wow!

Sam S.L.: Awesome!

Luna: This is gonna be so cool dudes!

Vinyl Scratch: It sure will!

Nico: Any advice, Nicole?

Nicole: (On the radio) The star is on the very top of the tower in a dome and you have to blast it out of there with Bullet Bills. But your powers can work too.

Nico: All right then.

Vinyl Scratch: This will be awesome too.

13m agoMe: I see Goombas up ahead!

10m agoNico: This will be easy. Lets fly!

They flew up to the top and got to the sphere on top.

Nico: I see Goombas up ahead!

Vinyl Scratch: Lets blast them!

Luna: YEAH!

Luna and Sam blasted the Goombas with water and fire!

Vinyl Scratch fired waves of energy and blasted them all over!

Vinyl Scratch: OH YEAH!

Nico: (gets out Top and Count Vertigo's Ridewatches) Have some of this!

He activated them and spun the Goombas all over!

Nico: OH YEAH!

?: Let me help!

Then thy saw a Calyrex!

Nico: A Calyrex! Awesome!

Calyrex: (In a girls voice) This is so cool!

Nico: Golly Trevors!? Whoa!

Calyrex: Awesome to see you again Nico.

Calyrex fired waves of energy and blasted the Goombas.

Nicole: Now unscrew the top screw there.

Vinyl Scratch: On it!

She went and got onto the screw and spun and it unscrewed and revealed the star in a dome of water1

Nico: There it is!

Luna: Who wants to get it?

Nico: All three of you can.

Luna: Lets go!

They dove down and got the star!

YOU GOT A STAR!

Vinyl Scratch: RIGHTEOUS!

Sam S.L.: YEAH!

Calyrex reverted back and she was a girl with blue hair and had green and purple clothes and the kanji for horse was in the middle of her forehead.

Nico: Awesome!

Golly: YEAH!

They all regrouped and high five!

Sam: What's your favorite memory of Nico?

Golly: When me and Nico were at my family's ranch and we rescued a girl from a quicksand manure pool.

Nico: WHEW! That smell was awful.

Luna: No kidding. I would not want to see that.

Nico: Yeah but that was a good rescue.

Golly: It sure was.

Nico and Golly hugged.

Nico: I've missed you.

Golly: Same here.

They came back.

---

Later we were watching TV and then the mascots were heading to the door.

Candy Apple: Where are you guys going?

Poromon: We're going to an awesome new burger restaurant.

Poliwag:: It has over 500,000,000 combinations for burgers.

Qin: Cool!

Me: Can we come too?

Poliwag: Sure!

We went with them and down to the planet and into the city.

We arrived.

Apple Fritter: Is this it?

Poromon: Yep.

We saw that it was called DROOPY'S BURGER UTOPIA 5,000,000!

Nico: Awesome!

Qin: Lets eat!

We went in and saw that it was an ALL YOU CAN EAT BURGER BUFFET RESTAURANT!

Shaggy: Like oh boy! This is my kind of restaurant!

Lynn: It sure is! And they even have Super Diablo Burgers!

Qin: Lets eat guys!

We went and got awesome burgers loaded with a variety of toppings!

Lockdown: Look at all those burgers!

Poromon: Boy we got lots of them.

We got to eating.

Shaggy: Like I got mine with coleslaw and ice cream!

We laughed!

We were eating all over.

Me: MMM!

Eli: DELICIOUS!

Lola: Yummy!

?: May I have some too?

We saw a Wyrdeer.

Me: Cool a Wyrdeer!

Wyrdeer: (In a girls voice) All these burgers are awesome.

Nico: Carol Fawn!? Wow.

She reverted back and it was a girl with golden yellow hair and she had brown and blue clothes.

Carol Fawn: Awesome to see you again Nico.

Nico: Join us.

Carol Fawn: Sure.

She went and sat down and ate with us.

Huffer: What's your favorite memory of Nico?

Carol Fawn: When me and Nico went and found a huge illegal gambling operation and sent all of them to prison.

Nico: Yep.

Qin: That is so cool.

Lola: Awesome.

Nico: Yep it sure was.

Nico and Carol hugged.

Nico: I missed you.

Carol Fawn: Same here Nico.

We had a great meal.

We were finished with the burgers.

Crystal Man: Did you guys like those burgers?

All of us burped.

Me: Oh pardon me.

Nico: We're stuffed.

We laughed.

Laughed.

Qin: Ahh.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was none other than Ian Peek, the host for the Neo Gotham City newscast, The Inside Peak, and he's gotten his hands on an experimental Vibra-space belt, and he's using it to cause havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Nico: Lincoln, what's wrong?

Lincoln: We got big trouble, Nico. I just had a vision and saw who it was that we're going to confront today: the figure I saw in the vision was Ian Peek, the host for the Neo Gotham City newscast, The Inside Peak, and he's gotten his hands on an experimental Vibra-space belt, and he's using it to cause havoc.

We gasped. Just then, Terry and his friends came in.

Terry: I never thought I'd see Ian again, that belt made him lose control of his physical form, and I thought he'd sink into the Earth's Core.

Me: Looks like he's come back. Wait wasn't he that Tabloid Journalist that vanished without a trace?

Terry McGinnis: That's him. He vanished because of that belt.

Nico: Yeah.

Lincoln pulled up Ian Peek's info on his wrist computer on his left gold Bracer.

---

Ian Peek is the main antagonist in the Batman Beyond episode "Sneak Peek".

He is the host of an infamous tabloid newscast called "The Inside Peek". Peek stole a device from Nabuo Taka, who was once the head of the research department on Wayne-Powers, and Peek used it for his own ends. However, after extended usage of the device, it began to make him completely intangible with no way to revert back to normal. He later sinks beneath the Earth's surface and is never seen again.

He was voiced by Michael McKean, who also played Mr. Dittmeyer in The Brady Bunch Movie, Bill Case in Casper: A Spirited Beginning, Chuck McGill in Better Call Saul, voiced Sarousch in The Hunchback of Notre Dame II, Horace in the 101 Dalmatians franchise, Snow Miser in The Year Without a Santa Claus, Emperor

Zing in American Dad! and LG Algae in The Angry Beavers.

## Past

He was originally a low rated journalist, deciding he needed leverage to help jump-start his career. Peek got his chance when he interviewed a groundbreaking scientist of Wayne Powers, Nabuo Taka, who explains to Peek about his research on "matter phasing".

Realizing he needed it for his career, Peek stole Taka's device the Vibra-space belt and his research before lighting the place on fire. By doing this, Peek killed Taka who died in the fire and his work was presumed by Gotham authorities to be destroyed.

## Sneak Peek

Peek later uses the belt to walk through solid objects and gets up-close footage on a couple of Gotham's socialites. He exposes boxing trainer Jack Turley's affair with his champion's girlfriend; the musician Jamie Jerald's dealings with DNA splicing; and Paxton Powers neglecting work for good times at a private party. However, unbeknownst to him, the overuse of the device began to inflict permanent damage to his body, which first manifested as acute stomach pains, which he dampened with antacids.

Peek eventually infiltrated Gotham City Hall to videotape a meeting with D.A. Sam Young and gangster Jimmy Lin, who was cutting a deal in exchange for information about the Tong's involvement in illicit activities. On his way out, Peek was seen by a police officer who activated an alarm. Batman intercepted the distress call and chased after Peek. However, in his intangible state, Peek was untouchable and escaped.

After the events that transpired, Peek broadcasts the video on his show. Batman figured out Peek was the intangible man and paid a visit to the reporter, who refuted his accusations. At that moment, Peek was attacked by a vengeful Jimmy Lin and his gang. He ran into a closet and activated his belt to escape the building. Outside, he bumped into the Batmobile and seized the opportunity to plant a video camera inside. With this, Peek uncovered Terry's secret identity as well as Bruce Wayne's involvement as the original vigilante.

Afterwards, Peek broadcasted an edited footage of the video, showing a few images of the Batcave and blurred out images of Terry and Bruce and announced the reveal of their identities on the night edition. The major media event soon became the talk of the town, with all of Gotham excited to learn the answer to their city's biggest mystery for decades. Later, Peek encounters Terry (as Batman), who demands him to leave Bruce out of the exposure. Peek mocks him and made Terry admit how much Bruce meant to him and how much the Batman legacy meant to the people of Gotham. Peek refused to cancel the broadcast or even leave Bruce's name out of it, however, leaving Terry at a loss.

Later that night, Peek was preparing for the awaited event, but his stomach pains began to get worse. He then saw an intangible hole growing in his stomach. This caused him to postpone the broadcast, much to Terry's relief and every other Gothamite's disappointment. He called Bruce for help, and when he arrived, Peek revealed his condition and pleaded for medical treatment. He also admitted to the circumstances of how he acquired the belt and what he did to Taka, which angered Bruce. Bruce walked away to leave Peek to his fate as punishment for his crimes.

Seeing this, Peek tried to hand over the only unedited video recording exposing their secret but was still ignored. Furthermore, given how fast the blotch was spreading, Bruce most likely realized that Peek may have been too far gone to save.

The intangible blotch soon started spreading all over Peek's body. Bruce's rejection infuriated Peek who then jumped on him and tried to kill him. Terry (as Batman) then arrived, and Peek responded by holding them briefly at gunpoint, before his hand became intangible and dropped the gun. Peek then rapidly lost the rest of his physical form and started to fall through the building. Terry went after Peek and caught up with him on the ground floor and tried to pull him up, imploring Peek to concentrate to retain his solidity. For a few seconds, it worked, but Peek once again lost control of his physical form and sunk into the solid ground. His fate remains unknown, though Bruce pointed out he would keep falling until he reached the Earth's core, which would surely kill him if he didn't lose his whole substance first. Bruce managed to recover Peek's recording, saving his and Terry's secrets.

---

Lincoln: I pulled up his info, and you're not going to like it: he's a power-hungry, greedy, arrogant, ruthless, and self-centered individual who cares only about himself. He was even willing to expose Terry's secret as Batman and Bruce's involvement with Terry in order to boost his career.

We gasped.

Nico: What an asshole!

Lincoln: It gets even worse: Peek also stole Nabuo Taka's device and he left him to die in the fire he started, showing no remorse whatsoever. He later used his research for malevolent reasons, showing how willing he is to get recognized and become Gotham's greatest newscaster.

Me: That's it, we need to rip that belt off him, and then, he's going straight to prison for the rest of his life.

Lincoln: That's exactly what's going to happen.

Nico: Oh man!

Eli: That belt is really dangerous. We got to find him and get it off of him fast.

Me: But the question is how the fuck did he come back? If he phased all the way through to the center of the Earth he would have been obliterated into nothing.

Nico: Good question.

Eli: Dark Orb?

Me: Hmm.

I looked it up on my radar and it showed a Dark Orb moving slowly.

Me: There is a dark orb and it did bring him back.

Terry: This time, I'm going to save him!

Nico: We all will Terry.

Lola: Yeah.

Qin: Yep.

The previous group came.

Spot: Can me, Firebrand, Man Boy, Femme Fatale, Trapster, Kangor, Saix, Electro, Evil Star and Shiv go with you guys?

Nico: You all sure can.

Me: After we get that belt off him we're going to send him to prison.

Lola: But wait. If that belt he has gives him the power to become intangible then our physical attacks will be useless.

Nico: You're right on that Lola.

Me: I got it! J'onn that's where you come in. You will grab the belt from him with your Intangibility.

Martian Manhunter: That's a very well thought out idea and plan.

Nico: It sure is.

Clown Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Kleavor and Ursaluna next.

Qin: Cool!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone

else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than The Eviscerator, one of the antagonists in Ratchet: Deadlocked, a powerful cybernetic insectoid creature and a sadistic member of the Exterminators, and he's come back for revenge on Ratchet and Clank. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ratchet, Clank, you're not going to like it: the figure we sensed was none other than The Eviscerator, a powerful cybernetic insectoid creature and a sadistic member of the Exterminators, and he's come back for revenge on you two.

Ratchet: Now, The Eviscerator is back, I thought we'd never have to see him again!

Clank: But, there was no doubt he'd come back for revenge on us.

Arianna Metrodora: Well, there's no way I'm going to let him get away with this, I'm going to send his miserable body into the depths of darkness for all eternity!

Ratchet: Yikes, why do I have the feeling things are about to get dark?

Nico: Uh oh, when you get an Umbrasapien that mad, you better watch out! Alright, gang, let's go, we're heading to the Neo Gotham City sector to take down Ian Peek!

Me: According to this that belt is experimental and the building it came from burned down. But maybe there are remnants of it we can find.

Nico: Good idea.

Lincoln: He's getting a one-way trip to prison and he'll also be getting the very same sentence as Will Harangue, and once we get done with Ian Peek, you're next, Eviscerator.

Nico: That's for sure.

Arianna Metrodora: You better be ready to be dragged into darkness for eternity, Eviscerator, now you're about to face the wrath of my entire race!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the Neo Gotham City sector and take Ian Peek down, and once we got done with Ian Peek, Lincoln and Arianna Metrodora are going to destroy Eviscerator.

We paid for our food and we were off to the Neo Gotham City Sector.

---

We arrived in the Neo Gotham City Sector.

Femme Fetale: We haven't been here in a while

Nico: I know.

Camie: Wow! So advanced.

Qin: Yep.

We arrived at the Wayne Enterprises building and went to the abandoned office of Nabuo Taka.

Batman: Nabuo Taka's office is where the Vibra-space belt was stolen from.

We went to the door.

We opened it and saw that the entire office was totally burned and charred.

Me: WHOA! Peek really did a good job torching this place.

Nico: Boy this place has seen better days.

Camie: What happened here?

Me: Peek torched this place.

Nico: Lets take a look around.

Bad Juju: Is there anything salvageable here?

Nico: That's what we're going to try and find out.

We looked around.

Laney: Lets see.

Laney found a cabinet and opened it and in it was a flash drive.

Laney: A flash drive. There might be something on here.

Me: This computer right here is still intact.

Qin: The power to it is gone.

Lincoln: Let me do that.

Lincoln took the cord and channelled lightning into it and turned it on.

Nico: Oh perfect.

We looked through the data on the computer.

Nico: It's a log book and it's telling us how Dr. Taka made the belt. Very complex and complicated.

Qin: Wow.

Kangor: (Jamaican Accent) Let's read it, mon.

Nico: Lets see. Here's the last log entry. It was written on July 14th, 2039.

Batman 2039: That's right around the time this building burned.

Eli: What does it say?

Nico: (Reading) "The Vibra-Space Belt is nearing completion and all that is needed is to put in the Quantum Stability calibrator so that the belt's effects won't cause the user to go phase through the structure and fall through the center of the planet."

Batman: So that's what caused Peek to fall through.

Me: Because it wasn't fully calibrated.

Eli: So Peek stole it before it could be fully calibrated and completed.

Nico: Yeah. Lets see what's on that flashdrive.

Laney gave it to him and he put it in and it showed the blueprints of the Vibra-Space Belt.

---

The Vibra-Space Belt was a device invented by Nabuo Taka of Wayne-Powers that vibrated one's body molecules, turning its user incorporeal.

History

Taka developed a theory called vibra-space, which dictated that if atoms and molecules were made to vibrate in such a way, objects could pass though each other. Using this theory, he invented the vibra-space belt.

At one point, Taka conceded to an interview with Ian Peek about his research, telling him about the belt. Seeing it as an opportunity to jump-start his career, Peek stole the belt and then set the place ablaze to cover his tracks, killing Taka in the process.

Using the stolen belt, Peek used it to acquire dirt on Gotham City's celebrities, which he exposed on his tabloid show, "The Inside Peek," eventually allowing him to discover the new Batman's secret identity, as well as Bruce Wayne's involvement.

However, Peek's overuse of the belt began to take its toll on his body, first by causing him acute stomach pains, and then, before he could reveal Batman's identity, causing him to slowly turn intangible even without the belt. Ultimately, Peek lost all of his bodily substance and sank into the ground, with Bruce implying that he would keep sinking until he reached the center of the Earth.

---

We saw the belt and it was spiffy.

Me: (WHISTLE) Wow that is spiffy.

Xenia: Very interesting device.

Ruckus: There has to be something else.

Nico: Hmm.

He looked.

Nico: Nah this is all there is. Pretty much all of Dr. Taka's research right here. But I'll copy all this onto the flash drive for safe keeping.

Nico did so.

Nico: There.

Nico pulled out the Flashdrive and Lincoln turned it off.

Nico: Now lets head to the office of Ian Peek.

Me: There's bound to be something there.

We went to the office of Peek.

Evil Star: You think he's gonna know that we're snooping around?

Nico: Nah everyone thinks he's dead. But soon we'll expose him for the liar he is.

Me: After we get that belt off him.

We arrived at the building and went into his office.

Me: Whoa.

We saw that it was dusty and full of cobwebs and more.

MESSY ISN'T IT?

Me: Messy.

Xenia: Boy he sure didn't have a good housekeeper.

Lola: Yeah.

We got the place cleaned up and spotless.

Me: That's better.

We went through file cabinets.

Me: Hmm.

I looked through files and they were all archived stories about people.

Me: Whoa look at all this. (Reading) "Spellbinder Kills People with their own Insanity Illusions."

Nico: That is crazy.

Me: What total bullshit. (Reading) "Jokerz kill People and Bake Them Into Pies!?" I know the Jokerz may be fucked up but I don't think they are THAT fucked up.

Nico: Yeah no kidding.

Totally Spies Alice: He might have files on Terry. But those are probably obsolete now

Laney: I think these are them.

Laney picked them up and then they crumbled into dust.

Nico: Whoa.

Shiv: What do you expect when your identity is public?

Me: Yeah everyone now knows who Batman is.

Rotwood: And looking back I can't believe we were so stupid to do that.

Brad Mortan: Yeah we were total idiots.

Master Frown: No kidding there.

Squidward: Yeah we were morons.

Gabriel: A leaf insect can turn invisible much better than him.

Me: That's actually not total invisibility there. That's actually camouflage.

Qin: Yeah. But this isn't invisibility we're dealing with. This is Intangibility. The ability to walk through solid objects and walls.

Camie: Like how ghosts and Danny Phantom can do.

Gabriel: Okay I stand corrected on that.

Electro: Is that everything?

Nico: Lets see.

Nico looked in a drawer and then found a journal!

Nico: A journal.

Nico looked through it and found EVERYTHING needed to lock up Ian Peek and throw away the key!

Nico: The Smoking Gun is right here! This is Peek's journal. Commissioner Gordan is going to have a field day hearing all this.

Xenia: Yeah!

Eli: I sense Peek. He's heading to a Jokerz Hideout 20 klicks to the west.

Nico: Lets go!

We were off.

Itasis: I'll call Gordan!

Qin: Right!

Itasis did so.

We saw the hideout and we saw a figure heading to it.

Me: There he is!

Nico: Wow! That belt is amazing!

Martian Manhunter: I got this.

He went Intangible and flew at him.

Then he popped out and grabbed the belt!

Ian Peek: NO!

Nico: Entrance time!

We went at him.

Ian Peek: That belt is my power!

Then the spirits of journalists came and swirled around him and then converged and then…

KRABBBBBBBbBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and a phoenix cry was heard and then we came out!

Me: Ian Peek, you're under arrest!

Saix: Ian, just come along quietly.

Ian Peek: Who are you all!?

Me: We're Team Loud Phoenix Storm, the most powerful force in the entire universe.

Nico: The destroyers of evil and defenders of the universe.

Eli: And Evil's ultimate bane.

Xenia: That's right.

Batman 2039: So do us all a favor and come quietly or we'll have to use force.

Ian Peek: You can take off the mask, Terry. I know who you are.

Windsweeper: You might as well.

He did so.

Qin: So does us.

Ian Peek: You will be exposed.

Me: Don't bother. Everyone already knows who Batman is. Even his mother and brother too.

Nico: Also Ian you need to know something. This belt is not finished. It needed the Quantum Stability Calibrater to be able to prevent you from falling through stuff.

Me: That's why you fell through to the Earth's core and died.

Trapster: Yeah, I know the belt gave you power. But your death was the cost!

Me: That's right. This belt gave you that power but it came with a terrible price.

Xenia: You killed Taka before he could finish it.

Dana Tan: That's right!

Batman: And it lead to your death.

Ian Peek: I remember falling through the Earth.

Strike Man: And you fell into the core.

Me: And you were obliterated because of the extreme heat. At 9,392˚Fahrenheit it was impossible for you to survive.

Qin: That's right!

Xenia: So what do you say Ian? What do you say you surrender and we'll be on our way?

Roy Koopa: You're right about one thing. The Jokerz not in our ranks are scum.

Me: And they do NOT make pies out of people.

Eli: Also Spellbinder's illusions do NOT cause people to die.

Xenia: Yeah.

Camie: That is for sure!

Firebrand: We were in your office.

Ian Peek: Did you even knock?!

Nico: It was unlocked. Also it was really filthy.

Camie: We cleaned it up for you.

Ian Peek: Oh thanks.

Eli: You're welcome.

Me: WAIT! I got an idea. Instead of writing tabloid stories, how about writing the dirty laundry and secrets about our most hated enemies to the public?

Ian Peek: You know, that works.

Anna Anyanova: And the best sources of info are us. Lincoln Loud's guardian Angels.

Ian Peek: Ok.

Timmy Turner: I can give you Icky Vicky's diary to start off!

Maria: We made copies.

Me: We got plenty of info.

Ian Peek: I can write all that in my cell when you stop me.

Me: Fair enough.

May: We'll think of more things to give you after this!

Nico: Good idea.

Then Anti Wanda, Chemistro, Bonz, Roxy Rocket, Nergal, Rex Goodwin, Raven Branwen, Dr. Polaris, Duff Killigan, and Felix Faust came.

Nico: Anti Wanda, Chemistro, Bonz, Roxy Rocket, Nergal, Rex Goodwin, Raven Branwen, Dr. Polaris, Duff Killigan, and Felix Faust.

Anti Wanda: (to Ian Peek) Sorry. But Icky Vicky's diary was the only humiliating thing we could think of.

Chemistro: In the future, we'll have to find the humiliating secrets of the others.

Bonz: In their old hideouts.

Nico: Yep and the Guardian Angels have tons of info too.

Roxy Rocket: (to Nico) We heard you fought the Evil Louds.

Nico: Yep we sure did.

Nergal: Did Georgina kick serious ass there?

Then a figure came out and it was FEAROG from episode 12 of In Space!

---

Fearog was one of five monsters summoned by Destructipede to help in Astronema's plan to take control of the Delta Megazord.

Fearog appeared alongside Clawhammer after Power Driller was beaten, after Destructipede was turned giant the Rangers decided to handle the five human sized monsters first and knocked them down with their weapons (With Fearog being struck by Carlos' Lunar Lance), but the monsters got back up and continued to attack the Rangers, with the monsters being stronger than the Rangers thought Andros summoned the Delta Megazord to fight Destructipede while the Rangers fought the other five monsters (With Andros fighting Fearog), after the Delta Megazord was taken control of by Astronema's Evilyzer and left, Fearog vanished along with Destructipede and the other monsters.

After the Rangers took back the Delta Megazord, Fearog reappeared with the other monsters as giants to fight the new Astro Delta Megazord, the monsters were shot at by the Gyro Blasters but like before the monsters came back, the five monsters continued to attack the Astro Delta Megazord to keep it away from Destructipede but the Astro Delta Megazord was able to bat them away, after Destructipede was destroyed Fearog and the other monsters were destroyed as well.

Shade Man: (Transylvanian Accent) It sure was and her story is really awesome too.

---

Nico: Yep. So, Odelia, we've already heard from Melanie of her memories with Lincoln, now what of you? What memories did you have with Lincoln?

Odelia Olivier: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of The Royal Woods Knights of The Michigan Table were riding out on patrol looking for any sign of trouble and we also had the rest of his Guardian Angels with him. Suddenly, we heard a really loud screech in the air, and we saw who it was coming after us: it was Lisa, and she had a massive army of thugs and her army of robots with her and she was out to kill Lincoln again, that set us off. We rode out there and we'd slain every last one of the thugs and robots, then, we turned our attention to Lisa, and we brutally thrashed her. Then, Lincoln chained her up with chains of fire and we brought her before the rest of her family, and after we told and showed them all everything, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, and Mr. and Mrs. Loud were absolutely livid at Lisa once again, and Lori, Leni, Luna, Luan, Laney, Lynn, Lucy, Lana, Lola, and Lily pounced on Lisa, and they brutally beat her butt into the ground.

Nico: Jeez.

Lincoln: Yep, then, Lisa got grounded for eighteen weeks and we threw her in a metal container.

Ellie Elsher: But, then, Lisa screeched and pounded on the door's bars with a cup and she screamed vengeance against us, and we all proceeded to flip her the bird and some of us even pulled a double hander and that really set that Lisa off and she screeched like a monster again.

Raven Ghostrick: We were really getting sick and tired of that cold-hearted emotionless mad scientist always running loose and trying to kill Lincoln, but we always put her down like the monster that she is.

Me: That dark side of her was nothing more than trouble and she can never ever be forgiven.

FLASHBACK ENDS

Roxy Rocket: Boy that dark side of Lisa was pure evil!
